Introduction

ABOUT THE REFERENCES CITED IN THE MODEL ADMINISTRATIVE PLAN

AUTHORITIES IN THE MODEL ADMINISTRATIVE PLAN

Authority for Public Housing Authority (PHA) policies is derived from many sources. Primary among these sources are regulations and guidance issued by the U.S. Department of Housing and Urban development (HUD). State law also directs PHA policy. State law must be followed where such law exists and does not conflict with federal regulations. In the absence of legal requirements or HUD guidance, industry practice may lead to PHA policy.

HUD

HUD provides the primary source of PHA policy through federal regulations, HUD Notices and handbooks. Compliance with federal regulations, current HUD Notices and HUD handbooks is mandatory.

HUD provides non-mandatory guidance to PHAs through HUD published guidebooks. Expired HUD Notices and handbooks also provide guidance for PHA policy. Following HUD guidance is optional, as long as PHA policies comply with federal law, federal regulations and mandatory policy. Because HUD has already determined that the guidance it provides is consistent with mandatory policies, PHA reliance on HUD guidance provides the PHA with a “safe harbor.”

Content contained on the HUD website can provide further clarification of HUD policies. For example, FAQs on the HUD website can provide direction on the application of federal regulations to a specific pattern.

State Law

Where there is no mandatory federal guidance, PHAs must comply with state law, if it exists. Where state law is more restrictive than federal law, but does not conflict with it, the PHA should follow the state law.

Industry Practice

Where no law or HUD authority exists on a particular subject, industry practice may support PHA policy. An industry practice is a way of doing things that is followed by most housing authorities.

RESOURCES CITED IN THE MODEL ADMINISTRATIVE PLAN

The model administrative plan cites several documents. Where a document or resource is cited frequently, it may be abbreviated. Where it is cited only once or twice, the model administrative plan may contain the entire name of the document or resource. Following is a key to abbreviations used for various sources that are frequently cited in the administrative plan and a list of references and document locations that are referenced in the model administrative plan or that may be helpful to you.

Chapter 1

OVERVIEW OF THE PROGRAM AND PLAN

INTRODUCTION

The Berkeley Housing Authority (BHA) receives its funding for the Housing Choice Voucher (HCV) program from the Department of Housing and Urban Development. The BHA is not a federal department or agency. A public housing agency (PHA) is a governmental or public body, created and authorized by state law to develop and operate housing and housing programs for low-income families. BHA, a Public Housing Authority, enters into an Annual Contributions Contract with HUD to administer the program requirements on behalf of HUD. BHA ensures compliance with federal laws, regulations and notices and must establish policy and procedures to clarify federal requirements and to ensure consistency in program operation.

This chapter contains information about BHA and its programs with emphasis on the HCV program. It also contains information about the purpose, intent and use of the plan. There are three parts to this chapter:

Part I: The Berkeley Housing Authority (BHA). This part includes a description of BHA, its jurisdiction, its programs, and its mission and intent.

Part II: The HCV Program. This part contains information about the Housing Choice Voucher program operation, roles and responsibilities, and partnerships.

Part III: The HCV Administrative Plan. This part discusses the purpose and organization of the plan and its revision requirements.

PART I: THE BERKELEY HOUSING AUTHORITY

1-I.A. OVERVIEW

This part explains the origin of BHA creation and authorization, the general structure of the organization, and the relationship between the BHA Board and staff.

1-I.B. ORGANIZATION AND STRUCTURE OF THE PHA

The Section 8 tenant-based Housing Choice Voucher (HCV) assistance program is funded by the federal government and administered by BHA for the jurisdiction of the City of Berkeley, CA.

The officials of a PHA are known as commissioners or, collectively, as the board of commissioners. Commissioners are appointed in accordance with state housing law and generally serve in the same capacity as the directors of a corporation, establishing policies under which the PHA conducts business, ensuring that policies are followed by PHA staff and ensuring that the PHA is successful in its mission. The board is responsible for preserving and expanding the agency's resources and assuring the agency's continued viability.

Formal actions of the BHA are taken through written resolutions, adopted by the board of commissioners and entered into the official records of the BHA.

The principal staff member of the BHA is the Executive Director (ED), hired and appointed by the Board of Commissioners. The Executive Director is directly responsible for carrying out the

policies established by the commissioners and is delegated the responsibility for hiring, training and supervising the remainder of the BHA's staff in order to manage the day-to-day operations of the BHA to ensure compliance with federal and state laws and directives for the programs managed. In addition, the Executive Director's duties include budgeting and financial planning for the agency.

1-I.C. BHA MISSION

The purpose of a mission statement is to communicate the purpose of the agency to people inside and outside of the agency. It provides guiding direction for developing strategy, defining critical success factors, searching out key opportunities, making resource allocation choices, satisfying clients and stakeholders, and making decisions.

BHA Policy

BHA's mission is to deliver housing, housing assistance and related services to low-income:

- a. Elderly persons 62 or older;
- b. Families, including those with children, for a limited time as necessary in order to enable them to become self-sufficient and economically independent;
- c. Persons with verifiable disabilities, for a limited time as necessary in order to enable them to become self-sufficient and economically independent; and
- d. Emancipated youth, for a limited time as necessary to become self-sufficient and economically independent;
- e. "Other low-income persons ("other singles") who are not elderly or do not have verifiable disabilities, for as limited a time as necessary in order to enable them to become self-sufficient and economically independent.

During the period of their assistance by BHA, these participants are expected to avail themselves, as necessary, of those supportive family services, education, training and job development activities needed for them to achieve self-sufficiency and economic independence.

1-I.D. BHA's PROGRAMS

BHA will make every effort to keep program participants informed of HCV program rules and regulations, and to advise participants of how the program rules affect them.

1-1.F. CONFLICT OF INTEREST

At appointment, and annually each July, every permanent or part-time employee shall be required to certify to potential conflicts due to family relations. For purposes of this Section "family" shall be defined as spouse or partner, mother or father, stepmother or stepfather, sister or brother (including half-brother or half-sister or stepbrother or stepsister), niece or nephew, spouse, child (including adopted and stepchild), grandparents (including step-grandparents), mother-in-law and father-in-law. Each employee shall be asked to certify as to:

The Conflict of Interest prohibition under this Section may be waived by the HUD Field Office upon the request of BHA for good cause.

In accordance with 24 CFR 84.42, no officer, employee or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the officer, employee, or agent, any member of his or her immediate family, his or her spouse or partner, or an organization which employs or is about to employ any of the parties indicated herein has a financial or other interest in the firm selected for an award.

1-1.G. EMPLOYEE APPLICANT/PARTICIPANT

An employee of BHA or a relative of a BHA employee who is also an applicant or participant is entitled to the same rights and shall be expected to satisfy the same requirements as any other applicant or participant with similar status.

Employee relative is defined as the employee's spouse or partner, mother or father, stepmother or stepfather, sister or brother (including half-brother or half-sister or stepbrother or stepsister), niece or nephew, spouse, child (including adopted and stepchild), grandparents (including step-grandparents), mother-in-law and father-in-law.

1-1.H. BHA'S STANDARDS OF CONDUCT

This Code of Conduct establishes standards for employees and agents of the Authority that will assure the highest level of public service. Recognizing that compliance with any ethical standards rests primarily on personal integrity and, specifically, in this instance, with the integrity of the employees and agents of BHA this Section sets forth those acts or omissions of acts that could be deemed injurious to the general mission of the Authority. In addition to the matters stated in this Plan, all employees and officials of the BHA shall comply with all applicable provisions of state and local law, including conflict of interest laws that regulate their conduct as public employees and officials.

This Code of Conduct is not intended, nor should it be construed, as an attempt to unreasonably intrude upon the individual employees' right to privacy and the right to participate freely in a democratic society and economy.

1-1.I. EIV SECURITY

The BHA utilizes three types of practices and controls to secure EIV information: technical safeguard, administrative safeguards, and physical safeguards. Details of the safeguards are spelled out in the EIV System Security Policy, including any subsequent revisions, which is incorporated by reference.

1-1.J PRIVACY

In an effort to protect and safeguard the information contained in BHA files, unsupervised admission to the office shall be granted only to BHA staff and sublessees. All visitors must wear an identification badge, and must be supervised by a BHA staff member.

BHA's practices and procedures are designed to safeguard the privacy of applicants and participants. All applicant and participant files will be stored in a secure location accessible only by authorized BHA staff.

- The Privacy Act of 1974 prohibits BHA from disclosing any record which is contained in a system of records by any means of communication to any person, or other agency, except pursuant to a written request by, or with the prior written consent of the individual to whom the record pertains, except as noted in 5 U.S.C. Section 552a(b).
- Each adult in an applicant or participant household is required to sign HUD's Form 9886, Authorization for Release of Information and Privacy Act Notice. This Form incorporates the Federal Privacy Act Statement and describes the conditions under which family information will be released. BHA will comply with the Privacy Act in the collection, maintenance, use and dissemination of all information obtained pursuant to the Form 9886 release.

1-1.K. CORE VALUES

BHA's core values are:

- To be responsible stewards of the resources available to the Authority;
- To seek ways to respond to the unique needs of our clients, within the constraints of all applicable program rules and regulations; and
- To value the talents and gifts of our customers, prospective customers, and our staff within our respective roles.

1-1.L. BHA's GIFT POLICY

- Neither BHA employees, officers, contractors subcontractors, nor agents may solicit or accept gifts, gratuities, favors or anything of monetary value from program participants, owners, suppliers, contractors, parties to sub-agreements or other persons or companies doing business, or proposing to do business, with BHA.

- If food or beverages, or small gifts with an estimated value under \$40 are left for staff, said gifts are to be placed in a common area and shared by all staff. If gifts with values in excess of \$40 and cash, money orders, checks, etc. in any amount are left with or for staff, said gift shall be donated to a community based organization serving the homeless in the City of Berkeley, including but not limited to the Berkeley Drop-In, Berkeley Food and Housing Project, or the Homeless Action Center.

PART II: THE HOUSING CHOICE VOUCHER (HCV) PROGRAM

1-II.A. OVERVIEW AND HISTORY OF THE PROGRAM

The intent of this section is to provide the public and staff with information related to the overall operation of the program. There have been many changes to the program since its inception in 1974 and a brief history of the program will assist the audience in understanding the program.

The United States Housing Act of 1937 (the “Act”) is responsible for the birth of federal housing program initiatives. The Act was intended to provide financial assistance to states and cities for public works projects, slum clearance and the development of affordable housing developments for low-income residents.

The Housing and Community Development (HCD) Act of 1974 created a new federally assisted housing program – the Section 8 Existing program (also known as the Section 8 Certificate program). The HCD Act represented a significant shift in federal housing strategy from locally owned public housing to privately owned rental housing.

Under the Certificate program, federal housing assistance payments were made directly to private owners of rental housing, where this housing was made available to lower-income families. Eligible families were able to select housing in the private rental market. Assuming that the housing met certain basic physical standards of quality (“housing quality standards”) and was within certain HUD-established rent limitations (“fair market rents”), the family would be able to receive rental assistance in the housing unit. Family contribution to rent was generally set at 30 percent of the family’s adjusted income, with the remainder of the rent paid by the program.

Another unique feature of the Certificate program was that the rental assistance remained with the eligible family, if the family chose to move to another privately-owned rental unit that met program requirements (in contrast to the public housing program where the rental assistance remains with the unit, should the family decide to move). Consequently, the Certificate program was characterized as tenant-based assistance, rather than unit-based assistance.

The Housing and Community Development (HCD) Act of 1987 authorized a new version of tenant-based assistance – the Section 8 Voucher program. The Voucher program was very similar to the Certificate program in that eligible families were able to select housing in the private rental market and receive assistance in that housing unit.

However, the Voucher program permitted families more options in housing selection. Rental housing still had to meet the basic housing quality standards, but there was no fair market rent limitation on rent. In addition, family contribution to rent was not set at a limit of 30 percent of adjusted income. Consequently, depending on the actual rental cost of the unit selected, a family might pay more or less than 30 percent of their adjusted income for rent.

From 1987 through 1999, public housing agencies managed both the Certificate and Voucher tenant-based assistance programs, with separate rules and requirements for each. From 1994 through 1998, HUD published a series of new rules, known as “conforming” rules, to more closely combine and align the two similar housing programs, to the extent permitted by the law.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) – also known as the Public Housing Reform Act – was signed into law. QHWRA eliminated all statutory differences between the Certificate and Voucher tenant-based programs and required that the two programs be merged into a single tenant-based assistance program, now known as the Housing Choice Voucher (HCV) program.

The HCV program was modeled closely on the pre-merger Voucher program. However, unlike the pre-merger Voucher program, the HCV program requires an assisted family to pay at least 30 percent of adjusted income for rent.

The transition of assistance from the Certificate and Voucher programs to the new HCV program began in October 1999. By October 2001, all families receiving tenant-based assistance were converted to the HCV program.

1-II.B. HCV PROGRAM BASICS

The purpose of the HCV program is to provide rental assistance to eligible families. The rules and regulations of the HCV program are determined by the U.S. Department of Housing and Urban Development. BHA is afforded choices in the operation of the program which are included in the BHA’s administrative plan, a document approved by the board of commissioners of the PHA.

The HCV program offers mobility to eligible families because they may search for suitable housing anywhere in BHA’s jurisdiction and may also be eligible to move under portability to other PHAs’ jurisdictions.

When a family is determined to be eligible for the program and funding is available, BHA issues the family a housing voucher. When the family finds a suitable housing unit and funding is available, BHA will enter into a contract with the owner and the family will enter into a lease with the owner. Each party makes their respective payment to the owner so that the owner receives full rent.

Even though the family is determined to be eligible for the program, the owner has the responsibility of approving the family as a suitable renter. BHA continues to make payments to the owner as long as the family is eligible and the housing unit continues to qualify under the program.

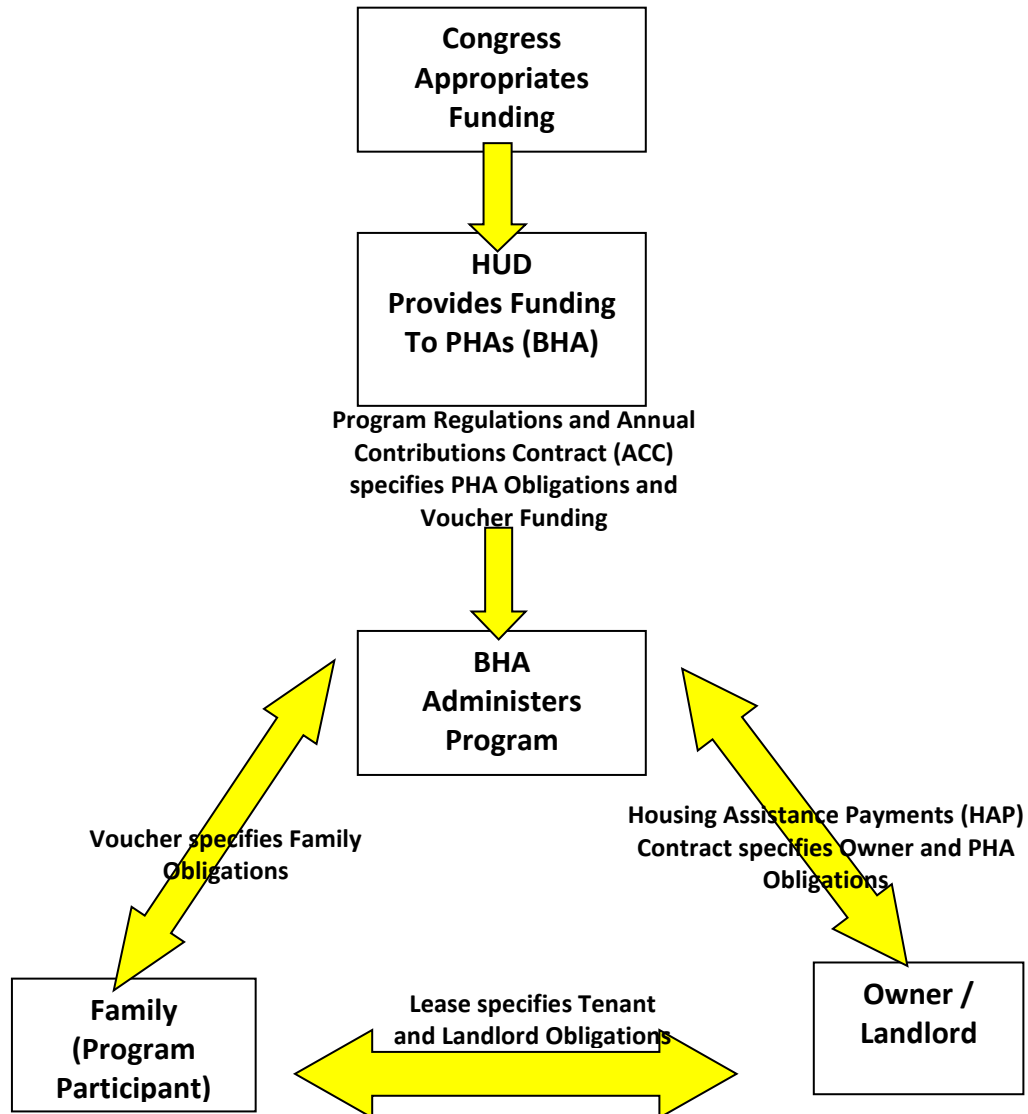

1-II.C. THE HCV PARTNERSHIPS

To administer the HCV program, BHA enters into a contractual relationship with HUD. The BHA also enters into contractual relationships with the assisted family and the owner or landlord of the housing unit.

For the HCV program to work and be successful, all parties involved – HUD, BHA, the owner, and the family – have important roles to play. The roles and responsibilities of all parties are defined in federal regulations and in legal documents that parties execute to participate in the program.

The chart below illustrates key aspects of these relationships.

The Housing Choice Voucher Relationships:

What does HUD do?

HUD has the following major responsibilities:

- Develop regulations, requirements, handbooks, notices and other guidance to implement HCV housing program legislation passed by Congress;
- Allocate HCV program funds to PHAs;
- Provide technical assistance to PHAs on interpreting and applying HCV program requirements;
- Monitor PHA compliance with HCV program requirements and PHA performance in program administration.

What does BHA do?

BHA administers the HCV program under contract with HUD and has the following major responsibilities:

- Establish local policies;
- Review applications from interested applicant families to determine whether applicants are eligible for the program;
- Maintain waiting list and select families for admission;
- Issue voucher to selected family and, if necessary, assist the family in finding a place to live;
- Conduct outreach to owners, with special attention to owners outside areas of poverty or minority concentration;
- Approve the rental unit (including assuring compliance with housing quality standards and rent reasonableness), the owner, and the tenancy;
- Make housing assistance payments to the owner in a timely manner;
- Ensure that families and their rental units continue to qualify under the program;
- Ensure that owners and families comply with program rules;
- Provide families and owners with prompt, professional service;
- Comply with all fair housing and equal opportunity requirements, HUD regulations and requirements, the Annual Contributions Contract, HUD-approved applications for funding, BHA's administrative plan, and other applicable federal, state and local laws.

What does the Owner do?

The owner has the following major responsibilities:

- Screen families who apply for tenancy, to determine if they will be good renters.
 - BHA can provide some information to the owner, but the primary responsibility for tenant screening rests with the owner.
 - The owner should consider family background factors such as rent and bill-paying history, history of caring for property, respecting the rights of others to peaceful enjoyment of the property, compliance with essential conditions of tenancy, whether the family is engaging in drug-related criminal activity or other criminal activity that might threaten others.
- Comply with the terms of the Housing Assistance Payments contract, executed with BHA;
- Comply with all applicable fair housing laws and discriminate against no one;
- Maintain the housing unit by making necessary repairs in a timely manner;
- Collect rent due from the assisted family and otherwise comply with and enforce provisions of the dwelling lease.

What does the Family do?

The family has the following responsibilities:

- Provide BHA with complete and accurate information, determined by BHA to be necessary for administration of the program;
- Make their best and most timely efforts to find a place to live that is suitable for them and that qualifies for the program;
- Attend all appointments scheduled by BHA;
- Respond promptly and completely to written requests from BHA;
- Allow BHA to inspect the unit at reasonable times and after reasonable notice;
- Take responsibility for care of the housing unit, including any violations of housing quality standards caused by the family;
- Comply with the terms of the lease with the owner;
- Comply with the family obligations of the voucher;
- Not commit serious or repeated violations of the lease;
- Not engage in drug-related or violent criminal activity;
- Notify BHA and the owner before moving or terminating the lease;
- Use the assisted unit only for residence and as the sole residence of the family. Not sublet the unit, assign the lease, or have any interest in the unit;
- Promptly notify BHA of any changes in family composition;

- Not commit fraud, bribery, or any other corrupt or criminal act in connection with any housing programs.

If all parties fulfill their obligations in an appropriate and timely manner, the program responsibilities will be fulfilled effectively.

1-II.D. APPLICABLE REGULATIONS

Applicable regulations include:

- 24 CFR Part 5: General Program Requirements
- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 982: Section 8 Tenant-Based Assistance: Housing Choice Voucher Program

PART III: THE HCV ADMINISTRATIVE PLAN

1-III.A. OVERVIEW AND PURPOSE OF THE PLAN

The Administrative Plan is required by HUD. The purpose of the Administrative Plan is to establish policies for carrying out the programs in a manner consistent with HUD requirements and local goals and objectives contained in BHA's Agency Plan. This Administrative Plan is a supporting document to the BHA agency plan, and is available for public review as required by CFR 24 Part 903.

This Administrative Plan is set forth to define the BHA's local policies for operation of the housing programs in the context of federal laws and regulations. All issues related to Section 8 not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices and other applicable law. The policies in this Administrative Plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

BHA is responsible for complying with all changes in HUD regulations pertaining to the HCV program. If such changes conflict with this plan, HUD regulations will have precedence.

Administration of the HCV program and the functions and responsibilities of BHA staff shall be in compliance with BHA's personnel policy and HUD's Section 8 regulations as well as all federal, state and local fair housing laws and regulations.

1-III.B. CONTENTS OF THE PLAN [24 CFR 982.54]

HUD regulations contain a list of what must be included in the Administrative Plan. BHA Administrative Plan must cover BHA policies on these subjects:

- Selection and admission of applicants from BHA waiting list, including any BHA admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening BHA waiting list (Chapter 4);
- Issuing or denying vouchers, including BHA policy governing the voucher term and any extensions or suspensions of the voucher term. 'Suspension' means stopping the clock on the term of a family's voucher after the family submits a request for approval of the tenancy. If

BHA decides to allow extensions or suspensions of the voucher term, the BHA Administrative Plan must describe how BHA determines whether to grant extensions or suspensions, and how BHA determines the length of any extension or suspension (Chapter 5);

- Any special rules for use of available funds when HUD provides funding to BHA for a special purpose (e.g., desegregation), including funding for specified families or a specified category of families (Chapter 4);
- Occupancy policies, including definition of what group of persons may qualify as a 'family', definition of when a family is considered to be 'continuously assisted'; standards for denying admission or terminating assistance based on criminal activity or alcohol abuse in accordance with 982.553 (Chapters 3 and 12);
- Encouraging participation by owners of suitable units located outside areas of low income or minority concentration (Chapter 13);
- Assisting a family that claims that illegal discrimination has prevented the family from leasing a suitable unit (Chapter 2);
- Providing information about a family to prospective owners (Chapters 3 and 9);
- Disapproval of owners (Chapter 13);
- Subsidy standards (Chapter 5);
- Family absence from the dwelling unit (Chapter 12) ;
- How to determine who remains in the program if a family breaks up (Chapter 3);
- Informal review procedures for applicants (Chapter 16);
- Informal hearing procedures for participants (Chapter 16);
- The process for establishing and revising voucher payment standards (Chapter 16);
- The method of determining that rent to owner is a reasonable rent (initially and during the term of a HAP contract) (Chapter 8);
- Special policies concerning special housing types in the program (e.g., use of shared housing) (Chapter 15);
- Policies concerning payment by a family to BHA of amounts the family owes BHA (Chapter 16);
- Interim redeterminations of family income and composition (Chapter 11);
- Restrictions, if any, on the number of moves by a participant family (Chapter 10);
- Approval by the board of commissioners or other authorized officials to charge the administrative fee reserve (Chapter 16);
- Procedural guidelines and performance standards for conducting required housing quality standards inspections (Chapter 8); and
- BHA screening of applicants for family behavior or suitability for tenancy (Chapter 3).

Mandatory vs. Discretionary Policy

HUD makes a distinction between:

- Mandatory policies: those driven by legislation, regulations, current handbooks, notices, and legal opinions, and
- Optional, non-binding guidance, including guidebooks, notices that have expired and recommendations from individual HUD staff.

HUD expects PHAs to develop policies and procedures that are consistent with mandatory policies and to make clear the optional policies the PHA has adopted. BHA's Administrative Plan is the foundation of those policies and procedures. HUD's directions require PHAs to make policy choices that provide guidance to staff and consistency to program applicants and participants.

Following HUD guidance, even though it is not mandatory, provides a PHA with a "safe harbor." HUD has already determined that the recommendations and suggestions it makes are consistent with mandatory policies. If a PHA adopts an alternative strategy, it must make its own determination that the alternative approach is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than HUD's safe harbor, but PHAs should carefully think through those decisions.

1-III.C. ORGANIZATION OF THE PLAN

The Plan is organized to provide information to users in particular areas of operation.

1-III.D. UPDATING AND REVISING THE PLAN

BHA will revise this Administrative Plan as needed to comply with changes in HUD regulations. The original plan and any changes must be approved by the Board of Commissioners of the agency, the pertinent sections included in the Agency Plan, and a copy provided to HUD.

BHA Policy

BHA will review and update the plan at least once a year, and more often if needed, to reflect changes in regulations, BHA operations, or when needed to ensure staff consistency in operation.

Chapter 2

FAIR HOUSING AND EQUAL OPPORTUNITY

INTRODUCTION

This chapter explains the laws and HUD regulations requiring PHAs to affirmatively further civil rights and fair housing in all federally-assisted housing programs. The letter and spirit of these laws are implemented through consistent policy and processes. The responsibility to further nondiscrimination pertains to all areas of BHA's housing choice voucher (HCV) operations.

This chapter describes HUD regulations and BHA policies related to these topics in three parts:

Part I: Nondiscrimination. This part presents the body of laws and regulations governing the responsibilities of BHA regarding nondiscrimination.

Part II: Policies Related to Persons with Disabilities. This part discusses the rules and policies of the housing choice voucher program related to reasonable accommodation for persons with disabilities. These rules and policies are based on the Fair Housing Act (42.U.S.C.) and Section 504 of the Rehabilitation Act of 1973, and incorporate guidance from the Joint Statement of The Department of Housing and Urban Development and the Department of Justice (DOJ), issued May 17, 2004.

Part III: Prohibition of Discrimination Against Limited English Proficiency Persons. This part details the obligations of the PHA to ensure meaningful access to the HCV program and its activities by persons with limited English proficiency (LEP). This part incorporates HUD and DOJ's Notice of Guidance, published December 19, 2003 in the *Federal Register*, and HUD's 2007 "Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons (Notice Jan, 22, 2007).

PART I: NONDISCRIMINATION

2-I.A. OVERVIEW

Federal laws require PHAs to treat all applicants and participants equally, providing the same quality of service, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. HUD regulations require equal access to HUD-funded housing regardless of one's actual or perceived sexual orientation, gender identity, or marital status. BHA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Order 11063

- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- Violence Against Women Reauthorization Act of 2013 (VAWA)
- The Equal Access Rule
- When more than one civil rights law applies to a situation, the laws will be read and applied together.
- Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted
- Notice of Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons (Notice Jan, 22, 2007)
- Executive Order 13166

BHA Policy

The following State nondiscrimination laws apply:

- Unruh Civil Rights Act
- Fair Employment and Housing Act
- BHA will not discriminate on the basis of marital status or sexual orientation.

2-I.B. NONDISCRIMINATION

Federal regulations prohibit discrimination against certain protected classes. State and local requirements, as well as BHA policies, can prohibit discrimination against additional classes of people.

BHA shall not discriminate because of race, color, sex, religion, familial status, age, disability or national origin (called “protected classes”).

Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18.

BHA Policy

BHA will not discriminate on the basis of marital status or sexual orientation (LGBT individuals), gender identity/expression and will engage in an interactive process in an attempt to identify and address any real or perceived barriers.

BHA will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the housing choice voucher program

- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
- Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- Treat a person differently in determining eligibility or other requirements for admission
- Steer an applicant or participant toward or away from a particular area based any of these factors
- Deny anyone access to the same level of services or subsidy
- Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
- Discriminate in the provision of residential real estate transactions
- Discriminate against someone because they are related to or associated with a member of a protected class
- Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class.

Providing Information to Families and Owners

BHA must take steps to ensure that families and owners are fully aware of all applicable civil rights laws. As part of the briefing process, BHA must provide information to HCV applicant families about civil rights requirements and the opportunity to rent in a broad range of neighborhoods [24 CFR 982.301]. The Housing Assistance Payments (HAP) contract informs owners of the requirement not to discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability in connection with the contract.

Discrimination Complaints

If an applicant or participant believes that any family member has been discriminated against by BHA or an owner, the family should advise BHA. HUD requires the PHA to make every reasonable attempt to determine whether the applicant's or participant's assertions have merit and take any warranted corrective action. In addition, BHA is required to provide the applicant or participant with information about how to file a discrimination complaint [24 CFR 982.304].

BHA Policy

Applicants or participants who believe that they have been subject to unlawful discrimination may notify BHA either orally or in writing.

BHA will attempt to remedy discrimination complaints made against BHA.

BHA will provide a copy of a discrimination complaint form to the complainant and provide them with information on how to complete and submit the form to HUD's Office of Fair Housing and Equal Opportunity (FHEO).

PART II: AFFIRMATIVELY FURTHER FAIR HOUSING

BHA will take the following reasonable steps to affirmatively further fair housing, and expand housing choice in its Housing Choice Voucher Program:

1. Administer a unit listing service, free to owners and families, that is updated weekly. The report will be posted on the BHA website; posted at the BHA office such that it is visible from the common corridor (for access outside BHA office hours); and hard copies are provided upon request (free of charge)
2. Provide targeted outreach to owners of rental properties in various neighborhoods in the City
3. Direct contact (invitation) extended to owners of rental housing projects with City of Berkeley financial assistance (Housing Trust Fund; Community Development Block Grant and Below Market Rent (BMR) units)
4. Create and preserve affordable housing units via strategic award and renewal of Project based vouchers to projects of new construction, acquisition and rehabilitation
5. Regular dissemination of information to all participating Section 8 Landlords via a Section 8 Owners Newsletter.

BHA has 6 staff with the ability to speak a language other than English, and able to translate by phone and in person, or via email. For all languages other than those spoken by BHA staff, we have a contract with Language Line Services and can obtain translation services immediately upon request for all other languages not spoken by BHA staff.

PART III: POLICIES RELATED TO PERSONS WITH DISABILITIES

2-III.A. OVERVIEW

One type of disability discrimination prohibited by the Fair Housing Act is the refusal to make reasonable accommodation in rules, policies, practices, or services when such accommodation may be necessary to afford a person with a disability the equal opportunity to use and enjoy a program or dwelling under the program.

BHA must ensure that persons with disabilities have full access to BHA's programs and services. This responsibility begins with the first inquiry of an interested family and continues through every programmatic area of the HCV program.

BHA Policy

BHA will ask all applicants and participants if they require any type of accommodation, in writing, during the initial intake application, during the annual reexamination process, and as part of any adverse action proposed by BHA, by providing a written "NOTICE OF RIGHT TO REASONABLE ACCOMMODATION".

The notice will advise that assistance in completing the form is available for anyone unable or unwilling to complete the form.

BHA will engage in an interactive discussion, as appropriate, in response to any perceived accommodation that may be appropriate.

2-III.B. DEFINITION OF REASONABLE ACCOMMODATION

A person with a disability may require special accommodations in order to have equal access to the HCV program. The types of reasonable accommodations BHA can provide include changes, exceptions, or adjustments to a rule, policy, practice, or service.

Federal regulations stipulate that requests for accommodations will be considered reasonable if they do not create an "undue financial and administrative burden" for BHA, or result in a "fundamental alteration" in the nature of the program or service offered. A fundamental alteration is a modification that alters the essential nature of a provider's operations.

Types of Reasonable Accommodations

When needed, BHA must modify normal procedures to accommodate the needs of a person with disabilities. Examples include:

- Permitting applications and reexaminations to be completed by mail
- Conducting home visits
- Using higher payment standards (either within the acceptable range or with HUD approval of a payment standard outside BHA range) if BHA determines this is necessary to enable a person with disabilities to obtain an appropriate, modest housing unit
- Providing time extensions for locating a unit when necessary because of lack of availability of accessible units or special challenges of the family in seeking a unit
- Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with BHA staff
- Providing dual copies of all required notices/mailings to a person designated by the family
- Displaying posters and other housing information in locations throughout BHA's office in such a manner as to be easily readable from a wheelchair.

2-III.C. REQUEST FOR AN ACCOMMODATION

If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that BHA treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to BHA's programs and services.

If the need for the accommodation is not readily apparent or known to BHA, the family must explain the relationship between the requested accommodation and the disability. There must be an identifiable relationship, or nexus, between the requested accommodation and the individual's disability.

BHA Policy

BHA will encourage the family to make its request in writing using a reasonable accommodation request form. However, BHA will consider the accommodation any time the family indicates that an accommodation is needed, or BHA staff has reliable information to believe an accommodation is appropriate, whether or not a formal written request is made or submitted.

When an accommodation involves suspension or reinstatement of assistance, BHA will allow a maximum of two years from the last date of assistance when considering the request.

2-III.D. VERIFICATION OF DISABILITY

The regulatory civil rights definition for persons with disabilities is provided in Exhibit 2-1 at the end of this chapter. The definition of a person with a disability for the purpose of obtaining a reasonable accommodation is much broader than the HUD definition of disability which is used for waiting list preferences and income allowances.

Before providing an accommodation, BHA must determine that the person meets the definition of a person with a disability, and that the accommodation will enhance the family's access to BHA's programs and services.

If a person's disability is obvious or otherwise known to BHA, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to BHA, BHA must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.

When verifying a disability, BHA will follow the verification policies provided in Chapter 7. All information related to a person's disability will be treated in accordance with the confidentiality policies provided in Chapter 16. In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification highly preferred from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].
- BHA must request only information that is necessary to evaluate the disability-related need for the accommodation. BHA will not inquire about the nature or extent of any disability.
 - Medical records will not be accepted or retained in the participant file.
 - If the accommodation is for an additional bedroom (for storage of medical equipment), BHA may either (a) accept photos of bedroom in question or (b) perform a home visit to verify the use of the additional bedroom for the intended purpose, during the request period.
 - If the accommodation is for an additional bedroom (for a live-in aide), BHA may perform a home visit and will require reasonable documentation from the proposed live in aide including DMV issued driver's license or identification card showing the assisted address as the fixed and permanent domicile (90-days after approval and recertification), every 1-3 years, or when a concern arises about the need for the extra bedroom, to verify residency in the assisted unit as the sole place of residency, via request for identification.

2-III.E. APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

BHA must approve a request for an accommodation if the following three conditions are met:

- The request was made by or on behalf of a person with a permanent disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on BHA, or fundamentally alter the nature of BHA's HCV operations (including the obligation to comply with HUD requirements and regulations).

Requests for accommodations must be assessed on a case-by-case basis, taking into account factors such as the cost of the requested accommodation, the financial resources of BHA at the time of the request, the benefits that the accommodation would provide to the family, and the availability of alternative accommodations that would effectively meet the family's disability-related needs.

Before making a determination whether to approve the request, BHA may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that BHA may verify the need for the requested accommodation.

BHA Policy

After a request for an accommodation is presented, BHA will respond, in writing, within 10 business days.

If BHA denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden or fundamentally alter the nature of BHA's operations), or there is no nexus between the disability and the requested accommodation, BHA will discuss with the family whether an alternative accommodation could effectively address the family's disability-related needs without a fundamental alteration to the HCV program and without imposing an undue financial and administrative burden.

If BHA believes that the family has failed to identify a reasonable alternative accommodation after interactive discussion and negotiation, BHA will notify the family, in writing, of its determination within 10 business days from the date of the most recent discussion or communication with the family.

If the accommodation is for an additional bedroom (e.g. for storage of medical equipment), BHA may either (a) accept photos of bedroom in question or (b) perform a home visit to verify the use of the additional bedroom for the intended purpose, during the request period and when the approval for the Reasonable Accommodation expires.

2-III.F. PROGRAM ACCESSIBILITY FOR PERSONS WITH HEARING OR VISION IMPAIRMENTS

HUD regulations require BHA to ensure that persons with disabilities related to hearing and vision have reasonable access to BHA's programs and services [24 CFR 8.6].

At the initial point of contact with each applicant, BHA shall inform all applicants of alternative forms of communication that can be used other than plain language paperwork.

BHA Policy

BHA will ask all applicants and participants, in writing, if they require assistance for hearing impaired household members by including language in all applications inquiring if any member of the household is hearing impaired

To meet the needs of persons with hearing impairments, relay service is available by calling 711, then (510) 981-5485.

To meet the needs of persons with vision impairments, large-print and audio versions of key program documents will be made available upon request. When visual aids are used in public meetings or presentations, or in meetings with BHA staff, one-on-one assistance will be provided upon request.

Additional examples of alternative forms of communication are sign language interpretation; having material explained orally by staff; or having a third party representative (a friend, relative or advocate, named by the applicant) to receive, interpret and explain housing materials and be present at all meetings.

2-III.G. PHYSICAL ACCESSIBILITY

BHA must comply with a variety of regulations pertaining to physical accessibility, including the following:

- PIH 2002-01 (HA), Accessibility Notice
- Section 504 of the Rehabilitation Act of 1973
- The Americans with Disabilities Act of 1990
- The Architectural Barriers Act of 1968
- The Fair Housing Act of 1988

BHA's policies concerning physical accessibility must be readily available to applicants and participants. They can be found in three key documents:

- This plan describes the key policies that govern BHA's responsibilities with regard to physical accessibility.
- Notice PIH 2002-01(HA) Accessibility Notice (which must be posted in the HCV offices in a conspicuous place) summarizes information about pertinent laws and implementing regulations related to non-discrimination and accessibility in federally-funded housing programs.
- BHA Plan provides information about self-evaluation, needs assessment, and transition plans.

The design, construction, or alteration of BHA facilities must conform to the Uniform Federal Accessibility Standards (UFAS). Newly-constructed facilities must be designed to be readily accessible to and usable by persons with disabilities. Alterations to existing facilities must be accessible to the maximum extent feasible, defined as not imposing an undue financial and administrative burden on the operations of the HCV program.

When issuing a voucher to a family that includes an individual with disabilities, BHA will include a current list of available accessible units known to BHA.

In general, owners must permit the family to make reasonable modifications to the unit. However, the owner is not required to pay for the modification and may require that the unit be restored to its original state at the family's expense when the family moves.

2-III.H. DENIAL OR TERMINATION OF ASSISTANCE

BHA's decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation [24 CFR 982.552 (2)(iv)].

When applicants with disabilities are denied assistance, the notice of denial must inform them of BHA's informal review process and their right to request a hearing. In addition, the notice must inform applicants with disabilities of their right to request reasonable accommodations to participate in the informal hearing process.

When a participant family's assistance is terminated, the notice of termination must inform them of BHA's informal hearing process and their right to request a hearing and reasonable

accommodation. In addition, all such notices will include the name and contact information for one or more legal advocates serving low-income households in the City of Berkeley.

When reviewing reasonable accommodation requests, BHA must consider whether any mitigating circumstances can be verified to explain and overcome the problem that led to BHA's decision to deny or terminate assistance. If a reasonable accommodation will allow the family to meet the requirements, BHA must make the accommodation.

PART IV: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)

2-IV.A. OVERVIEW

Language for People with Limited English Proficiency (LEP) can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the HCV program. In certain circumstances, failure to ensure that People with LEP can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin. This part incorporates the "Notice of Guidance to Federal Assistance Recipients Regarding Title VI Prohibition Affecting Limited English Proficient Persons," published December 19, 2003 in the *Federal Register* and HUD's 2007 "Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons (Notice Jan, 22, 2007)

BHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as People with Limited English Proficiency (LEP).

Those with LEP do not speak English as their primary language and have a limited ability to read, write, speak or understand English. For the purposes of this Administrative Plan, those with LEP are HCV applicants and participants, individuals who could potentially be served by BHA, and family members of applicants and participants.

In order to determine the level of access needed by those with LEP, BHA will balance the following four factors: (1) the number or proportion of those with LEP eligible to be served or likely to be encountered by the Housing Choice Voucher program; (2) the frequency with which those with LEP come into contact with the program; (3) the nature and importance of the program, activity, or service provided by the program to people's lives; and (4) the resources available to the PHA and costs. Balancing these four factors will ensure meaningful access by those with LEP to critical services while not imposing undue burdens on BHA.

2-IV.B. ORAL INTERPRETATION

In a courtroom, a hearing, or situations in which health, safety, or access to important benefits and services are at stake, BHA will generally offer, or ensure that the family is offered through other sources, competent services free of charge to those with LEP.

BHA Policy

BHA will analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. “Reasonable steps” may not be reasonable where the costs imposed substantially exceed the benefits.

Where feasible, BHA will train and hire bilingual staff to be available to act as interpreters and translators, will pool resources with other PHAs, and will standardize documents. Where feasible and possible, BHA will encourage the use of qualified community volunteers.

Where those with LEP desire, they will be permitted to use, at their own expense, an interpreter of their own choosing, in place of or as a supplement to the free language services offered by the PHA. The interpreter may be a family member or friend, if necessary. BHA’s interpretation assistance via Language Line Services is offered free of charge to applicants, potential applicants, and participants in BHA’s programs.

2-IV.C. WRITTEN TRANSLATION

Translation is the replacement of a written text from one language into an equivalent written text in another language.

BHA Policy

In order to comply with written-translation obligations, BHA will take the following steps:

BHA will provide written translations of vital documents into Spanish, Chinese and Mandarin, as requested and as BHA’s budget allows. BHA will provide oral translation where reasonable for applicants with LEP and participants who speak other languages.

2-IV.D. IMPLEMENTATION PLAN

After completing the four-factor analysis and deciding what language assistance services are appropriate, BHA shall determine whether it is necessary to develop a written implementation plan to address the identified needs of the populations with LEP it serves.

If BHA determines that it is not necessary to develop a written implementation plan, the absence of a written plan does not obviate the underlying obligation to ensure meaningful access by those with LEP to BHA’s Housing Choice Voucher program and services.

BHA Policy

BHA has developed a written Limited English Proficiency Plan (LEP), which addresses (1) Identifying those with LEP who need language assistance; (2) identifying language assistance measures; (3) outreach efforts; (4) staff training; and (5) complaint procedures.

EXHIBIT 2-1: DEFINITION OF A PERSON WITH A DISABILITY UNDER FEDERAL CIVIL RIGHTS LAWS [24 CFR Parts 8.3 and 100.201]

A person with a disability, as defined under federal civil rights laws, is any person who:

- Has a physical or mental impairment that substantially limits one or more of the major life activities of an individual, or
- Has a record of such impairment, or
- Is regarded as having such impairment

The phrase “physical or mental impairment” includes:

- Any physiological disorder or condition, cosmetic or disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to: such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

“Major life activities” includes, but is not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, breathing, learning, and/or working.

“Has a record of such impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

“Is regarded as having an impairment” is defined as having a physical or mental impairment that does not substantially limit one or more major life activities but is treated by a public entity (such as BHA) as constituting such a limitation; has none of the impairments defined in this section but is treated by a public entity as having such an impairment; or has a physical or mental impairment that substantially limits one or more major life activities, only as a result of the attitudes of others toward that impairment.

The definition of a person with disabilities does not include:

- Current illegal drug users
- People whose alcohol use interferes with the rights of others
- Persons who objectively pose a direct threat or substantial risk of harm to others that cannot be controlled with a reasonable accommodation under the HCV program

The above definition of disability determines whether an applicant or participant is entitled to any of the protections of federal disability civil rights laws. Thus, a person who does not meet this disability is not entitled to a reasonable accommodation under federal civil rights and fair housing laws and regulations.

The HUD definition of a person with a disability is much narrower than the civil rights definition of disability. The HUD definition of a person with a disability is used for purposes of receiving the disabled family preference, the \$400 elderly/disabled household deduction, the \$480 dependent deduction, the allowance for medical expenses, or the allowance for disability assistance expenses.

The definition of a person with a disability for purposes of granting a reasonable accommodation request is much broader than the HUD definition of disability. Many people will not qualify as a disabled person under the HCV program, yet an accommodation is needed to provide equal opportunity.

Chapter 3

ELIGIBILITY

INTRODUCTION

BHA is responsible for ensuring that every individual and family admitted to the HCV program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. The family must provide any information needed by BHA to confirm eligibility and determine the level of the family's assistance.

To be eligible for the HCV program:

- The applicant family must:
 - Qualify as a family as defined by HUD and BHA.
 - Have income at or below HUD-specified income limits.
 - Qualify on the basis of citizenship or the eligible immigrant status of family members.
 - Provide social security number information for family members as required.
 - Consent to BHA's collection and use of family information as provided for in BHA-provided consent forms.
- BHA must determine that the current or past behavior of household members does not include activities that are prohibited by HUD or BHA.

This chapter contains three parts:

Part I: Definitions of Family and Household Members. This part contains HUD and BHA definitions of family and household members and explains initial and ongoing eligibility issues related to these members.

Part II: Basic Eligibility Criteria. This part discusses income eligibility, and rules regarding citizenship, social security numbers, and family consent.

Part III: Denial of Assistance. This part covers factors related to an applicant's past or current conduct (e.g. criminal activity) that can cause BHA to deny assistance.

PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS

3-I.A. OVERVIEW

Some eligibility criteria and program rules vary depending upon the composition of the family requesting assistance. In addition, some requirements apply to the family as a whole and others apply to individual persons who will live in the assisted unit. This part provides information that is needed to correctly identify family and household members, and to apply HUD's eligibility rules.

3-I.B. FAMILY AND HOUSEHOLD [24 CFR 982.201(c), HUD-50058 IB, p. 13]

The terms *family* and *household* have different meanings in the HCV program.

Family

To be eligible for assistance, an applicant must qualify as a family. A family may be a single person or a group of persons. *Family* as defined by HUD includes, but is not limited to, the following, regardless of actual or perceived sexual orientation, gender identity, or marital status: a family with a child or children, two or more elderly or disabled persons living together, one or more elderly or disabled persons living with one or more live-in aides, or a single person. A single person family may be an elderly person, a displaced person, a disabled person, or any other single person. BHA has the discretion to determine if any other group of persons qualifies as a family.

BHA Policy

A family also includes two or more individuals who are not related by blood, marriage, adoption, or other operation of law but who either can demonstrate that they have lived together previously or certify that each individual's income and other resources will be available to meet the needs of the family.

Each family must identify the individuals to be included in the family at the time of application, and must update this information if the family's composition changes. Proposed changes to the household, before and after Voucher issuance, admission or recertification that are not explicitly granted by program rules, will be subject to review and approval by BHA

Household

Household is a broader term that includes additional people who, with BHA's permission, live in an assisted unit, such as live-in aides, foster children, and foster adults.

To ensure equal access to HUD programs without regard to a person's actual or perceived sexual orientation, gender identity, or marital status, a married or unmarried couple may be same or different genders.

3-I.C. FAMILY BREAK-UP AND REMAINING MEMBER OF TENANT FAMILY

Family Break-up [24 CFR 982.315]

BHA has discretion to determine which members of an assisted family continue to receive assistance if the family breaks up. However, if a court determines the disposition of property between members of the assisted family in a divorce or separation decree, BHA is bound by the

court's determination of which family members continue to receive assistance. If the family break-up results from an occurrence of domestic violence, dating violence, sexual assault, or stalking as provided in CFR part 5, subpart L, the PHA must ensure that the victim retains assistance. This is not applicable for project based units which may additional qualifying requirements (i.e. HOPWA designated units).

BHA Policy

When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former family members may make a new application with a new application date if the waiting list is open.

If a family breaks up into two otherwise eligible families while receiving assistance, only one of the new families will continue to be assisted.

If the family members are forced to leave the unit because of actual or threatened domestic violence, dating violence, sexual assault, or stalking by a spouse or other members of the household, the PHA may terminate the HAP contract for the original assisted unit and transfer the assistance to the family members forced to leave.

In the absence of a judicial decision, or an agreement among the original family members, BHA will determine which family retains their placement on the waiting list, or will continue to receive assistance taking into consideration the following factors:

- (1) VAWA victim custodian of minor children;
- (2) VAWA victim elderly or disabled;
- (3) interest of any minor children, including custody arrangements,
- (4) the interest of any ill, elderly, or disabled family members,
- (5) any possible risks to family members as a result of domestic violence or criminal activity, and
- (6) the recommendations of social service professionals.

Remaining Member of a Tenant Family [24 CFR 5.403]

The HUD definition of family includes the *remaining member of a tenant family*, which is a member of an assisted family who remains in the unit when other members of the family have left the unit. Household members such as live-in aides, foster children, and foster adults do not qualify as remaining members of a family.

If dependents are the only “remaining members of a tenant family” and there is no family member able to assume the responsibilities of the head of household, see Chapter 6, Section 6-I.B, for the policy on “Caretakers for a Child.”

3-I.D. HEAD OF HOUSEHOLD [24 CFR 5.504(b)]

Head of household means the adult member of the family who is considered the head for purposes of determining income eligibility and rent. The head of household is responsible for

ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a cohead or spouse.

BHA Policy

The family may designate any qualified family member as the head of household.

The head of household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as head of household.

3-I.E. SPOUSE, COHEAD, AND OTHER ADULT

A family may have a spouse or cohead, but not both [HUD-50058 IB, p. 13].

Spouse means the married or unmarried partner of the head of household.

Where a household consists of two unrelated adults 18 years or older, BHA shall assume there is a committed relationship unless the family advises otherwise.

BHA Policy

A registered domestic partner, or a minor who is emancipated under state law, may be designated as a spouse.

A *cohead* is an individual in the household who is equally responsible with the head of household for ensuring that the family fulfills all of its responsibilities under the program, but who is not a spouse. A family can have only one cohead.

BHA Policy

Minors who are emancipated under state law may be designated as a cohead.

Other adult means a family member, other than the head, spouse, or cohead, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults.

3-I.F. DEPENDENT [24 CFR 5.603]

A *dependent* is a family member who is under 18 years of age or a person of any age who is a person with a disability or a full-time student, except that the following persons can never be dependents: the head of household, spouse, cohead, foster children/adults and live-in aides. Identifying each dependent in the family is important because each dependent qualifies the family for a deduction from annual income as described in Chapter 6.

BHA Policy

In determining if a minor is a member of the household or applicant household, BHA's consideration will include:

- a. The residency of the biological or adoptive or foster parents including their identification if possible
- b. Formal court-awarded custody documentation
- c. Current lease
- d. Where the child attends school, and the guardian on record
- e. Who provides/receives financial assistance for the child
- f. Who is authorized to seek medical care on behalf of the child

- g. Who, if anyone, receives government assistance for the child
- h. Who, if anyone, claims the child for income tax purposes

Joint Custody of Dependents

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 183 or more days per year, not necessarily consecutively (51%).

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, BHA will make the determination based on available documents such as court orders, or an IRS return showing which family has claimed the child for income tax purposes, or school records, or medical (insurance) records.

3-I.G. FULL-TIME STUDENT [24 CFR 5.603; HCV GB, p. 5-29]

A *full-time student* (FTS) is a person who is attending school or vocational training on a full-time basis. The time commitment or subject load that is needed to be full-time is defined by the educational institution.

Identifying each FTS is important because: (1) each family member that is an FTS, other than the head, spouse, or co-head, qualifies the family for a dependent deduction, and (2) the income of such an FTS is treated differently from the income of other family members.

BHA will require verification of full-time enrollment for the current term, and evidence of satisfactory performance in the prior school term, in which earned income was disregarded, at the annual recertification.

3-I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY [24 CFR 5.100 and 5.403]

Elderly Persons

An *elderly person* is a person who is at least 62 years of age.

Near-Elderly Persons

A *near-elderly person* is a person who is 50-61 years of age.

Elderly Family

An *elderly family* is one in which the head, spouse, cohead, or sole member is an elderly person. Identifying elderly families is important because these families qualify for special deductions from income as described in Chapter 6.

3-I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILY [24 CFR 5.403]

Persons with Disabilities

Under the HCV program, special rules apply to persons with disabilities and to any family whose head, spouse, domestic partner or cohead is a person with disabilities. The technical definitions of individual with handicaps and persons with disabilities are provided in Exhibit 3-1 at the end

of this chapter. These definitions are used for a number of purposes including ensuring that persons with disabilities are not discriminated against based upon disability.

As discussed in Chapter 2, the PHA must make all aspects of the HCV program accessible to persons with disabilities and consider reasonable accommodations requested based upon a person's disability.

Disabled Family

A *disabled family* is one in which the head, spouse, domestic partner or cohead is a person with disabilities. Identifying disabled families is important because these families qualify for special deductions from income as described in Chapter 6.

Even though persons with drug or alcohol dependencies are considered persons with disabilities for the purpose of non-discrimination, this does not prevent BHA from denying assistance for reasons related to alcohol and drug abuse following policies found in Part III of this chapter, or from terminating assistance following the policies in Chapter 12.

3-I.J. GUESTS [24 CFR 5.100]

A *guest* is a person temporarily staying in the unit with the consent of a member of the household who has express or implied authority to so consent.

BHA Policy

A guest can remain in the assisted unit no longer than 30 consecutive days or a total of 90 cumulative calendar days during any 12-month period. In calculating the 90-days, each overnight stay by an individual shall count as one day (for example, 3 people visiting for 3 days shall constitute 9 of the allowable 90 days).

Children who are subject to a joint custody arrangement or for whom a family has visitation privileges, that are not included as a family member because they live outside of the assisted household 183 or more days per year, not necessarily consecutively, are not subject to the time limitations of guests as described above.

A family may request an exception to this policy for valid reasons (e.g., care of a relative recovering from a medical procedure is expected to last 40 consecutive days). An exception will not be made unless the family can identify and provide documentation of the residence to which the guest will return.

3-I.K. FOSTER CHILDREN AND FOSTER ADULTS

Foster adults are usually persons with disabilities, unrelated to the tenant family, who are unable to live alone [24 CFR 5.609].

The term *foster child* is not specifically defined by the regulations.

Foster children and foster adults that are living with an applicant or assisted family are considered household members but not family members. The income of foster children/adults is not counted in family annual income, and foster children/adults do not qualify for a dependent deduction [24 CFR 5.603; HUD-50058 IB, p. 13].

BHA Policy

A *foster child* is a child that is in the legal guardianship or custody of a state, county, or private adoption or foster care agency, yet is cared for by foster parents in their own homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.

A foster child or foster adult may be allowed to reside in the unit if their presence would not result in a violation of HQS space standards according to 24 CFR 982.401.

Children that are temporarily absent from the home as a result of placement in foster care are discussed in Section 3-I.L.

3-I.L. ABSENT FAMILY MEMBERS

Individuals may be absent from the family, either temporarily or permanently, for a variety of reasons including educational activities, placement in foster care, employment, illness, incarceration, and court order.

Definitions of Temporarily and Permanently Absent

BHA Policy

BHA will act in a manner to avoid making rental subsidy payments to landlords that are not housing eligible households. When an individual is not residing in the unit, BHA may:

- a) Terminate the Section 8 voucher;
- b) Suspend the Section 8 Voucher; or
- c) Terminate the rental subsidy [Housing Assistance Payment Contract], but preserve the Section 8 Voucher for the family.

Generally an individual who is or is expected to be absent from the assisted unit for 30 consecutive days or less is considered temporarily absent and continues to be considered a family member.

Except as set forth below, BHA will terminate the housing assistance of a family that is, or a voucher holder who is, absent from the assisted unit for 30 or more days per year without good cause, as determined by BHA in its sole discretion. The family shall have the right to an informal hearing.

BHA may continue housing assistance payments of a family, or voucher holder, that is absent from the assisted unit for a verifiable good cause (for example: long-term hospitalization) as determined by BHA.

In rare circumstances where BHA terminates the housing assistance of a family that can provide a reasonable target date for its return, BHA may allow the family to remain in the program even if its housing assistance payment has ceased (for example: a person participating in a residential drug or alcohol recovery program). The family will be issued a new voucher, provided that evidence is provided of such good cause reason. The request for reinstatement must be made within 2 years of the last rental subsidy payment.

In cases where some members of the family will be absent for more than 30 days per consecutive 12-month period while others remain in the unit, BHA may, at its sole discretion, recertify the remaining members. This may result in a smaller unit bedroom count for the remaining members. Or, the remaining family members may continue to reside in the larger unit, and increase their rent portion.

In cases where the adult member(s) of a household are absent, while minors remain in the unit, BHA will follow the dictates of State and local law and discuss the status with any remaining adults in the household, who are identified on emergency contact information portion of the BHA forms, or who are related to the family and contact BHA for information.

In cases of absences resulting directly from disaster or pandemic-related emergencies, the 30 day threshold will be waived to protect the health and safety of BHA's program participants and broader community.

Disabled program participants have the right to request a reasonable accommodation to exceed the 30 day threshold.

Other exceptions to this general policy are discussed below;

Absent Students

BHA Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member (and will be required to provide documentation to complete the household's recertification). The family must provide: (a) verification of enrollment at the beginning of every quarter/semester, (b) an annual declaration from the student that he/she has not established a separate household, and (c) evidence that the student is claimed on the income tax return of the assisted parent or has filed an independent return.

Absences Due to Placement in Foster Care [24 CFR 5.403]

Children temporarily absent from the home as a result of placement in foster care are considered members of the family.

BHA Policy

If a child has been placed in foster care, BHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member for a maximum of three years, provided the family is working towards satisfying a reunification plan. However, if the child is receiving other federal rent subsidy, the child will be removed from the BHA-assisted household until s/he is no longer receiving the other federal rental assistance.

Absences Due to Actual Threatened Domestic Violence, Date Violence or Stalking

BHA Policy

Prior to determining that a family member or a family has abandoned the unit, the PHA shall take into account the role domestic violence, dating violence, sexual assault, or stalking played in the absence.

Absent Head, Spouse, Domestic Partner, Cohead or Any Adult Family Member

BHA Policy

An employed head, spouse, domestic partner, cohead or any adult family member absent from the unit more than 30 consecutive days due to employment will continue to be considered a family member and any income or benefits received will be included in the calculation of household income provided the individual does not have another permanent residence.

Family Members Permanently Confined for Medical Reasons [HCV GB, p. 5-22]

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

BHA Policy

BHA will request verification from a responsible medical professional regarding the anticipated term the person will be confined, and will use this in making a determination. The family may present evidence that the family member is confined temporarily, is expected to return home within 6 months, and should continue being considered a family member. If the responsible medical professional cannot provide a determination that the duration of the confinement is not likely to exceed 6 consecutive months, the person will be considered permanently absent, removed from the household, via an interim reexamination; if the permanently or indefinitely confined family member is the only person in the household, assistance will be terminated. BHA may reinstate the Voucher, if the member is determined eligible to resume residency in a unit alone, or with the assistance of a live-in aide, within two years of the effective date of the family entered the long-term care facility.

BHA will require the household to provide written notice of the need for a family member to travel outside of California for medical treatment, if the duration of care will be 31 or more consecutive days.

Returning Members

BHA Policy

The family must request BHA approval for the return of any adult family members that BHA has determined to be permanently absent. The individual is subject to the eligibility and screening requirements discussed elsewhere in this chapter.

Absence due to lack of habitability

BHA Policy

When a family is not able to occupy the assisted unit due to habitability, BHA may continue the rental for a maximum of two months to allow time for owner repairs, provided the family is provided (a) alternate housing and relocation/displacement benefits

as required by City of Berkeley Relocation Ordinance, and (b) the family has not relocated to housing with the Section 8 Voucher.

3-I.M. LIVE-IN AIDE

Live-in aide means a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who: (1) is determined to be essential to the care and well-being of the persons, (2) is not obligated for the support of the persons, (3) does not have a intimate relationship with a member of the household, and (3) would not be living in the unit except to provide the necessary supportive services [24 CFR 5.403].

BHA must approve a live-in aide if needed as a reasonable accommodation in accordance with 24 CFR 8, to make the program accessible to and usable by the family member with disabilities.

A live-in aide is a member of the household, not the family, and the income of the aide is not considered in income calculations [24 CFR 5.609(b)]. Relatives, excluding a spouse, domestic partner, or significant other, may be approved as live-in aides if they meet all of the criteria defining a live-in aide. However, a relative who serves as a live-in aide is not considered a family member and would not be considered a remaining member of a tenant family.

A family's request for a live-in aide must be made in writing in accordance with BHA's Request for Reasonable Accommodation policies. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or case worker, that the live-in aide residing in the unit and providing over-night care is essential for the care and well-being of the elderly, near-elderly, or disabled family member. BHA may not require annual recertification of approval of a Live-In Aide, but will continue to require the family certify that the Live-In Aide is residing in the assisted unit.

In addition, the family and live-in aide will be required to submit a certification stating that the live-in aide is (1) not obligated for the support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services. BHA will run criminal background checks on potential Live-In Aides.

BHA will not authorize a larger unit to accommodate "aides" that work on shifts, but do not reside in the assisted unit on a full time basis. BHA will acknowledge the presence of such part-time aids, recognizing use of the living room as a possible sleeping room.

BHA will not approve a particular person as a live-in aide, and may withdraw such approval if [24 CFR 982.316(b)]:

- The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- The person is receiving federal rental assistance for another unit;
- The person fails to provide a driver's license or identification card from CA DMV showing the assisted address as his/her fixed and permanent domicile;
- The person commits drug-related criminal activity or violent criminal activity;
- The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the

1937 Act;

- The person fails to respond to/comply with BHA's reasonable request for information/documentation; or
- The relationship between the aide and the disabled person changes from employer-employee, to "spouse or partner."

BHA will not allow the reclassification of the LIA to status as a household member except as noted above.

Within 10 business days of receiving a request for a live-in aide, including all required documentation related to the request, BHA will notify the family of its decision in writing.

PART TIME AIDE

BHA recognizes that there are senior and/or disabled clients who require assistance with daily living activities, on a less-than- full time basis. If the disabled or elderly person only requires assistance on a part-time or "as-needed" basis or utilizes more than one person working shifts to cover a 24-hour period to perform the daily living activities, it is "not generally reasonable" to increase the subsidy on a full-time basis, and BHA will recommend other cost effective measures that can be taken to accommodate the needs of the part-time caregivers, including using the living room as a living/sleeping room for the short-term stays or sleeping arrangement for the workers.

PART II: BASIC ELIGIBILITY CRITERIA

3-II.A. INCOME ELIGIBILITY AND TARGETING

Income Limits

HUD is required by law to set income limits that determine the eligibility of applicants for HUD's assisted housing programs, including the housing choice voucher program. The income limits are published annually and are based on HUD estimates of median family income in a particular area or county, with adjustments for family size.

Types of Low-Income Families [24 CFR 5.603(b)]

Low-income family. A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

Very low-income family. A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

Extremely low-income family. A family whose annual income does not exceed the higher of either 30 percent of the median income for the area, or federal poverty, adjusted for family size.

HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Using Income Limits for Eligibility [24 CFR 982.201]

Income limits are used for eligibility only at admission. Eligibility is established by comparing a family's annual income with HUD's published income limits. To be income-eligible, a family must be one of the following:

- A *very low-income* family
- A *low-income* family that has been "continuously assisted" under the 1937 Housing Act. A family is considered to be continuously assisted if the family is already receiving assistance under any 1937 Housing Act program at the time the family is admitted to the HCV program [24 CFR 982.4]

BHA Policy

BHA will consider a family to be continuously assisted if the family was leasing a unit under any 1937 Housing Act program at the time they were issued a voucher by BHA.

- A low-income family that qualifies for voucher assistance as a non-purchasing household living in HOPE 1 (public housing homeownership), HOPE 2 (multifamily housing homeownership) developments, or other HUD-assisted multifamily homeownership programs covered by 24 CFR 248.173
- A low-income or moderate-income family that is displaced as a result of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract on eligible low-income housing as defined in 24 CFR 248.101

HUD permits BHA to establish additional categories of low-income families that may be determined eligible. The additional categories must be consistent with the BHA plan and the consolidated plans for local governments within the PHA's jurisdiction.

BHA Policy

BHA has not established any additional categories of eligible low-income families.

Using Income Limits for Targeting [24 CFR 982.201]

At least 75 percent of the families admitted to a PHA's program during a PHA fiscal year must be extremely low-income families. HUD may approve exceptions to this requirement if the PHA demonstrates that it has made all required efforts, but has been unable to attract an adequate number of qualified extremely low-income families.

Families continuously assisted under the 1937 Housing Act and families living in eligible low-income housing that are displaced as a result of prepayment of a mortgage or voluntary termination of a mortgage insurance contract are not subject to the 75 percent restriction.

3-II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]

Housing assistance is available only to individuals who are U.S. citizens, U.S. nationals (herein referred to as citizens and nationals), noncitizens that have eligible immigration status, or VAWA self-petitioners. At least one family member (adult or minor) must be a citizen, national, noncitizen with eligible immigration status, or a VAWA self-petitioner in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with BHA's Limited English

Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

Declaration [24 CFR 5.508]

HUD requires each family member to declare whether the individual is a citizen, a national, an eligible noncitizen, or a VAWA self-petitioner, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible noncitizens. For citizens, nationals and eligible noncitizens, and VAWA self-petitioners, the declaration must be signed personally by the head, spouse (except for VAWA self-petitioners), cohead, and any other family member 18 or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Noncitizens below). No declaration is required for live-in aides, foster children, or foster adults.

U.S. Citizens and Nationals

In general, citizens and nationals are required to submit only a signed declaration that claims their status. However, HUD regulations require the PHA to obtain verification of the declaration by requiring documentation of their status, as set forth in chapter 7, for example, a passport.

BHA Policy

Family members who declare citizenship or national status will be required to provide documentation of their status as set forth in Chapter 7.

For family members who claim to be eligible immigrants, BHA must verify immigration status with the United States Citizenship and Immigration Services (USCIS) via the SAVE system (Systematic Alien Verification for Entitlements).

BHA will follow all USCIS protocols for verification of eligible immigration status.

Eligible Noncitizens and VAWA Self-Petitioners

In addition to providing a signed declaration, those declaring status as an eligible noncitizen or VAWA self-petitioner, must sign a verification consent form and cooperate with BHA's efforts to verify their immigration status as described in Chapter 7. The documentation required for establishing eligible noncitizen status or VAWA self-petitioner status varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, the person's age, and the date on which the family began receiving HUD-funded assistance.

Lawful residents of the Marshall Islands, the Federated States of Micronesia, and Palau, together known as the Freely Associated States, or FAS, are eligible for housing assistance under section 141 of the Compacts of Free Association between the U.S. Government and the Governments of the FAS [Public Law 106-504].

Ineligible Noncitizens

Those noncitizens who do not wish to contend their immigration status are required to have their names listed on a non contending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. The PHA is not required to verify a family member's ineligible status and is not required to report an individual's

unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

Providing housing assistance to noncitizen students is prohibited [24 CFR 5.522]. This prohibition extends to the noncitizen spouse of a noncitizen student as well as to minor children who accompany or follow to join the noncitizen student. Such prohibition does not extend to the citizen spouse of a noncitizen student or to the children of the citizen spouse and noncitizen student. Such a family is eligible for prorated assistance as a mixed family.

Mixed Families

A family is eligible for assistance as long as at least one member is a citizen, national, or eligible noncitizen. Families that include eligible and ineligible individuals are considered *mixed families*. Such families will be given notice that their assistance will be prorated, and that they may request a hearing if they contest this determination. See Chapter 6 for a discussion of how rents are prorated, and Chapter 16 for a discussion of informal hearing procedures.

Ineligible Families [24 CFR 5.514(d), (e), and (f)]

BHA may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member [24 CFR 5.512(b)]. Otherwise, no individual or family may be assisted prior to the affirmative establishment by BHA that the individual or at least one family member is eligible. Verification of eligibility for this purpose occurs when the individual or family members have submitted documentation to BHA in accordance with program requirements [24 CFR 5.512(a)].

BHA Policy

BHA will not provide assistance to a family before the verification of at least one family member.

When BHA determines that an applicant family does not include any citizens, nationals, or eligible noncitizens, following the verification process, the family will be sent a written notice within 10 business days of the determination.

The notice will explain the reasons for the denial of assistance, that the family may be eligible for proration of assistance, and will advise the family of its right to request an appeal to the United States Citizenship and Immigration Services (USCIS), or to request an informal hearing with the PHA. The informal hearing with BHA may be requested in lieu of the USCIS appeal, or at the conclusion of the USCIS appeal process. The notice must also inform the applicant family that assistance may not be delayed until the conclusion of the USCIS appeal process, but that it may be delayed pending the completion of the informal hearing process.

Informal hearing procedures are contained in Chapter 16.

Timeframe for Determination of Citizenship Status [24 CFR 5.508(g)]

For new occupants joining the assisted family, BHA must verify status at the first interim or regular reexamination following the person's occupancy, whichever comes first.

If an individual qualifies for a time extension for the submission of required documents, BHA must grant such an extension for no more than 30 days [24 CFR 5.508(h)].

Each family member is required to submit evidence of eligible status only one time during continuous occupancy.

BHA Policy

BHA will verify the status of applicants at the time other eligibility factors are determined.

3-II.C. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218]

The applicant and all members of the applicant's household must provide documentation of a valid Social Security Number (SSN) issued except noncitizens who do not contend eligible immigration status. If a household member who is required to execute a certification is less than 18 years old, the certification must be executed by the individual's parent or guardian [24 CFR 5.216(j)]. Assistance cannot be provided to a family until all SSN documentation requirements are met.

If any member of the household obtains a previously undisclosed SSN, has previously disclosed an SSN that HUD or the SSA determined was invalid, or has been assigned a new SSN, the documentation must be submitted at the family's next interim or regularly scheduled reexamination.

BHA must deny assistance to an applicant family if they do not meet the SSN disclosure, documentation and verification, and certification requirements contained in 24 CFR 5.216.

BHA will accept the following documents as evidence if the SSN is provided on the document:

- Identification card issued by a federal, state, or local agency, a medical insurance company or provider, or employer or trade union
- Payroll stubs
- Benefit award letters from government agencies; retirement benefit letters; life insurance policies
- Court records (real estate, tax notices, marriage and divorce, judgment or bankruptcy records)

3-II.D. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 5.230, HCV GB, p. 5-13]

HUD requires each adult family member, and the head of household, spouse, domestic partner or cohead, regardless of age, to sign form HUD-9886, Authorization for the Release of Information/Privacy Act Notice, and other consent forms as needed to collect information relevant to the family's eligibility and level of assistance. Chapter 7 provides detailed information concerning the consent forms and verification requirements.

BHA must deny admission to the program if any member of the applicant family fails to sign and submit the consent forms for obtaining information in accordance with 24 CFR 5, Subparts B and F [24 CFR 982.552(b)(3)].

3-11.E BHA RELEASE

BHA has a supplemental release form that is required of each applicant and/or participant. This form allows BHA to confirm with additional agencies, factors related to a household's income, assets, expenses, full time student status, and place of residency, all factors used in determining an appropriate level of assistance. The release will also allow BHA to contact the "emergency contact" identified by the family, and/or an agency on behalf of the family if there is an actual or perceived health risk to the family or neighbors, or if continuation of rental assistance is at risk.

3-ILF. STUDENTS ENROLLED IN INSTITUTIONS OF HIGHER EDUCATION [24 CFR 5.612 and FR Notice 4/10/06]

Section 327 of Public Law 109-115 and the implementing regulation at 24 CFR 5.612 established new restrictions on the eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be examined along with the income eligibility of the student's parents. In these cases, both the student and the student's parents must be income eligible for the student to receive HCV assistance. If, however, a student in these circumstances is determined independent from his/her parents in accordance with BHA policy, the income of the student's parents will not be considered in determining the student's eligibility.

The new law does not apply to students who reside with parents who are applying to receive HCV assistance. It is limited to students who are seeking assistance on their own, separately from their parents.

Definitions

In determining whether and how the new eligibility restrictions apply to a student, BHA will rely on the following definitions [FR 4/10/06, p. 18148].

Dependent Child

In the context of the student eligibility restrictions, *dependent child* means a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of *dependent* in 24 CFR 5.603, which states that the dependent must be a member of the assisted family, other than the head of household or spouse or domestic partner, who is under 18 years of age, or is a person with a disability, or is a full-time student. Foster children and foster adults are not considered dependents.

Independent Student

BHA Policy

BHA will consider a student "independent" from his or her parents and the parents' income will not be considered when determining the student's eligibility if the following four criteria are all met:

The individual is of legal contract age under state law.

The individual has established a household separate from his/her parents for at least one year prior to application for occupancy or the individual meets the U.S. Department of Education's definition of independent student.

To be considered an *independent student* according to the Department of Education, a student must meet one or more of the following criteria:

Be at least 24 years old by December 31 of the award year for which aid is sought

Be an orphan or a ward of the court through the age of 18

Be a veteran of the U.S. Armed Forces

Have one or more legal dependents other than a spouse (for example, dependent children or an elderly dependent parent)

Be a graduate or professional student

Be married

The individual was not claimed as a dependent by his/her parents pursuant to IRS regulations, as demonstrated on the parents' most recent tax forms.

The individual provides a certification of the amount of financial assistance that will be provided by his/her parents. This certification must be signed by the individual providing the support and must be submitted even if no assistance is being provided.

BHA will verify that a student meets the above criteria in accordance with the policies in Section 7-II.E.

Institution of Higher Education

BHA will use the statutory definition under section 102 of the Higher Education Act of 1965 to determine whether a student is attending an *institution of higher education* (see Exhibit 3-2).

Parents

BHA Policy

For purposes of student eligibility restrictions, the definition of *parents* includes biological or adoptive parents, stepparents (as long as they are currently married to the biological or adoptive parent), and guardians (e.g. grandparents, aunt/uncle, godparents, etc).

Person with Disabilities

BHA will use the statutory definition under section 3(b)(3)(E) of the 1937 Act to determine whether a student is a *person with disabilities* (see Exhibit 3-1).

Veteran

BHA Policy

A *veteran* is a person who served in the active military, naval, or air service and who was discharged or released from such service under conditions other than dishonorable.

Determining Student Eligibility

If a student is applying for assistance on his/her own, apart from his/her parents, BHA must determine whether the student is subject to the eligibility restrictions contained in 24 CFR 5.612. If the student is subject to those restrictions, BHA must ensure that: (1) the student is individually eligible for the program, (2) either the student is independent from his/her parents or the student's parents are income eligible for the program, and (3) the "family" with which the student is applying is collectively eligible for the program.

BHA Policy

For any student who is subject to the 5.612 restrictions, BHA will:

Follow its usual policies in determining whether the student individually and the student's "family" collectively are eligible for the program

Determine whether the student is independent from his/her parents in accordance with the definition of *independent student* in this section

Follow the policies below, if applicable, in determining whether the student's parents are income eligible for the program

If BHA determines that the student, the student's parents (if applicable), or the student's "family" is not eligible, BHA will send a notice of denial in accordance with the policies in Section 3-III.F, and the applicant family will have the right to request an informal review in accordance with the policies in Section 16-III.B.

Determining Parental Income Eligibility

BHA Policy

For any student who is subject to the 5.612 restrictions and who does not satisfy the definition of *independent student* in this section, BHA will determine the income eligibility of the student's parents as follows:

If the student's parents are married and living together, BHA will obtain a joint income declaration and certification of joint income from the parents.

If the student's parent is widowed or single, BHA will obtain an income declaration and certification of income from that parent.

If the student's parents are divorced or separated, BHA will obtain an income declaration and certification of income from each parent.

If the student has been living with one of his/her parents and has not had contact with or does not know where to contact his/her other parent, BHA will require the student to submit a certification under penalty of perjury describing the circumstances and stating that the student does not receive financial assistance from the other parent. BHA will then obtain an income declaration and certification of income from the parent with whom the student has been living or had contact.

In determining the income eligibility of the student's parents, BHA will use the income limits for the jurisdiction in which the parents live.

PART III: DENIAL OF ASSISTANCE

3-III.A. OVERVIEW

A family that does not meet the eligibility criteria discussed in Parts I and II, must be denied assistance.

In addition, HUD requires or permits BHA to deny assistance based on certain types of current or past behaviors of family members.

Forms of Denial [24 CFR 982.552(a)(2); HCV GB, p. 5-35]

Denial of assistance includes any of the following:

- Not placing the family's name on the waiting list
- Denying or withdrawing a voucher
- Not approving a request for tenancy or refusing to enter into a HAP contract
- Refusing to process a request for or to provide assistance under portability procedures

Prohibited Reasons for Denial of Program Assistance [24 CFR 982.202(b), Pub. L. 109-162]

HUD rules prohibit denial of program assistance to the program based on any of the following criteria:

- Age, disability, race, color, religion, sex, or national origin. (See Chapter 2 for additional information about fair housing and equal opportunity requirements.)
- Where a family lives prior to admission to the program
- Where the family will live with assistance under the program. Although eligibility is not affected by where the family will live, there may be restrictions on the family's ability to move outside the PHA's jurisdiction (See Chapter 10, Portability.)
- Whether members of the family are unwed parents, recipients of public assistance, or children born out of wedlock
- Whether the family includes children
- Whether a family decides to participate in a family self-sufficiency program
- Whether or not a qualified applicant has been a victim of domestic violence, dating violence, sexual assault, or stalking

3-III.B. MANDATORY DENIAL OF ASSISTANCE [24 CFR 982.553(a)]

HUD requires BHA to deny assistance in the following cases:

- Any member of the household has been evicted from federally-assisted housing in the last 3 years for drug-related criminal activity. HUD permits, but does not require, the PHA to admit an otherwise-eligible family if the household member has completed a PHA-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g., the person involved in the criminal activity no longer lives in the household).

BHA Policy

BHA will admit an otherwise-eligible family who was evicted from federally-assisted housing within the past 3 years for drug-related criminal activity, if BHA is able to verify that the household member who engaged in the criminal activity has completed a supervised drug rehabilitation program approved by BHA, or the person who committed the crime, is no longer living in the household and will not join the household for a minimum of three years.

- BHA determines that any household member is currently engaged in the use of illegal drugs.

BHA Policy

Currently engaged in is defined as any use of illegal drugs during the previous six months.

- BHA has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

BHA Policy

In determining reasonable cause, BHA will consider all credible evidence, including but not limited to, any record of convictions, or evictions of household members related to the use of illegal drugs or the abuse of alcohol. BHA will also consider evidence from treatment providers or community-based organizations providing services to household members.

- Any household member that has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing
- Any household member is subject to a lifetime registration requirement under a state sex offender registration program

3-III.C. OTHER PERMITTED REASONS FOR DENIAL OF ASSISTANCE

HUD permits, but does not require, BHA to deny assistance for the reasons discussed in this section.

Criminal Activity [24 CFR 982.553]

HUD permits, but does not require, BHA to deny assistance if BHA determines that any household member is currently engaged in, or has engaged in during a reasonable time before the family would receive assistance, certain types of criminal activity.

BHA Policy

If any household member is currently engaged in, or has engaged in any of the following criminal activities, within the past three years, the family may be denied assistance, and in making its decision to deny assistance, BHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, BHA may, on a case-by-case basis, decide not to deny assistance. The family will have the opportunity to provide evidence of participation in a rehabilitation program, or letters of support from advocacy

organizations familiar with the individual, law enforcement including judges, parole officers, and/or advocates, members of the civic community, or clergy.

Drug-related criminal activity, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].

Violent criminal activity, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].

Criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or

Criminal activity that may threaten the health or safety of property owners and management staff, and persons performing contract administration functions or other responsibilities on behalf of BHA (including a BHA employee or a BHA contractor, subcontractor, or agent).

Immediate vicinity means within a three-block radius of the premises.

Evidence of such criminal activity includes, but is not limited to:

- Any conviction for drug-related or violent criminal activity within the past 3 years.

- Any record of eviction from public or privately-owned housing as a result of criminal activity within the past 3 years.

In making its decision to deny assistance, BHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, BHA may, on a case-by-case basis, decide not to deny assistance.

Previous Behavior in Assisted Housing [24 CFR 982.552(c)]

HUD authorizes BHA to deny assistance based on the family's previous behavior in assisted housing:

BHA Policy

BHA **will not** deny assistance to an otherwise eligible family because the family previously failed to meet its obligations under the Family Self-Sufficiency (FSS) program.

BHA **will** deny assistance to an applicant family if:

- The family does not provide information that BHA or HUD determines is necessary in the administration of the program.

- The family does not provide complete and true information to BHA.

- Any family member has been evicted from federally-assisted housing in the last five years.

- Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family owes rent or other amounts to any PHA in connection with the HCV, Project-based Section 8, Moderate Rehabilitation, or public housing programs, unless the family repays the full amount of the debt prior to being selected from the waiting list.

If the family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease, unless the family repays the full amount of the debt prior to being selected from the waiting list.

The family failed to properly terminate rental assistance received by another Housing Authority before the effective date of assistance utilizing a BHA issued Voucher.

The family has breached the terms of a repayment agreement entered into with BHA, unless the family repays the full amount of the debt covered in the repayment agreement prior to being selected from the waiting list.

A family member has engaged in or threatened violent or abusive behavior or repeated harassing behavior toward PHA personnel.

Abusive or violent behavior towards PHA personnel includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

Threatening refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to deny assistance, BHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, BHA may, on a case-by-case basis, decide not to deny assistance.

3-III.D. SCREENING

Screening for Eligibility

PHAs are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the HCV program. This authority assists BHA in complying with HUD requirements and BHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records BHA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

BHA Policy

BHA will perform a criminal background check for every adult household member, 18 years or older at the effective date of admission. BHA may perform a subsequent criminal background check at annual or interim re-certifications if there is evidence, such as family notification of a new conviction/incarceration of a family member.

PHAs are required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household

member is known to have resided [24 CFR 982.553(a)(2)(i)]. In addition, PHAs must terminate an erroneously admitted lifetime sex offender. PHA's are also required to perform criminal background checks necessary to determine whether any household member has been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing, and must terminate if so (24 CFR 980.553 (b) (ii)).

If BHA proposes to deny assistance based on a criminal record or on lifetime sex offender registration information, or conviction of manufacturing methamphetamine on the premises of federally assisted housing, BHA must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission. [24 CFR 5.903(f) and 5.905(d)].

Screening for Suitability as a Tenant [24 CFR 982.307]

BHA has no liability or responsibility to the owner for the family's behavior or suitability for tenancy. The PHA may opt to conduct additional screening to determine whether an applicant is likely to be a suitable tenant.

BHA Policy

BHA will not conduct additional screening to determine an applicant family's suitability for tenancy.

The owner is responsible for screening and selection of the family to occupy the owner's unit. BHA must inform the owner that screening and selection for tenancy is the responsibility of the owner. An owner may consider a family's history with respect to factors such as: payment of rent and utilities, caring for a unit and premises, respecting the rights of other residents to the peaceful enjoyment of their housing, and compliance with other essential conditions of tenancy. The owner must comply with City of Berkeley's Fair Chance Housing Ordinance.

HUD requires BHA to provide prospective owners with the family's current and prior address (as shown in BHA records) and the name and address (if known) of the owner at the family's current and prior addresses. HUD permits BHA to provide owners with additional information, as long as families are notified that the information will be provided, and the same type of information is provided to all owners.

BHA Policy

BHA will inform owners of their responsibility to screen prospective tenants including compliance with the City of Berkeley's Fair Chance Housing ordinance which requires that property owners not inquire about criminal history until a determination that the applicant is qualified to rent under all other criteria, and has a conditional lease agreement, and that the applicant is informed in advance that a criminal background check will be run with written consent of the applicant, or the applicant may object and withdraw the rental application.

Upon submission of a Request for Tenancy Approval, and upon request, BHA will provide the prospective landlord with contact information of the landlord of any prior assisted tenancy and copies of prior inspection reports. With the consent of the prospective tenant, BHA will share information about any prior eviction and/or failure to pay utility expense reflected in the participant file.

3-III.E. CRITERIA FOR DECIDING TO DENY ASSISTANCE

Evidence [24 CFR 982.553(c)]

BHA Policy

BHA will use the concept of the preponderance of the evidence as the standard for making all admission decisions.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not.

Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Consideration of Circumstances [24 CFR 982.552(c)(2)]

HUD authorizes BHA to consider all relevant circumstances when deciding whether to deny assistance based on a family's past history except in the situations for which denial of assistance is mandated (see Section 3-III.B).

BHA Policy

BHA will consider the following factors prior to making its decision:

The seriousness of the case, especially with respect to how it affected other residents, and the potential to affect other residents

The extent to which there is a history of similar problems with the household while residing at another location

The effects that denial of assistance may have on other members of the family who were not involved in the action or failure

The evidence that there is a responsible family member, friend, or case manager to help the family manage/avoid a repeat of the problem behavior

A conviction of an individual family member, including whether the convicted family member is a minor or a person with disabilities, or, as discussed further in section 3-III.G) a victim of domestic violence, dating violence, sexual assault, or stalking

The length of time since the violation occurred, the family's recent history and the likelihood of favorable conduct in the future.

As evidence of the likelihood of favorable conduct in the future, BHA will consider all of the following: evidence of employment, education, participation in a work training program, participating in a counseling program, involvement in a community group, a certificate of rehabilitation from the state, and letters of support from parole or probation, case workers, clergy, or community leaders.

In the case of drug or alcohol abuse, whether a convicted household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

BHA will require the applicant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

Removal of a Family Member's Name from the Application [24 CFR 982.552(c)(2)(ii)]

HUD permits BHA to impose as a condition of admission, a requirement that family members who were convicted of criminal activity for which BHA may deny admission, to not reside in the unit.

BHA Policy

As a condition of receiving assistance, a family may agree to remove the convicted family member from the application. In such instances, the head of household must certify that the family member will not be permitted to stay as a guest in the assisted unit for three years.

After admission to the program, the family must present evidence of the former family member's current address upon BHA's request.

Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]

If the family includes a person with disabilities, BHA's decision concerning denial of admission is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

BHA Policy

If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of assistance, BHA will determine whether the behavior is related to the disability. If so, upon the family's request, BHA will determine whether alternative measures are appropriate as a reasonable accommodation. BHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of assistance. See Chapter 2 for a discussion of reasonable accommodation.

3-III.F. NOTICE OF ELIGIBILITY OR DENIAL

If the family is eligible for assistance, BHA will notify the family when it extends the invitation to attend the voucher briefing appointment, as discussed in Chapter 5.

If BHA determines that a family is not eligible for the program for any reason, the family must be notified promptly. The notice must describe: (1) the reasons for which assistance has been denied, (2) the family's right to an informal review, and (3) the process for obtaining the informal review [24 CFR 982.554 (a)]. See Chapter 16, for informal review policies and procedures.

BHA Policy

The family will be notified of a decision to deny assistance in writing within 10 business days of the determination. The notice will include contact information for legal advocacy organizations serving low-income residents in the City of Berkeley.

If BHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before BHA can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)]. BHA must give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process in accordance with program requirements [24 CFR 982.553(d)].

BHA Policy

If based on a criminal record or sex offender registration information, an applicant family appears to be ineligible BHA will notify the family in writing of the proposed denial and provide a copy of the record to the applicant and to the subject of the record. The family will be given 10 business days to dispute the accuracy and relevance of the information. If the family does not contact BHA to dispute the information within that 10-day period, BHA will proceed with issuing the notice of denial of admission. A family that does not exercise their right to dispute the accuracy of the information prior to issuance of the official denial letter will still be given the opportunity to do so as part of the informal review process.

Notice requirements related to denying assistance to noncitizens are contained in Section 3-II.B.

Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, sexual assault, or stalking are contained in Section 3-III.G.

3-III.G. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING [24 CFR Part 5, Subpart L]

The Violence against Women Reauthorization Act of 2013 (VAWA 2013) prohibits denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, sexual assault or stalking; and prohibits a landlord from evicting or terminating assistance on the basis or as a direct result of having been a survivor. Specifically, Section 606(4)(A) of VAWA adds the following provision to Section 8 of the U.S. Housing Act of 1937, which lists contract provisions and requirements for the housing choice voucher program:

- That an applicant or participant is or has been a victim of domestic violence, dating violence, sexual assault or stalking is not an appropriate reason for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission [24 CFR 5.2005], or for eviction/termination of assistance on the basis or as a direct result of having been a survivor.
- A survivor with an unreported member residing in the household whom the survivor is afraid to ask to leave because of domestic violence, may be covered by VAWA's anti-discrimination provisions and eligible for remedies provided under VAWA.

- Once admitted to BHA's programs, in instances of domestic violence, a landlord may bifurcate the lease to evict the abuser while allowing the survivor to stay in the unit. If the abuser who is evicted was the family member who qualified the rest of the family to live in the unit or receive assistance, the housing provider must provide the remaining tenant(s) at least 90 calendar days or until lease expiration (with a possible 60-day extension) to establish eligibility for the existing program, for another covered housing program, or find alternative housing.

Definitions [24 CFR 5.2003]

As used in VAWA:

- The term *bifurcate* means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members' lease and occupancy rights are allowed to remain intact.
- The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction, or an "affiliated individual" of the victim (spouse, parent, brother, sister, or child of that victim; or an individual to whom that victim stands in loco parentis; or an individual, tenant or lawful occupant living in the victim's household) and is living in, or seeking admission to, any of the covered housing programs.
- The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - The length of the relationship
 - The type of relationship
 - The frequency of interaction between the persons involved in the relationship
- The term *stalking* means:
 - engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
 - 1) Fear for his or her safety or others; or
 - 2) Suffer substantial emotional distress.
- The term *affiliated individual* is defined as:
 - A spouse, parent, brother or sister, or child of that individual, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual); or
 - Any individual, tenant, or lawful occupant living in the household of that person and related to that person by blood and marriage.

Notification

BHA Policy

BHA acknowledges that a victim of domestic violence, dating violence, sexual assault, or stalking may have an unfavorable history (e.g., a poor credit history, a record of previous damage to an apartment, a prior arrest record) that would warrant denial under BHA's policies, or possibly be a factor in a proposed eviction/termination of Section 8 assistance. Therefore, if BHA makes a determination to deny admission to an applicant family, or proposes termination of Section 8 assistance, BHA will include in its notice of denial:

A statement of the protection against denial provided by VAWA (VAWA Notice) and HUD VAWA self-certification form

A description of BHA confidentiality requirements

A request that an applicant wishing to claim this protection submit to BHA documentation meeting the specifications below with her or his request for an informal review (see section 16-III.D)

An offer to communicate with the applicant via another address, where mail can be received without the knowledge of the perpetrator.

Documentation

Victim Documentation

BHA Policy

An applicant claiming that the cause of an unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, sexual assault, or stalking must provide documentation (1) demonstrating the connection between the abuse and the unfavorable history and (2) naming the perpetrator of the abuse. The documentation may consist of any of the following:

Any of the items listed below are sufficient to confirm VAWA status, and may be chosen by the survivor except when there is conflicting evidence.

- A police or court record (i.e. restraining order) documenting the domestic violence, dating violence, sexual assault, or stalking
- A report from a hospital or medical care facility, attesting to the domestic violence
- Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of such abuse. This person may be an employee, advocate, agent, or volunteer of a victim service provider or social service agency; an attorney; clergy; or a medical or other knowledgeable professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.
- An option for use to document VAWA status is HUD Form 5382 "Certification of Domestic Violence, Dating Violence, Sexual Assault or

Stalking” which is available at BHA’s office and available in 14 languages.

- Administrative record.
- Statement of other evidence, at the discretion of the housing authority (e.g. emails, texts, social media posts).

An individual’s failure to timely provide documentation of domestic violence, dating violence, sexual assault, or stalking does not result in a waiver of the individual’s right to challenge the denial of assistance or termination, nor does it preclude the individual’s ability to raise an incident of domestic violence, dating violence, sexual assault, or stalking at eviction or termination proceedings.

Perpetrator Documentation

BHA Policy

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

- 1) A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit for three years; or
- 2) Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully and that (s)he is not signing the document under duress. The victim and perpetrator must also sign or attest to the documentation.

Time Frame for Submitting Documentation

BHA Policy

The applicant must submit the required documentation with her or his request for an informal review (see section 16-III.D) or must request an extension in writing at that time. If the applicant so requests, BHA will grant an extension of 10 business days, and will postpone scheduling the applicant’s informal review until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the applicant BHA determines that the family is eligible for assistance, no informal review will be scheduled and BHA will proceed with admission of the applicant family.

PHA Confidentiality Requirements [24 CFR 5.2007(a)(1)(v)]

All information provided to BHA regarding domestic violence, dating violence, sexual assault, or stalking, including the fact that an individual is a victim of such violence or stalking, must be

retained in strict confidence and may neither be entered into any shared database nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing in a time limited release, (b) is required for use in an eviction proceeding, or hearing regarding termination of assistance from the covered program, or (c) is otherwise required by applicable law.

BHA shall not allow employees to have access to information regarding documentation of domestic violence, dating violence, sexual assault, or stalking unless explicitly authorized by the PHA for reasons that specifically call for the employees to have access to this information [24 CFR 5.2007 (a) (4) (iii)].

BHA Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, BHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

EXHIBIT 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES

Person with Disabilities [24 CFR 5.403]

The term *person with disabilities* means a person who has any of the following types of conditions:

- Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:

Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months; *or*

In the case of an individual who has attained the age of 55 and is blind (within the meaning of “blindness” as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity, requiring skills or ability comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time.
- Has a developmental disability as defined in the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C.15002(8)], which defines developmental disability in functional terms as follows:

(A) In General

The term “developmental disability” means a severe, chronic disability of an individual that:

- (i) is attributable to a mental or physical impairment or combination of mental and physical impairments;
- (ii) is manifested before the individual attains age 22;
- (iii) is likely to continue indefinitely;
- (iv) results in substantial functional limitations in 3 or more of the following areas of major life activity: (I) Self-care, (II) Receptive and expressive language, (III) Learning, (IV) Mobility, (V) Self-direction, (VI) Capacity for independent living, (VII) Economic self-sufficiency; and
- (v) reflects the individual’s need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

(B) Infants and Young Children

An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting 3 or more of the criteria described in clauses (i) through (v) of subparagraph (A) if the individual, without services and supports, has a high probability of meeting those criteria later in life.

- Has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration; substantially impedes his or her ability to live independently, and is of

such a nature that the ability to live independently could be improved by more suitable housing conditions.

People with the acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for AIDS are not excluded from this definition.

A person whose disability is based solely on any drug or alcohol dependence does not qualify as a person with disabilities for the purposes of this program.

For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term person with disabilities refers to an individual with handicaps.

Individual with Handicaps [24 CFR 8.3]

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or is regarded as having such an impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

(1) Physical or mental impairment includes:

- (a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- (b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

(2) *Major life activities* means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) *Is regarded as having an impairment* means:

- (a) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;
- (b) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or
- (c) Has none of the impairments defined in paragraph (1) of this section but is treated by a recipient as having such an impairment.

**EXHIBIT 3-2: DEFINITION OF INSTITUTION OF HIGHER EDUCATION
[20 U.S.C. 1001 and 1002]**

Eligibility of Students for Assisted Housing Under Section 8 of the U.S. Housing Act of 1937; Supplementary Guidance; Notice [Federal Register, April 10, 2006]

Institution of Higher Education shall have the meaning given this term in the Higher Education Act of 1965 in 20 U.S.C. 1001 and 1002.

Definition of “Institution of Higher Education” From 20 U.S.C. 1001

- (a) Institution of higher education. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” means an educational institution in any State that
 - (1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;
 - (2) Is legally authorized within such State to provide a program of education beyond secondary education;
 - (3) Provides an educational program for which the institution awards a bachelor’s degree or provides not less than a 2-year program that is acceptable for full credit toward such a degree;
 - (4) Is a public or other nonprofit institution; and
 - (5) Is accredited by a nationally recognized accrediting agency or association, or if not so accredited, is an institution that has been granted preaccreditation status by such an agency or association that has been recognized by the Secretary for the granting of preaccreditation status, and the Secretary has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.
- (b) Additional institutions included. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” also includes—
 - (1) Any school that provides not less than a 1-year program of training to prepare students for gainful employment in a recognized occupation and that meets the provision of paragraphs (1), (2), (4), and (5) of subsection (a) of this section; and
 - (2) A public or nonprofit private educational institution in any State that, in lieu of the requirement in subsection (a)(1) of this section, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.
- (c) List of accrediting agencies. For purposes of this section and section 1002 of this title, the Secretary shall publish a list of nationally recognized accrediting agencies or associations that the Secretary determines, pursuant to subpart 2 of part G of subchapter IV of this chapter, to be reliable authority as to the quality of the education or training offered.

Definition of “Institution of Higher Education” From 20 U.S.C. 1002

- (a) Definition of institution of higher education for purposes of student assistance programs

(1) Inclusion of additional institutions. Subject to paragraphs (2) through (4) of this subsection, the term “institution of higher education” for purposes of subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 includes, in addition to the institutions covered by the definition in section 1001 of this title—

(A) A proprietary institution of higher education (as defined in subsection (b) of this section);

(B) A postsecondary vocational institution (as defined in subsection (c) of this section); and

(C) Only for the purposes of part B of subchapter IV of this chapter, an institution outside the United States that is comparable to an institution of higher education as defined in section 1001 of this title and that has been approved by the Secretary for the purpose of part B of subchapter IV of this chapter.

(2) Institutions outside the United States

(A) In general. For the purpose of qualifying as an institution under paragraph (1)(C), the Secretary shall establish criteria by regulation for the approval of institutions outside the United States and for the determination that such institutions are comparable to an institution of higher education as defined in section 1001 of this title (except that a graduate medical school, or a veterinary school, located outside the United States shall not be required to meet the requirements of section 1001 (a)(4) of this title). Such criteria shall include a requirement that a student attending such school outside the United States is ineligible for loans made, insured, or guaranteed under part B of subchapter IV of this chapter unless—

(i) In the case of a graduate medical school located outside the United States—

(I)(aa) At least 60 percent of those enrolled in, and at least 60 percent of the graduates of, the graduate medical school outside the United States were not persons described in section 1091(a)(5) of this title in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; and

(bb) At least 60 percent of the individuals who were students or graduates of the graduate medical school outside the United States or Canada (both nationals of the United States and others) taking the examinations administered by the Educational Commission for Foreign Medical Graduates received a passing score in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; or

(II) The institution has a clinical training program that was approved by a State as of January 1, 1992; or

(ii) In the case of a veterinary school located outside the United States that does not meet the requirements of section 1001(a)(4) of this title, the institution’s students complete their clinical training at an approved veterinary school located in the United States.

(B) Advisory panel

- (i) In general. For the purpose of qualifying as an institution under paragraph (1)(C) of this subsection, the Secretary shall establish an advisory panel of medical experts that shall—
 - (I) Evaluate the standards of accreditation applied to applicant foreign medical schools; and
 - (II) Determine the comparability of those standards to standards for accreditation applied to United States medical schools.
 - (ii) Special rule if the accreditation standards described in clause (i) are determined not to be comparable, the foreign medical school shall be required to meet the requirements of section 1001 of this title.
 - (C) Failure to release information. The failure of an institution outside the United States to provide, release, or authorize release to the Secretary of such information as may be required by subparagraph (A) shall render such institution ineligible for the purpose of part B of subchapter IV of this chapter.
 - (D) Special rule. If, pursuant to this paragraph, an institution loses eligibility to participate in the programs under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, then a student enrolled at such institution may, notwithstanding such loss of eligibility, continue to be eligible to receive a loan under part B while attending such institution for the academic year succeeding the academic year in which such loss of eligibility occurred.
- (3) Limitations based on course of study or enrollment. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution—
- (A) Offers more than 50 percent of such institution's courses by correspondence, unless the institution is an institution that meets the definition in section 2471 (4)(C) of this title;
 - (B) Enrolls 50 percent or more of the institution's students in correspondence courses, unless the institution is an institution that meets the definition in such section, except that the Secretary, at the request of such institution, may waive the applicability of this subparagraph to such institution for good cause, as determined by the Secretary in the case of an institution of higher education that provides a 2-or 4-year program of instruction (or both) for which the institution awards an associate or baccalaureate degree, respectively;
 - (C) Has a student enrollment in which more than 25 percent of the students are incarcerated, except that the Secretary may waive the limitation contained in this subparagraph for a nonprofit institution that provides a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree, or an associate's degree or a postsecondary diploma, respectively; or
 - (D) Has a student enrollment in which more than 50 percent of the students do not have a secondary school diploma or its recognized equivalent, and does not provide a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree or an associate's degree, respectively, except that the Secretary may waive the limitation contained in this subparagraph if a nonprofit institution demonstrates to the

satisfaction of the Secretary that the institution exceeds such limitation because the institution serves, through contracts with Federal, State, or local government agencies, significant numbers of students who do not have a secondary school diploma or its recognized equivalent.

(4) Limitations based on management. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if—

(A) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management or policies of the institution, has filed for bankruptcy, except that this paragraph shall not apply to a nonprofit institution, the primary function of which is to provide health care educational services (or an affiliate of such an institution that has the power, by contract or ownership interest, to direct or cause the direction of the institution's management or policies) that files for bankruptcy under chapter 11 of title 11 between July 1, 1998, and December 1, 1998; or

(B) The institution, the institution's owner, or the institution's chief executive officer has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, or has been judicially determined to have committed fraud involving funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42.

(5) Certification. The Secretary shall certify an institution's qualification as an institution of higher education in accordance with the requirements of subpart 3 of part G of subchapter IV of this chapter.

(6) Loss of eligibility. An institution of higher education shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution is removed from eligibility for funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 as a result of an action pursuant to part G of subchapter IV of this chapter.

(b) Proprietary institution of higher education

(1) Principal criteria. For the purpose of this section, the term “proprietary institution of higher education” means a school that—

(B) Meets the requirements of paragraphs (1) and (2) of section 1001 (a) of this title;

(C) Does not meet the requirement of paragraph (4) of section 1001 (a) of this title;

(D) Is accredited by a nationally recognized accrediting agency or association recognized by the Secretary pursuant to part G of subchapter IV of this chapter;

(E) Has been in existence for at least 2 years; and

(F) Has at least 10 percent of the school's revenues from sources that are not derived from funds provided under subchapter IV of this chapter and part C of subchapter I of

chapter 34 of title 42, as determined in accordance with regulations prescribed by the Secretary.

- (2) Additional institutions. The term “proprietary institution of higher education” also includes a proprietary educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

(c) Postsecondary vocational institution.

- (1) Principal criteria. For the purpose of this section, the term “postsecondary vocational institution” means a school that—

- (C) Has been in existence for at least 2 years.

- (2) Additional institutions. The term “postsecondary vocational institution” also includes an educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

Chapter 4

APPLICATIONS, WAITING LIST AND TENANT SELECTION

INTRODUCTION

When a family wishes to receive Section 8 HCV assistance, the family must submit an application that provides BHA with the information needed to determine the family's eligibility. HUD requires BHA to place all families that apply for assistance in an applicant lottery pool or on a waiting list. When HCV assistance becomes available, BHA must select families from the waiting list in accordance with HUD requirements and BHA policies as stated in the Administrative Plan and the Annual Plan.

BHA is required to adopt a clear approach to accepting applications, placing families on the waiting list, selecting families from the waiting list and must follow this approach consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or BHA to receive preferential treatment. Funding earmarked exclusively for families with particular characteristics may also alter the order in which families are served.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that BHA affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that BHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and BHA policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how BHA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how BHA's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process BHA will use to keep the waiting list current.

Part III: Selection for HCV Assistance. This part describes the policies that guide BHA in selecting families for HCV assistance as such assistance becomes available. It also specifies how in-person interviews will be used to ensure that BHA has the information needed to make a final eligibility determination.

PART I: THE APPLICATION PROCESS

4-I.A. OVERVIEW

This part describes the policies that guide BHA's efforts to distribute and accept applications, and to make preliminary determinations of applicant family eligibility that affect placement of the family on the waiting list. This part also describes BHA's obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16, Notice PIH 2009-36]

Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits BHA to determine the format and content of HCV applications, as well how such applications will be made available to interested families and how applications will be accepted by BHA. However, BHA must include Form HUD-90026, Supplement to Application for Federally Assisted Housing, as part of the PHA's application.

BHA Policy

BHA may use a one- or two- step application process. In a one-step process, the family must provide all of the information necessary to establish family eligibility, household composition, and level of assistance at application. A one-step process may be used for categories of applicants for which the waiting list is always open.

BHA will, typically, use a two-step application process. Under the two-step application process, BHA, initially will require families to provide only the information needed by BHA to make an initial assessment of the family's eligibility for assistance and its self-certified preference category eligibility. Depending on its self-certified preference category eligibility, a family initially determined to be eligible will be placed on the waiting list or in an applicant lottery pool. Because of limited S8 HCV assistance, not all families in the applicant lottery pool will be selected for placement on the waiting list. BHA will draw 1,500 applicants from the applicant lottery pool for placement on the waiting list. (remove) The family will be required to provide all of the information necessary to establish family eligibility and level of assistance when the family is selected from the waiting list.

BHA will announce the method by which applications may be obtained which may include:

- a. Downloading a copy from BHA's website, www.cityofberkeley.info/bha;
- b. Via Internet at another designated address;

Completed applications must be returned to BHA in the manner prescribed for the particular opening. Applications must be complete in order to be accepted by BHA for processing. If an application is incomplete or illegible, BHA will attempt to notify the family of the additional information required. If the applicant household does not qualify for Section 8 due to being over-income, or in the case of a Project-based unit due to ineligibility of specific unit requirements (i.e. HOPWA status, emancipated youth, over 62, wrong sized household size for unit, etc.) applicant households will not be placed on the waiting list.

Annually, BHA will receive Project Move-up referrals from the SRO Moderate Rehabilitation Program and Berkeley's Shelter Plus Care program. A maximum of 10 referrals will be placed on the waiting list for Project Move up vouchers (see Chapter 18). Note: this is a 5 year program, starting in 2017, and only operational subject to funding availability.

Project Move-Up

Subject to HUD funding, Project Move-up is a program to facilitate the progression of individuals/families from homelessness – to housing via the Mod Rehab Program – to permanently affordable housing, via a Section 8 Tenant Based Voucher. The intent is to admit 5 individuals from BHA's Single Room Occupancy Program (UA Homes and Erna P. Harris) and 5 individuals from the City of Berkeley's Shelter + Care program each calendar year for up to 5 years. These households must:

- a. Demonstrate lease compliance over the prior 12 month period
- b. Everyone 18 or older must have stable monthly income from sources including but not limited to employment, self-employment, unemployment, retirement, CalWorks or Social Security/SSI, sufficient to pay BHA's minimum rent of \$50 per month plus any utility allowance;
- c. Utilize the assistance to rent a unit in Berkeley for 24 months before becoming eligible for portability

Candidates for this program must submit an application to the Section 8 Voucher waiting list, and have a written referral from the property manager and/or case manager. Selection criteria for Project Move-up referrals to BHA are determined by Shelter Plus Care staff and Moderate Rehab property management, identifying a fair and systematic determination process, with priority given to those ready to live independently.

4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 – 4-13]

BHA must take a variety of steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard BHA application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). BHA must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or BHA must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of BHA's policies related to providing reasonable accommodations for people with disabilities.

Limited English Proficiency

PHAs are required to take reasonable steps to ensure meaningful access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the PHA's policies related to ensuring access to people with limited English proficiency (LEP).

4-I.D. PLACEMENT ON THE WAITING LIST

BHA must review each complete pre-application received and make a preliminary assessment of the family's eligibility. BHA must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in the regulations [24 CFR 982.206(b)(2)]. Where the family is determined to be ineligible, BHA must notify the family in writing [24 CFR 982.201(f)]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [24 CFR 982.202(c)].

Ineligible for Placement on the Waiting List

BHA Policy

If BHA can determine from the information provided that a family is ineligible at the time for the program for which it applied, the family will not be placed on the waiting list. Where a family is determined to be ineligible, BHA will send written notification of the ineligibility determination within 10 business days of receiving a complete application. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review and explain the process for doing so (see Chapter 16).

Eligible for Placement on the Waiting List

BHA Policy

BHA will send written notification of the preliminary eligibility determination within 10 business days of receiving a complete application.

Placement in the applicant lottery pool, if any, or on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.

Applicants will be placed on the waiting list according to any preference(s) for which they qualify, and, as applicable, either a randomly assigned applicant lottery pool tiebreaker number, or the date and time their application is received by BHA.

PART II: MANAGING THE WAITING LIST

4-II.A. OVERVIEW

BHA must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how a PHA may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

4-II.B. ORGANIZATION OF THE WAITING LIST [24 CFR 982.204 and 205]

BHA's HCV waiting list must be organized in such a manner to allow BHA to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Applicant name;
- Family unit size;
- Date and time of application;
- Qualification for any local preference;
- Racial or ethnic designation of the head of household.

HUD requires BHA to maintain a single waiting list for the HCV program unless it serves more than one county or municipality. Such PHAs are permitted, but not required, to maintain a separate waiting list for each county or municipality served.

BHA Policy

BHA will maintain a single waiting list for the HCV program.

In cases where two waiting lists overlap, applications on the pre-existing waiting list will be processed before applications from the new waiting list admission.

HUD directs that a family that applies for assistance from the HCV program must be offered the opportunity to be placed on the waiting list for any public housing, project-based voucher or moderate rehabilitation program BHA operates if 1) the other programs' waiting lists are open, and 2) the family is qualified for the other programs.

HUD permits, but does not require, that PHA's maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs.

A family's decision to apply for, receive, or refuse other housing assistance must not affect the family's placement on the HCV waiting list, or any preferences for which the family may qualify.

BHA Policy

BHA will not merge the HCV waiting list with the waiting list for any other program the BHA operates. BHA will maintain separate waiting list for the Section 8 HCV tenant based program, the Section 8 Project Based program. However, under special circumstances, BHA will allow applicants on a Project-based waitlist to be offered to move to the Tenant-based waitlist, and vice-versa. Such circumstances ~~could~~ include ~~to~~ identifying applicants on either waitlist who are eligible for a special population voucher or program, or prior to moving to close a list.

BHA may either allow referrals from owners/developers of Project-based Voucher units, or use the HCV waiting list to fill project based units (a) after all eligible applicants on the PBV waiting list have been contacted regarding vacancies, and (b) a determination is made that the PBV waiting list pool is insufficient to fill any current vacancy.

The Single Room Occupancy, Moderate Rehabilitation program "Interest Lists" are managed by The Coordinated Entry System (CES) operated by Bay Area Community Services (BACS and referred to Home Stretch, the Alameda County Health Care Services agency's program).

4-II.C. OPENING AND CLOSING THE WAITING LIST [24 CFR 982.206]

Closing the Waiting List

BHA is permitted to close the waiting list if it has an adequate pool of families to use its available HCV assistance. Alternatively, BHA may elect to continue to accept applications only from certain categories of families that meet particular preferences or funding criteria.

BHA Policy

Except as set forth in the following paragraphs, BHA will close the waiting list when the estimated waiting period for housing assistance for applicants on the list reaches 24 months for the most current applicants.

Where BHA has particular preferences or funding criteria that require a specific category of family (i.e. HOPWA), BHA may elect to continue to accept applications from these applicants while closing the waiting list to others.

Reopening the Waiting List

If the waiting list has been closed, it cannot be reopened until BHA publishes a notice in local newspapers of general circulation, minority media, and other suitable media outlets. The notice must comply with HUD fair housing requirements and must specify who may apply, and where and when applications will be received.

BHA Policy

BHA will announce the reopening of the waiting list at least 5 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice.

BHA will give public notice by publishing the relevant information in suitable media outlets including, but not limited to:

- 1) On the BHA website, www.cityofberkeley.info/BHA Through public notices and advertisement in the Berkeley Daily Planet or the Daily Californian, and/or the legal or public notice section of the Oakland Tribune and La Opinion.
- 2) Through written notice to:
 - a. The City of Berkeley Rent Stabilization Program Office and the Eviction Defense Center
 - b. Berkeley Unified School District
 - c. Homeless Shelters operating in the City of Berkeley
 - d. Berkeley's Coordinated, One-Stop Homelessness Services Center Berkeley Food and Housing Project
 - e. The Faith Community
 - f. Community service providers, including those serving clients with limited English Proficiency, such as East Bay Asian Local Development Corporation, Centro Legal De La Raza, Asian Health Services and Unity Council
 - g. Ed Roberts Campus, Center for Independent Living

- h. Disability Rights California
 - i. Local AIDS organizations
 - j. Organizations working with emancipated youth from foster care
 - k. Alameda County Department of Social Services
 - l. Non-profit housing organizations with S8 Project Based assistance in the City of Berkeley, including Satellite Affordable Housing Associates, Resources for Community Development
 - m. Children's Hospital (Oakland)
 - n. Bay Area Public Housing Authorities
 - o. Berkeley Property Owners Association/Berkeley Rental Coalition
- 3) Written notice posted at U.A. Homes and Erna P. Harris, Single Room Occupancy Moderate Rehabilitation Program developments
 - 4) On a recorded voice mail box; and
 - 5) At BHA Office.

BHA will attempt to coordinate with a representative selection of social service agencies that serve disabled, elderly and Limited English Proficiency populations in order to ensure equal access for these populations. Through these agencies, lottery entrants will be able to access translation services.

In the case of the Mainstream Voucher Program, BHA may have a limited timeframe opening for a limited number of Mainstream Vouchers, with limited public noticing only through a local newspaper such as the East Bay Times. The limited public notice, in the case of Mainstream Vouchers, will state that BHA will receive referrals to the Tenant-based waitlist solely from the Coordinated Entry System (CES), *only for those who are eligible for a Mainstream Voucher*: households, including single person households, with at least one disabled person between the ages of 18 – 61, who are: transitioning out of institutional and other segregated settings; at serious risk of institutionalization; homeless; or at risk of becoming homeless; previously experienced homelessness, and currently a client in a permanent supportive housing or rapid re-housing project.

4-II.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]

BHA must conduct outreach as necessary to ensure that BHA has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires BHA to serve a specified percentage of extremely low income families (see Chapter 4, Part III), BHA may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

BHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program

- Avoiding outreach efforts that prefer or exclude people who are members of a protected class.

BHA outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities.

BHA Policy

BHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in BHA's jurisdiction, including utilizing data from the U.S. Census Bureau, American Community Survey Table. Targeted outreach efforts will be undertaken if data suggests that certain populations are being underserved.

4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

BHA Policy

While the family is in the application lottery pool or on the waiting list, the family must immediately inform BHA of changes in contact information, including current residence, mailing address, email address and phone number. The changes must be submitted in writing.

BHA will consider a request to transfer the application to the spouse (partner) after reviewing the basis for the request. BHA will also consider transfer the application to another member of the household, provided the individual was listed as a household member at the time application was made. If the applicant is deceased, or otherwise no longer able to serve as applicant, and the only other household members were minors, BHA will transfer to application to the individual assuming responsibility for the minors.

4-II.F. UPDATING THE WAITING LIST [24 CFR 982.204]

HUD requires BHA to establish policies to use when removing applicant names from the waiting list.

Purging the Waiting List

The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to a BHA request for information or updates because of the family member's disability, BHA must reinstate the applicant family to their former position on the waiting list [24 CFR 982.204(c)(2)] if requested by the family.

BHA Policy

The waiting list will be updated at least annually to reflect changes that have been reported, qualification for preferences, and to ensure that all applicants and applicant information is current and timely.

To update the waiting list, BHA will send an update request via US mail to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for, the program. This update request will be sent to the last address that BHA has on record for the family. The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the waiting list.

The family's response on the original form provided must be in writing and may be delivered in person, or by mail. Responses should be postmarked or received by BHA not later than 30 business days from the date of BHA letter.

If the family fails to respond within 30 business days BHA will send a second notice to an alternate address and/or email address, if any. If the family provided alternate contacts, such as additional addresses/email addresses, BHA will send notice to the applicant via every available contact provided. If the notice is returned by the post office with no forwarding address, the applicant will be removed from the waiting list without further notice. If there is no alternate and/or email address, or alternate contact, the family will be removed from the waiting list without further notice.

If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated. The family will have 30 business days to respond from the date the letter was re-sent. If at that time, the family fails to respond within 120 business days, the family will be removed from the waiting list without further notice.

If a family is removed from the waiting list for failure to respond, the Executive Director, or his/her designee may reinstate the family if s/he determines the lack of response was due to BHA error, or to circumstances beyond the family's control.

Removal from the Waiting List

BHA Policy

If at any time an applicant family is on the waiting list, and BHA determines that the family is not eligible for assistance or is currently receiving S8 Tenant Based rental assistance from another Public Housing Authority, or is in the Project-based Program, or is deceased (see Chapter 3), the family will be removed from the waiting list.

If a family is removed from the waiting list because BHA has determined the family is not eligible for assistance, or is already receiving rental assistance, a notice will be sent to the family's address of record as well as to any alternate address (including an email address) provided on the initial application. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding BHA's decision (see Chapter 16) [24 CFR 982.201(f)].

PART III: SELECTION FOR HCV ASSISTANCE

4-III.A. OVERVIEW

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families receive assistance from the waiting list depends on the selection method chosen by BHA and is impacted in part by any selection preferences that the family qualifies for. The source of HCV funding also may affect the order in which families are selected from the waiting list.

BHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to BHA's selection policies [24 CFR 982.204(b) and 982.207(e)].

4-III.B. SELECTION AND HCV FUNDING SOURCES

Special Admissions [24 CFR 982.203]

HUD may award funding for specifically-named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, BHA may admit families that are not on the waiting list, or without considering the family's position on the waiting list. BHA must maintain records showing that such families were admitted with special program funding.

BHA Policy

Subject to Board approval, BHA will administer vouchers on behalf of families eligible for special admission.

Project Move-Up

With HUD approval, BHA has established a program to facilitate the progression of individuals/families from homelessness – to temporary supportive housing – to permanently affordable housing, via a Section 8 Housing Choice Voucher. The intent is to admit 5 individuals from BHA's Single Room Occupancy Program (UA Homes and Erna P. Harris) and an additional 5 households from the Shelter Plus Care Program each calendar year for 5 years. These households must:

- d. Demonstrate lease compliance over the prior 12 month period
- e. Have stable monthly income from employment, self-employment, retirement, CalWorks, Unemployment, or Social Security/SSI sufficient in total for family to pay BHA's minimum rent of \$50 per month plus any utility allowance
- f. Attempt to utilize the assistance to rent a unit in Berkeley for 24 months before becoming eligible for portability

Candidates for this program must have a written referral from the property manager and/or case manager and selection criteria for Project Move-up referrals to BHA are determined by Shelter Plus Care staff and Moderate Rehab property management, identifying a fair and systematic determination process, with priority given to those ready to live independently.

Targeted Funding [24 CFR 982.204(e)]

HUD may award BHA funding for a specified category of families on the waiting list. BHA must use this funding only to assist the families within the specified category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

BHA Policy

For any specified category of families for which HUD may award funding to BHA, applicants will be selected in the following order:

1. Any manner set forth by HUD in funding award
2. If not set forth by HUD funding award, in the order of first come, first served.

HUD designated assistance or awarded funding to BHA in response to an application from BHA:

The waiting list is always open to an otherwise eligible homeless applicant referred to BHA for assistance by the research project/administration, up to the maximum number of vouchers approved for the project.

To the extent BHA is awarded funding (vouchers) under a HUD Notice of Funding Availability (NOFA) or other means, for any specific or broader-based category, BHA will:

Review the current S8 Waiting list for a pending application and grant assistance in accordance with its position on the waiting list; or

Reopen the waiting list to accept an eligible household, not presently on the waiting list.

Regular HCV Funding

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

4-III.C. SELECTION METHOD

BHA must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that BHA will use [24 CFR 982.202(d)].

Local Preferences [24 CFR 982.207; HCV p. 4-16]

PHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

BHA Policy

- Households, including single person households, with at least one disabled person between the ages of 18 – 61, who are: transitioning out of institutional and other segregated settings; at serious risk of institutionalization; homeless; or at risk of becoming homeless; previously experienced homelessness, and currently a client in a permanent supportive housing or rapid re-housing project who are referrals from the Coordinated Entry System or disabled advocacy organizations such as Center for Independent Living or East Bay Innovations [Mainstream Voucher Qualified households] (105 points)

- Resident families that at the time of selection from the waiting list, reside in the City of Berkeley, or include a member who works, or has been hired to work in the jurisdiction. Use of this preference will not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family. (100 points)
- Veteran Preference (as required by State law). Granted to households with one or more active member(s) of the military, or a veteran discharged or released under conditions other than dishonorable, or a surviving spouse (as defined by the Department of Veteran Affairs) (50 points)
- Households with a Project Move-Up referral (50 points)
- Family Unification/Emancipated Youth – with a Family Unification Plan from the governing jurisdiction (20 points)
- Elderly (62 or older), Disabled or Family (any 2- or more person household), status based on head of household or (10 points)
- Date and time of application (tie breaker).

Section 8, Single Room Occupancy, Moderate Rehabilitation Program (Mod Rehab)

The Single Room Occupancy, Moderate Rehabilitation program “Interest Lists” are managed by The Coordinated Entry System (CES), operated by Bay Area Community Services (BACS) and referred to Home Stretch, the Alameda County Health Care Services agency’s program. (See Chapter 18 for details.)

Income Targeting Requirement [24 CFR 982.201(b)(2)]

HUD requires that extremely low-income (ELI) families make up at least 75% of the families admitted to the HCV program during BHA’s fiscal year. ELI families are those with annual incomes at or below 30% of the area median income. To ensure this requirement is met, BHA may skip non-ELI families on the waiting list in order to select an ELI family. This means that 75% of BHA’s admissions must be at or below 30% of AMI; therefore 25% of BHA’s admissions may be at 31 – 50% AMI.

Low income families admitted to the program that are “continuously assisted” under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

BHA Policy

BHA will monitor progress in meeting the ELI requirement throughout the fiscal year. Extremely low-income families (up to 30% AMI) will be selected ahead of other eligible low-income (50% AMI) families on an as-needed basis to ensure the income targeting requirement is met. At least 75% of admissions will be at or below 30% AMI; no more than 25% will be between 31-50% AMI.

Order of Selection

The PHA system of preferences may select families either according to the date and time of application, or by a random selection process [24 CFR 982.207(c)]. When selecting families from the waiting list PHAs are required to use targeted funding to assist only those families who meet the specified criteria, and PHAs are not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

BHA Policy

Families will be selected from the waiting list based on the targeted funding or selection preference(s) for which they qualify, and in accordance with BHA's hierarchy of preferences, if applicable. Ties among applicants in the same preference category are resolved:

1. First, in favor of veterans or servicepersons as set forth in the Glossary; and
2. Then, as applicable, by either:
 - a. Lowest "tiebreaker" number; or
 - b. The date and time their complete application is received by BHA.

Documentation will be maintained by BHA as to whether families on the list qualify for targeted funding. If a higher placed family on the waiting list is not qualified for targeted funding, there will be a notation maintained so that BHA does not have to ask higher placed families each time targeted selections are made.

4-III.D. NOTIFICATION OF SELECTION

When a family has been selected from the waiting list, BHA must notify the family.

BHA Policy

BHA will notify the family by first class mail when it is selected from the waiting list. The notice will inform the family of the following:

1. Date, time, and location of the scheduled application interview, including any procedures for rescheduling the interview or instructions for returning the required information/documentation by mail
2. Who is required to attend the interview
3. Documents that must be provided at the interview to document the legal identity of household members, including information about what constitutes acceptable documentation
4. Other documents and information that should be brought to the interview.

If a family does not respond or letter is returned with no forwarding address, BHA will mail to alternate address (including email address), and any alternate contact identified by the applicant, if any. If a notification letter is returned to BHA with no forwarding address, and no alternate address (including email) or alternate contact, the family will be removed from the waiting list. A notice of denial (see Chapter 3) will be sent to the family's address of record, as well as to any known alternate address (including email).

If the family fails to respond within 15 business days, BHA will send a second notice to an alternate address (including email) or alternate contact, if any. If no alternate address,

the family will be removed from the waiting list without further notice. If the notice is returned by the post office with no forwarding address, the applicant will be removed from the waiting list without further notice.

If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated. The family will have 15 business days to respond from the date the letter was re-sent. If at that time, the family fails to respond within 15 business days, the family will be removed from the waiting list without further notice.

4-III.E. THE APPLICATION INTERVIEW

HUD recommends that BHA obtain the information and documentation needed to make an eligibility determination through a private interview [HCV GB, pg. 4-16]. Being contacted for information or invited to attend an interview does not constitute admission to the program.

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability.

BHA Policy

Families selected from the waiting list are required to cooperate with BHA in providing the information and documentation required to determine eligibility for assistance.

The head of household and the spouse/co-head will be strongly encouraged to attend any scheduled interview together. However, either the head of household or the spouse/co-head may attend any such the interview on behalf of the family. Verification of information pertaining to adult members of the household will not begin until signed release forms are returned to BHA.

The eligibility determination can only proceed if the head of household or spouse/co-head provides appropriate documentation of legal identity. (Chapter 7 provides a discussion of proper documentation of legal identity). If the family representative does not provide the required documentation, the process may be rescheduled when the proper documents have been obtained.

The family must provide the information necessary to establish the family's eligibility and determine the appropriate level of assistance, as well as completing required forms, providing required signatures, and submitting required documentation. If any materials are missing, BHA will provide the family with a written list of items that must be submitted.

Any required documents or information that the family is unable to provide at the interview must be provided within 10 business days of the request (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of Social Security numbers and eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial (See Chapter 3).

An advocate, interpreter, or other assistant may assist the family with the application and the interview process.

Interviews will be conducted in English. For limited English proficient (LEP) applicants, BHA will provide translation services in accordance with BHA's LEP plan.

If the family is unable to attend any scheduled interview, the family should contact BHA in advance of the interview to schedule a new appointment. In all circumstances, if a family does not attend a scheduled interview, BHA will send another notification letter with a new interview appointment time or alternate method for supplying the required information/documentation. Applicants who fail to comply without BHA approval will be denied assistance based on the family's failure to supply information needed to determine eligibility. A notice of denial will be issued in accordance with policies contained in Chapter 3.

4-III.F. COMPLETING THE APPLICATION PROCESS

BHA must verify all information provided by the family (see Chapter 7). Based on verified information, BHA must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted admission, or selection preference that affected the order in which the family was selected from the waiting list.

BHA Policy

If BHA determines that the family is ineligible for admission to the program for which it applied, BHA will send written notification of the ineligibility determination within 10 business days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review (Chapter 16).

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. targeted funding, extremely low-income), the family will be returned to its original position on the waiting list. BHA will notify the family in writing that it has been returned to the waiting list, and will specify the reasons for it.

If BHA determines that the family is eligible to receive assistance, BHA will invite the family to attend a briefing in accordance with the policies in Chapter 5.

Chapter 5

BRIEFINGS AND VOUCHER ISSUANCE

INTRODUCTION

This chapter explains the briefing and voucher issuance process. When a family is determined to be eligible for the Housing Choice Voucher (HCV) program, BHA must ensure that the family fully understands the way the program operates and the family's obligations under the program. This is accomplished through both an oral briefing and provision of a briefing packet containing written documentation of information the family needs to know. Once the family is fully informed of the program's requirements, BHA issues the family a voucher. The voucher includes the unit size the family qualifies for based on BHA's subsidy standards, as well as the dates of issuance and expiration of the voucher. The voucher is the document that permits the family to begin its search for a unit, and limits the amount of time the family has to successfully locate an acceptable unit.

This chapter describes HUD regulations and BHA policies related to these topics in two parts:

Part I: Briefings and Family Obligations. This part details the program's requirements for briefing families orally, and for providing written materials describing the program and its requirements. It includes a particular focus on the family's obligations under the program.

Part II: Subsidy Standards and Voucher Issuance. This part discusses BHA's standards for determining how many bedrooms a family of a given composition qualifies for, which in turn affects the amount of subsidy the family can receive. It also discusses the policies that dictate how vouchers are issued, and how long families have to locate a unit.

PART I: BRIEFINGS AND FAMILY OBLIGATIONS

5-I.A. OVERVIEW

HUD regulations require BHA to conduct mandatory briefings for applicant families. The briefing provides a broad description of owner and family responsibilities, explains BHA's procedures, and includes instructions on how to lease a unit. This part describes how oral briefings will be conducted, specifies what written information will be provided to families, and lists the family's obligations under the program.

5-I.B. BRIEFING [24 CFR 982.301]

BHA must give the family an oral briefing and provide the family with a briefing packet containing written information about the program. Families may be briefed individually or in groups. At the briefing, BHA must ensure effective communication in accordance with Section 504 requirements (Section 504 of the Rehabilitation Act of 1973), and ensure that the briefing site is accessible to individuals with disabilities. For a more thorough discussion of accessibility requirements, refer to Chapter 2.

BHA Policy

BHA will require attendance at a briefing by all households coming from the BHA waiting list; porting in from another jurisdiction, or transferring from one unit to another within the jurisdiction; briefings will be conducted in group meetings.

Generally, the head of household and spouse/co-head/partner are required to attend the briefing. If the head of household is unable to attend, BHA may approve another adult family member to attend the briefing.

Families that attend group briefings and still need individual assistance will be referred to an appropriate BHA staff person.

BHA may require participants to attend a refresher briefing periodically, possibly every three years, for program updates, or as part of an intervention plan to preserve rental assistance.

Briefings will be conducted in English. For limited English proficient (LEP) applicants, BHA will provide translation services in accordance with BHA's LEP plan (See Chapter 2).

During the Covid-19 pandemic, and at other times as needed, Briefings will be conducted online. Advocates who are assisting new voucher holders with the lease up process, and who can be instrumental in providing internet access, especially for homeless populations, are also invited to Briefings, whether in person or on line. Advocates may be officially designated or someone identified by a new voucher holder as an advocate. Briefing participants may join via videolink, or via telephone (toll free number provided in invitations), or both. Accommodations are provided for those who cannot attend online/by phone, including the option for an in person briefing or via 311 Relay Service for those who are deaf/hard of hearing.

Notification and Attendance

BHA Policy

Waiting list Families. Families will be notified of their eligibility for assistance at the time they are invited to attend a briefing. The notice will identify who is required to attend the briefing, as well as the date and time of the scheduled briefing.

If the notice is returned by the post office with no forwarding address, the applicant will be denied and their name will not be placed back on the waiting list. If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated.

Applicants who fail to attend a scheduled briefing will automatically be scheduled for another briefing. BHA will notify the family of the date and time of the second scheduled briefing. Applicants who fail to attend two scheduled briefings, without BHA approval, will be denied assistance (see Chapter 3).

Port-in and transfers. Families will be advised in writing of the date and time of the briefing.

Oral Briefing [24 CFR 982.301(a)]

Each briefing must provide information on the following subjects:

- How the Housing Choice Voucher program works;
- Family and owner responsibilities;
- Where the family can lease a unit, including renting a unit inside or outside BHA's jurisdiction;

- For families eligible under portability, an explanation of portability, including screening requirements, subsidy standards, payment standards and other elements of the portability process. BHA cannot discourage eligible families from moving under portability;
- For families living in high-poverty census tracts, an explanation of the advantages of moving to areas outside of high-poverty concentrations; and
- For families receiving welfare-to-work vouchers, a description of any local obligations of a welfare-to-work family and an explanation that failure to meet the obligations is grounds for denial of admission or termination of assistance.

Briefing Packet [24 CFR 982.301(b)]

Documents and information provided in the briefing packet must include the following:

- The term of the voucher, and BHA's policies on any extensions or suspensions of the term. If BHA allows extensions, the packet must explain how the family can request an extension.
- A description of the method used to calculate the housing assistance payment for a family, including how BHA determines the payment standard for a family, how BHA determines total tenant payment for a family, and information on the payment standard and utility allowance schedule.
- An explanation of how BHA determines the maximum allowable rent for an assisted unit.
- Where the family may lease a unit and an explanation of how portability works. For a family that qualifies to lease a unit outside BHA jurisdiction under portability procedures, the information must include an explanation of how portability works.
- An explanation of the advantages of moving to areas outside of high-poverty concentrations.
- The HUD-required tenancy addendum, which must be included in the lease.
- The form the family must use to request approval of tenancy, and a description of the procedure for requesting approval for a tenancy.
- A statement of BHA policy on providing information about families to prospective owners.
- BHA subsidy standards including when and how exceptions are made.
- The HUD brochure on how to select a unit.
- The HUD pamphlet on lead-based paint entitled *Protect Your Family from Lead in Your Home*.
- Information on federal, state and local equal opportunity laws and a copy of the housing discrimination complaint form.
- A list of landlords or other parties willing to lease to assisted families or help families find units, especially outside areas of poverty or minority concentration.
- Notice that if the family includes a person with disabilities, the family may request a list of available accessible units known to BHA.
- The family obligations under the program, including any obligations of a welfare-to-work family.

- The grounds on which BHA may terminate assistance for a participant family because of family action or failure to act.
- BHA informal hearing procedures including when BHA is required to offer a participant family the opportunity for an informal hearing, and how to request the hearing.
- Rights, responsibilities and protections under the Violence Against Women Act (VAWA)
- HUD's "Debts Owed to Public Housing Agencies" reporting system

If the PHA is located in a metropolitan FMR area, the following additional information must be included in the briefing packet in order to receive full points under SEMAP Indicator 7, Expanding Housing Opportunities [24 CFR 985.3(g)].

- Maps showing areas with housing opportunities outside areas of poverty or minority concentration, both within its jurisdiction and its neighboring jurisdiction.
- Information about the characteristics of these areas including job opportunities, schools, transportation and other services.
- An explanation of how portability works, including a list of portability contact persons for neighboring PHAs including names, addresses, and telephone numbers.

Additional Items to be Included in the Briefing Packet

In addition to items required by the regulations, PHAs may wish to include supplemental materials to help explain the program to both participants and owners [HCV GB p. 8-7].

BHA Policy

BHA will provide the following additional materials in the briefing packet:

Information on how to fill out and file a housing discrimination complaint form.

The publication *Things You Should Know (HUD-1140-OIG)* that explains the types of actions a family must avoid and the penalties for program abuse.

"What You Should Know about EIV", a guide to the Enterprise Income Verification (EIV) system published by HUD.

5-I.C. FAMILY OBLIGATIONS

Obligations of the family are described in the housing choice voucher (HCV) regulations and on the voucher itself. These obligations include responsibilities the family is required to fulfill, as well as prohibited actions. BHA must inform families of these obligations during the oral briefing, and the same information must be included in the briefing packet. When the family's unit is approved and the HAP contract is executed, the family must meet those obligations in order to continue participating in the program. Violation of any family obligation may result in termination of assistance, as described in Chapter 12.

Time Frames for Reporting Changes Required By Family Obligations

BHA Policy

Unless otherwise noted below, when family obligations require the family to respond to a request or notify BHA of a change, notifying BHA of the request or change within 14 calendar days of occurrence is considered prompt notice.

When a family is required to provide notice to BHA, the notice must be in writing.

Family Obligations [24 CFR 982.551]

Following is a listing of a participant family's obligations under the HCV program:

- The family must supply any information that BHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by BHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

BHA Policy

Damages beyond normal wear and tear will be considered to be damages which could be assessed against the security deposit or grounds for termination of rental assistance.

- The family must allow BHA to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.
- The family must not commit any serious or repeated violation of the lease.

BHA Policy

BHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction, or an owner's notice to evict.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity.

- The family must notify BHA and the owner before moving out of the unit or terminating the lease.

BHA Policy

The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to BHA at the same time the owner is notified.

- The family must give BHA a copy of any owner eviction notice within 5 calendar days.

- The family must use the assisted unit for residence by the family, including any approved live-in aide. The unit must be the family's only residence.

BHA Policy

A family may not allow other(s) to utilize the address of their Section 8 assisted unit, if they are not a part of the assisted family/household (including any approved live-in aide) without prior written approval from BHA.

- The composition of the assisted family residing in the unit must be approved by BHA. The family must promptly notify BHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request BHA approval to add any other family member as an occupant of the unit.
- The family cannot move to any other unit without prior written consent by BHA and owner.

BHA Policy

The request to add a family member to the Voucher must be submitted in writing and approved in writing by BHA. BHA will determine eligibility of the new member in accordance with the policies in Chapters 3 and 11. The family must also provide evidence from the owner allowing the person to be added to the lease prior to the person moving into the unit.

- The family must promptly notify BHA in writing if any family member no longer lives in the unit.
- If BHA has given approval, a foster child or a live-in aide may reside in the unit. BHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when BHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

BHA Policy

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit or renting space/rooms in the unit who is not listed as a family member.

- The family must supply any information requested by BHA to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify BHA when the family is absent from the unit.

BHA Policy

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to BHA at the start of the extended absence or as soon thereafter that it is clear that the absence will exceed 30-days.

- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].

- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).
- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and BHA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and BHA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless BHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]

PART II: SUBSIDY STANDARDS AND VOUCHER ISSUANCE

5-II.A. OVERVIEW

BHA must establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. This part presents the policies that will be used to determine the family unit size (also known as the voucher size) a particular family should receive, and the policies that govern making exceptions to those standards. BHA also must establish policies related to the issuance of the voucher, to the voucher term, and to any extensions or suspensions of that term.

5-II.B. DETERMINING FAMILY UNIT (VOUCHER) SIZE [24 CFR 982.402]

For each family, BHA determines the appropriate number of bedrooms under BHA subsidy standards and enters the family unit size on the voucher that is issued to the family. The family unit size does not dictate the size of unit the family must actually lease, nor does it determine who within a household will share a bedroom/sleeping room.

The following requirements apply when BHA determines family unit size:

- The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.
- The subsidy standards must be consistent with space requirements under the housing quality standards.
- The subsidy standards must be applied consistently for all families of like size and composition.

- A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family unit size.
- A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.
- Any live-in aide (approved by BHA to reside in the unit to care for a family member who is disabled) must be counted in determining the family unit size;
- Unless a live-in-aide resides with a family, the family unit size for any family consisting of a single person must be either a zero- or one-bedroom unit, as determined under BHA subsidy standards.

BHA Policy

BHA will assign voucher bedroom size as follows:

- | | | |
|----|---|----------------------------------|
| 1. | Non-elderly, non-disabled single person Head of Household | 0 bedroom (Studio) or 1 bedroom* |
|----|---|----------------------------------|

**in some instances, in the Project-based Section 8 Program, a 1-BR for this category is allowable; in some instances in the Project-based Section 8 Program, up to 2 people may reside in a studio. In the Tenant-based Program, when there is a lack of Studio units on the available unit listing, vouchers will be issued for Studio/1 bedroom units.*

- | | | |
|----|------------------------------------|------------|
| 2. | Single person over 62 or disabled: | 1 bedroom* |
|----|------------------------------------|------------|
- *in some instances, in the Project-based Section 8 Program, a studio for this category is allowable.*

- | | | |
|----|--|-----------|
| 3. | Head of household (and spouse, partner if any) | 1 bedroom |
|----|--|-----------|
- *in some instances in the Project-based Section 8 Program, up to 2 people may reside in a studio.*

- | | | |
|----|--|------------|
| 4. | Head of household (and spouse, partner if any) plus 1 or 2 other members | 2 bedrooms |
|----|--|------------|

- | | | |
|----|--|------------|
| 5. | Head of household (and spouse, partner if any) plus 3 or 4 other household members | 3 bedrooms |
|----|--|------------|

- | | | |
|----|--|------------|
| 6. | Head of household (and spouse, partner if any) plus 3 or 4 other household members (minimum of 5 in total) | 4 bedrooms |
|----|--|------------|

- | | | |
|----|---|------------|
| 7. | Head of household (and spouse, partner if any) plus 6, 7 or 8 other household members | 5 bedrooms |
|----|---|------------|

24-hour Live-in Aides, including up to one immediate family member, will be allocated a separate bedroom, and/or may use the living room as a sleeping room.

BHA will recognize a minor that is a ward of the State, and temporarily out of the home, as a household member for a maximum of three years, provided the family is complying with terms in the reunification plan.

Unless otherwise specified on the personal declaration, BHA will assume that the head of household and any “other” adult, of any gender, are in a committed relationship, and will assign one bedroom, except in the case where the “other” adult is a child or parent of the head of household.

5-II.C. EXCEPTIONS TO SUBSIDY STANDARDS

In determining family unit size for a particular family, BHA may grant an exception to its established subsidy standards if BHA determines that the exception is justified by the age, gender, health, handicap, or relationship of family members or other personal circumstances.

[24 CFR 982.402(b)(8)]. Reasons may include, but are not limited to:

- A need for an additional bedroom for bulky medical equipment
- A need for a separate bedroom for reasons related to a family member’s disability, medical or health condition.

For a single person who is not elderly, disabled, or a remaining family member, an exception cannot override the regulatory limit of a zero or one bedroom [24 CFR 982.402(b)(8)].

BHA Policy

Non-elderly, non-disabled single person Head of household qualifies for a 0 bedroom (Studio) subsidy. In some instances, a 1-BR for this category is allowable.

Single person over 62 or disabled qualifies for a 1 bedroom subsidy. In some instances, in the Project-based Section 8 Program, a studio for this category is allowable.

A single remaining family member who is not elderly and not disabled may be granted a 0 (studio) or a 1 bedroom voucher.

BHA will consider granting an exception as a reasonable accommodation for a person with disabilities.

The family must request any exception to the subsidy standards in writing. The request must explain the need or justification for a larger family unit size, and must include the disability-related request for accommodation. The family’s continued need for an additional bedroom due to medical equipment must be re-verified in accordance with BHA policy, and confirmed annually.

BHA will notify the family of its determination within 14 business days of receiving the family’s request, and will utilize documentation received by an identified (by the family) care provider. A care provider for example, may be a health care professional within medicine, midwifery-obstetrics, nursing, pharmacy, or allied health professions. If a participant family’s request is denied, the notice will inform the family of their right to request an informal hearing.

5-II.D. VOUCHER ISSUANCE [24 CFR 982.302]

When a family is selected from the waiting list (or as a special admission as described in Chapter 4), or when a participant family wants to move to another unit, BHA issues a Housing Choice Voucher, form HUD-52646. This chapter deals only with voucher issuance for applicants. For voucher issuance associated with moves of program participants, please refer to Chapter 10.

The voucher is the family's authorization to search for housing. It specifies the unit size for which the family qualifies, and includes both the date of voucher issuance and date of expiration. It contains a brief description of how the program works and explains the family obligations under the program. The voucher is evidence that BHA has determined the family to be eligible for the program, and that BHA expects to have money available to subsidize the family if the family finds an approvable unit. However, BHA does not have any liability to any party by the issuance of the voucher, and the voucher does not give the family any right to participate in BHA's housing choice voucher program [Voucher, form HUD-52646]

A voucher can be issued to an applicant family only after BHA has determined that the family is eligible for the program based on information received within the 60 days prior to issuance [24 CFR 982.201(e)] and after the family has attended an oral briefing [HCV 8-1].

BHA Policy

Vouchers will be issued to eligible applicants immediately following the mandatory briefing. For transfer vouchers, BHA will annotate the Voucher with the earliest date the household may enter a new assisted lease. A transfer voucher is one issued to a family that is transferring from one unit to another, within the jurisdiction (City of Berkeley).

BHA should have sufficient funds to house an applicant before issuing a voucher. If funds are insufficient to house the family at the top of the waiting list, BHA must wait until it has adequate funds before it calls another family from the list [HCV GB p. 8-10].

BHA Policy

Prior to issuing any vouchers, BHA will determine whether it has sufficient funding in accordance with the policies in Part VIII of Chapter 16.

If BHA determines that there is insufficient funding after a voucher has been issued, BHA may rescind the voucher and place the affected family back on the waiting list.

5-II.E. VOUCHER TERM, EXTENSIONS, SUSPENSIONS, EXPIRATION, AND REINSTATEMENT

Voucher Term [24 CFR 982.303]

The initial term of a voucher must be *at least* 60 calendar days. The initial term must be stated on the voucher [24 CFR 982.303(a)].

BHA Policy

The initial voucher term will be 120 calendar days. The family must submit a Request for Tenancy Approval and proposed lease within the time period unless BHA grants an extension.

Extensions of Voucher Term [24 CFR 982.303(b)]

BHA has the authority to grant extensions of search time, to specify the length of an extension, and to determine the circumstances under which extensions will be granted. There is no limit on the number of extensions that BHA can approve. Discretionary policies related to extension and expiration of search time must be described in BHA's administrative plan [24 CFR 982.54].

BHA must approve additional search time if needed as a reasonable accommodation to make the program accessible to and usable by a person with disabilities. The extension period must be reasonable for the purpose.

The family must be notified in writing of BHA's decision to deny an extension. BHA's decision to deny a request for an extension of the voucher term is not subject to informal review [24 CFR 982.554(c)(4)].

BHA Policy

BHA will approve extensions in 60-day increments, in the following circumstances, and only if the family has demonstrated, to BHA's satisfaction, that it has a reasonable plan for identifying a suitable unit:

- a. It is necessary as a reasonable accommodation for a person with disabilities.
- b. It is necessary because of the low vacancy rates, competitive rental market and high rents in the area.
- c. It is necessary due to reasons beyond the family's control, as determined by BHA. Following is a list of extenuating circumstances that BHA may consider in making its decision. The presence of these circumstances does not guarantee that an extension will be granted, and additional emergency situations will be considered:
 - i. Serious illness or death in the family
 - ii. Other emergency such as an accident or hospitalization or death.

All requests for extensions to the voucher term must be made in writing and submitted to BHA prior to the expiration date of the voucher (or extended term of the voucher).

BHA will decide whether to approve or deny an extension request within 5 business days of the date the request is received, and will immediately provide the family notice of its decision, by way of an extension date on the voucher.

Note: As a condition of an extension, BHA may:

- require the family to identify a person(s), agency(ies), or entity(ies) that will assist in the housing search, and/or
- refer the family to resources that may provide housing assistance.

Suspensions of Voucher Term [24 CFR 982.303(c)]

At its discretion, BHA may adopt a policy to suspend the housing choice voucher term if the family has submitted a Request for Tenancy Approval (RTA) during the voucher term. "Suspension" means stopping the clock on a family's voucher term from the time a family submits the RTA until the time BHA approves or denies the request [24 CFR 982.4]. BHA's determination not to suspend a voucher term is not subject to informal review [24 CFR 982.554(c)(4)].

BHA Policy

When a Request for Tenancy Approval is received by BHA, the term of the voucher will be suspended (“tolled”) while BHA processes the request.

Voucher term is suspended until notice from BHA of its decision to approve or deny the tenancy.

When BHA denies a request for tenancy, the family will be notified immediately that the clock on the voucher term has restarted. The notice will include the new expiration date of the voucher.

BHA will suspend issuance of a Voucher for a maximum of 120 calendar days as a reasonable accommodation.

BHA will suspend issuance of a Transfer Voucher for a maximum of 120 days as a reasonable accommodation, or in response to a hardship for a non-disabled household at BHA’s sole discretion.

Expiration of Voucher Term

Once a family’s housing choice voucher term (including any extensions) expires, the family is no longer eligible to search for housing under the program and admission/participation is denied.

Reinstatement of Voucher

As a reasonable accommodation of an elderly or disabled person, BHA will consider reinstatement of a voucher submitted within two years of the expiration of the voucher/termination of assistance.

Chapter 6

INCOME AND SUBSIDY DETERMINATIONS

[24 CFR Part 5, Subparts E and F; 24 CFR 982]

INTRODUCTION

A family's income determines eligibility for assistance and is also used to calculate the family's payment and BHA's subsidy. BHA will use the policies and methods described in this chapter to ensure that only eligible families receive assistance and that no family pays more or less than its obligation under the regulations. This chapter describes HUD regulations and BHA policies related to these topics in three parts as follows:

- Part I: Annual Income. HUD regulations specify the sources of income to include and exclude to arrive at a family's annual income. These requirements and BHA policies for calculating annual income are found in Part I.
- Part II: Adjusted Income. Once annual income has been established HUD regulations require BHA to subtract from annual income any of five mandatory deductions for which a family qualifies. These requirements and BHA policies for calculating adjusted income are found in Part II.
- Part III: Calculating Family Share and BHA Subsidy. This part describes the statutory formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining BHA subsidy and required family payment.

PART I: ANNUAL INCOME

6-I.A. OVERVIEW

The general regulatory definition of *annual income* shown below is from 24 CFR 5.609.

5.609 Annual income.

(a) Annual income means all amounts, monetary or not, which:

(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

(3) Which are not specifically excluded in paragraph [5.609(c)].

(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

In addition to this general definition, HUD regulations establish policies for treating specific types of income and assets. The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:

- Annual Income Inclusions (Exhibit 6-1)
- Annual Income Exclusions (Exhibit 6-2)
- Treatment of Family Assets (Exhibit 6-3)
- Earned Income Disallowance for Persons with Disabilities (Exhibit 6-4)
- The Effect of Welfare Benefit Reduction (Exhibit 6-5)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. HUD regulations present income inclusions and exclusions separately [24 CFR 5.609(b) and 24 CFR 5.609(c)]. In this plan, however, the discussions of income inclusions and exclusions are integrated by topic (e.g., all policies affecting earned income are discussed together in section 6-I.D). Verification requirements for annual income are discussed in Chapter 7.

6-I.B. HOUSEHOLD COMPOSITION AND INCOME

Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

Summary of Income Included and Excluded by Person	
Live-in aides	Income from all sources is excluded [24 CFR 5.609(c)(5)].
Foster child or foster adult	Income from all sources is excluded [24 CFR 5.609(c)(2)].
Head, spouse, or co-head Other adult family members	All sources of income not specifically excluded by the regulations are included.
Children under 18 years of age	Employment income is excluded [24 CFR 5.609(c)(1)]. All other sources of income, except those specifically excluded by the regulations, are included.
Full-time students 18 years of age or older (not head, spouse, or co-head)	Employment income above \$480/year is excluded [24 CFR 5.609(c)(11)]. All other sources of income, except those specifically excluded by the regulations, are included.

Temporarily Absent Family Members

The income of family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit [HCV GB, p. 5-18].

BHA Policy

Generally an individual who is or is expected to be absent from the assisted unit for 30 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected to be absent from the assisted unit for more than 30 consecutive days is considered permanently absent and no longer a family member.

Should a family member or a Live in Aide be found absent as a result of fraud, BHA may propose termination of the absent household member or live in aide.

Exceptions to this general policy are discussed below.

Absent Students

BHA Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to BHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

Absences Due to Placement in Foster Care

Children temporarily absent from the home as a result of placement in foster care are considered members of the family [24 CFR 5.403].

BHA Policy

If a child has been placed in foster care, BHA will verify with the appropriate agency whether and when the child is expected to be returned to the home and the existence of a

reunification plan. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member for a maximum of three years, unless s/he is receiving other Federal rental subsidy.

Absent Due to Placement in Hospital or Rehabilitation Facility

BHA Policy

BHA will confirm with the care facility the estimated term of inpatient care, and the effective date any monthly benefit (i.e. SSI) is redirected to the facility for pay of care.

Absent Head, Spouse, or Cohead

BHA Policy

An employed head, spouse, or cohead absent from the unit more than 30 consecutive days due to employment will continue to be considered a family member unless s/he is receiving other federal rental subsidy.

Active Military Duty

A family member absent from the unit, on military duty, will be considered a family member, provided he/she has not established another permanent address.

Family Members Permanently Confined for Medical Reasons

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

BHA Policy

BHA will request verification from a responsible medical professional as to the likelihood and timing for when the individual will be able to return to the assisted unit. BHA will use this information to determine whether the person is temporarily absent or to be removed from the household.

If the family member is the only member of the assisted household, BHA will, based on the information from the care provider, make a determination as to when to terminate the Housing Assistance Payment Contract and when to terminate the family's participation in the Section 8 Program and will use this determination.

When an individual who has been counted as a family member is determined permanently absent, the family is eligible for the medical expense deduction only if the remaining head, spouse, or co-head qualifies as an elderly person or a person with disabilities.

Joint Custody of Dependents

BHA Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family at least 183 days (51 percent) or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, BHA will make the determination based on available documents such as court orders, or an IRS return showing which family has claimed the child for income tax purposes, or school records, or medical (insurance) records or records showing where the child is attending school.

Caretakers for a Child

BHA Policy

If neither a parent nor a designated guardian remains in a household receiving HCV assistance, BHA will take the following actions.

- (1) If a responsible agency has determined that another adult is to be brought into the assisted unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.
- (2) If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the caretaker will be treated as a visitor for 180 days. After the 180 days has elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker's role is temporary. In such cases BHA will extend the caretaker's status as an eligible visitor.
- (3) At any time that custody or guardianship legally has been awarded to a caretaker, the housing choice voucher will be transferred to the caretaker.
- (4) During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income and the caretaker does not qualify the family for any deductions from income.

6-I.C. ANTICIPATING ANNUAL INCOME

BHA is required to count all income "anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date" [24 CFR 5.609(a)(2)]. Policies related to anticipating annual income are provided below.

Basis of Annual Income Projection

BHA generally will use current circumstances to determine anticipated income for the coming 12-month period. HUD authorizes BHA to use other than current circumstances to anticipate income when:

- An imminent change in circumstances is expected [HCV GB, p. 5-17]
- BHA is unable to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income) [24 CFR 5.609(d)]
- BHA believes that past income is the best available indicator of expected future income [24 CFR 5.609(d)]

- The family reports little to no income [24 CFR 5.609(a)(2)(ii)(A)]

PHAs are required to use HUD's Enterprise Income Verification (EIV) system in its entirety as a third party source to verify employment and income information, and to reduce administrative subsidy payments errors in accordance with HUD administrative guidance [24 CFR 5.233(a)(2)].

HUD allows BHA to use pay-stubs to project income once EIV data has been received in such cases where the family does not dispute the EIV employer data and where BHA does not determine it is necessary to obtain additional third-party data.

BHA Policy

BHA will use HUD's EIV system to confirm and/or dispute income information provided by the family. For families where 90% of monthly income is a fixed benefit (i.e. SS or SSI), BHA will use EIV income data to project annual income (HUD EIV webcast January 2008). Options for documentation and anticipation of income provided in HUD Notice 2013-03, *Public Housing and Housing Choice Voucher Programs – Temporary Compliance Assistance* will be utilized, where applicable.

For households with income that is not 12 consecutive months, but has a start and end date that can be reasonably projected (i.e. school yard supervisors; cafeteria workers; bus drivers; sports concession operators), BHA will utilize available information, including a 2-3 year history to project income for the upcoming 12 month period.

If there has been a change in circumstances for a participant, or a participant disputes the EIV-reported income information and is unable to provide acceptable documentation to resolve the dispute, BHA must request written third-party verification.

When BHA cannot readily anticipate income based upon current circumstances (e.g., in the case of seasonal employment, unstable working hours, or suspected fraud), BHA will review and analyze historical data for patterns of employment, paid benefits, and receipt of other income and use the results of this analysis to establish annual income.

Any time current circumstances are not used to project annual income, a clear rationale for the decision will be documented in the file. In all such cases the family may present information and documentation to BHA to show why the historic pattern does not represent the family's anticipated income.

Known Changes in Income

If BHA verifies an upcoming increase or decrease in income, annual income will be calculated by applying each income amount to the appropriate part of the 12-month period.

Example: An employer reports that a full-time employee who has been receiving \$8/hour will begin to receive \$8.25/hour in the eighth week after the effective date of the reexamination. In such a case BHA would calculate annual income as follows: $(\$8/\text{hour} \times 40 \text{ hours} \times 7 \text{ weeks}) + (\$8.25 \times 40 \text{ hours} \times 45 \text{ weeks})$.

The family may present information that demonstrates that implementing a change before its effective date would create a hardship for the family. In such cases BHA will calculate annual income using current circumstances and then require an interim reexamination when the change actually occurs. This requirement will be imposed even if the BHA's

policy on reexaminations does not require interim reexaminations for other types of changes.

6-I.D. EARNED INCOME

Types of Earned Income Included in Annual Income

Wages and Related Compensation

The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services is included in annual income [24 CFR 5.609(b)(1)].

BHA Policy

For persons who regularly receive bonuses or commissions, BHA will verify and then average amounts received for the two years preceding admission or reexamination. If only a one-year history is available, BHA will use the prior year amounts. In either case the family may provide, and BHA will consider, a credible justification for not using this history to anticipate future bonuses or commissions. If a new employee has not yet received any bonuses or commissions, BHA will count only the amount estimated by the employer. The file will be documented appropriately.

Some Types of Military Pay

All regular pay, special pay and allowances of a member of the Armed Forces are counted [24 CFR 5.609(b)(8)] except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(c)(7)].

Types of Earned Income Not Counted in Annual Income

Temporary, Nonrecurring, or Sporadic Income [24 CFR 5.609(c)(9)]

This type of income (including gifts) is not included in annual income. Sporadic income includes temporary payments from the U.S. Census Bureau for employment lasting no longer than 180 days [Notice PIH 2009-19].

BHA Policy

Temporary, nonrecurring or sporadic income is income that is (1) not received periodically (such as weekly or monthly), and (2) cannot be reliably predicted.

The income of an individual who works occasionally as a handyman would be considered sporadic if future work could not be anticipated and no historic, stable pattern of income existed.

The income of an individual who receives 1-2 day assignments as needed i.e. (substitute/relief worker) would be considered sporadic unless an employment pattern could be established.

Conversely, the income from temporary employment (i.e. agency, merchant, sport venue) has regular periodic payments, and would be counted if the initial term were an estimated or guaranteed 30 days or more.

Children's Earnings

Employment income earned by children (including foster children) under the age of 18 years is not included in annual income [24 CFR 5.609(c)(1)]. (See Eligibility chapter for a definition of *foster children*.)

Certain Earned Income of Full-Time Students

Earnings in excess of \$480 for each full-time student 18 years old or older (except for the head, spouse, or cohead) are not counted [24 CFR 5.609(c)(11)]. To be considered "full-time," a student must be considered "full-time" by an educational institution with a degree or certificate program [HCV GB, p. 5-29].

Income of a Live-in Aide

Income earned by a live-in aide, as defined in [24 CFR 5.403], is not included in annual income [24 CFR 5.609(c)(5)]. (See Eligibility chapter for a full discussion of live-in aides.)

Income Earned under Certain Federal Programs

Income from some federal programs is specifically excluded from consideration as income [24 CFR 5.609(c)(17)], including:

- Payments to volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)
- Payments received under programs funded in whole or in part under the Job Training Partnership Act (29 U.S.C. 1552(b))
- Awards under the federal work-study program (20 U.S.C. 1087 uu)
- Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))
- Allowances, earnings, and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))
- Allowances, earnings, and payments to participants in programs funded under the Workforce Investment Act of 1998 (29 U.S.C. 2931).

Resident Service Stipend

Amounts received under a resident service stipend are not included in annual income. A resident service stipend is a modest amount (not to exceed \$200 per individual per month) received by a resident for performing a service for BHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of BHA's governing board. No resident may receive more than one such stipend during the same period of time [24 CFR 5.600(c)(8)(iv)].

State and Local Employment Training Programs

Incremental earnings and benefits to any family member resulting from participation in qualifying state or local employment training programs (including training programs not

affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program [24 CFR 5.609(c)(8)(v)].

BHA Policy

BHA defines *training program* as “a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period to time. It is designed to lead to a higher level of proficiency, and it enhances the individual’s ability to obtain employment. It may have performance standards to measure proficiency. Training may include, but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education” [expired Notice PIH 98-2, p. 3].

BHA defines *incremental earnings and benefits* as the difference between: (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program, and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3–4].

In calculating the incremental difference, BHA will use as the pre-enrollment income the total annualized amount of the family member’s welfare assistance and earnings reported on the family’s most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with BHA's interim reporting requirements.

HUD-Funded Training Programs

Amounts received under training programs funded in whole or in part by HUD [24 CFR 5.609(c)(8)(i)] are excluded from annual income. Eligible sources of funding for the training include operating subsidy, Section 8 administrative fees, and modernization, Community Development Block Grant (CDBG), HOME program, and other grant funds received from HUD.

BHA Policy

To qualify as a training program, the program must meet the definition of *training program* provided above for state and local employment training programs.

Earned Income Tax Credit

Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j)), are excluded from annual income [24 CFR 5.609(c)(17)]. Although many families receive the EITC annually when they file taxes, an EITC can also be received throughout the year. The prorated share of the annual EITC is included in the employee’s payroll check.

Earned Income Disallowance

The earned income disallowance for persons with disabilities is discussed in section 6-I.E below.

6-I.E. EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES [24 CFR 5.617; Streamlining Final Rule (SFR) Federal Register 3/8/16]

The earned income disallowance (EID) encourages people with disabilities to enter the work force by not including the full value of increases in earned income for a period of time. The full text of 24 CFR 5.617 is included as Exhibit 6-4 at the end of this chapter. Eligibility criteria and limitations on the disallowance are summarized below.

Eligibility

This disallowance applies only to individuals in families already participating in the HCV program (not at initial examination). To qualify, the family must experience an increase in annual income that is the result of one of the following events:

- Employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment. *Previously unemployed* includes a person who annually has earned not more than the minimum wage applicable to the community multiplied by 500 hours. The applicable minimum wage is the federal minimum wage unless there is a higher state or local minimum wage.
- Increased earnings by a family member who is a person with disabilities and whose earnings increase during participation in an economic self-sufficiency or job-training program. A self-sufficiency program includes a program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work to such families [24 CFR 5.603(b)].
- New employment or increased earnings by a family member who is a person with disabilities and who has received benefits or services under Temporary Assistance for Needy Families (TANF) or any other state program funded under Part A of Title IV of the Social Security Act within the past six months. If the benefits are received in the form of monthly maintenance, there is no minimum amount. If the benefits or services are received in a form other than monthly maintenance, such as one-time payments, wage subsidies, or transportation assistance, the total amount received over the six-month period must be at least \$500.

Calculation of the Disallowance

Calculation of the earned income disallowance for an eligible member of a qualified family begins with a comparison of the member's current income with his or her "baseline income." The family member's baseline income is his or her income immediately prior to qualifying for the EID. The family member's baseline income remains constant throughout the period that he or she is participating in the EID. While qualification for the disallowance is the same for all families, calculation of the disallowance will differ depending on when the family member qualified for the EID. Participants qualifying prior to May 9, 2016, will have the disallowance calculated under the "Original Calculation Method" described below which requires a maximum lifetime disallowance period of up to 48 consecutive months. Participants qualifying on or after May 9, 2016, will be subject to the "Revised Calculation Method" Which shortens the lifetime disallowance period to 24 consecutive months.

Under both the original and new methods, the EID eligibility criteria, the benefit amount, the single lifetime eligibility requirement and the ability of the applicable family member to stop and

restart employment during the eligibility period are the same.

Original Calculation Method

Initial 12-Month Exclusion

During the initial 12-month exclusion period, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded. The 12 months are cumulative and need not be consecutive.

BHA Policy

The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.

Second 12-Month Exclusion and Phase-In

During the second 12-month exclusion period, the exclusion is reduced to half (50 percent) of any increase in income attributable to employment or increased earnings. The 12 months are cumulative and need not be consecutive.

Lifetime Limitation

The EID has a four-year (48-month) lifetime maximum. The four-year eligibility period begins at the same time that the initial exclusion period begins and ends 48 months later. The one-time eligibility for the EID applies even if the eligible individual begins to receive assistance from another housing agency, if the individual moves between public housing and Section 8 assistance, or if there are breaks in assistance.

BHA Policy

During the 48-month eligibility period, BHA will schedule and conduct an interim reexamination each time the family reports a change in annual income that affects or is affected by the EID (e.g., when the family member's income falls to a level at or below his/her prequalifying income, when one of the exclusion periods ends, and at the end of the lifetime maximum eligibility period).

Revised Calculation Method

Initial 12-Month Exclusion

During the initial exclusion period of 12 consecutive months, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded.

BHA Policy

The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.

Second 12-Month Exclusion

During the second exclusion period of 12 consecutive months, the PHA must exclude at least 50 percent of any increase in income attributable to employment or increased earnings.

BHA Policy

During the second 12-month exclusion period, the PHA will exclude 100 percent of any increase in income attributable to new employment or increased earnings.

Lifetime Limitation

The EID has a two-year (24-month) lifetime maximum. The two-year eligibility period begins at the same time that the initial exclusion period begins and ends 24 months later. During the 24-month period, an individual remains eligible for EID even if they begin to receive assistance from a different housing agency, move between public housing and Section 8 assistance, or have breaks in assistance.

6-I.F. BUSINESS INCOME [24 CFR 5.609(b)(2)]

Annual income includes “the net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family” [24 CFR 5.609(b)(2)].

Business Expenses

Net income is “gross income less business expense” [HCV GB, p. 5-19].

BHA Policy

To determine business expenses that may be deducted from gross income, BHA will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535], unless a topic is addressed by HUD regulations or guidance as described below.

Business Expansion

HUD regulations do not permit BHA to deduct from gross income expenses for business expansion.

BHA Policy

Business expansion is defined as any capital expenditures made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of adding street cleaning to the services offered by the business would be considered a business expansion. Similarly, the purchase of a property by a hair care business to open at a second location would be considered a business expansion.

Capital Indebtedness

HUD regulations do not permit BHA to deduct from gross income the amortization of capital indebtedness.

BHA Policy

Capital indebtedness is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means BHA will allow as a business expense interest, but not principal, paid on capital indebtedness.

Negative Business Income

If the net income from a business is negative, no business income will be included in annual income; a negative amount will not be used to offset other family income. If net income is negative after three consecutive years, the operation will not be considered a business, and gross income, with no offset for expenses will be utilized.

Withdrawal of Cash or Assets from a Business

HUD regulations require BHA to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

BHA Policy

Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of an assisted family provided an up-front loan of \$2,000 to help a business get started, BHA will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid.

Investments do not include the value of labor contributed to the business without compensation.

Co-owned Businesses

BHA Policy

If a business is co-owned with someone outside the family, the family must document the share of the business it owns. If the family's share of the income is lower than its share of ownership, the family must document the reasons for the difference.

6-I.G. LOANS

Non-commercial loans (i.e. loans from family or friends) made to the family for routine living expenses will be not recognized as regular income. Alameda County General Assistance benefits for non-custodial adults is a loan, and thus not considered income.

6-I.H. ASSETS [24 CFR 5.609(b)(3) and 24 CFR 5.603(b)]

Overview

There is no asset limitation for participation in the HCV program. However, HUD requires that BHA include in annual income the "interest, dividends, and other net income of any kind from real or personal property" [24 CFR 5.609(b)(3)]. This section discusses how the income from various types of assets is determined. For most types of assets, BHA must determine the value of the asset in order to compute income from the asset. Therefore, for each asset type, this section discusses:

- How the value of the asset will be determined
- How income from the asset will be calculated

Exhibit 6-1 provides the regulatory requirements for calculating income from assets [24 CFR 5.609(b)(3)], and Exhibit 6-3 provides the regulatory definition of *net family assets*. This section begins with a discussion of general policies related to assets and then provides HUD rules and BHA policies related to each type of asset.

General Policies

Income from Assets

BHA generally will use current circumstances to determine both the value of an asset and the anticipated income from the asset. As is true for all sources of income, HUD authorizes BHA to use other than current circumstances to anticipate income when (1) an imminent change in circumstances is expected (2) it is not feasible to anticipate a level of income over 12 months or (3) BHA believes that past income is the best indicator of anticipated income. For example, if a family member owns real property that typically receives rental income but the property is currently vacant, BHA can take into consideration past rental income along with the prospects of obtaining a new tenant.

BHA Policy

Anytime current circumstances are not used to determine asset income, a clear rationale for the decision will be documented in the file. In such cases the family may present information and documentation to BHA to show why the asset income determination does not represent the family's anticipated asset income.

Valuing Assets

The calculation of asset income sometimes requires BHA to make a distinction between an asset's market value and its cash value.

- The market value of an asset is its worth (e.g., the amount a buyer would pay for real estate or the balance in an investment account).
- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash.

BHA Policy

Reasonable costs that would be incurred when disposing of an asset include, but are not limited to, penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions [HCV GB, p. 5-28].

Lump-Sum Receipts

Payments that are received in a single lump sum, such as inheritances, capital gains, lottery winnings, insurance settlements, and proceeds from the sale of property, are generally considered assets, not income. However, such lump-sum receipts are counted as assets only if they are retained by a family in a form recognizable as an asset (e.g., deposited in a savings or checking account) [RHIIP FAQs]. (For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.)

Imputing Income from Assets [24 CFR 5.609(b)(3)]

When net family assets are \$5,000 or less, the PHA will include in annual income the actual income anticipated to be derived from the assets. When the family has net family assets in excess

of \$5,000, BHA will include in annual income the greater of (1) the actual income derived from the assets or (2) the imputed income. Imputed income from assets is calculated by multiplying the total cash value of all family assets by the current HUD-established passbook savings rate.

Determining Actual Anticipated Income from Assets

It may or may not be necessary for BHA to use the value of an asset to compute the actual anticipated income from the asset. When the value is required to compute the anticipated income from an asset, the market value of the asset is used. For example, if the asset is a property for which a family receives rental income, the anticipated income is determined by annualizing the actual monthly rental amount received for the property; it is not based on the property's market value. However, if the asset is a savings account, the anticipated income is determined by multiplying the market value of the account by the interest rate on the account.

Withdrawal of Cash or Liquidation of Investments

Any withdrawal of cash or assets from an investment will be included in income except to the extent that the withdrawal reimburses amounts invested by the family. For example, when a family member retires, the amount received by the family from a retirement plan is not counted as income until the family has received payments equal to the amount the family member deposited into the retirement fund.

Jointly Owned Assets

The regulation at 24 CFR 5.609(a)(4) specifies that annual income includes "amounts derived (during the 12-month period) from assets to which any member of the family has access."

BHA Policy

If an asset is owned by more than one person and any family member has unrestricted access to the asset, BHA will count the full value of the asset. A family member has unrestricted access to an asset when he or she can legally dispose of the asset without the consent of any of the other owners.

If an asset is owned by more than one person, including a family member, but the family member does not have unrestricted access to the asset, BHA will prorate the asset according to the percentage of ownership. If no percentage is specified or provided for by state or local law, BHA will prorate the asset evenly among all owners.

Assets Disposed Of for Less than Fair Market Value [24 CFR 5.603(b)]

HUD regulations require BHA to count as a current asset any business or family asset that was disposed of for less than fair market value during the two years prior to the effective date of the examination/reexamination, except as noted below.

Minimum Threshold

The *HVC Guidebook* permits BHA to set a threshold below which assets disposed of for less than fair market value will not be counted [HCV GB, p. 5-27].

BHA Policy

BHA will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by more than \$5,000.

When the two-year period expires, the income assigned to the disposed asset(s) also expires. If the two-year period ends between annual recertifications, the family may request an interim recertification to eliminate consideration of the asset(s).

Assets placed by the family in nonrevocable trusts are considered assets disposed of for less than fair market value except when the assets placed in trust were received through settlements or judgments.

Separation or Divorce

The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms.

BHA Policy

All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

Foreclosure or Bankruptcy

Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale.

Family Declaration

BHA Policy

Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value. BHA may verify the value of the assets disposed of if other information available to BHA does not appear to agree with the information reported by the family.

Types of Assets

Checking and Savings Accounts

For regular checking accounts and savings accounts, *cash value* has the same meaning as *market value*. If a checking account does not bear interest, the anticipated income from the account is zero.

BHA Policy

In determining the value of a checking account, BHA will use the average monthly balance for the last three months.

In determining the value of a savings account, BHA will use the current balance.

In determining the anticipated income from an interest-bearing checking or savings account, BHA will multiply the value of the account by the current rate of interest paid on the account.

Electronic Benefit funds (EBT) will be recognized as instruments of payment/disbursement of benefits, not an asset.

Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds

Interest or dividends earned by investment accounts are counted as actual income from assets even when the earnings are reinvested. The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.

BHA Policy

In determining the market value of an investment account, BHA will use the value of the account on the most recent investment report.

How anticipated income from an investment account will be calculated depends on whether the rate of return is known. For assets that are held in an investment account with a known rate of return (e.g., savings certificates), asset income will be calculated based on that known rate (market value multiplied by rate of earnings). When the anticipated rate of return is not known (e.g., stocks), BHA will calculate asset income based on the earnings for the most recent reporting period.

Equity in Real Property or Other Capital Investments

Equity (cash value) in a property or other capital asset is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset [HCV GB, p. 5-25].

Equity in real property and other capital investments is considered in the calculation of asset income except for the following types of assets:

- Equity accounts in HUD homeownership programs [24 CFR 5.603(b)]
- The value of a home currently being purchased with assistance under the HCV program Homeownership Option for the first 10 years after the purchase date of the home [24 CFR 5.603(b)]
- Equity in owner-occupied cooperatives and manufactured homes in which the family lives [HCV GB, p. 5-25]
- Equity in real property when a family member's main occupation is real estate [HCV GB, p. 5-25]. This real estate is considered a business asset, and income related to this asset will be calculated as described in section 6-I.F.
- Interests in Indian Trust lands [24 CFR 5.603(b)]
- Real property and capital assets that are part of an active business or farming operation [HCV GB, p. 5-25]

A family may have real property as an asset in two ways: (1) owning the property itself and (2) holding a mortgage or deed of trust on the property. In the case of a property owned by a family member, the anticipated asset income generally will be in the form of rent or other payment for the use of the property. If the property generates no income, actual anticipated income from the asset will be zero.

In the case of a mortgage or deed of trust held by a family member, the outstanding balance (unpaid principal) is the cash value of the asset. The interest portion only of payments made to the family in accordance with the terms of the mortgage or deed of trust is counted as anticipated asset income.

BHA Policy

In the case of capital investments owned jointly with others not living in a family's unit, a prorated share of the property's cash value will be counted as an asset unless BHA determines that the family receives no income from the property and is unable to sell or otherwise convert the asset to cash.

Trusts

A *trust* is a legal arrangement generally regulated by state law in which one party (the creator or grantor) transfers property to a second party (the trustee) who holds the property for the benefit of one or more third parties (the beneficiaries).

Revocable Trusts

If any member of a family has the right to withdraw the funds in a trust, the value of the trust is considered an asset [HCV GB, p. 5-25]. Any income earned as a result of investment of trust funds is counted as actual asset income, whether the income is paid to the family or deposited in the trust.

Nonrevocable Trusts

In cases where a trust is not revocable by, or under the control of, any member of a family, the value of the trust fund is not considered an asset. However, any income distributed to the family from such a trust is counted as a periodic payment or a lump-sum receipt, as appropriate [24 CFR 5.603(b)]. (Periodic payments are covered in section 6-I.H. Lump-sum receipts are discussed earlier in this section.)

Retirement Accounts

Company Retirement/Pension Accounts

In order to correctly include or exclude as an asset any amount held in a company retirement or pension account by an employed person, BHA must know whether the money is accessible before retirement [HCV GB, p. 5-26].

While a family member is employed, only the amount the family member can withdraw without retiring or terminating employment is counted as an asset [HCV GB, p. 5-26].

After a family member retires or terminates employment, any amount distributed to the family member is counted as a periodic payment or a lump-sum receipt, as appropriate [HCV GB, p. 5-26], except to the extent that it represents funds invested in the account by the family member. (For more on periodic payments, see section 6-I.H.) The balance in the account is counted as an asset only if it remains accessible to the family member.

IRA, Keogh, and Similar Retirement Savings Accounts

IRA, Keogh, and similar retirement savings accounts are counted as assets even though early withdrawal would result in a penalty [HCV GB, p. 5-25].

Personal Property

Personal property held as an investment, such as gems, jewelry, coin collections, antique cars, etc., is considered an asset [HCV GB, p. 5-25].

BHA Policy

In determining the value of personal property held as an investment, BHA will use the family's estimate of the value. BHA may obtain an appraisal to confirm the value of the asset if there is reason to believe that the family's estimated value is off by \$50 or more. The family must cooperate with the appraiser, but cannot be charged any costs related to the appraisal.

Generally, personal property held as an investment generates no income until it is disposed of. If regular income is generated (e.g., income from renting the personal property), the amount that is expected to be earned in the coming year is counted as actual income from the asset.

Necessary items of personal property are not considered assets [24 CFR 5.603(b)].

BHA Policy

Necessary personal property consists of only those items not held as an investment, and may include clothing, furniture, household furnishings, jewelry, and vehicles, including those specially equipped for persons with disabilities.

Life Insurance

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy, is included in the calculation of the value of the family's assets [HCV GB 5-25]. The cash value is the surrender value. If such a policy earns dividends or interest that the family could elect to receive, the anticipated amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.

6-I.I. PERIODIC PAYMENTS

Periodic payments are forms of income received on a regular basis. HUD regulations specify periodic payments that are and are not included in annual income.

Periodic Payments Included in Annual Income

- Periodic payments from sources such as social security, unemployment and welfare assistance (except General Assistance is not counted), annuities, insurance policies, retirement funds, and pensions. However, periodic payments from retirement accounts, annuities, and similar forms of investments are counted only after they exceed the amount contributed by the family [24 CFR 5.609(b)(4) and (b)(3)].
- Disability or death benefits and lottery receipts paid periodically, rather than in a single lump sum [24 CFR 5.609(b)(4) and HCV, p. 5-14].

Lump-Sum Payments for the Delayed Start of a Periodic Payment

Most lump-sums received as a result of delays in processing periodic payments, such as unemployment or welfare assistance, are counted as income. However, lump-sum receipts for the delayed start of periodic social security or supplemental security income (SSI) payments are not counted as income [CFR 5.609(b)(4)]. Additionally, any deferred disability benefits that are received in a lump-sum or in prospective monthly amounts from the Department of Veterans Affairs are to be excluded from annual income [FR Notice 11/24/08].

BHA Policy

When a delayed-start payment is received and reported during the period in which BHA is processing an annual or interim reexamination, BHA will adjust the family share and BHA subsidy effective the first of the next month.

Periodic Payments Excluded from Annual Income

- Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the assisted family, who are unable to live alone) [24 CFR 5.609(c)(2)]. Kinship guardianship assistance payments (Kin-GAP) and other similar guardianship payments are treated the same as foster care payments and are likewise excluded from annual income [Notice PIH 2008-30].

BHA Policy

BHA will exclude payments for the care of foster children and foster adults only if the care is provided through an official arrangement with a local welfare agency [HCV GB, p. 5-18].

- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)].
- Amounts received under the Low-Income Home Energy Assistance Program (42 U.S.C. 1626(c)) [24 CFR 5.609(c)(17)].
- Amounts received under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q) [24 CFR 5.609(c)(17)].
- Earned Income Tax Credit (EITC) refund payments (26 U.S.C. 32(j)) [24 CFR 5.609(c)(17)]. *Note:* EITC may be paid periodically if the family elects to receive the amount due as part of payroll payments from an employer.
- Lump-sums received as a result of delays in processing Social Security and SSI payments (see section 6-I.J.) [24 CFR 5.609(b)(4)].
- Lump-sums or prospective monthly amounts received as deferred disability benefits from the Department of Veterans Affairs (VA) [FR Notice 11/24/08].
- General Assistance, if provided as a loan, is excludable from a participant's income. According to Alameda County Department of Social Services, General Assistance is a loan which must be repaid by the recipient. Thus, the loan proceeds from this Agency are not considered income.

6-I.J. PAYMENTS IN LIEU OF EARNINGS

Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay, are counted as income [24 CFR 5.609(b)(5)] if they are received either in the form of periodic payments or in the form of a lump-sum amount or prospective monthly amounts for the delayed start of a periodic payment. If they are received in a one-time lump sum (as a settlement, for instance), they are treated as lump-sum receipts [24

CFR 5.609(c)(3)]. (See also the discussion of periodic payments in section 6-I.H and the discussion of lump-sum receipts in section 6-I.G.)

6-I.K. WELFARE ASSISTANCE

Overview

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments [24 CFR 5.603(b)].

Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]

BHA must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-5. The requirements are summarized below. This rule applies only if a family was receiving HCV assistance at the time the sanction was imposed.

Covered Families

The families covered by 24 CFR 5.615 are those “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a State or other public agency (‘welfare agency’) under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” [24 CFR 5.615(b)]

Imputed Income

When a welfare agency imposes a sanction that reduces a family’s welfare income because the family commits fraud or fails to comply with the agency’s economic self-sufficiency program or work activities requirement, BHA must include in annual income “imputed” welfare income. BHA must request that the welfare agency inform BHA when the benefits of an HCV participant family are reduced. The imputed income is the amount the family would have received if the family had not been sanctioned.

This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

Offsets

The amount of the imputed income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

6-I.L. PERIODIC AND DETERMINABLE ALLOWANCES [24 CFR 5.609(b)(7)]

Annual income includes periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing with an assisted family.

Alimony and Child Support

BHA must count alimony or child support amounts awarded as part of a divorce or separation agreement.

BHA Policy

BHA will count court-awarded amounts for alimony and child support unless BHA verifies that: (1) the payments are not being made, and (2) the family has made reasonable efforts to collect amounts due, including filing with courts or agencies responsible for enforcing payments [HCV GB, pp. 5-23 and 5-47].

Families who do not have court-awarded alimony and child support awards are not required to seek a court award and are not required to take independent legal action to obtain collection.

Regular Contributions or Gifts

BHA must count as income regular monetary and nonmonetary contributions or gifts from persons not residing with an assisted family [24 CFR 5.609(b)(7)]. Temporary, nonrecurring, or sporadic income and gifts are not counted [24 CFR 5.609(c)(9)].

BHA Policy

Examples of regular contributions include: (1) regular payment of a family's bills (e.g., utilities, telephone, rent, credit cards, and car payments), (2) cash or other liquid assets provided to any family member on a regular basis, and (3) "in-kind" contributions such as groceries and clothing provided to a family on a regular basis.

Nonmonetary contributions will be valued at the cost of purchasing the items, as determined by BHA. For contributions that may vary from month to month (e.g., utility payments), BHA will include an average amount based upon past history.

6-I.M. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9)]

In 2005, Congress passed a law (for Section 8 programs only) requiring that certain student financial assistance be included in annual income. Prior to that, the full amount of student financial assistance was excluded. For some students, the full exclusion still applies.

Student Financial Assistance Included in Annual Income [24 CFR 5.609(b)(9) and FR 4/10/06]

The regulation requiring the inclusion of certain student financial assistance applies only to students who satisfy all of the following conditions:

- They are enrolled in an institution of higher education, as defined under the Higher Education Act (HEA) of 1965.
- They are seeking or receiving Section 8 assistance on their own—that is, apart from their parents—through the HCV program, the project-based certificate program, the project-based voucher program, or the moderate rehabilitation program.
- They are under 24 years of age **OR** they have no dependent children.

For students who satisfy these three conditions, any financial assistance in excess of tuition received: (1) under the 1965 HEA, (2) from a private source, or (3) from an institution of higher education, as defined under the 1965 HEA, must be included in annual income.

To determine annual income in accordance with the above requirements, the PHA will use the definitions of *dependent child*, *institution of higher education*, and *parents* in Section 3-II.E, along with the following definitions [FR 4/10/06, pp. 18148-18150]:

- *Assistance under the Higher Education Act of 1965* includes Pell Grants, Federal Supplement Educational Opportunity Grants, Academic Achievement Incentive Scholarships, State Assistance under the Leveraging Educational Assistance Partnership Program, the Robert G. Byrd Honors Scholarship Program, and Federal Work Study programs.
- *Assistance from private sources* means assistance from nongovernmental sources, including parents, guardians, and other persons not residing with the student in an HCV assisted unit.
- *Tuition* will have the meaning given this term by the institution of higher education in which the student is enrolled.

Student Financial Assistance Excluded from Annual Income [24 CFR 5.609(c)(6)]

Any student financial assistance not subject to inclusion under 24 CFR 5.609(b)(9) is fully excluded from annual income under 24 CFR 5.609(c)(6), whether it is paid directly to the student or to the educational institution the student is attending. This includes any financial assistance received by:

- Students residing with parents who are seeking or receiving Section 8 assistance
- Students who are enrolled in an educational institution that does **not** meet the 1965 HEA definition of *institution of higher education*
- Students who are over 23 **AND** have at least one dependent child, as defined in Section 3-II.E
- Students who are receiving financial assistance through a governmental program not authorized under the 1965 HEA.

6-I.N. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME

Other exclusions contained in 24 CFR 5.609(c) that have not been discussed earlier in this chapter include the following:

- Reimbursement of medical expenses [24 CFR 5.609(c)(4)]
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred and which are made solely to allow participation in a specific program [24 CFR 5.609(c)(8)(iii)]
- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(c)(8)(ii)]
- Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era [24 CFR 5.609(c)(10)]
- Adoption assistance payments in excess of \$480 per adopted child [24 CFR 5.609(c)(12)]

- Refunds or rebates on property taxes paid on the dwelling unit [24 CFR 5.609(c)(15)]

PART II: ADJUSTED INCOME

6-II.A. INTRODUCTION

Overview

HUD regulations require BHA to deduct from annual income any of five mandatory deductions for which a family qualifies. The resulting amount is the family's adjusted income. Mandatory deductions are found in 24 CFR 5.611.

5.611(a) Mandatory deductions. In determining adjusted income, the responsible entity [PHA] must deduct the following amounts from annual income:

- (1) \$480 for each dependent;
- (2) \$400 for any elderly family or disabled family;
- (3) The sum of the following, to the extent the sum exceeds three percent of annual income:
 - (i) Unreimbursed medical expenses of any elderly family or disabled family;
 - (ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and
- (4) Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.

This part covers policies related to these mandatory deductions. Verification requirements related to these deductions are found in Chapter 7.

Anticipating Expenses

BHA Policy

Generally, BHA will use current circumstances to anticipate expenses with adjustments for costs that are expected to fluctuate during the year (e.g., child care during school and nonschool periods and cyclical medical expenses),

Medical Expense. BHA will estimate annual costs based on ongoing expenses as of the date of the annual recertification. Additional ongoing medical expenses incurred after the anniversary date will be factored in at the next annual recertification. BHA will consider an exception in cases where new monthly medical expenses are greater than 10% of monthly income.

If a family has an accumulated debt for medical or disability assistance expenses, BHA will include as an eligible expense the portion of the debt that the family expects to pay during the period for which the income determination is being made. However, amounts previously deducted will not be allowed even if the amounts were not paid as expected in a preceding period. BHA may require the family to provide documentation of payments made in the preceding year.

6-II.B. DEPENDENT DEDUCTION

A deduction of \$480 is taken for each dependent [24 CFR 5.611(a)(1)]. *Dependent* is defined as any family member other than the head, spouse, or cohead who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student. Foster children, foster adults, and live-in aides are never considered dependents [24 CFR 5.603(b)].

6-II.C. ELDERLY OR DISABLED FAMILY DEDUCTION

A single deduction of \$400 is taken for any elderly or disabled family [24 CFR 5.611(a)(2)]. An *elderly family* is a family whose head, spouse, cohead, or sole member is 62 years of age or older, and a *disabled family* is a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403].

6-II.D. MEDICAL EXPENSES DEDUCTION [24 CFR 5.611(a)(3)(i)]

Unreimbursed medical expenses may be deducted to the extent that, in combination with any disability assistance expenses, they exceed three percent of annual income.

The medical expense deduction is permitted only for families in which the head, spouse, or cohead is at least 62 or is a person with disabilities. If a family is eligible for a medical expense deduction, the medical expenses of all family members are counted [VG, p. 28].

Definition of *Medical Expenses*

HUD regulations define *medical expenses* at 24 CFR 5.603(b) to mean “medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.”

BHA Policy

The most current IRS Publication 502, *Medical and Dental Expenses*, will be used to determine the costs that qualify as medical expenses.

Summary of Allowable Medical Expenses from IRS Publication 502	
Services of medical professionals Surgery and medical procedures that are necessary, legal, noncosmetic Services of medical facilities Hospitalization, long-term care, and in-home nursing services Prescription medicines and insulin, but <u>not</u> nonprescription medicines even if recommended by a doctor Improvements to housing directly related to medical needs (e.g., ramps for a wheel chair, handrails)	Substance abuse treatment programs Psychiatric treatment Ambulance services and some costs of transportation related to medical expenses The cost and care of necessary equipment related to a medical condition (e.g., eyeglasses/lenses, hearing aids, crutches, and artificial teeth) Cost and continuing care of necessary service animals Medical insurance premiums or the cost of a health maintenance organization (HMO)
Note: This chart provides a summary of eligible medical expenses only. Detailed information is provided in IRS Publication 502. Medical expenses are considered only to the extent they are not reimbursed by insurance or some other source.	

Families That Qualify for Both Medical and Disability Assistance Expenses

BHA Policy

This policy applies only to families in which the head, spouse, or cohead is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, BHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

6-II.E. DISABILITY ASSISTANCE EXPENSES DEDUCTION [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]

Reasonable expenses for attendant care and auxiliary apparatus for a disabled family member may be deducted if they: (1) are necessary to enable a family member 18 years or older to work, (2) are not paid to a family member or reimbursed by an outside source, (3) in combination with any medical expenses, exceed three percent of annual income, and (4) do not exceed the earned income received by the family member who is enabled to work.

Earned Income Limit on the Disability Assistance Expense Deduction

A family can qualify for the disability assistance expense deduction only if at least one family member (who may be the person with disabilities) is enabled to work [24 CFR 5.603(b)].

The disability expense deduction is capped by the amount of “earned income received by family members who are 18 years of age or older and who are able to work” because of the expense [24

CFR 5.611(a)(3)(ii)]. The earned income used for this purpose is the amount verified before any earned income disallowances or income exclusions are applied.

BHA Policy

The family must identify the family members enabled to work as a result of the disability assistance expenses. In evaluating the family's request, BHA will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with disabilities that might determine which family members are enabled to work.

When BHA determines that the disability assistance expenses enable more than one family member to work, the expenses will be capped by the sum of the family members' incomes.

Eligible Disability Expenses

Examples of auxiliary apparatus are provided in the *HCV Guidebook* as follows: "Auxiliary apparatus are items such as wheelchairs, ramps, adaptations to vehicles, or special equipment to enable a blind person to read or type, but only if these items are directly related to permitting the disabled person or other family member to work" [HCV GB, p. 5-30].

HUD advises BHA to further define and describe auxiliary apparatus [VG, p. 30].

Eligible Auxiliary Apparatus

BHA Policy

Expenses incurred for maintaining or repairing an auxiliary apparatus are eligible. In the case of an apparatus that is specially adapted to accommodate a person with disabilities (e.g., a vehicle or computer), the cost to maintain the special adaptations (but not maintenance of the apparatus itself) is an eligible expense. The cost of service animals trained to give assistance to persons with disabilities, including the cost of acquiring the animal, veterinary care, food, grooming, and other continuing costs of care, will be included.

Eligible Attendant Care

The family determines the type of attendant care that is appropriate for the person with disabilities.

BHA Policy

Attendant care includes, but is not limited to, reasonable costs for home medical care, nursing services, in-home or center-based care services, interpreters for persons with hearing impairments, and readers for persons with visual disabilities.

Attendant care expenses will be included for the period that the person enabled to work is employed plus reasonable transportation time. The cost of general housekeeping and personal services is not an eligible attendant care expense. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person with disabilities to work are eligible.

If the care attendant also provides other services to the family, BHA will prorate the cost and allow only that portion of the expenses attributable to attendant care that enables a family member to work. For example, if the care provider also cares for a child who is not the person with disabilities, the cost of care must be prorated. Unless otherwise specified by the care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

Payments to Family Members

No disability assistance expenses may be deducted for payments to a member of an assisted family [24 CFR 5.603(b)]. However, expenses paid to a relative who is not a member of the assisted family may be deducted if they are not reimbursed by an outside source.

Necessary and Reasonable Expenses

The family determines the type of care or auxiliary apparatus to be provided and must describe how the expenses enable a family member to work. The family must certify that the disability assistance expenses are necessary and are not paid or reimbursed by any other source.

BHA Policy

BHA determines the reasonableness of the expenses based on typical costs of care or apparatus in the locality on a case by case basis. A family may present, and BHA will consider, the family's justification for costs that exceed typical costs in the area.

Families That Qualify for Both Medical and Disability Assistance Expenses

BHA Policy

This policy applies only to families in which the head or spouse is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, BHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

6-II.F. CHILD CARE EXPENSE DEDUCTION

HUD defines *child care expenses* at 24 CFR 5.603(b) as “amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.”

Clarifying the Meaning of *Child* for This Deduction

Child care expenses do not include child support payments made to another on behalf of a minor who is not living in an assisted family's household [VG, p. 26]. However, child care expenses for

foster children that are living in the assisted family's household, are included when determining the family's child care expenses [HCV GB, p. 5-29].

Qualifying for the Deduction

Determining Who Is Enabled to Pursue an Eligible Activity

BHA Policy

The family must identify the family member(s) enabled to pursue an eligible activity. The term *eligible activity* in this section means any of the activities that may make the family eligible for a child care deduction (seeking work, pursuing an education, or being gainfully employed).

In evaluating the family's request, BHA will consider factors such as how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

Seeking Work

BHA Policy

If the child care expense being claimed is to enable a family member to seek employment, the family must provide evidence of the family member's efforts to obtain employment at each interim and annual reexamination. The deduction may be reduced or denied if the family member's job search efforts are not commensurate with the child care expense being allowed by BHA.

Furthering Education

BHA Policy

If the child care expense being claimed is to enable a family member to further his or her education, the member must be enrolled in school (academic or vocational) or participating in a formal training program. The family member is not required to be a full-time student, but the time spent in educational activities must be commensurate with the child care claimed.

Being Gainfully Employed

BHA Policy

If the child care expense being claimed is to enable a family member to be gainfully employed, the family must provide evidence of the family member's employment during the time that child care is being provided. Gainful employment is any legal work activity (full- or part-time) for which a family member is compensated.

Earned Income Limit on Child Care Expense Deduction

When a family member looks for work or furthers his or her education, there is no cap on the amount that may be deducted for child care – although the care must still be necessary and

reasonable. However, when child care enables a family member to work, the deduction is capped by “the amount of employment income that is included in annual income” [24 CFR 5.603(b)].

The earned income used for this purpose is the amount of earned income verified after any earned income disallowances or income exclusions are applied.

When the person who is enabled to work is a person with disabilities who receives the earned income disallowance (EID) or a full-time student whose earned income above \$480 is excluded, child care costs related to enabling a family member to work may not exceed the portion of the person’s earned income that actually is included in annual income. For example, if a family member who qualifies for the EID makes \$15,000 but because of the EID only \$5,000 is included in annual income, child care expenses are limited to \$5,000.

BHA must not limit the deduction to the least expensive type of child care. If the care allows the family to pursue more than one eligible activity, including work, the cap is calculated in proportion to the amount of time spent working [HCV GB, p. 5-30].

BHA Policy

When the child care expense being claimed is to enable a family member to work, only one family member’s income will be considered for a given period of time. When more than one family member works during a given period, BHA will limit allowable child care expenses to the earned income of the lowest-paid member. The family may provide information that supports a request to designate another family member as the person enabled to work.

Eligible Child Care Expenses

The type of care to be provided is determined by the assisted family. BHA may not refuse to give a family the child care expense deduction because there is an adult family member in the household that may be available to provide child care [VG, p. 26].

Allowable Child Care Activities

BHA Policy

For school-age children, under the age of 13, costs attributable to public or private school activities during standard school hours are not considered. Expenses incurred for supervised activities before or after school or during school holidays and vacations, including summertime, e.g., summer day camp (not over-night camp), are allowable forms of child care, including camps specializing in a particular activity, such as basketball. Summer school/tutoring are not allowable child care expenses.

The costs of general housekeeping and personal services are not eligible. Likewise, child care expenses paid to a family member who lives in the family’s unit are not eligible; however, payments for child care to relatives who do not live in the unit are eligible.

If a child care provider also renders other services to a family or child care is used to enable a family member to conduct activities that are not eligible for consideration, BHA will prorate the costs and allow only that portion of the expenses that is attributable to child care for eligible activities. For example, if the care provider also cares for a child with disabilities who is 13 or older, the cost of care will be prorated. Unless otherwise

specified by the child care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

Necessary and Reasonable Costs

Child care expenses will be considered necessary if: (1) a family adequately explains how the care enables a family member to work, actively seek employment, or further his or her education, and (2) the family certifies, and the child care provider verifies, that the expenses are not paid or reimbursed by any other source.

BHA Policy

Child care expenses will be considered for the time required for the eligible activity plus reasonable transportation time. For child care that enables a family member to go to school, the time allowed may include not more than one study hour for each hour spent in class.

To establish the reasonableness of child care costs, BHA will use the schedule of child care costs from the local welfare agency, “Banana’s” or another recognized child care organization serving families in the City of Berkeley. Families may present, and BHA will consider, justification for costs that exceed typical costs in the area.

PART III: CALCULATING FAMILY SHARE AND PHA SUBSIDY

6-III.A. OVERVIEW OF RENT AND SUBSIDY CALCULATIONS

TTP Formula [24 CFR 5.628]

HUD regulations specify the formula for calculating the total tenant payment (TTP) for an assisted family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 30 percent of the family’s monthly adjusted income (adjusted income is defined in Part II)
- 10 percent of the family’s monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between \$0 and \$50 that is established by BHA

BHA has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-III.B.

The amount that a family pays for rent and utilities (the family share) will never be less than the family’s TTP but may be greater than the TTP depending on the rent charged for the unit the family selects.

Welfare Rent [24 CFR 5.628]

BHA Policy

Welfare rent does not apply in this locality.

Minimum Rent [24 CFR 5.630]

BHA Policy

The minimum rent for this locality is \$50.

Family Share [24 CFR 982.305(a)(5)]

If a family chooses a unit with a gross rent (rent to owner plus an allowance for tenant-paid utilities) that exceeds BHA's applicable payment standard: (1) the family will pay more than the TTP, and (2) at initial occupancy BHA may not approve the tenancy if it would require the family share to exceed 40 percent of the family's monthly adjusted income. The income used for this determination must have been verified no earlier than 60 days before the family's voucher was issued. (For a discussion of the application of payment standards, see section 6-III.C.)

BHA Subsidy [24 CFR 982.505(b)]

BHA will pay a monthly housing assistance payment (HAP) for a family that is equal to the lower of (1) the applicable payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP. (For a discussion of the application of payment standards, see section 6-III.C.)

Utility Reimbursement [24 CFR 982.514(b)]

When the BHA subsidy for a family exceeds the rent to owner, the family is due a utility reimbursement. HUD permits BHA to pay the reimbursement to the family or directly to the utility provider.

BHA Policy

BHA reserves the option either to make the utility reimbursements directly to the family, or to Pacific Gas and Electric (PG&E) on behalf of the family. The family must establish and maintain service in the name of the head of household or spouse/partner.

6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]

Overview

If BHA establishes a minimum rent greater than zero, BHA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family's TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If BHA determines that a hardship exists, the family share is the highest of the remaining components of the family's calculated TTP.

HUD-Defined Financial Hardship

Financial hardship includes the following situations:

- (1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

BHA Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following: (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

- (2) The family would be evicted because it is unable to pay the minimum rent.

BHA Policy

For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent to the owner or tenant-paid utilities.

- (3) Family income has decreased because of changed family circumstances, including the loss of employment.
- (4) A death has occurred in the family.

BHA Policy

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

- (5) The family has experienced other circumstances determined by BHA.

BHA Policy

BHA has not established any additional hardship criteria.

Implementation of Hardship Exemption

Determination of Hardship

When a family requests a financial hardship exemption, BHA must suspend the minimum rent requirement beginning the first of the month following the family's request.

BHA then determines whether the financial hardship exists and whether the hardship is temporary or long-term.

BHA Policy

BHA defines temporary hardship as a hardship expected to last 90 days or less. Long-term hardship is defined as a hardship expected to last more than 90 days.

When the minimum rent is suspended, the family share reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.

Example: Impact of Minimum Rent Exemption			
Assume the BHA has established a minimum rent of \$50.			
Family Share – No Hardship		Family Share – With Hardship	
\$0	30% of monthly adjusted income	\$0	30% of monthly adjusted income
\$15	10% of monthly gross income	\$15	10% of monthly gross income
N/A	Welfare rent	N/A	Welfare rent
\$50	Minimum rent	\$50	Minimum rent

Minimum rent applies. TTP = \$50	Hardship exemption granted. TTP = \$15
-------------------------------------	---

BHA Policy

To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family's ability to pay the minimum rent.

BHA will make the determination of hardship within 30 calendar days.

No Financial Hardship

If BHA determines there is no financial hardship, BHA will reinstate the minimum rent and require the family to repay the amounts suspended.

BHA Policy

BHA will require the family to repay the suspended amount within 30 calendar days of BHA's notice that a hardship exemption has not been granted.

Temporary Hardship

If BHA determines that a qualifying financial hardship is temporary, BHA must suspend the minimum rent for the 90-day period beginning the first of the month following the date of the family's request for a hardship exemption.

At the end of the 90-day suspension period, the family must resume payment of the minimum rent and must repay BHA the amounts suspended. HUD requires BHA to offer a reasonable repayment agreement, on terms and conditions established by BHA. BHA also may determine that circumstances have changed and the hardship is now a long-term hardship.

BHA Policy

BHA will enter into a repayment agreement in accordance with the procedures found in Chapter 16 of this plan.

Long-Term Hardship

If BHA determines that the financial hardship is long-term, BHA must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family's request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

BHA Policy

The hardship period ends when any of the following circumstances apply:

- (1) At an interim or annual reexamination, the family's calculated TTP is greater than the minimum rent.
- (2) For hardship conditions based on loss of income, the hardship condition will continue to be recognized until new sources of income are received that are at least equal to the amount lost. For example, if a hardship is approved because a family no longer receives a \$60/month child support payment, the hardship will continue to exist until

the family receives at least \$60/month in income from another source or once again begins to receive the child support.

- (3) For hardship conditions based upon hardship-related expenses, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred.

6-III.C. APPLYING PAYMENT STANDARDS [24 CFR 982.505]

Overview

BHA's schedule of payment standards is used to calculate housing assistance payments for HCV families. The Payment Standard should not be confused with any "minimum or maximum" amount the Housing Authority will approve as the contract rent for a unit. This section covers the application of BHA's payment standards. The establishment and revision of BHA's payment standard schedule are covered in Chapter 16.

Payment standard is defined as "the maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family)" [24 CFR 982.4(b)].

The payment standard for a family is the lower of (1) the payment standard for the family unit size, which is defined as the appropriate number of bedrooms for the family under BHA's subsidy standards [24 CFR 982.4(b)], or (2) the payment standard for the size of the dwelling unit rented by the family.

If BHA has established an exception payment standard for a designated part of an FMR area and a family's unit is located in the exception area, BHA must use the appropriate payment standard for the exception area.

BHA is required to pay a monthly housing assistance payment (HAP) for a family that is the lower of (1) the payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP.

If during the term of the HAP contract for a family's unit, the owner lowers the rent, BHA will recalculate the HAP using the lower of the initial payment standard or the gross rent for the unit [HCV GB, p. 7-8].

Changes in Payment Standards

When BHA revises its payment standards during the term of the HAP contract for a family's unit, it will apply the new payment standards in accordance with HUD regulations.

Annual Adjustment

BHA payment standards for all bedroom sizes will be reviewed at least annually, and updated December 1st as appropriate, and at other times as appropriate, to an appropriate level between 90 and 110% of FMR, unless an exception is granted from HUD.

Decreases

If the amount on the payment standard schedule is decreased during the term of the HAP contract, the lower payment standard generally will be used beginning at the effective date of the family's second regular reexamination following the effective date of the decrease in the payment standard. BHA will determine the payment standard for the family as follows:

Step 1: At the first regular reexamination following the decrease in the payment standard, BHA will determine the payment standard for the family using the lower of the payment standard for the family unit size or the size of the dwelling unit rented by the family.

Step 2: BHA will compare the payment standard from step 1 to the payment standard last used to calculate the monthly housing assistance payment for the family. The payment standard used by BHA at the first regular reexamination following the decrease in the payment standard will be the higher of these two payment standards. BHA will advise the family that the application of the lower payment standard will be deferred until the second regular reexamination following the effective date of the decrease in the payment standard.

Step 3: At the second regular reexamination following the decrease in the payment standard, the lower payment standard will be used to calculate the monthly housing assistance payment for the family unless BHA has subsequently increased the payment standard, in which case the payment standard will be determined in accordance with procedures for increases in payment standards described below.

Increases

If the payment standard is increased during the term of the HAP contract, the increased payment standard will be used to calculate the monthly housing assistance payment for the family beginning on the effective date of the family's first regular reexamination on or after the effective date of the increase in the payment standard.

Families requiring or requesting interim reexaminations will not have their HAP payments calculated using the higher payment standard until their next annual reexamination [HCV GB, p. 7-8].

Changes in Family Unit Size

Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size must be used to determine the payment standard for the family beginning at the family's first regular reexamination following the change in family unit size.

Reasonable Accommodation

BHA will use higher payment standards (either within the acceptable range or with HUD approval of a payment standard outside BHA range) if BHA determines this is necessary to enable a person with disabilities to obtain a suitable housing unit.

6-III.D. APPLYING UTILITY ALLOWANCES [24 CFR 982.517]

Overview

A BHA-established utility allowance schedule is used in determining family share and BHA subsidy. BHA must use the appropriate utility allowance for the size of dwelling unit actually leased by a family rather than the voucher unit size for which the family qualifies using BHA subsidy standards. See Chapter 5 for information on BHA's subsidy standards.

For policies on establishing and updating utility allowances, see Chapter 16.

Reasonable Accommodation

HCV program regulations require BHA to approve a utility allowance amount higher than shown on BHA's schedule if a higher allowance is needed as a reasonable accommodation for a family

member with a disability. For example, if a family member with a disability requires such an accommodation, BHA will approve an allowance for air-conditioning, even if BHA has determined that an allowance for air-conditioning generally is not needed.

The family must request the higher allowance and provide BHA with an explanation of the need for the reasonable accommodation and information about the amount of additional allowance required [HCV GB, p. 18-8].

Utility Allowance Revisions

At reexamination, BHA must use the BHA current utility allowance schedule [24 CFR 982.517(d)(2)].

BHA Policy

Revised utility allowances will be applied to a family's rent and subsidy calculations at the first annual reexamination that is effective after the allowance is adopted.

Depending on the need of the disabled person, BHA will authorize an additional 20% for "heating", and/or an additional 20% for "other electric", as a reasonable accommodation of a person with a disability provided the family supplies documentation that PG&E has approved them for a "medical baseline discount for service"

6-III.E. PRORATED ASSISTANCE FOR MIXED FAMILIES [24 CFR 5.520]

HUD regulations prohibit assistance to ineligible family members. A *mixed family* is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. BHA must prorate the assistance provided to a mixed family. BHA will first determine assistance as if all family members were eligible and then prorate the assistance based upon the percentage of family members that actually are eligible. For example, if BHA subsidy for a family is calculated at \$500 and two of four family members are ineligible, BHA subsidy would be reduced to \$250.

EXHIBIT 6-1: ANNUAL INCOME INCLUSIONS

24 CFR 5.609

(a) Annual income means all amounts, monetary or not, which:

- (1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
 - (2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
 - (3) Which are not specifically excluded in paragraph (c) of this section.
- (4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

(b) Annual income includes, but is not limited to:

- (1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;
- (2) The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal

of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;

(3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;

(4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);

(5) Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except as provided in paragraph (c)(3) of this section);

(6) Welfare assistance payments.

(i) Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

(A) Qualify as assistance under the TANF program definition at 45 CFR 260.31¹; and

(B) Are not otherwise excluded under paragraph (c) of this section.

(ii) If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

(A) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(B) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage.

(7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

(8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section)

(9) For section 8 programs only and as provided in 24 CFR 5.612, any financial assistance, in excess of amounts received for tuition, that an individual receives under the Higher Education Act of 1965 (20 U.S.C. 1001 et seq.), from private sources, or from an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for persons over the age of 23 with dependent children. For purposes of this paragraph, "financial assistance" does not include loan proceeds for the purpose of determining income.

(1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. (2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under Sec. 5.609.

(3) In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefore.

In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

(4) For purposes of determining annual income under Sec. 5.609, the term "net family assets" does not include the value of a home currently being purchased with assistance under part 982, subpart M of this title. This exclusion is limited to the first 10 years after the purchase date of the home.

EXHIBIT 6-4: EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES

24 CFR 5.617 Self-sufficiency incentives for persons with disabilities—Disallowance of increase in annual income.

(a) Applicable programs. The disallowance of increase in annual income provided by this section is applicable only to the following programs: HOME Investment Partnerships Program (24 CFR part 92); Housing Opportunities for Persons with AIDS (24 CFR part 574); Supportive Housing Program (24 CFR part 583); and the Housing Choice Voucher Program (24 CFR part 982).

(b) Definitions. The following definitions apply for purposes of this section.

Baseline income. The annual income immediately prior to implementation of the disallowance described in paragraph (c)(1) of this section of a person with disabilities (who is a member of a qualified family).

Disallowance. Exclusion from annual income.

Previously unemployed includes a person with disabilities who has earned, in the twelve months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

Qualified family. A family residing in housing assisted under one of the programs listed in paragraph (a) of this section or receiving tenant-based rental assistance under one of the programs listed in paragraph (a) of this section.

(1) Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;

(2) Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or

(3) Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance-- provided that the total amount over a six-month period is at least \$500.

(c) Disallowance of increase in annual income—

(1) Initial twelve month exclusion. During the cumulative twelve month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income (as defined in the regulations governing the applicable program listed in paragraph (a) of this section) of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over prior income of that family member.

(2) Second twelve month exclusion and phase-in.

Upon expiration of the 12-month period defined in paragraph (c)(1) of this section and for the subsequent 12-month period, the

responsible entity must exclude from annual income of a qualified family at least 50 percent of any increase in income of such family member as a result of employment over the family member's baseline income.

(3) *Maximum 2-year disallowance.* The disallowance of increased income of an individual family member who is a person with disabilities as provided in paragraph (c)(1) or (c)(2) of this section is limited to a lifetime 24-month period. The disallowance applies for a maximum of 12 months for disallowance under paragraph (c)(1) of this section and a maximum of 12 months for disallowance under paragraph (c)(2) of this section, during the 24- month period starting

from the initial exclusion under paragraph (c)(1) of this section.

(4) *Effect of changes on currently participating families.* Families eligible for and participating in the disallowance of earned income under this section prior to *May 9, 2016* will continue to be governed by this section in effect as it existed immediately prior to that date (see 24 CFR parts 0 to 199, revised as of April 1, 2016).

(d) *Inapplicability to admission.* The disallowance of increases in income as a result of employment of persons with disabilities under this section does not apply for purposes of admission to the program (including the determination of income eligibility or any income targeting that may be applicable).

EXHIBIT 6-5: THE EFFECT OF WELFARE BENEFIT REDUCTION

24 CFR 5.615

Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.

(a) Applicability. This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) Definitions. The following definitions apply for purposes of this section:

Covered families. Families who receive welfare assistance or other public assistance benefits ("welfare benefits") from a State or other public agency ("welfare agency") under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

Economic self-sufficiency program. See definition at Sec. 5.603.

Imputed welfare income. The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

Specified welfare benefit reduction.

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

(c) Imputed welfare income.

(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.

(2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the PHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).

(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed

(5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

(d) Review of PHA decision.

(1) Public housing. If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.

(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the PHA determination, the family may request an informal hearing on the determination under the PHA hearing procedure.

(e) PHA relation with welfare agency.

(1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall be entitled to rely on the welfare agency notice to the PHA of the welfare agency's determination of a specified welfare benefits reduction.

Chapter 7

VERIFICATION

[24 CFR 982.516, 24 CFR 982.551, 24 CFR 5.230]

INTRODUCTION

BHA must verify all information that is used to establish the family's eligibility and level of assistance and is required to obtain the family's consent to collect the information. Applicants and program participants must cooperate with the verification process as a condition of receiving assistance. BHA must not pass on the cost of verification to the family.

BHA will follow the verification guidance provided by HUD in PIH Notice 2004-01 Verification Guidance, PIH Notice 2013-03 Temporary Compliance Assistance, and any subsequent guidance issued by HUD. This chapter summarizes those requirements and provides supplementary BHA policies.

Part I describes the general verification process. More detailed requirements related to individual factors are provided in subsequent parts including family information (Part II), income and assets (Part III), and mandatory deductions (Part IV).

Verification policies, rules and procedures will be modified as needed to accommodate persons with disabilities. All information obtained through the verification process will be handled in accordance with the records management policies of BHA.

PART I: GENERAL VERIFICATION REQUIREMENTS

7-I.A. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 982.516 AND 982.551, 24 CFR 5.230]

The family must supply any information that BHA or HUD determines is necessary to the administration of the program and must consent to BHA verification of that information [24 CFR 982.551].

Consent Forms

It is required that all adult applicants and participants sign form HUD-9886, Authorization for Release of Information. The purpose of form HUD-9886 is to facilitate automated data collection and computer matching from specific sources and provides the family's consent only for the specific purposes listed on the form. HUD and BHA may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA). Adult family members must sign other consent forms as needed to collect information relevant to the family's eligibility and level of assistance.

Penalties for Failing to Consent [24 CFR 5.232]

If any family member who is required to sign a consent form fails to do so, BHA will deny admission to applicants and terminate assistance of participants. The family may request an informal review (applicants) or informal hearing (participants) in accordance with BHA procedures.

7-I.B. OVERVIEW OF VERIFICATION REQUIREMENTS

HUD's Verification Hierarchy

HUD authorizes the PHA to use five methods to verify family information and specifies the circumstances in which each method will be used. In general HUD requires BHA to use the most reliable form of verification that is available and to document the reasons when BHA uses a lesser form of verification. As per HUD Notice 2013-03, *Public Housing and Housing Choice Voucher Programs – Temporary Compliance Assistance*, PHAs may determine annual income based on past actual income received or earned within the last 12 months. For the purpose of verifying income reported in HUD's Enterprise Income Verification System (EIV), BHA must use actual past income over the most recent 12 months of income information available in EIV. Because this EIV report provides actual earnings data verified by a third party, the program participant is no longer required to provide third party documentation (e.g. paystubs, payroll summary report, unemployment notice). PHAs must continue to verify income from sources not available in EIV. However, PHAs must use the same time period for both wage and non-wage income

BHA Policy

BHA will utilize the method described in HUD Notice 2013-03, *Public Housing and Housing Choice Voucher Programs – Temporary Compliance Assistance*. Then, in order of priority, the forms of verification that BHA will use are:

- Up-front Income Verification (UIV) whenever available
- Third-party Written Verification
- Third-party Oral Verification
- Review of Documents
- Self-Certification

Each of the verification methods is discussed in subsequent sections below. Exhibit 7-1 at the end of the chapter contains an excerpt from the notice that provides guidance with respect to how each method may be used.

Requirements for Acceptable Documents

BHA Policy

Options for documentation provided in HUD Notice 2013-03, *Public Housing and Housing Choice Voucher Programs – Temporary Compliance Assistance* will be utilized, where applicable.

Any documents used for verification must be the original (not photocopies) and generally must be dated within 60 calendar days of the date they are provided to BHA. The documents must not be damaged, altered or in any way illegible.

BHA will accept documents dated up to 6 months before the effective date of the family's reexamination if the document represents the most recent scheduled report from a source. For example, if the holder of a pension annuity provides semi-annual reports, BHA would accept the most recent report.

Print-outs from web pages are considered original documents.

BHA staff member who views the original document must make a photocopy, annotate the copy with the name of the person who provided the document and the date the original was viewed, and sign the copy.

Any family self-certifications must be made in a format acceptable to BHA and must be signed in the presence of a BHA representative or BHA notary public.

File Documentation

BHA must document in the file how the figures used in income and rent calculations were determined. All verification attempts, information obtained, and decisions reached during the verification process will be recorded in the family's file in sufficient detail to demonstrate that BHA has followed all of the verification policies set forth in this plan. The record should be sufficient to enable a staff member or HUD reviewer to understand the process followed and conclusions reached.

BHA Policy

BHA will document, in the family file, the following:

- Reported family annual income
- Value of assets
- Expenses related to deductions from annual income
- Other factors influencing the adjusted income or income-based rent determination

Families and Other singles (not elderly or disabled)

BHA will utilize actual income from the prior July – June for the Annual recertification; the family will not be required to provide check stubs, benefit letters or other forms of documentation. However, if the family disputes the income determination, BHA will require documentation from the family. If the information from the family is acceptable (based on documents identified in this Chapter of the Admin Plan), BHA will utilize the family provided documentation.

If a program participant lost his/her job, changed jobs, or reduced their hours in the months subsequent to the time period covered in EIV, the PHA must use, at the participant's request, the more recent income information verified by participant provided third-party documentation (e.g. paystubs, payroll summary report, unemployment notice) or through written third-party verification, which reflects the new or current work circumstance.

If there has been a change in circumstances for a participant, or a participant disputes the EIV-reported income information and is unable to provide acceptable documentation to resolve the dispute, BHA must request written third-party verification. If the family disputes information obtained through third party verification, an informal hearing may be requested. The rent will remain unchanged until a decision is rendered as a result of such hearing.

Elderly, disabled households on "Fixed Incomes"

For purposes of this section, "fixed income" includes income from Social Security (including SSI and SSDI), private pensions and annuity payments.

BHA will utilize EIV data, and as appropriate, apply a cost of living adjustment. BHA will also utilize an annual benefit statement for benefit amounts such as pensions, retirement, and annuity benefits. The family will not be required to provide benefit letters or other documentation of the income. However, if the family disputes the income determination BHA will require documentation from the family. If the information from the family is acceptable (based on documents identified in this Chapter of the Admin Plan), BHA will utilize the family provided documentation. In all other cases, BHA will obtain an appropriate verification from a third party source.

Assets

BHA will accept a family's self-certification to assets valued less than \$5,000. If the family declare assets that exceed \$5,000 in total, BHA will require appropriate statements from the family that show the value of the asset(s) and the interest or income to be received from the asset.

When BHA is unable to obtain 3rd party verification, BHA will document in the family file the reason that third-party verification was not available and will place a photocopy of any original document(s) in the family file. [24 CFR 960.259(c)(1); VG, p.15]

7-I.C. UP-FRONT INCOME VERIFICATION (UIV)

Up-front income verification (UIV) refers to BHA's use of the verification tools available from independent sources that maintain computerized information about earnings and benefits. UIV will be used to the extent that these systems are available to BHA.

BHA Policy

BHA will inform all applicants and participants of its use of the following UIV resources during the admission and reexamination process:

- HUD's EIV system (when it is available to the PHA)
- CalWIN (California Work Opportunity and Responsibility to Kids Information Network)
- The Work Number
- The California Employment Development Department (EDD) computer matching system

There may be legitimate differences between the information provided by the family and UIV-generated information. No adverse action can be taken against a family until BHA has independently verified the UIV information and the family has been granted an opportunity to contest any adverse findings through the informal review/hearing process of BHA.

See Chapter 6 and information above from HUD Notice 2013-03, *Public Housing and Housing Choice Voucher Programs – Temporary Compliance Assistance* for BHA's policy on the use of UIV/EIV to project annual income.

Use of HUD's Enterprise Income Verification (EIV) System

HUD's EIV system contains data showing earned income, unemployment benefits, Social Security and SSI benefits for participant families. HUD requires BHA to use the EIV system when available. The following policies will apply when BHA has access to HUD's EIV system.

The EIV system contains two main components: tenant income data reports and "exceeds threshold" reports.

Tenant Income Data (TID) Reports

The data shown on TID reports is updated quarterly. Data may be between 3 and 6 months old at the time reports are generated.

BHA Policy

BHA will obtain TID reports for annual reexaminations on a per-household basis. Reports will be generated as part of the regular reexamination process.

TID reports will be compared to family-provided information as part of the annual reexamination process. TID reports may be used in the calculation of annual income, as described in Chapter 6.I.C. TID reports may also be used to meet the regulatory requirement for third party verification, as described above. Policies for resolving discrepancies between TID reports and family-provided information will be resolved as described in Chapter 6.I.C. and in this chapter.

TID reports will be used in interim reexaminations when it is necessary to verify and calculate earned income, unemployment benefits, Social Security and/or SSI benefits, and to verify that families claiming zero income are not receiving income from any of these sources.

TID reports will be retained in participant files with the applicable annual or interim reexamination documents.

When BHA determines through TID reports and third party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.

Income Discrepancy Reports (IDRs)

The IDR is a tool for identifying families who may have concealed or under-reported income. Data in the IDR represents income for past reporting periods and may be between 6 months and 30 months old at the time IDRs are generated.

Families who have not concealed or under-reported income may appear on the IDR in some circumstances, such as loss of a job or addition of new family members.

BHA Policy

BHA will review the HUD Income Discrepancy Report for the family at the annual re-certification. When BHA determines that a participant appearing on the IDR has not concealed or under-reported income, the participant's name will be placed on a list of "false positive" reviews. To avoid multiple reviews in this situation, participants appearing on this list will be eliminated from IDR processing until a subsequent interim or annual reexamination has been completed.

When it appears that a family may have concealed or under-reported income, BHA will request third-party written verification of the income in question.

When BHA determines through IDR review and third party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.

EIV Identity Verification

The EIV system verifies tenant identities against SSA records. These records are compared to PIC data for a match on Social Security number, name, and date of birth.

When identity verification for a participant fails, a message will be displayed within the EIV system and no income information will be displayed.

BHA Policy

BHA will identify participants whose identity verification has failed as part of the annual reexamination process.

BHA will attempt to resolve PIC/SSA discrepancies by reviewing file documents. When BHA determines that discrepancies exist due to BHA errors such as spelling errors or incorrect birth dates, the errors will be corrected promptly.

7-I.D. THIRD-PARTY WRITTEN AND ORAL VERIFICATION

Reasonable Effort and Timing

Unless third-party verification is not required as described above and below, HUD requires BHA to make at least two unsuccessful attempts to obtain third-party verification before using another form of verification [VG, p. 15].

BHA Policy

BHA will diligently seek third-party verification using a combination of written and oral requests to verification sources. Information received orally from third parties may be used either to clarify information provided in writing by the third party or as independent verification when written third-party verification is not received in a timely fashion.

BHA may mail, fax, e-mail, or hand deliver third-party written verification requests and will accept third-party responses using any of these methods. BHA will send a written request for verification to each required source within 5 business days of securing a family's authorization for the release of the information and give the source 10 business days to respond in writing. If a response has not been received by the 11th business day, BHA will request third-party oral verification.

BHA will make a minimum of two attempts, one of which may be oral, to obtain third-party verification. A record of each attempt to contact the third-party source (including no-answer calls) and all contacts with the source will be documented in the file.

Regarding third-party oral verification, BHA staff will record in the family's file the name and title of the person contacted, the date and time of the conversation (or attempt), the telephone number used, and the facts provided.

When any source responds verbally to the initial written request for verification BHA will accept the verbal response as oral verification but will also request that the source complete and return any verification forms that were provided.

If a third party agrees to confirm in writing the information provided orally, BHA will wait no more than 5 business days for the information to be provided. If the information is not provided by the 6th business day, BHA will use any information provided orally in combination with reviewing family-provided documents.

When Third-Party Information is Late

When third-party verification has been requested and the timeframes for submission have been exceeded, BHA will use the information from documents on a provisional basis. If BHA later receives third-party verification that differs from the amounts used in income and rent determinations and it is past the deadline for processing the reexamination, BHA will conduct an interim reexamination to adjust the figures used for the reexamination, regardless of BHA's interim reexamination policy.

When Third-Party Verification is Not Required

Primary Documents

Third-party verification is not required when legal documents are the primary source, such as a birth certificate or other legal documentation of birth.

Certain Assets and Expenses

BHA will accept a self-certification from a family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28].

BHA will determine that third-party verification is not available if the asset or expense involves an insignificant amount, making it not cost-effective or reasonable to obtain third-party verification [VG, p. 15].

BHA Policy

BHA will accept the household's self certification to assets valued at less than \$5,000 and income derived from said assets. BHA may require the family to provide original statements, letters etc. showing value and anticipated income from assets valued at or more than \$5,000.

Certain Income, Asset and Expense Sources

BHA will determine that third-party verification is not available when it is known that an income source does not have the ability to provide written or oral third-party verification [VG, p. 15]. For example, BHA will rely upon review of documents when BHA determines that a third party's privacy rules prohibit the source from disclosing information.

BHA Policy

BHA also will determine that third-party verification is not available when there is a service charge for verifying an asset or expense *and* the family has original documents that provide the necessary information.

BHA will document in the family file the reason that the third-party verification was not available and will place a photocopy of the original document(s) in the family file. [VG, p. 15]

If the family cannot provide original documents, BHA will pay the service charge required to obtain third-party verification, unless it is not cost effective in which case a self-certification will be acceptable as the only means of verification. The cost of verification will not be passed on to the family.

The cost of postage and envelopes to obtain third-party verification of income, assets, and expenses is not an unreasonable cost [VG, p. 18].

7-I.E. REVIEW OF DOCUMENTS

Using Review of Documents as Verification

BHA Policy

If BHA has determined that third-party verification is not available or not required, BHA will use documents provided by the family as verification.

BHA may also review documents when necessary to help clarify information provided by third parties. In such cases BHA will document in the file how BHA arrived at a final conclusion about the income or expense to include in its calculations.

7-I.F. SELF-CERTIFICATION

BHA Policy

When information cannot be verified by a third party or by review of documents, family members will be required to submit self-certifications attesting to the accuracy of the information they have provided to BHA.

BHA may require a family to certify that a family member does not receive a particular type of income or benefit.

The self-certification must be made in a format acceptable to BHA and must be signed by the family member whose information or status is being verified. All self-certifications must be signed in the presence of a BHA representative or BHA notary public.

PART II: VERIFYING FAMILY INFORMATION

7-II.A. VERIFICATION OF LEGAL IDENTITY

BHA Policy

BHA will require families to furnish verification of legal identity for each household member.

Verification of Legal Identity for Adults	Verification of Legal Identity for Children
Certificate of birth, naturalization papers Church issued baptismal certificate Current, valid driver's license or Department of Motor Vehicles identification card U.S. military discharge (DD 214) U.S. passport Employer identification card Computer generated statement from Social Security Administration (SSA)	Certificate of birth Adoption papers Custody agreement Health and Human Services ID School records

If a document submitted by a family is illegible or otherwise questionable, more than one of these documents may be required.

If none of these documents can be provided and at BHA's discretion, a third party who knows the person may attest to the person's identity. The certification must be provided in a format acceptable to BHA and be signed in the presence of a BHA representative or BHA notary public.

Legal identity will be verified on an as needed basis. BHA will not require that the Drivers License or Identification Card be renewed following admission for purposes of "identification" except to document a change in legal name or in cases necessary to confirm subsidized household/household member is residing in the assisted unit, or to re-confirm address of Live in Aide.

7-II.B. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and HCV GB, p. 5-12]

For every family member age 6 or older, the family must provide documentation of a valid social security number (SSN), or a self-certification stating that no SSN has been issued. The self-certification must be executed personally by any family member 18 or older, or by a parent or guardian for a minor.

BHA Policy

BHA will also accept the following documents as evidence if the SSN is provided on the document:

- Computer generated statement from Social Security Administration

- Identification card issued by a federal, state, or local agency, a medical insurance company or provider, or employer or trade union
- Payroll stubs
- Benefit award letters from government agencies; retirement benefit letters; life insurance policies
- Court records (real estate, tax notices, marriage and divorce, judgment or bankruptcy records)

If the family is an applicant, eligibility will not be established and assistance will not be provided until proper documentation of the SSN is provided. If the family is a participant, BHA will terminate assistance if the applicable SSN documentation is not provided.

7-II.C. DOCUMENTATION OF AGE

A birth certificate or other official record of birth is the preferred form of age verification for all family members. For elderly family members an original document that provides evidence of the receipt of social security retirement benefits is acceptable.

BHA Policy

If an official record of birth or evidence of social security retirement benefits cannot be provided, BHA will require the family to submit other documents that support the reported age of the family member (e.g., school records, driver's license if birth year is recorded) and to provide a self-certification.

Age must be verified only once during continuously-assisted occupancy.

7-II.D. FAMILY RELATIONSHIPS

Applicants and program participants are required to identify the relationship of each household member to the head of household. Definitions of the primary household relationships are provided in the Eligibility chapter.

BHA Policy

Family relationships are verified only to the extent necessary to determine a family's eligibility and level of assistance, and to confirm that there is no prohibited relationship with the landlord. Certification by the head of household normally is sufficient verification of family relationships.

Prohibited relationship with the landlord, as per CFR Chapter 24 Part §982.306 (PHA disapproval of owner) includes: parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the owner and the family of such determination) that approving leasing of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.

Whenever a household consists of two adults, 18 years or older, it is assumed that they are a "couple" and share a bedroom unless they advise otherwise.

Marriage

BHA Policy

Certification by the head of household is normally sufficient verification. If BHA has reasonable doubts about a marital relationship, BHA will require the family to document the marriage.

A marriage certificate generally is required to verify that a couple is married.

In the absence of a marriage certificate, the couple must demonstrate that they hold themselves to be married (e.g., by telling the community they are married, calling each other husband and wife, using the same last name, filing joint income tax returns).

Separation or Divorce

BHA Policy

Certification by the head of household is normally sufficient verification. If BHA has reasonable doubts about a separation or divorce, BHA will require the family to document the divorce, or separation.

A certified copy of a divorce decree, signed by a court officer, is required to document that a couple is divorced.

A copy of a court-ordered maintenance or other court record is required to document a separation.

If no court document is available, documentation from a community-based agency will be accepted.

See Chapter 11 for BHA policy on “Removal of Spouse” (absent a formal separation or divorce).

Absence of Adult Member

BHA Policy

If an adult member who was formerly a member of the household is reported to be permanently absent, the family must provide evidence to support that the person is no longer a member of the family (e.g., documentation of another address at which the person resides such as a lease or utility bill).

Foster Children and Foster Adults

BHA Policy

Third-party verification from the state or local government agency responsible for the placement of the individual with the family is required.

7-II.E. VERIFICATION OF STUDENT STATUS

General Requirements

BHA Policy

BHA requires families to provide information about the student status of all students who are 18 years of age or older. This information will be verified only if:

- The family reports full-time student status for an adult other than the head, spouse, or cohead.
- The family reports child care expenses to enable a family member to further his or her education.
- The family includes a student enrolled in an *institution of higher education*.

Restrictions on Assistance to Students Enrolled in Institutions of Higher Education

This section applies only to students who are seeking assistance on their own, separately from their parents. It does not apply to students residing with parents who are seeking or receiving HCV assistance.

BHA Policy

In accordance with the verification hierarchy described in Section 7-1.B, BHA will determine whether the student is exempt from the restrictions in 24 CFR 5.612 by verifying any one of the following exemption criteria:

- The student is enrolled at an educational institution that does not meet the definition of *institution of higher education* in the Higher Education Act of 1965 (see Section Exhibit 3-2).
- The student is at least 24 years old.
- The student is a veteran, as defined in Section 3-II.E.
- The student is married.
- The student has at least one dependent child, as defined in Section 3-II.E.
- The student is a person with disabilities, as defined in Section 3-II.E, and was receiving assistance prior to November 30, 2005.

If BHA cannot verify at least one of these exemption criteria, BHA will conclude that the student is subject to the restrictions on assistance at 24 CFR 5.612. In addition to verifying the student's income eligibility, BHA will then proceed to verify either the student's parents' income eligibility (see Section 7-III.J) or the student's independence from his/her parents (see below).

Independent Student

BHA Policy

BHA will verify a student's independence from his/her parents to determine that the student's parents' income is not relevant for determining the student's eligibility by doing all of the following:

- Either reviewing and verifying previous address information to determine whether the student has established a household separate from his/her parents for at least one year or reviewing and verifying documentation relevant to determining whether the student meets the U.S. Department of Education's definition of *independent student* (see Section 3-II.E)
- Reviewing prior year income tax returns to verify whether a parent has claimed the student as a dependent

- Requesting and obtaining written certification directly from the student's parents identifying the amount of support they will be providing to the student, even if the amount of support is \$0.

7-II.F. DOCUMENTATION OF DISABILITY

BHA must verify the existence of a disability in order to allow certain income disallowances and deductions from income. BHA is not permitted to inquire about the nature or extent of a person's disability [24 CFR 100.202(c)]. BHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If BHA receives a verification document that provides such information, BHA will not place this information in the tenant file. Under no circumstances will BHA request a participant's medical record(s). For more information on health care privacy laws, see the Department of Health and Human Services' website at www.dhhs.gov.

The above cited regulation does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they are persons with disabilities [VG, p. 24]:

- Inquiry into an applicant's ability to meet the requirements of ownership or tenancy
- Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability
- Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with disabilities or to persons with a particular type of disability
- Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance
- Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance

Disability Preferences, Deduction and Allowances

BHA Policy

BHA will ask each individual declaring him/herself disabled, if the disability is based solely on use of drugs or alcohol. If so, BHA will deny the deductions and allowances provided to disabled individuals.

Family Members Receiving SSA Disability Benefits

Verification of the receipt of disability benefits from the Social Security Administration (SSA) is sufficient verification of disability for the purpose of qualifying for waiting list preferences (if applicable) or certain income disallowances and deductions [VG, p. 23].

BHA Policy

For family members claiming disability who receive disability benefits from the SSA, BHA will attempt to obtain information about disability benefits through the HUD Enterprise Income Verification (EIV) system. If documentation from HUD's EIV System is not available, BHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member claiming disability status. If the family is unable to provide the document(s), BHA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from

www.socialsecurity.gov. Once the applicant or participant receives the benefit verification letter they will be required to provide it to BHA.

BHA will grant *provision* status as qualifying as disabled, to individuals that have written verification of a pending decision from SSA. The provision approval shall be valid until a final decision is rendered, but not longer than three years.

Family Members Not Receiving SSA Disability Benefits

Receipt of veteran's disability benefits, worker's compensation, or other non-SSA benefits based on the individual's claimed disability are not sufficient verification that the individual meets HUD's definition of disability in 24 CFR 5.603.

BHA Policy

For family members claiming disability who do not receive disability benefits from the SSA, a knowledgeable professional must provide third-party verification that the family member meets the HUD definition of disability. See the Eligibility chapter for the HUD definition of disability. The knowledgeable professional will verify whether the family member does or does not meet the HUD definition.

7-II.G. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5.508]

Overview

Housing assistance is not available to persons who are not citizens, nationals, eligible immigrants, or VAWA self-petitioners. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. A detailed discussion of eligibility requirements is in the Eligibility Chapter 3. This verifications chapter discusses HUD and BHA verification requirements related to citizenship status.

The family must provide evidence that each family member, regardless of age, is a U.S. citizen, a U.S. national, an eligible noncitizen, or a VAWA self-petitioner, and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual it need not be collected or verified again during continuously-assisted occupancy. [24 CFR 5.508(g)(5)]

U.S. Citizens and Nationals

HUD requires a declaration for each family member who claims to be a U.S. citizen or national. The declaration must be signed personally by any family member 18 or older and by a guardian for minors.

PHAs must obtain verification of the declaration by requiring presentation of a birth certificate, United States passport, Employment Authorization card, Temporary resident card, or other appropriate documentation, as provide by Section 214 of the Housing and community Development Act of 1920, as amended.

BHA Policy

Family members who claim U.S. citizenship or national status will be required to provide a birth certificate, United States passport, Employment Authorization card, Temporary resident card, or other appropriate documentation, as provided by section 214 of the Housing and Community Development At of 1980, as amended.

Eligible Immigrants and VAWA Self-Petitioners

Documents Required

All family members claiming status as an eligible immigrant or VAWA self-petitioner must declare their status in the same manner as U.S. citizens and nationals.

PHA's must obtain verification of the declaration by requiring presentation of appropriate documentation, as provided by Section 214 of the Housing and Community Development Act of 1980, as amended.

The documentation required for eligible noncitizens varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, age, and the date on which the family began receiving HUD-funded assistance. Exhibit 7-2 at the end of this chapter summarizes documents family members must provide.

BHA Verification [HCV GB, pp. 5-3 and 5-7]

For family members age 62 or older who claim to be eligible immigrants, proof of age is required in the manner described in 7-II.C. of this plan. No further verification of eligible immigration status is required.

For family members under the age of 62 who claim to be eligible immigrants, BHA must verify immigration status with the United States Citizenship and Immigration Services (USCIS) via the SAVE system (Systematic Alien Verification for Entitlements).

BHA will follow all USCIS protocols for verification of eligible immigration status.

7-II.H VERIFICATION OF LEGAL RESIDENCY

BHA Policy

Within 30-days of occupancy in an assisted unit, BHA will require every household member (including live-in aides) to provide verification of his/her true, fixed and permanent domicile (home) with the Department of Motor Vehicles [CA Department of Motor Vehicles 12505(a)(1)].

For all new assisted tenancies, BHA will require evidence that basic tenant paid utilities are in the name of the head of household.

7-II.I. VERIFICATION OF PREFERENCE STATUS

BHA must verify any preferences claimed by an applicant.

BHA Policy

BHA will offer a preference to any family that has been terminated from its HCV program due to insufficient program funding. BHA will verify this preference using the BHA's termination records.

PART III: VERIFYING INCOME AND ASSETS

Chapter 6, Part I of this plan describes in detail the types of income that are included and excluded and how assets and income from assets are handled. Any assets and income reported by

the family must be verified. This part provides BHA policies that supplement the general verification procedures specified in Part I of this chapter.

7-III.A. EARNED INCOME

Tips

BHA Policy

Unless tip income is included in a family member's W-2 by the employer, BHA will add 10% to the annual income, of persons who work in industries where tips are standard

7-III.B. BUSINESS AND SELF EMPLOYMENT INCOME

BHA Policy

Business owners and self-employed persons will be required to provide:

An audited financial statement for the previous fiscal year if an audit was conducted. If an audit was not conducted, a statement of income and expenses must be submitted and the business owner or self-employed person must certify to its accuracy.

All schedules completed for filing federal and local taxes in the preceding year.

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

BHA will provide a format for any person who is unable to provide such a statement to record income and expenses for the coming year. The business owner/self-employed person will be required to submit the information requested and to certify to its accuracy at all future reexaminations.

At any reexamination BHA may request documents that support submitted financial statements such as manifests, appointment books, cash books, or bank statements.

If a family member has been self-employed less than three (3) months, BHA will accept the family member's certified estimate of income and schedule an interim reexamination in three (3) months. If the family member has been self-employed for three (3) to twelve (12) months BHA will require the family to provide documentation of income and expenses for this period and use that information to project income.

7-III.C. PERIODIC PAYMENTS AND PAYMENTS IN LIEU OF EARNINGS

Social Security/SSI Benefits

BHA Policy

To verify the SS/SSI benefits of applicants, BHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s), BHA will help the applicant request a benefit verification letter from SSA's Web site at

www.socialsecurity.gov or ask the family to request one by calling SSA at 1-800-772-1213. Once the applicant has received the benefit verification letter they will be required to provide it to BHA.

To verify the SS/SSI benefits of participants, BHA will obtain information about social security/SSI benefits through the HUD EIV System. If benefit information is not available in HUD systems, BHA will recalculate the family income by applying any published cost of living adjustments to the previously verified income amount (as per HUD Notice 2013-03, *Public Housing and Housing Choice Voucher Programs – Temporary Compliance Assistance*).

7-III.D. ALIMONY OR CHILD SUPPORT

BHA Policy

The way BHA will seek verification for alimony and child support differs depending on whether the family declares that it receives regular payments.

If the family declares that it ***receives regular payments***, verification will be sought in the following order.

- If payments are made through a state or local entity, BHA will request a record of payments for the past 12 months and request that the entity disclose any known information about the likelihood of future payments.
- Third-party verification from the person paying the support
- Copy of a separation or settlement agreement or a divorce decree stating amount and type of support and payment schedules
- Copy of the latest check and/or payment stubs
- Family's self-certification of amount received and of the likelihood of support payments being received in the future, or that support payments are not being received.

If the family declares that it ***receives irregular or no payments***, in addition to the verification process listed above, the family must provide evidence that it has taken all reasonable efforts to collect amounts due. This may include:

- A statement from any agency responsible for enforcing payment that shows the family has requested enforcement and is cooperating with all enforcement efforts
- If the family has made independent efforts at collection, a written statement from the attorney or other collection entity that has assisted the family in these efforts

Note: Families are not required to undertake independent enforcement action.

7-III.E. ASSETS AND INCOME FROM ASSETS

Assets Disposed of for Less than Fair Market Value

The family must certify whether any assets have been disposed of for less than fair market value in the preceding two years. The BHA needs to verify only those certifications that warrant documentation [HCV GB, p. 5-28].

BHA Policy

BHA will verify the value of assets disposed of only if:

BHA does not already have a reasonable estimation of its value from previously collected information, or

The amount reported by the family in the certification appears obviously in error.

Example 1: An elderly participant reported a \$10,000 certificate of deposit at the last annual reexamination and BHA verified this amount. Now the person reports that she has given this \$10,000 to her son. BHA has a reasonable estimate of the value of the asset; therefore, re-verification of the value of the asset is not necessary.

Example 2: A family member has disposed of its 1/4 share of real property located in a desirable area and has valued her share at approximately 5,000. Based upon market conditions, this declaration does not seem realistic. Therefore, BHA will verify the value of this asset.

7-III.F. NET INCOME FROM RENTAL PROPERTY

BHA Policy

The family must provide:

- A current executed lease for the property that shows the rental amount or certification from the current tenant
- A self-certification from the family members engaged in the rental of property providing an estimate of expenses for the coming year and the most recent IRS Form 1040 with Schedule E (Rental Income). If schedule E was not prepared, BHA will require the family members involved in the rental of property to provide a self-certification of income and expenses for the previous year and may request documentation to support the statement including: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.

7-III.G. RETIREMENT ACCOUNTS

BHA Policy

When third-party verification is not available the type of original document that will be accepted depends upon the family member's retirement status.

- *Before* retirement, BHA will accept an original document from the entity holding the account with a date that shows it is the most recently scheduled statement for the account but in no case earlier than 6 months from the effective date of the examination.
- *Upon* retirement, BHA will accept an original document from the entity holding the account that reflects any distributions of the account balance, any lump sums taken and any regular payments.

- *After* retirement, BHA will accept an original document from the entity holding the account dated no earlier than 12 months before that reflects any distributions of the account balance, any lump sums taken and any regular payments.

7-III.H. INCOME FROM EXCLUDED SOURCES

A detailed discussion of excluded income is provided in Chapter 6, Part I.

BHA must obtain verification for income exclusions only if, without verification, BHA would not be able to determine whether the income is to be excluded. For example: If a family's 16 year old has a job at a fast food restaurant, BHA will confirm that BHA records verify the child's age but will not send a verification request to the restaurant. However, if a family claims the earned income disallowance for a source of income, both the source and the income must be verified.

BHA Policy

BHA will reconcile differences in amounts reported by the third party and the family only when the excluded amount is used to calculate the family share (as is the case with the earned income disallowance). In all other cases, BHA will report the amount to be excluded as indicated on documents provided by the family.

7-III.I. ZERO ANNUAL INCOME STATUS

BHA Policy

BHA will check UIV sources and/or request information from third-party sources to verify that certain forms of income such as unemployment benefits, TANF, SSI, etc., are not being received by families claiming to have zero annual income.

7-III.J. STUDENT FINANCIAL ASSISTANCE

Any financial assistance, in excess of amounts received for tuition, that a person attending an institution of higher education receives under the Higher Education Act of 1965, from private sources, or from an institution of higher education must be considered income unless the student is over the age of 23 with dependent children or is residing with parents who are seeking or receiving HCV assistance [24 CFR 5.609(b)(9) and FR 4/10/06].

For students over the age of 23 with dependent children or students residing with parents who are seeking or receiving HCV assistance, the full amount of student financial assistance is excluded from annual income [24 CFR 5.609(c)(6)]. The full amount of student financial assistance is also excluded for students attending schools that do not qualify as institutions of higher education (as defined in Exhibit 3-2). Excluded amounts are verified only if, without verification, the PHA would not be able to determine whether or to what extent the income is to be excluded (see Section 7-III.H).

BHA Policy

For a student subject to having a portion of his/her student financial assistance included in annual income in accordance with 24 CFR 5.609(b)(9), BHA will request third-party

written verification of both the source and the amount from the educational institution attended by the student as well as from any other person or entity providing such assistance, as reported by the student.

In addition, BHA will request written verification from the institution of higher education regarding the student's tuition amount.

If BHA is unable to obtain third-party written verification of the requested information, BHA will pursue other forms of verification following the verification hierarchy in Section 7-I.B.

7-III.K. PARENTAL INCOME OF STUDENTS SUBJECT TO ELIGIBILITY RESTRICTIONS

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the income of the student's parents must be considered when determining income eligibility, unless the student is determined independent from his or her parents in accordance with BHA policy [24 CFR 5.612 and FR 4/10/06, p. 18146].

This provision does not apply to students residing with parents who are seeking or receiving HCV assistance. It is limited to students who are seeking or receiving assistance on their own, separately from their parents.

BHA Policy

If BHA is required to determine the income eligibility of a student's parents, BHA will request an income declaration and certification of income from the appropriate parent(s) (as determined in Section 3-II.E). BHA will send the request directly to the parents, who will be required to certify to their income under penalty of perjury. The parents will be required to submit the information directly to BHA. The required information must be submitted (postmarked) within 10 business days of the date of BHA's request or within any extended timeframe approved by BHA.

BHA reserves the right to request and review supporting documentation at any time if it questions the declaration or certification. Supporting documentation may include, but is not limited to, Internal Revenue Service (IRS) tax returns, consecutive and original pay stubs, bank statements, pension benefit statements, benefit award letters, and other official and authentic documents from a federal, state, or local agency.

PART IV: VERIFYING MANDATORY DEDUCTIONS

7-IV.A. DEPENDENT AND ELDERLY/DISABLED HOUSEHOLD DEDUCTIONS

The dependent and elderly/disabled family deductions require only that BHA verify that the family members identified as dependents or elderly/disabled persons meet the statutory definitions. No further verifications are required.

Dependent Deduction

See Chapter 6 (6-II.B.) for a full discussion of this deduction. BHA must verify that:

- Any person under the age of 18 for whom the dependent deduction is claimed is not the head, spouse, or cohead of the family and is not a foster child
- Any person age 18 or older for whom the dependent deduction is claimed is not a foster adult or live-in aide, and is a person with a disability or a full time student

Elderly/Disabled Family Deduction

See Eligibility chapter for a definition of elderly and disabled families and Chapter 6 (6-II.C.) for a discussion of the deduction. BHA must verify that the head, spouse, or cohead is 62 years of age or older or a person with disabilities.

7-IV.B. MEDICAL EXPENSE DEDUCTION

Policies related to medical expenses are found in 6-II.D. The amount of the deduction will be verified following the standard verification procedures described in Part I.

Amount of Expense

BHA Policy

BHA will provide a third-party verification form directly to the medical provider requesting the needed information.

Medical expenses will be verified through:

- Third-party verification form signed by the provider, when possible
- If third-party is not possible, copies of cancelled checks used to make medical expense payments and/or printouts or receipts from the source will be used. In this case the BHA will make a best effort to determine what expenses from the past are likely to continue to occur in the future. BHA will also accept evidence of monthly payments or total payments that will be due for medical expenses during the upcoming 12 months.
- If third-party or document review is not possible, written family certification as to costs anticipated to be incurred during the upcoming 12 months

In addition, BHA must verify that:

- The household is eligible for the deduction.
- The costs to be deducted are qualified medical expenses.
- The expenses are not paid for or reimbursed by any other source.
- Costs incurred in past years are counted only once.
- The expense is not for an item deemed illegal under Federal regulations, i.e. medicinal marijuana
- Are allowed under IRS Publication 502 “Medical and Dental Expenses”

Eligible Household

The medical expense deduction is permitted only for households in which the head, spouse, or cohead is at least 62, or a person with disabilities. BHA must verify that the family meets the

definition of an elderly or disabled family provided in the Eligibility chapter and as described in Chapter 7 (7-IV.A.) of this plan.

Qualified Expenses

To be eligible for the medical expenses deduction, the costs must qualify as medical expenses. See Chapter 6 (6-II.D.) for BHA's policy on what counts as a medical expense.

Unreimbursed Expenses

To be eligible for the medical expenses deduction, the costs must not be reimbursed by another source.

BHA Policy

The family will be required to certify that the medical expenses are not paid or reimbursed to the family from any source.

Expenses Incurred in Past Years

BHA Policy

When anticipated costs are related to on-going payment of medical bills incurred in past years, BHA will verify:

- The anticipated repayment schedule
- The amounts paid in the past, and
- Whether the amounts to be repaid have been deducted from the family's annual income in past years

7-IV.C. DISABILITY ASSISTANCE EXPENSES

Policies related to disability assistance expenses are found in 6-II.E. The amount of the deduction will be verified following the standard verification procedures described in Part I.

Amount of Expense

Attendant Care

BHA Policy

BHA will provide a third-party verification form directly to the care provider requesting the needed information.

Expenses for attendant care will be verified through:

- Third-party verification form signed by the provider, when possible
- If third-party is not possible, copies of cancelled checks used to make attendant care payments and/or receipts from care source
- If third-party or document review is not possible, written family certification as to costs anticipated to be incurred for the upcoming 12 months

Auxiliary Apparatus

BHA Policy

Expenses for auxiliary apparatus will be verified through:

- Third-party verification of anticipated purchase costs of auxiliary apparatus
- If third-party is not possible, billing statements for purchase of auxiliary apparatus, or other evidence of monthly payments or total payments that will be due for the apparatus during the upcoming 12 months
- If third-party or document review is not possible, written family certification of estimated apparatus costs for the upcoming 12 months

In addition, BHA must verify that:

- The family member for whom the expense is incurred is a person with disabilities (as described in 7-II.F above).
- The expense permits a family member, or members, to work (as described in 6-II.E.).
- The expense is not reimbursed from another source (as described in 6-II.E.).

Family Member is a Person with Disabilities

To be eligible for the disability assistance expense deduction, the costs must be incurred for attendant care or auxiliary apparatus expense associated with a person with disabilities. BHA will verify that the expense is incurred for a person with disabilities (See 7-II.F.).

Family Member(s) Permitted to Work

BHA must verify that the expenses claimed actually enable a family member, or members, (including the person with disabilities) to work.

BHA Policy

BHA will seek third-party verification from a Rehabilitation Agency or knowledgeable medical professional indicating that the person with disabilities requires attendant care or an auxiliary apparatus to be employed, or that the attendant care or auxiliary apparatus enables another family member, or members, to work (See 6-II.E.).

If third-party and document review verification has been attempted and is either unavailable or proves unsuccessful, the family must certify that the disability assistance expense frees a family member, or members (possibly including the family member receiving the assistance), to work.

Unreimbursed Expenses

To be eligible for the disability expenses deduction, the costs must not be reimbursed by another source.

BHA Policy

An attendant care provider will be asked to certify that, to the best of the provider's knowledge, the expenses are not paid by or reimbursed to the family from any source.

The family will be required to certify that attendant care or auxiliary apparatus expenses are not paid by or reimbursed to the family from any source.

7-IV.D. CHILD CARE EXPENSES

Policies related to child care expenses are found in Chapter 6 (6-II.F). The amount of the deduction will be verified following the standard verification procedures described in Part I of this chapter. In addition, BHA must verify that:

- The child is eligible for care.
- The costs claimed are not reimbursed.
- The costs enable a family member to pursue an eligible activity.
- The costs are for an allowable type of child care.
- The costs are reasonable.

Eligible Child

To be eligible for the child care deduction, the costs must be incurred for the care of a child under the age of 13. BHA will verify that the child being cared for (including foster children) is under the age of 13 (See 7-II.C.).

Unreimbursed Expense

To be eligible for the child care deduction, the costs must not be reimbursed by another source.

BHA Policy

The child care provider will be asked to certify that, to the best of the provider's knowledge, the child care expenses are not paid by or reimbursed to the family from any source.

The family will be required to certify that the child care expenses are not paid by or reimbursed to the family from any source.

Pursuing an Eligible Activity

BHA must verify that the family member(s) that the family has identified as being enabled to seek work, pursue education, or be gainfully employed, are actually pursuing those activities.

BHA Policy

Information to be Gathered

BHA will verify information about how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the time required for study (for students), the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

Seeking Work

Whenever possible BHA will use documentation from a state or local agency that monitors work-related requirements (e.g., welfare or unemployment). In such cases BHA will request verification from the agency of the member's job seeking efforts to date and require the family to submit to the PHA any reports provided to the other agency.

In the event third-party verification is not available, BHA will provide the family with a form on which the family member must record job search efforts. BHA will review this information at each subsequent reexamination for which this deduction is claimed.

Furthering Education

BHA will ask that the academic or vocational educational institution verify that the person permitted to further his or her education by the child care is enrolled and provide information about the timing of classes for which the person is registered.

Gainful Employment

BHA will seek verification from the employer of the work schedule of the person who is permitted to work by the child care. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified.

Allowable Type of Child Care

The type of care to be provided is determined by the family, but must fall within certain guidelines, as discussed in Chapter 6.

BHA Policy

BHA will verify that the type of child care selected by the family is allowable, as described in Chapter 6 (6-II.F).

BHA will verify that the fees paid to the child care provider cover only child care costs (e.g., no housekeeping services or personal services) and are paid only for the care of an eligible child (e.g., prorate costs if some of the care is provided for ineligible family members).

BHA will verify that the child care provider is not an assisted family member. Verification will be made through the head of household's declaration of family members who are expected to reside in the unit.

Reasonableness of Expenses

Only reasonable child care costs can be deducted.

BHA Policy

The actual costs the family incurs will be compared with BHA's established standards of reasonableness for the type of care in the locality to ensure that the costs are reasonable.

If the family presents a justification for costs that exceed typical costs in the area, BHA will request additional documentation, as required, to support a determination that the higher cost is appropriate.

See Chapter 6 for "Allowable Childcare Activities."

The PHA mails, faxes, or e-mails a verification form directly to the independent sources to obtain wage information.	In the event the independent source does not respond to the PHA’s written request for information, the PHA may contact the independent source by phone or make an in person visit to obtain the requested information.	When neither form of third party verification can be obtained, the PHA may accept original documents such as consecutive pay stubs (HUD recommends the PHA review at least three months of pay stubs, if employed by the same employer for three months or more), W-2 forms, etc. from the tenant. Note: The PHA must document in the tenant file, the reason third party verification was not available.	The PHA may accept a notarized statement or affidavit from the tenant that declares the family’s total annual income from earnings. Note: The PHA must document in the tenant file, the reason third party verification was not available.
	Agreements with private vendor agencies, such as The Work Number or ChoicePoint to obtain wage and salary information.	The PHA may have the tenant sign a Request for Earnings Statement from the SSA to confirm past earnings. The PHA mails the form to SSA and the statement will be sent to the address the PHA specifies on the form.

Chapter 8

HOUSING QUALITY STANDARDS AND RENT REASONABLENESS DETERMINATIONS

[24 CFR 982 Subpart I and 24 CFR 982.507]

INTRODUCTION

HUD requires that all units occupied by families receiving Housing Choice Voucher (HCV) assistance meet HUD's Housing Quality Standards (HQS) and permits BHA to establish additional requirements. The use of the term "HQS" in this plan refers to the combination of both HUD and BHA-established requirements. HQS inspections are required before the Housing Assistance Payments (HAP) Contract is signed and at least annually during the term of the contract.

HUD also requires BHA to determine that units rented by families assisted under the HCV program have rents that are reasonable when compared to comparable unassisted units in the market area.

This chapter explains HUD and BHA requirements related to housing quality and rent reasonableness as follows:

Part I. Physical Standards. This part discusses the physical standards required of units occupied by HCV-assisted families and identifies decisions about the acceptability of the unit that may be made by the family based upon the family's preference. It also identifies life-threatening conditions that must be addressed on an expedited basis.

Part II. The Inspection Process. This part describes the types of inspections the BHA will make and the steps that will be taken when units do not meet HQS.

Part III. Rent Reasonableness Determinations. This part discusses the policies the BHA will use to make rent reasonableness determinations.

Special HQS requirements for homeownership, manufactured homes, and other special housing types are discussed in Chapter 15 to the extent that they apply in this jurisdiction.

PART I: PHYSICAL STANDARDS

8-I.A. GENERAL HUD REQUIREMENTS

HUD Performance and Acceptability Standards

HUD's performance and acceptability standards for HCV-assisted housing are provided in 24 CFR 982.401. These standards cover the following areas:

- Sanitary facilities
- Food preparation and refuse disposal
- Space and Security
- Thermal Environment
- Illumination and electricity
- Structure and materials
- Interior Air Quality
- Water Supply
- Lead-based paint
- Access
- Site and neighborhood
- Sanitary condition
- Smoke Detectors

A summary of HUD performance criteria is provided in Attachment 8-1. Additional guidance on these requirements is found in the following HUD resources:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)
- HUD Notice 2003-31, Accessibility Notice: Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; the Architectural Barriers Act of 1968 and the Fair Housing Act of 1988.

Tenant Preference Items

HUD requires the BHA to enforce minimum HQS but also requires that certain judgments about acceptability be left to the family. For example, the BHA must ensure that the unit contains the required sanitary facilities, but the family decides whether the cosmetic condition of the facilities is acceptable. Attachment 8-2 summarizes those items that are considered tenant preferences.

Modifications to Provide Accessibility

Under the Fair Housing Act of 1988 an owner must not refuse the request of a family that contains a person with a disability to make necessary and reasonable modifications to the unit. Such modifications are at the family's expense. The owner may require restoration of the unit to its original condition if the modification would interfere with the owner or next occupant's full enjoyment of the premises. The owner may not increase a customarily required security deposit. However, the landlord may negotiate a restoration agreement that requires the family to restore the unit and, if necessary to ensure the likelihood of restoration, may require the tenant to pay a reasonable amount into an interest bearing escrow account over a reasonable period of time. The interest in any such account accrues to the benefit of the tenant. The owner may also require reasonable assurances that the quality of the work will be acceptable and that any required building permits will be obtained.[24 CFR 100.203; Notice 2003-31].

Modifications to units to provide access for a person with a disability must meet all applicable HQS requirements and conform to the design, construction, or alteration of facilities contained in the UFAS and the ADA Accessibility Guidelines (ADAAG) [28 CFR 35.151(c) and Notice 2003-31] See Chapter 2 of this plan for additional information on reasonable accommodations for persons with disabilities.

BHA Policy

Any owner that intends to negotiate a restoration agreement or require an escrow account must submit the agreement(s) to the BHA for review. BHA will review the restoration agreement for the following two elements only:

1. To ensure that the owner has presented a separate agreement, and
2. That no illegal side payments are included in the agreement.

8-I.B. ADDITIONAL LOCAL REQUIREMENTS

BHA may impose additional quality standards as long as the additional criteria are not likely to adversely affect the health or safety of participant families or severely restrict housing choice. HUD approval is required if more stringent standards are imposed. HUD approval is not required if BHA additions are clarifications of HUD's acceptability criteria or performance standards [24 CFR 982.401(a)(4)].

BHA Policy

The following standards are added to HUD's HQS:

1. If the unit/property is secured by a gate, electronic control entry system or other device that restricts access, said system must be maintained in proper working order.
2. The water heater must be properly strapped in accordance with California Health and Safety Code Section 19210-19217 to prevent it from failing in an earthquake
3. Water heaters must be braced (securely attached, bolted) to the studs in a wall. The pipes for water and gas connected to the water heater must be flexible. Methods for bracing water heaters include: (a) purchasing and installing a State Architect certified strap or bracing kit from your local hardware store; (b) having a licensed plumber

strap your water heater according to code; (c) using metal tubing or heavy metal strapping and lag screws and washers to secure the water heater to the wall studs. For a video on how to strap water heaters, visit the website of the Association of Bay Area Governments at: <http://quake.abag.ca.gov/residents/contents/>. Note: there are different recommendations based on whether the water heater is against a flat wall or in a corner.

4. Each unit shall have a permanently affixed heater/heating system (not portable) capable of heating the entire unit.
5. In addition to the Federal requirement of one smoke detector per floor, one smoke detector must be installed inside each bedroom (a missing or inoperable smoke in a bedroom is not cause for a 24-hour fail provided that there exists at least one smoke detector in the unit).
6. The property shall include a private mail box/slot for each unit.
7. Beginning July 1, 2011, every unit must have a carbon monoxide detector located on each level of the unit. Exception: none is required if both heating and cooking are powered by electricity rather than gas.
8. If the kitchen stove has no overhead vent, there must be a window with a screen in the kitchen area to allow for (a) proper venting while cooking and (b) inability for pests (such as flies) to enter the unit while ventilating the unit while cooking.
9. Bathrooms with no air vent must have a screen covering the window to allow moist air out and disallow pests to enter.
10. Definition of a bedroom. All rooms considered bedrooms must, at a minimum, must:
 - a. Be a “private” room, including four floor to ceiling walls, of at least 70 square feet in size
 - b. Be a room, by commonly accepted housing standards, intended to function as a bedroom
 - c. Have a door with no holes and open-able without use of a key
 - d. Have a ceiling height of at least 7 feet
 - e. Contain at least one window, lock-able if on first floor or access from street
 - f. Have a closet to store clothing and other belongings
 - g. Have two working electrical outlets or one working outlet, plus one working, permanently installed light fixture.
11. All doors leading to the exterior (except sliding glass doors) must be solid core.
12. All electrical outlets within 3 feet of accessible water in the bathroom or kitchen must be GFI outlets
13. Landlords are urged to have utility company (PG&E) conduct a safety inspection of gas appliances/gas connections prior to move in inspections.

Additionally, BHA may request evidence of permitted work done to reconfigure any room currently called a “bedroom” that was not previously a bedroom, if landlord requests that a room is recognized as a bedroom that does not comply with current definition.

BHA will use this definition when considering the Payment Standard and the utility allowance. Other rooms (e.g. a den used for sleeping) can be considered when determining if a unit is overcrowded.

Thermal Environment [HCV GB p.10-7]

BHA must define a “healthy living environment” for the local climate. This may be done by establishing a temperature that the heating system must be capable of maintaining, that is appropriate for the local climate.

BHA Policy

The heating system must be capable of operating when the interior temperature is below 65 degrees Fahrenheit, or a higher set temperature as needed for elderly or disabled program participants.

Additionally, all heaters must be operable by properly functioning thermostat, as opposed to need for opening a heating unit to ignite heater with a match or pressing an “on” switch/button within the unit, as these options may pose a safety hazard to the family.

Clarifications of HUD Requirements

BHA Policy

As permitted by HUD, BHA has adopted the following specific requirements that elaborate on HUD standards.

Walls

In areas where plaster or drywall is sagging, severely cracked, or otherwise damaged, it must be repaired or replaced.

Windows

Window sashes must be in good condition, solid and intact, and properly fitted to the window frame. Damaged or deteriorated sashes must be replaced.

Windows must be weather-stripped as needed to ensure a weather-tight seal.

Window screens must be in good condition (applies only if screens are present).

Doors

All exterior doors must be weather-tight to avoid any air or water infiltration, be lockable, have no holes, have all trim intact, and have a threshold.

All interior doors must have no holes, have all trim intact, and be open-able without the use of a key.

Floors

All wood floors must be sanded to a smooth surface and sealed. Any loose or warped boards must be re-secured and made level. If they cannot be leveled, they must be replaced.

All floors must be in a finished state. Raw wood or unsealed concrete is not permitted.

All floors should have some type of base shoe, trim, or sealing for a "finished look." Vinyl base shoe is permitted.

Sinks

All sinks and commode water lines must have shut off valves, unless faucets are wall mounted.

All worn or cracked toilet seats and tank lids must be replaced and toilet tank lid must fit properly.

All sinks must have functioning stoppers.

Security

If window security bars or security screens are present on emergency exit windows, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the quick release system.

Sanitary

Sanitary Condition Performance Requirement: the dwelling unit and its equipment must be in sanitary condition. Acceptability Criteria: the dwelling unit and its equipment must be free of pest and rodent infestation. BHA will ensure that the unit is free of pests, rodents and heavy accumulations of trash, garbage, or other debris that may harbor rodents or pests. Infestation by mice, roaches, or other pests particular to the climate will also be considered. The unit must have adequate barriers to prevent infestation.

8-I.C. LIFE THREATENING CONDITIONS [24 CFR 982.404(a)]

HUD requires BHA to define life threatening conditions and to notify the owner or the family (whichever is responsible) of the corrections required. The responsible party must correct life threatening conditions within 24 hours of BHA notification.

BHA Policy

The following are considered life threatening conditions:

- Any condition that jeopardizes the security of the unit
- Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling
- Natural or LP gas or fuel oil leaks
- Any electrical problem or condition that could result in shock or fire (including a missing cover plate or light fixture with no light bulb, if located within 6 feet of the floor)

- Absence of a working heating system when outside temperature is below 60 degrees Fahrenheit.
- Utilities not in service, including no running hot water
- Conditions that present the imminent possibility of injury
- Obstacles that prevent safe entrance or exit from the unit
- Absence of a functioning toilet in the unit
- Unit lacks at least one operable smoke detectors
- Unit with gas heater and/or stove lacks at least one operable carbon monoxide detector.

If an owner fails to correct life threatening conditions as required by BHA, the housing assistance payment will be abated and the HAP contract will be terminated. See 8-II-G.

If a family fails to correct a family caused life threatening condition as required by BHA, BHA may terminate the family's assistance. See 8-II.H.

The owner will be required to repair an inoperable smoke detector unless BHA determines that the family has intentionally disconnected it (by removing batteries or other means). In this case, the family will be required to repair the smoke detector within 24 hours.

8-I.D. OWNER AND FAMILY RESPONSIBILITIES [24 CFR 982.404]

Family Responsibilities

The family is responsible for correcting the following HQS deficiencies:

- Tenant-paid utilities not in service
- Failure to provide or maintain family-supplied appliances
- Damage to the unit or premises caused by a household member or guest beyond normal wear and tear. "Normal wear and tear" is defined as items which could not be charged against the tenant's security deposit under state law or court practice. Performance and/or payment for such repairs may only be undertaken by the family with prior approval of the owner, or as prescribed by state law.

Owner Responsibilities

The owner is responsible for all HQS violations not listed as a family responsibility above, even if the violation is caused by the family's living habits (e.g., rodent or pest infestation). However, if the family's actions constitute a serious or repeated lease violation the owner may take legal action to evict the family.

8-I.E. SPECIAL REQUIREMENTS FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL [24 CFR 35.1225]

If BHA is notified by a public health department or other medical health care provider, or verifies information from a source other than a public health department or medical health care provider, that a child of less than 6 years of age, living in an HCV-assisted unit has been

identified as having an environmental intervention blood lead level, BHA must complete a risk assessment of the dwelling unit. The risk assessment must be completed in accordance with program requirements, and the result of the risk assessment must be immediately provided to the owner of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information must be provided to the owner.

Within 30 days after receiving the risk assessment report from BHA, or the evaluation from the public health department, the owner is required to complete the reduction of identified lead-based paint hazards in accordance with the lead-based paint regulations [24 CFR 35.1325 and 35.1330]. If the owner does not complete the “hazard reduction” as required, the dwelling unit is in violation of HQS and BHA will take action in accordance with Section 8-II.G.

BHA reporting requirements, and data collection and record keeping responsibilities related to children with an environmental intervention blood lead level are discussed in Chapter 16.

8-I.F. VIOLATION OF HQS SPACE STANDARDS [24 CFR 982.403]

If BHA determines that a unit does not meet the HQS space standards because of an increase in family size or a change in family composition, BHA must issue the family a new voucher, and the family and BHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, BHA must terminate the HAP contract in accordance with its terms.

PART II: THE INSPECTION PROCESS

8-II.A. OVERVIEW [24 CFR 982.405]

Types of Inspections

BHA conducts the following types of inspections as needed. Each type of inspection is discussed in the paragraphs that follow.

- *Initial Inspections.* BHA conducts initial inspections in response to a request from the family to approve a unit for participation in the HCV program. The unit must pass the HQS inspection before the effective date of the HAP Contract.
- *Annual/Biennial Inspections.* HUD requires the PHA to inspect each unit under lease at least annually, or biennially, depending on PHA policy to confirm that the unit still meets HQS. The inspection may be conducted in conjunction with the family's annual reexamination but also may be conducted separately.
- *Special Inspections.* A special inspection may be requested by the owner, the family, or a third party as a result of problems identified with a unit between annual inspections.
- *Quality Control Inspections.* HUD requires that a sample of units be reinspected by a supervisor or other qualified individual to ensure that HQS are being enforced correctly and uniformly by all inspectors.

Inspection of BHA-owned Units [24 CFR 982.352(b)]

BHA must obtain the services of an independent entity to perform all HQS inspections in cases where an HCV family is receiving assistance in a BHA-owned unit. A BHA-owned unit is defined as a unit that is owned by BHA that administers the assistance under the consolidated

ACC (including a unit owned by an entity substantially controlled by BHA). The independent agency must communicate the results of each inspection to the family and BHA. The independent agency must be approved by HUD, and may be the unit of general local government for BHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government) or another public housing authority.

Inspection Costs

BHA may not charge the family or owner for unit inspections [24 CFR 982.405(e)]. In the case of inspections of BHA-owned units, BHA may compensate the independent agency from ongoing administrative fee for inspections performed. BHA and the independent agency may not charge the family any fee or charge for the inspection [24 CFR.982.352(b)].

Notice and Scheduling

The family must allow BHA to inspect the unit at reasonable times with reasonable notice [24 CFR 982.551(d)].

BHA Policy

Both the family and the owner will be given reasonable notice of all inspections. Except in the case of a life threatening emergency, reasonable notice is considered to be not less than 48 hours (most likely in the case of a special or abate re-inspection); all other inspections shall be given 10-14 days notice. Inspections may be scheduled between 8:30 and 4:30 p.m. Inspections will be conducted on business days only.

In the case of a life threatening emergency, BHA will give as much notice as possible, given the nature of the emergency. Emergency reinspections are to occur on the first available work day for the inspector after the first emergency fail.

Owner and Family Inspection Attendance

HUD permits BHA to set policy regarding family and owner presence at the time of inspection [HCV GB p. 10-27].

BHA Policy

When a family occupies the unit at the time of inspection an adult (over the age of 18) identified by the Head of Household must be present for the inspection. The presence of the owner or the owner's representative is encouraged but is not required.

At initial inspection of a vacant unit, BHA will inspect the unit in the presence of the owner or owner's representative. The presence of a family representative is permitted, but is not required.

These appointments are subject to BHA's appointment policy.

8-II.B. INITIAL HQS INSPECTION [24 CFR 982.401(a)]

Timing of Initial Inspections

HUD requires the unit to pass HQS (on or) before the effective date of the lease and HAP Contract. HUD requires PHAs with fewer than 1,250 budgeted units to complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA). For PHAs with 1,250 or more budgeted units, to the extent practicable such inspection and determination must be completed within 15 days. The 15-day period is suspended for any period during which the unit is not available for inspection [982.305(b)(2)].

BHA Policy

BHA will complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA).

Inspection Results and Reinspections

BHA Policy

If any HQS violations are identified, the owner will be notified of the deficiencies and be given a time frame to correct them. If requested by the owner, the time frame for correcting the deficiencies may be extended by the BHA for good cause. BHA will reinspect the unit within 5 business days of the date the owner notifies BHA that the required corrections have been made.

If the time period for correcting the deficiencies (or any BHA-approved extension) has elapsed, or the unit fails HQS at the time of the reinspection, BHA will notify the owner and the family that the unit has been rejected and that the family must search for another unit. BHA may agree to conduct a second reinspection, for good cause, at the request of the family and owner.

Following a failed reinspection, the family may submit a new Request for Tenancy Approval for the unit if the family has not found another unit by the time the owner completes all repairs and the family continues to wish to live in the unit.

A “passed” inspection can be utilized for a new Housing Assistance Payment Contract for a maximum of 60-days, provided the owner certifies in writing that the unit (a) has not been occupied, and (b) there is no change in any of the conditions since the date of the inspection.

Utilities

Generally, at initial lease-up the owner is responsible for demonstrating that all utilities are in working order including those utilities that the family will be responsible for paying.

BHA Policy

All utilities must be placed in service at the time of initial inspection.

Appliances

BHA Policy

If the family is responsible for supplying the stove and/or refrigerator, BHA will allow the stove and refrigerator to be placed in the unit after the unit has met all other HQS requirements. The required appliances must be in place before the HAP contract is

executed by BHA. BHA will execute the HAP contract based upon a certification from the family that the appliances have been installed and are working. A confirmatory inspection will be scheduled within 30 days of HAP contract approval.

8-II.C. ANNUAL AND BIENNIAL HQS INSPECTIONS [24 CFR 982.405(a)]

Biennial inspections and the use of alternative inspection methods and inspection timeframes (PIH Notice 2016-05)

This HUD provision offers PHAs the discretion to conduct unit inspections biennially rather than annually, for both the HCV and PBV programs. It also authorizes the use of alternative inspection methods for periodic inspections, such as inspections performed by HUD or conducted pursuant to the HOME Investment Partnerships (HOME) program or housing financed using Low-Income Housing Tax Credits (LIHTCs). PHAs have the discretion to adopt either or both of these flexibilities.

BHA Policy

For the 2021-22 Fiscal Year (July 1, 2021 through June 30, 2022), BHA will place the biennial inspections program on hold. This is so that post-pandemic, the agency can do a baseline inspection for every unit under contract, since there are units that have not been inspected for over 2 years, and will allow re-evaluation of the effectiveness of the biennial inspections program. During the Covid-19 pandemic, inspections that were to have occurred in calendar year 2020, and much of calendar year 2021 did not occur, as a safety precaution from the Covid-19 virus. Thus the following information regarding the biennial inspections process is effectively on hold until an evaluation of all units is conducted.

[The following is a description of the biennial inspections process on hold: BHA will conduct qualified biennial inspections, meaning annual inspections that pass on their first attempt will skip a year before the next annual HQS inspection; and annual inspections that fail on their first attempt will have an annual HQS inspection the following year.

Landlords and program participants will continue to be able to request a Special Inspection at any time, whether the unit passed or failed the first attempt of the most recent HQS inspection.]

BHA reserves the right to accept inspections performed by another entity (city, housing developers in conformity with HOME or LIHTC rules) in lieu of conducting an annual inspection, but at this time will continue to schedule annual inspections to be conducted by BHA's contract inspector.

Scheduling the Inspection

Each unit under HAP contract must have an annual be inspected no more than 24 months after the most recent inspection. Until further notice BHA continues to inspect units annually.

BHA Policy

There is no requirement for the head of household to be present for the inspection. BHA only requires that a person 18 years or older be present to allow access to the unit for inspection purposes.

If no person 18 or older can be present on the scheduled date, the family should request that BHA reschedule the inspection. BHA and family will agree on a new inspection date that generally should take place within 5 business days of the originally-scheduled date. BHA may schedule an inspection more than 5 business days after the original date for good cause.

If the family misses the first scheduled appointment without requesting a new inspection date, BHA will automatically schedule a second inspection. If the family misses two scheduled inspections without BHA approval, BHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance with Chapter 12.

8-II.D. SPECIAL INSPECTIONS [HCV GB, p. 10-30]

BHA will conduct a special inspection if the owner, family, or another source reports potential HQS violations in the unit, so long as the household has given sufficient notice/time to allow for the owner to remedy the potential issue. In general two attempts to contact the owner, with no follow up by the owner to remedy will constitute the scheduling of a Special Inspection.

BHA Policy

During a special inspection, BHA generally will inspect only those deficiencies that were reported; confirm working smoke and carbon monoxide detectors; and any other life threatening conditions. However, the inspector will record any additional HQS deficiencies that are observed and will require the responsible party to make the necessary repairs.

If the annual inspection has been scheduled or is due within 90 days of the date the special inspection is scheduled BHA may elect to conduct a full annual inspection.

8-II.E. QUALITY CONTROL INSPECTIONS [24 CFR 982.405(b); HCV GB, p. 10-32]

HUD requires a BHA supervisor or other qualified person to conduct quality control inspections of a sample of units to ensure that each inspector is conducting accurate and complete inspections and that there is consistency in the application of the HQS.

The unit sample must include only units that have been inspected within the preceding 3 months. The selected sample will include (1) each type of inspection (initial, annual, and special), (2) inspections completed by each inspector, and (3) units from a cross-section of neighborhoods.

8-II.F. INSPECTION RESULTS AND REINSPECTIONS FOR UNITS UNDER HAP CONTRACT

Notification of Corrective Actions

The owner and the family will be notified in writing of the results of all inspections. When an inspection identifies HQS failures, BHA will determine whether or not the failure is a life threatening condition ("emergency" fail item).

BHA Policy

When life threatening conditions are identified, BHA will immediately notify both parties by telephone, facsimile, or email. The corrective actions must be taken within 24 hours of the BHA's notice.

When failures that are not life threatening are identified, BHA will send the owner and the family a written notification of the inspection results within 5 business days of the inspection. The written notice will specify the time frame within which the failure must be corrected. Generally not more than 28 days will be allowed for the correction.

The notice of inspection results will: (1) inform the owner that if life threatening conditions are not corrected within 24 hours, and non-life threatening conditions are not corrected within the specified time frame (or any BHA-approved extension), the owner's HAP will be abated in accordance with BHA policy (see 8-II.G.); (2) In the case of family caused deficiencies, inform the family that if corrections are not made within the specified time frame (or any BHA-approved extension, if applicable) the family's assistance may be terminated in accordance with BHA policy (see Chapter 12); (3) encourage the parties to cooperate in completing all the required repairs.

Extensions

For conditions that are life-threatening, BHA cannot grant an extension to the 24 hour corrective action period. For conditions that are not life-threatening, BHA may grant an exception to the required time frames for correcting the violation, if BHA determines that an extension is appropriate [24 CFR 982.404].

BHA Policy

Extensions will be granted in cases where BHA has determined that the owner has made a good faith effort to correct the deficiencies and is unable to for reasons beyond the owner's control. Reasons may include, but are not limited to:

- A repair cannot be completed because required parts or services are not available.
- A repair cannot be completed because of weather conditions.
- A reasonable accommodation is needed because the family includes a person with disabilities.
- Notwithstanding proper notice, the family denies owner and/or owner agent access to the unit.

The request for an extension must be made at least 5 business days prior to the re-inspection date. The length of the extension will be determined on a case by case basis in 30 day increments, or up to 60 days as approved by management. Granted extensions will not exceed 60 days, except in the case of delays caused by weather conditions or other extreme circumstances such as major repairs requiring permits. In the case of weather conditions, extensions may be continued until the weather has improved sufficiently to make repairs possible. The necessary repairs must be made within 15 calendar days, once the weather conditions have subsided.

If an extension has been granted and the fail item(s) have not been remedied upon re-inspection, the unit will automatically go into abatement.

Reinspections

BHA Policy

BHA will conduct a re-inspection immediately following the end of the corrective period, or any BHA approved extension.

Where 24-hour fail items are cited on the last work day of a week (or prior to a holiday), BHA may confirm correction of 24-hour fail items by oral or email confirmation from the owner and/or tenant, and verify the correction the next business day.

The family and owner will be given reasonable notice of the re-inspection appointment. If the deficiencies have not been corrected by the time of the re-inspection, BHA will send a notice of abatement to the owner, or in the case of family caused violations, a notice of termination to the family, in accordance with BHA policies. If BHA is unable to gain entry to the unit in order to conduct the scheduled re-inspection, BHA will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance with Chapter 12.

Self-Certification of Fail Items

As per HUD Notice 2012-15 *Streamlining Administrative Practices in the Housing Choice Voucher Program*, PHAs are allowed to accept an owner's certification, a receipt from a vendor, or a photo of the repair or tenant confirmation that required repairs are complete.

BHA Policy

BHA will accept self-certification for repaired fail items in the form of receipts from contractors performing repair work, photos, video.

1. BHA may accept self-certification from an owner provided there is no history of non-compliance by the owner and
 - a. The repair can be documented to BHA's satisfaction via a photo or receipt; or
 - b. The repair is documented via certification of the Building Official that work done under permit has been completed; or
 - c. The repair is documented via a written statement/receipt from the qualified contractor or repair person or licensed professional (i.e. exterminator) that performed the repair; or
 - d. There is evidence from a utility company that service has been restored, or an appliance (i.e. stove or heater) is functioning properly.
2. BHA will not accept self-certification of repairs:
 - a. That were cited in a unit with Project based assistance; or
 - b. That are emergency fail items; or

- c. That are related to life-safety systems (smoke detectors and carbon monoxide detectors)

BHA reserves the right to require a re-inspection on any and all units with fail items, regardless of whether landlords submit self-certification documentation, and to deny the option of self-certification (and require a re-inspection) where any question remains regarding the integrity of the documentation provided, where there is not full documentation (i.e. fail items where no receipts or other evidence reflect repair), or where landlord/property has a repeated history of regular/repeat fails in the past.

8-II.G. ENFORCING OWNER COMPLIANCE

If the owner fails to maintain the dwelling unit in accordance with HQS, BHA must take prompt and vigorous action to enforce the owner obligations.

HAP Abatement

If an owner fails to correct HQS deficiencies by the time specified by BHA, HUD requires BHA to abate housing assistance payments no later than the first of the month following the specified correction period (including any approved extension) [24 CFR 985.3(f)]. No retroactive payments will be made to the owner for the period of time the rent was abated. Owner rents are not abated as a result of HQS failures that are the family's responsibility.

BHA Policy

For life-threatening “emergency” fail items, BHA will abate HAP effective the day of a second 24-hour emergency fail.

For non-life-threatening fails, BHA will abate HAP effective the first of the month following the expiration of BHA specified correction period (including any extension).

BHA will inspect abated units within 5 business days of the owner's notification that the work has been completed. Payment will resume effective the day before the unit passes inspection as it is assumed the work was completed at least on the day before the scheduled inspection.

During any abatement period the family continues to be responsible for its share of the rent. The owner must not seek payment from the family for abated amounts and may not use the abatement as cause for eviction.

HAP Contract Termination

BHA must decide how long any abatement period will continue before the HAP contract will be terminated. BHA should not terminate the contract until the family finds another unit, provided the family does so in a reasonable time [HCV GB p. 10-29] and must give the owner reasonable notice of the termination. BHA will issue a voucher to permit the family to move to another unit as described in Chapter 10.

BHA Policy

The maximum length of time that a HAP may be abated is 180 days. However, if the owner completes corrections and notifies BHA before the termination date of the HAP contract, BHA may rescind the termination notice if (1) the family still resides in the unit and wishes to remain in the unit and (2) the unit passes inspection.

Reasonable notice of HAP contract termination by BHA is 30 days.

8-II.H. ENFORCING FAMILY COMPLIANCE WITH HQS [24 CFR 982.404(b)]

Families are responsible for correcting any HQS violations listed in paragraph 8.I.D. If the family fails to correct a violation within the period allowed by BHA (and any extensions), BHA will terminate the family's assistance, according to the policies described in Chapter 12.

If the owner carries out a repair for which the family is responsible under the lease, the owner may bill the family for the cost of the repair.

Where the unit fails because of "non-sanitary conditions," (heavy accumulations of trash, garbage, or other debris that may harbor rodents, pests, or infestation) the owner and tenant will work together with BHA in an effort to resolve the "non-sanitary conditions." BHA will only inspect twice within a 60 day period, prior to initiating Termination of Housing Choice Voucher and HAP Abatement.

PART III: RENT REASONABLENESS [24 CFR 982.507]

8-III.A. OVERVIEW

No HAP contract can be approved until BHA has determined that the rent for the unit is reasonable. The purpose of the rent reasonableness test is to ensure that a fair rent is paid for each unit rented under the HCV program.

HUD regulations define a reasonable rent as one that does not exceed the rent charged for comparable, unassisted units in the same market area. HUD also requires that owners not charge more for assisted units than for comparable units on the premises.

In addition to the rent reasonableness limit under this subpart, the amount of rent to owner also may be subject to rent control limits under State or local law (CFR. 982.509).

This part explains the method used to determine whether a unit's rent is reasonable and in accord with Berkeley Rent Control, Measure P.

8-III.B. WHEN RENT REASONABLENESS DETERMINATIONS ARE REQUIRED

Owner-initiated Rent Determinations

BHA must make a rent reasonableness determination at initial occupancy and whenever the owner requests a rent adjustment.

The owner and family first negotiate the rent for a unit. BHA (or independent agency in the case of BHA-owned units) will assist the family with the negotiations upon request. At initial occupancy BHA must determine whether the proposed rent is reasonable before a HAP Contract is signed. The owner must not change the rent during the initial lease term. Subsequent requests

for rent adjustments must be consistent with the lease between the owner and the family. Rent increases will not be approved unless any failed items identified by the most recent HQS inspection have been corrected.

BHA Policy

After the initial occupancy period, the owner may request one rent adjustment during any 12 month period. For rent increase requests after initial lease-up, BHA may request owners to provide information about the rents charged for other units on the premises, if the premises include more than 4 units. In evaluating the proposed rents in comparison to other units on the premises BHA will consider unit size and length of tenancy in the other units.

BHA will respond within 15 business days of receiving the request from the owner.

1. If the rent requested does not exceed the applicable payment standard, BHA will approve or deny the request based on rent reasonableness.
2. If the rent requested exceeds the applicable payment standard:
 - a. BHA will give the owner an opportunity to modify (lower) the request to the applicable payment standard;
 - b. If the owner is unwilling to reduce the request, BHA will refer the case to the Rent Board for a rent ceiling determination.

If the unit is in failed HQS status, the rent adjustment will not be approved. All rent adjustments will be effective the first of the month following 60 days after BHA's receipt of the owner's request or on the date specified by the owner, whichever is later.

BHA and HUD-Initiated Rent Reasonableness Determinations

HUD requires BHA to make a determination of rent reasonableness (even if the owner has not requested a change) if there is a 5 percent decrease in the Fair Market Rent that goes into effect at least 60 days before the contract anniversary date. HUD also may direct BHA to make a determination at any other time. BHA may decide that a new determination of rent reasonableness is needed at any time.

BHA Policy

In addition to the instances described above, the BHA will make a determination of rent reasonableness at any time after the initial occupancy period if: (1) BHA determines that the initial rent reasonableness determination was in error; (2) BHA determines that the information provided by the owner about the unit or other units on the same premises was incorrect; (3) the owner supplied amenities or services are significantly reduced.

8-III.C. HOW COMPARABILITY IS ESTABLISHED

Factors to Consider

HUD requires BHA to take into consideration the factors listed below when determining rent comparability. BHA may use these factors to make upward or downward adjustments to the rents of comparison units when the units are not identical to the HCV-assisted unit.

- Location and age

- Unit size including the number of rooms and square footage of rooms
- The type of unit including construction type (e.g., single family, duplex, garden, low-rise, high-rise)
- The quality of the units including the quality of the original construction, maintenance and improvements made.
- Amenities, services, and utilities included in the rent

Units that Must Not be Used as Comparables

Comparable units must represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions cannot be considered comparable units. These include units assisted by HUD through any of the following programs: Section 8 project-based assistance, Section 236 and Section 221(d)(3) Below Market Interest Rate (BMIR) projects, HOME or Community Development Block Grant (CDBG) program-assisted units in which the rents are subsidized; units subsidized through federal, state, or local tax credits; units subsidized by the Department of Agriculture rural housing programs, and units that are rent-controlled by local ordinance.

Rents Charged for Other Units on the Premises

The Request for Tenancy Approval (HUD-52517) requires owners to provide information, on the form itself, about the rent charged for other unassisted comparable units on the premises if the premises include more than 4 units.

By accepting BHA payment each month the owner certifies that the rent is not more than the rent charged for comparable unassisted units on the premises. If asked to do so, the owner must give BHA information regarding rents charged for other units on the premises.

8-III.D. BHA RENT REASONABLENESS METHODOLOGY

How Market Data is Collected

BHA Policy

BHA will require that every owner submit a “Unit Characteristics Form” and a minimum of three unassisted unit rent comparables for every Request for Tenancy Approval submitted, and every request for a rent increase.

BHA, while utilizing the GoS8 system for rent comparability, will require that the comps be updated at lease semi-annually, more frequently if necessary.

BHA will also obtain semi-annual information from the Rent Stabilization Program showing the rents for new tenancies in the prior 6 month period for non-assisted rental units in the City of Berkeley.

How Rents are Determined

BHA Policy

BHA uses a unit-to-unit comparison, by which the rent for a unit proposed for HCV assistance is directly compared to the rents for one or more unassisted units selected as comparables within the same market area. Mapping technology used in the GoS8 system

will be used to identify unsubsidized units in closest proximity to the subject unit, as well as amenities, housing services, maintenance and utilities to be provided by the owner in accordance with the lease.

- Because units may be similar, but not exactly like the unit proposed for HCV assistance, BHA may make adjustments to account for these differences.
- The adjustment must reflect the local market. Not all differences in units require adjustments (e.g., the presence or absence of a garbage disposal may not affect the rent in some market areas).
- Adjustments may vary by unit type (e.g., a second bathroom may be more valuable in a three-bedroom unit than in a two-bedroom).
- The adjustment must reflect the rental value of the difference – not its construction costs (e.g., it might cost \$20,000 to put on a new roof, but the new roof might not make any difference in what a tenant would be willing to pay because rents units are presumed to have functioning roofs).
- When a comparable project offers rent concessions (e.g., first month rent-free, or reduced rent) reported monthly rents will be adjusted accordingly. For example, if a comparable project reports rents of \$500/month but new tenants receive the first month's rent free, the actual rent for the unit would be calculated as follows: $\$500 \times 11 \text{ months} = 5500 / 12 \text{ months} = \text{actual monthly rent of } \488 .

BHA will notify the owner of the rent BHA can approve based upon its analysis of rents for comparable units. The owner may submit information about other comparable units in the market area. BHA will confirm the accuracy of the information provided and consider this additional information when making rent determinations.

BHA will further advise the owner when a requested rent, although determined reasonable, may trigger compliance with provisions of the City of Berkeley Rent Control Ordinance (i.e. the gross rent exceeds the applicable Payment Standard)..

The owner must submit any additional information within 5 business days of BHA's request for information or the owner's request to submit information.

Sanitary Facilities

The dwelling unit must include sanitary facilities within the unit. The sanitary facilities must be usable in privacy and must be in proper operating condition and adequate for personal cleanliness and disposal of human waste.

Food Preparation and Refuse Disposal

The dwelling unit must have space and equipment suitable for the family to store, prepare, and serve food in a sanitary manner.

Space and Security

The dwelling unit must provide adequate space and security for the family. This includes having at least one bedroom or living/sleeping room for each two persons.

Thermal Environment

The unit must have a safe system for heating the dwelling unit. Air conditioning is not required but if provided must be in proper operating condition. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Portable electric room heaters or kitchen stoves with built-in heating units are not acceptable as a primary source of heat for units located in climatic areas where permanent heat systems are required.

Illumination and Electricity

Each room must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of occupants. The dwelling unit must have sufficient electrical sources so occupants can use essential electrical appliances. Minimum standards are set for different types of rooms. Once the minimum standards are met, the number, type and location of electrical sources are a matter of tenant preference.

Structure and Materials

The dwelling unit must be structurally sound. Handrails are required when four or more steps (risers) are present, and protective railings are required when porches, balconies, and stoops are thirty inches or more off the ground. The elevator servicing the unit must be working [if there is one]. Manufactured homes must have proper tie-down devices capable of surviving wind loads common to the area.

Interior Air Quality

The dwelling unit must be free of air pollutant levels that threaten the occupants' health. There must be adequate air circulation in the dwelling unit. Bathroom areas must have one openable window or other adequate ventilation. Any sleeping room must have at least one window. If a window was designed to be opened, it must be in proper working order.

Water Supply

The dwelling unit must be served by an approved public or private water supply that is sanitary and free from contamination. Plumbing fixtures and pipes must be free of leaks and threats to health and safety.

Lead-Based Paint

Lead-based paint requirements apply to dwelling units built prior to 1978 that are occupied or can be occupied by families with children under six years of age, excluding zero bedroom dwellings. Owners must:

- Disclose known lead-based paint hazards to prospective tenants before the lease is signed,
- provide all prospective families with "Protect Your Family from Lead in Your Home",
- Stabilize deteriorated painted surfaces and conduct hazard reduction activities when identified by the PHA
- Notify tenants each time such an activity is performed
- Conduct all work in accordance with HUD safe practices
- As part of ongoing maintenance ask each family to report deteriorated paint.

For units occupied by environmental intervention blood lead level (lead poisoned) children under six years of age, a risk assessment must be conducted (paid for by the PHA). If lead hazards are identified during the risk assessment, the owner must complete hazard reduction activities.

See HCV GB p. 10-15 for a detailed description of these requirements. For additional information on lead-based paint requirements see 24 CFR 35, Subparts A, B, M, and R.

Access

Use and maintenance of the unit must be possible without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire.

Site and Neighborhood

The site and neighborhood must be reasonably free from disturbing noises and reverberations, excessive trash or rodents and pests, or other dangers to the health, safety, and general welfare of the occupants.

Sanitary Condition

The dwelling unit and its equipment must be in sanitary condition and free of pests and rodent infestation. The unit must have adequate barriers to prevent infestation.

Smoke Detectors

Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any person with a hearing impairment, smoke detectors must have an appropriate alarm system as specified in NFPA 74 (or successor standards).

Hazards and Heath/Safety

The unit, interior and exterior common areas accessible to the family, the site, and the surrounding neighborhood must be free of hazards to the family's health and safety.

EXHIBIT 8-2: SUMMARY OF TENANT PREFERENCE AREAS RELATED TO HOUSING QUALITY

Note: This document provides an overview of unit and site characteristics and conditions for which the family determines acceptability. For more detailed information see the following documents:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Provided the minimum housing quality standards have been met, HUD permits the family to determine whether the unit is acceptable with regard to the following characteristics.

- *Sanitary Facilities.* The family may determine the adequacy of the cosmetic condition and quality of the sanitary facilities, including the size of the lavatory, tub, or shower; the location of the sanitary facilities within the unit; and the adequacy of the water heater.
- *Food Preparation and Refuse Disposal.* The family selects size and type of equipment it finds acceptable. When the family is responsible for supplying cooking appliances, the family may choose to use a microwave oven in place of a conventional oven, stove, or range. When the owner is responsible for providing cooking appliances, the owner may offer a microwave oven in place of an oven, stove, or range only if other subsidized and unsubsidized units on the premises are furnished with microwave ovens only. The adequacy of the amount and type of storage space, the cosmetic conditions of all equipment, and the size and location of the kitchen are all determined by the family.
- *Space and Security.* The family may determine the adequacy of room sizes and room locations. The family is also responsible for deciding the acceptability of the type of door and window locks.
- *Energy conservation items.* The family may determine whether the amount of insulation, presence or absence of storm doors and windows and other energy conservation items are acceptable.
- *Illumination and Electricity.* The family may determine whether the location and the number of outlets and fixtures (over and above those required to meet HQS standards) are acceptable or if the amount of electrical service is adequate for the use of appliances, computers, or stereo equipment.
- *Structure and Materials.* Families may determine whether minor defects, such as lack of paint, or worn flooring or carpeting will affect the livability of the unit.
- *Indoor Air.* Families may determine whether window and door screens, filters, fans, or other devices for proper ventilation are adequate to meet the family's needs. However, if screens are present they must be in good condition.
- *Sanitary Conditions.* The family determines whether the sanitary conditions in the unit, including minor infestations, are acceptable.

- *Neighborhood conditions.* Families may determine whether neighborhood conditions such as the presence of drug activity, commercial enterprises, and convenience to shopping will affect the livability of the unit.

Families have no discretion with respect to lead-based paint standards and smoke detectors.

Chapter 9

GENERAL LEASING POLICIES

INTRODUCTION

Chapter 9 covers the lease-up process from the family's submission of a Request for Tenancy Approval to execution of the HAP contract.

In order for BHA to assist a family in a particular dwelling unit, or execute a Housing Assistance Payments (HAP) contract with the owner of a dwelling unit, BHA must determine that all the following program requirements are met:

- The unit itself must qualify as an eligible unit [24 CFR 982.305(a)]
- The unit must be inspected by BHA and meet the Housing Quality Standards (HQS) [24 CFR 982.305(a)]
- The lease offered by the owner must be approvable and must include the required Tenancy Addendum [24 CFR 982.305(a)]
- The rent to be charged by the owner for the unit must be reasonable [24 CFR 982.305(a)]
- The owner must be an eligible owner, approvable by BHA, with no conflicts of interest [24 CFR 982.306]
- For families initially leasing a unit only: Where the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family cannot exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]

9-I.A. TENANT SCREENING

BHA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy [24 CFR 982.307(a)(1)].

BHA may elect to screen applicants for family behavior or suitability for tenancy. See Chapter 3 for a discussion of BHA's policies with regard to screening applicant families for program eligibility [24 CFR 982.307(a)(1)].

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before BHA approval of the tenancy, BHA must inform the owner that screening and selection for tenancy is the responsibility of the owner [24 CFR 982.307(a)(2)]. BHA must also inform the owner or manager of their responsibility to comply with VAWA [24 CFR 5.2007(3)(ii)].

BHA must provide the owner with the family's current and prior address (as shown in BHA records); and the name and address (if known to BHA) of the landlord at the family's current and prior address. [24 CFR 982.307 (b)(1)].

BHA is permitted, but not required, to offer the owner other information in BHA's possession about the family's tenancy [24 CFR 982.307(b)(2)].

BHA's policy on providing information to the owner must be included in the family's briefing packet [24 CFR 982.307(b)(3)].

BHA Policy

BHA will not screen applicants for family behavior or suitability for tenancy.

BHA will not provide additional screening information to the owner.

BHA will allow a prospective landlord (one who has submitted a Request for Tenancy Approval) to review prior inspection reports in the participant file.

9-I.B. REQUESTING TENANCY APPROVAL [Form HUD-52517]

After the family is issued a voucher, the family must locate an eligible unit, with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request BHA to approve the assisted tenancy in the selected unit.

The owner and the family must submit two documents to BHA:

- Completed Request for Tenancy Approval (RTA) – Form HUD-52517
- Copy of the proposed lease, including the HUD-prescribed Tenancy Addendum – Form HUD-52641-A

The RTA contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, utilities included in the rent, and the requested beginning date of the lease, necessary for BHA to determine whether to approve the assisted tenancy in this unit.

Owners must certify to the most recent amount of rent charged for the unit and provide an explanation for any difference between the prior rent and the proposed rent.

Owners must certify that they are not the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless BHA has granted a request for reasonable accommodation for a person with disabilities who is a member of the tenant household.

For units constructed prior to 1978, owners must either 1) certify that the unit, common areas, and exterior have been found to be free of lead-based paint by a certified inspector; or 2) attach a lead-based paint disclosure statement.

Both the RTA and the proposed lease must be submitted no later than the expiration date stated on the voucher. [HCV GB p.8-15].

BHA Policy

The RTA must be signed by both the family and the owner.

The owner may submit the RTA on behalf of the family.

Completed RTA must be submitted as hard copies, in-person, by mail, email or by fax.

The family may not submit, and BHA will not process, more than one (1) RTA at a time.

When the family submits the RTA BHA will review the RTA for completeness.

If the RTA is incomplete (including lack of signature by family, owner, or both), BHA will notify the family and the owner of the deficiencies.

Missing information and/or missing documents will only be accepted as hard copies, in-person, by mail, email, or by fax. BHA will not accept missing information over the phone.

If the family will be responsible for utility service, BHA will require the family to provide evidence of basic utility service (gas and electricity) in the name of the head of household/ spouse/partner, or other adult member of the household.

When the family submits the proposed lease, BHA will also review the terms of the RTA for consistency with the terms of the proposed lease.

If the terms of the RTA are not consistent with the terms of the proposed lease, BHA will notify the family and the owner of the discrepancies.

Corrections to the terms of the RTA and/or the proposed lease will only be accepted as hard copies, in-person, by mail, email or by fax. BHA will not accept corrections by phone.

Because of the time sensitive nature of the tenancy approval process, BHA will attempt to communicate with the owner and family by phone, fax, or email. BHA will use mail when the parties can't be reached by phone, fax, or email.

9-I.C. OWNER PARTICIPATION

BHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where BHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)]

See Chapter 13 for a full discussion of owner qualification to participate in the HCV program.

9-I.D. ELIGIBLE UNITS

There are a number of criteria that a dwelling unit must meet in order to be eligible for assistance under the voucher program. Generally, a voucher-holder family may choose any available rental dwelling unit on the market in BHA's jurisdiction. This includes the dwelling unit they are currently occupying.

Ineligible Units [24 CFR 982.352(a)]

BHA may not assist a unit under the voucher program if the unit is a public housing or Indian housing unit; a unit receiving project-based assistance under section 8 of the 1937 Act (42 U.S.C. 1437f); nursing homes, board and care homes, or facilities providing continual psychiatric, medical, or nursing services; college or other school dormitories; units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions; a unit occupied by its owner or by a person with any interest in the unit.

BHA-Owned Units [24 CFR 982.352(b)]

Otherwise eligible units that are owned or substantially controlled by the PHA issuing the voucher may also be leased in the voucher program. In order for a BHA-owned unit to be leased under the voucher program, the unit must not be ineligible housing and BHA must inform the family, both orally and in writing, that the family has the right to select any eligible unit

available for lease and that the family is free to select a BHA-owned unit without any pressure or steering by BHA.

BHA Policy

BHA does not have any eligible BHA-owned units available for leasing under the voucher program.

Special Housing Types [24 CFR 982 Subpart M]

HUD regulations permit, but do not generally require, BHA to permit families to use voucher assistance in a number of special housing types in accordance with the specific requirements applicable to those programs. These special housing types include single room occupancy (SRO) housing, congregate housing, group home, shared housing, manufactured home space (where the family owns the manufactured home and leases only the space), cooperative housing and homeownership option. See Chapter 15 for specific information and policies on any of these housing types that BHA has chosen to allow.

The regulations do require BHA to permit use of any special housing type if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

Duplicative Assistance [24 CFR 982.352(c)]

A family may not receive the benefit of HCV tenant-based assistance while receiving the benefit of any of the following forms of other housing subsidy, for the same unit or for a different unit:

- Public or Indian housing assistance;
- Other Section 8 assistance (including other tenant-based assistance);
- Assistance under former Section 23 of the United States Housing Act of 1937 (before amendment by the Housing and Community Development Act of 1974);
- Section 101 rent supplements;
- Section 236 rental assistance payments;
- Tenant-based assistance under the HOME Program;
- Rental assistance payments under Section 521 of the Housing Act of 1949 (a program of the Rural Development Administration);
- Any local or State rent subsidy;
- Section 202 supportive housing for the elderly;
- Section 811 supportive housing for persons with disabilities; (11) Section 202 projects for non-elderly persons with disabilities (Section 162 assistance); or
- Any other duplicative federal, State, or local housing subsidy, as determined by HUD. For this purpose, 'housing subsidy' does not include the housing component of a welfare payment, a social security payment received by the family, or a rent reduction because of a tax credit.

Housing Quality Standards (HQS) [24 CFR 982.305 and 24 CFR 982.401]

In order to be eligible, the dwelling unit must be in decent, safe and sanitary condition. This determination is made using HUD's Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD. See Chapter 8 for a full discussion of the HQS standards, as well as the process for HQS inspection at initial lease-up.

Unit Size

In order to be eligible, the dwelling unit must be appropriate for the number of persons in the household. A family must be allowed to lease an otherwise acceptable dwelling unit with fewer bedrooms than the number of bedrooms stated on the voucher issued to the family, provided the unit meets the applicable HQS space requirements [24 CFR 982.402(d)]. The family must be allowed to lease an otherwise acceptable dwelling unit with more bedrooms than the number of bedrooms stated on the voucher issued to the family. See Chapter 5 for a full discussion of subsidy standards.

Rent Reasonableness [24 CFR 982.305 and 24 CFR 982.507]

In order to be eligible, the dwelling unit must have a reasonable rent. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See Chapter 8 for a full discussion of rent reasonableness and the rent reasonableness determination process.

BHA Policy

BHA will establish contract rent utilizing rent reasonableness procedures provided the rent demanded does not exceed Payment Standard. When the owner demands rent above Payment Standard, the rent determination will be established by the Rent Board and the assisted tenancy will subject to S8 rules and Local Rent Control.

Rent Burden [24 CFR 982.508]

Where a family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the dwelling unit rent must be at a level where the family's share of rent does not exceed 40 percent of the family's monthly adjusted income. See Chapter 6 for a discussion of calculation of gross rent, the use of payment standards, and calculation of family income, family share of rent and HAP.

9-I.E. LEASE AND TENANCY ADDENDUM

The family and the owner must execute and enter into a written dwelling lease for the assisted unit. This written lease is a contract between the tenant family and the owner; BHA is not a party to this contract.

The tenant must have legal capacity to enter a lease under State and local law. 'Legal capacity' means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner [24 CFR 982.308(a)]

Lease Form and Tenancy Addendum [24 CFR 982.308]

If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form. If the owner does not use a standard lease

form for rental to unassisted tenants, the owner may use another form of lease. The HAP contract prescribed by HUD contains the owner's certification that if the owner uses a standard lease form for rental to unassisted tenants, the lease is in such standard form.

All provisions in the HUD-required Tenancy Addendum must also be added word-for-word to the owner's standard lease form, for use with the assisted family. The Tenancy Addendum includes the tenancy requirements for the program and the composition of the household as approved by BHA. As a part of the lease, the tenant shall have the right to enforce the Tenancy Addendum against the owner and the terms of the Tenancy Addendum shall prevail over any other provisions of the lease.

BHA Policy

BHA does not provide a model or standard dwelling lease for owners to use in the HCV program.

Lease Information [24 CFR 982.308(d)]

The assisted dwelling lease must contain all of the required information as listed below:

- The names of the owner and the tenant:
- The unit rented (address, apartment number, and any other information needed to identify the contract unit)
- The term of the lease (initial term and any provisions for renewal)
- The amount of the monthly rent to owner
- A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family

Term of Assisted Tenancy

The initial term of the assisted dwelling lease must be for at least one year [24 CFR 982.309]. The initial lease term is also stated in the HAP contract.

The HUD program regulations permit BHA to approve a shorter initial lease term if certain conditions are met.

BHA Policy

BHA standard policy is for an initial lease term of one (1) year. BHA will approve a shorter term upon evidence that the owner has a practice of a shorter term for non-assisted tenancies and said practice is generally accepted in the community and California law. A tenancy can only be terminated by the owner for “Good Cause” under Berkeley’s Rent control Ordinance.

During the initial term of the lease, the owner may not raise the rent to tenant [24 CFR 982.309].

Any provisions for renewal of the dwelling lease will be stated in the dwelling lease [HCV Guidebook, pg. 8-22]. There are no HUD requirements regarding any renewal extension terms, except that they must be in the dwelling lease if they exist.

BHA may execute the HAP contract even if there is less than one year remaining from the beginning of the initial lease term to the end of the last expiring funding increment under the consolidated ACC. [24 CFR 982.309(b)].

Security Deposit [24 CFR 982.313 (a) and (b)]

The owner may collect a security deposit from the tenant. BHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. However, if BHA chooses to do so, language to this effect must be added to Part A of the HAP contract [Form HUD-52641].

BHA Policy

BHA will allow the owner to collect any security deposit from the tenant in accord with State and local law and in an amount not in excess of amounts charged in private market practice and not in excess of amounts charged by the owner to unassisted tenants.

Depending on funding availability, BHA may assist families by offering a 0% interest loan for up to 50% of the required deposit.

Separate Non-Lease Agreements between Owner and Tenant

Owners may not demand or accept any rent payment from the family in excess of the rent to the owner minus BHA's housing assistance payments to the owner [24 CFR 982.451(b)(4)].

The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)].

BHA Policy

BHA permits owners and families to execute separate, non-lease agreements for parking, storage, services, appliances (other than range and refrigerator) and other items that are not included in the lease. The owner must provide BHA a copy of any such agreement.

The family is not liable and cannot be held responsible under the terms of the assisted dwelling lease for any charges pursuant to a separate non-lease agreement between the owner and the family. Non-payment of any charges pursuant to a separate non-lease agreement between the owner and the family cannot be a cause for eviction or termination of tenancy under the terms of the assisted dwelling lease.

BHA Review of Lease

BHA will review the dwelling lease for compliance with all applicable requirements.

BHA Policy

If the dwelling lease is incomplete or incorrect, BHA will notify the family and the owner of the deficiencies. Missing and corrected lease information will only be accepted as hard copies, in-person, by mail, or by fax. BPHA will not accept missing and corrected information over the phone

Because the initial leasing process is time-sensitive, BHA will attempt to communicate with the owner and family by phone, fax, or email. BHA will use mail when the parties can't be reached by phone, fax, or email.

BHA is permitted, but is not required, to review the lease to determine if the lease complies with State and local law and is permitted to decline to approve the tenancy if BHA determines that the lease does not comply with State or local law [24 CFR 982.308(c)]

BHA Policy

BHA will not review the owner's lease for compliance with state/local law. BHA's review of the owner's lease is limited to (a) conditions that are discriminatory, or (b) violate a HUD rule, or (c) are onerous (i.e. excessive late fees).

9-I.F. TENANCY APPROVAL [24 CFR 982.305]

After receiving the family's Request for Tenancy Approval, with proposed dwelling lease, BHA must promptly notify the family and owner whether the assisted tenancy is approved.

Prior to approving the assisted tenancy and execution of a HAP contract, BHA must ensure that all required actions and determinations, discussed in Part I of this chapter have been completed.

These actions include ensuring that the unit is eligible; the unit has been inspected by BHA and meets the Housing Quality Standards (HQS); the lease offered by the owner is approvable and includes the required Tenancy Addendum; the rent to be charged by the owner for the unit must be reasonable; where the family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]; the owner is an eligible owner, not disapproved by BHA, with no conflicts of interest [24 CFR 982.306]; the family and the owner have executed the lease, including the Tenancy Addendum, and the lead-based paint disclosure information [24 CFR 982.305(b)].

BHA Policy

BHA will complete its determination within 10 business days of receiving all required information.

If the tenancy is not approvable due to rent affordability (including rent burden and rent reasonableness), the tenant may negotiate the rent with the owner. If a new, approvable rent is negotiated, the tenancy will be approved. If the owner is not willing to negotiate an approvable rent, the family must continue to search for eligible housing within the timeframe of the issued voucher including any suspension (tolling) period.

If the terms of the RTA/proposed lease are changed for any reason, including but not limited to negotiation with BHA, BHA will obtain the tenant/owner agreement and document the change on the RTA/proposed lease (using red ink) and initial and date the change.

Corrections to the RTA/proposed lease will only be accepted as hard copies, in-person, by mail, by email or by fax, with approval of the Executive Director or his/her designee. BHA will act upon the notification, but will require a hard copy original as file documentation.

If BHA determines that the tenancy cannot be approved for any reason, the owner and the family will be notified in writing and given the opportunity to address any reasons for

disapproval. BHA will instruct the owner and family of the steps that are necessary to approve the tenancy.

Where the tenancy is not approvable because the unit is not approvable, the family must continue to search for eligible housing within the timeframe of the issued voucher.

If the tenancy is not approvable due to rent affordability (including rent burden and rent reasonableness), BHA will attempt to negotiate the rent with the owner. If a new, approvable rent is negotiated, the tenancy will be approved. If the owner is not willing to negotiate an approvable rent, the family must continue to search for eligible housing within the timeframe of the issued voucher.

9-I.G. HAP CONTRACT EXECUTION [24 CFR 982.305]

The HAP contract is a written agreement between BHA and the owner of the dwelling unit occupied by a housing choice voucher assisted family. Under the HAP contract, BHA agrees to make housing assistance payments to the owner on behalf of a specific family occupying a specific unit and obliges the owner to comply with all program requirements.

The HAP contract format is prescribed by HUD.

If BHA has given approval for the family of the assisted tenancy, the owner and BHA execute the HAP contract.

The term of the HAP contract must be the same as the term of the lease [24 CFR 982.451(a)(2)].

BHA is permitted to execute a HAP contract even if the funding currently available does not extend for the full term of the HAP contract.

BHA must make a best effort to ensure that the HAP contract is executed before the beginning of the lease term. Regardless, the HAP contract must be executed no later than 60 calendar days from the beginning of the lease term.

BHA may not pay any housing assistance payment to the owner until the HAP contract has been executed. If the HAP contract is executed during the period of 60 calendar days from the beginning of the lease term, BHA will pay housing assistance payments after execution of the HAP contract (in accordance with the terms of the HAP contract), to cover the portion of the lease term before execution of the HAP contract (a maximum of 60 days).

Any HAP contract executed after the 60 day period is void, and BHA may not pay any housing assistance payment to the owner.

BHA Policy

BHA will offer owners who have not previously participated in the HCV program written information regarding the program, including a review of tenant, owner and BHA obligations, live-in aids-non-assisted persons residing in the unit, and what the owner is certifying to when the HAP is accepted. BHA may waive this requirement on a case-by-case basis, if it determines that the owner is sufficiently familiar with the requirements and responsibilities under the HCV program.

The owner and the assisted family will execute the dwelling lease and the owner must provide a copy to BHA. BHA will ensure that both the owner and the assisted family receive copies of the dwelling lease.

The owner and BHA will execute the HAP contract. BHA will not execute the HAP contract until the owner has submitted IRS form W-9. BHA will ensure that the owner receives a copy of the executed HAP contract.

BHA may require the owner and family to come to the office to execute the rental lease, and the Housing Assistance Payment Contract, and review the obligations each party (including BHA) has under the assisted tenancy.

See Chapter 13 for a discussion of the HAP contract and contract provisions.

9-I.H. CHANGES IN LEASE OR RENT [24 CFR 982.308]

If the tenant and the owner agree to any changes in the lease, including but not limited to a change in financial responsibility for basic utilities, such changes must be in writing, and the owner must immediately give BHA a copy of such changes. The lease, including any changes, must remain in accordance with the requirements of this chapter.

Generally, BHA approval of tenancy and execution of a new HAP contract are not required for changes in the lease. However, under certain circumstances, voucher assistance in the unit shall not be continued unless BHA has approved a new tenancy in accordance with program requirements and has executed a new HAP contract with the owner. These circumstances include:

- Changes in lease provisions governing the term of the lease
- The family moves to a new unit, even if the unit is in the same building or complex

In these cases, if the HCV assistance is to continue, the family must submit a new Request for Tenancy Approval (RTA) along with a new dwelling lease containing the altered terms. A new tenancy must then be approved in accordance with this chapter.

When BHA discovers a discrepancy in financial responsibility for basic utilities, where the family is paying for utilities (a) beyond its unit, or (b) that are the financial responsibility of the owner, per the approved lease, BHA will revise the HAP accordingly and as applicable, adjust the household utility allowance.

Where the owner is changing the amount of rent, the owner must notify BHA of any changes in the amount of the rent to owner at least 60 days before any such changes go into effect [24 CFR 982.308(g)(4)]. BHA will agree to such an increase only if the amount of the rent to owner is considered reasonable according to the rent reasonableness standards discussed in Chapter 8. If the requested rent is not found to be reasonable, the owner must either reduce the requested rent increase, or give the family notice in accordance with the terms of the lease.

No rent increase is permitted during the initial term of the lease [24 CFR 982.309(a)(3)].

BHA Policy

Where the owner is requesting a rent increase, owner must provide BHA and tenant a copy of the 60-day rent increase notice. BHA will determine whether the requested

increase is reasonable within 15 business days of receiving the request from the owner. The owner will be notified of the determination in writing.

Rent increases, if approved, will be effective the first of the month following the 60-day notice period.

BHA is constrained in that it cannot approve a rent increase above the Payment Standard for the unit size; said rent is subject to approval by the Rent Board.

Chapter 10

MOVING WITH CONTINUED ASSISTANCE AND PORTABILITY

INTRODUCTION

Freedom of choice is a hallmark of the housing choice voucher (HCV) program. In general, therefore, HUD regulations impose few restrictions on where families may live or move with HCV assistance. This chapter sets forth HUD regulations and BHA policies governing moves within or outside BHA's jurisdiction in two parts:

Part I: Moving with Continued Assistance. This part covers the general rules that apply to all moves by a family assisted under BHA's HCV program, whether the family moves to another unit within BHA's jurisdiction or to a unit outside BHA's jurisdiction under portability.

Part II: Portability. This part covers the special rules that apply to moves by a family under portability, whether the family moves out of or into BHA's jurisdiction. This part also covers the special responsibilities that BHA has under portability regulations and procedures.

PART I: MOVING WITH CONTINUED ASSISTANCE

10-I.A. ALLOWABLE MOVES

HUD lists five regulatory conditions and the statutory condition under VAWA in which an assisted family is allowed to move to a new unit with continued assistance. Permission to move is subject to the restrictions set forth in section 10-I.B.

- The family has a right to terminate the lease on notice to the owner (for the owner's breach or otherwise) and has given a notice of termination to the owner in accordance with the lease [24 CFR 982.314(b)(3)]. If the family terminates the lease on notice to the owner, the family must give BHA a copy of the notice at the same time [24 CFR 982.314(d)(1)].
- The Violence Against Women Reauthorization Act of 2005 provides that "a family may receive a voucher from a public housing agency and move to another jurisdiction under the tenant-based assistance program if the family has complied with all other obligations of the section 8 program and has moved out of the assisted dwelling unit in order to protect the health or safety of an individual who is or has been a victim of domestic violence, dating violence, or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the assisted dwelling unit" [24 CFR 982.353(b)].
- The lease for the family's unit has been terminated by mutual agreement of the owner and the family [24 CFR 982.314(b)(1)(ii)].

BHA Policy

- If the family and the owner mutually agree to terminate the lease for the family's unit, the family must give BHA a copy of the termination agreement.

- BHA has terminated the assisted lease for the family's unit for the owner's breach [24 CFR 982.314(b)(1)(i)].
- BHA determines that the family's current unit does not meet the HQS space standards because of an increase in family size or a change in family composition. In such cases, BHA must issue the family a new voucher, and the family and BHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for the family, BHA must terminate the HAP contract for the family's old unit in accordance with the HAP contract terms and must notify both the family and the owner of the termination. The HAP contract terminates at the end of the calendar month that follows the calendar month in which BHA gives notice to the owner. [24 CFR 982.403(a) and (c)]

10-I.B. RESTRICTIONS ON MOVES

A family's right to move is generally contingent upon the family's compliance with program requirements [24 CFR 982.1(b)(2)]. HUD specifies two conditions under which a BHA may deny a family permission to move and two ways in which a BHA may restrict moves by a family. A PHA may not terminate assistance if the family, with or without prior notification to the PHA, already moved out of a unit in violation of the lease, if such move occurred to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the dwelling unit. [24 CFR 982.314 (b)(4)]. Policies that prohibit moves during the initial lease term or that prohibit more than one move during any one-year period do not apply when the family or a member of the family has been the victim of domestic violence, dating violence, or stalking, as provided in 24 CFR part 5, subpart L, and the move is needed to protect the health or safety of the family or family member.

Denial of Moves

HUD regulations permit BHA to deny a family permission to move under the following conditions:

Insufficient Funding

BHA may deny a family permission to move if BHA does not have sufficient funding for continued assistance [24 CFR 982.314(e)(1)]. However, Notice PIH 2008-43 significantly restricts the ability of BHAs to deny permission to move under portability due to insufficient funding. The requirements found in this notice are mandatory. **For moves outside BHA's jurisdiction under portability, no policy decisions are required.**

BHA Policy

BHA will deny a family permission to move on grounds that BHA does not have sufficient funding for continued assistance if (a) the move is initiated by the family, not the owner or BHA; (b) BHA can demonstrate that the move will, in fact, result in higher subsidy costs; and (c) BHA can demonstrate, in accordance with the policies in Part VIII of Chapter 16, that it does not have sufficient funding in its annual budget to accommodate the higher subsidy costs.

Before denying a family's request to move due to insufficient funding under portability, BHA will contact the receiving PHA to see if the receiving PHA will absorb the family; if so, the family will be allowed to move (PIH 200-43)

If BHA denies a family's request to move under portability, it may not subsequently admit any additional families to its voucher program until BHA has determined that sufficient funding exists to approve the move and has notified the family that the family may now exercise its portability move (PIH 2008-43)

Grounds for Denial or Termination of Assistance

BHA has grounds for denying or terminating the family's assistance [24 CFR 982.314(e)(2)]. VAWA creates an exception to these restrictions for families who are otherwise in compliance with program obligations, but have moved to protect the health or safety of an individual who is or has been a victim of domestic violence, dating violence or stalking, and who reasonably believed he or she was imminently threatened by harm from further violence if they remained in the unit [24 CFR 982.353(b)].

BHA Policy

If BHA has grounds for denying or terminating a family's assistance, BHA will act on those grounds in accordance with the regulations and policies set forth in Chapters 3 and 12, respectively. Refer to sections 3-III.E, 3-III.G and 12-II.E for VAWA provisions.

Restrictions on Elective Moves [24 CFR 982.314(c)]

HUD regulations permit BHA to prohibit any elective move by a participant family during the family's initial lease term. They also permit BHA to prohibit more than one elective move by a participant family during any 12-month period.

BHA Policy

BHA will deny a family permission to make an elective move during the family's initial lease term. This policy applies to moves within BHA's jurisdiction or outside it under portability.

BHA will also deny a family permission to make more than one elective move during any 12-month period. This policy applies to all assisted families residing in BHA's jurisdiction.

BHA will consider exceptions to these policies for the following reasons: to protect the health or safety of a family member (e.g., lead-based paint hazards, domestic violence, witness protection programs), or to address an emergency situation over which a family has no control.

In addition, BHA will allow exceptions to these policies for purposes of reasonable accommodation of a family member who is a person with disabilities (see Chapter 2).

10-I.C. MOVING PROCESS

Notification

If a family wishes to move to a new unit, the family must notify BHA and the owner before moving out of the old unit or terminating the lease on notice to the owner [24 CFR 982.314(d)(2)]. If the family wishes to move to a unit outside BHA's jurisdiction under

portability, the notice to BHA must specify the area where the family wishes to move [24 CFR 982.314(d)(2), Notice PIH 2008-43]. The notices must be in writing [24 CFR 982.5].

Approval

BHA Policy

Upon receipt of a family's notification that it wishes to move, BHA will determine whether the move is approvable in accordance with the regulations and policies set forth in sections 10-I.A and 10-I.B. BHA will not allow a family to port-out of the jurisdiction if the family has an outstanding debt to BHA. BHA will notify the family in writing of its determination within 10 business days following receipt of the family's notification.

Reexamination of Family Income and Composition

BHA Policy

For families approved to move to a new unit within BHA's jurisdiction, BHA will perform a new annual reexamination in accordance with the policies set forth in Chapter 11 of this plan.

For families moving into or families approved to move out of the PHA's jurisdiction under portability, BHA will follow the policies set forth in Part II of this chapter.

Voucher Issuance and Briefing

BHA Policy

For families approved to move to a new unit within BHA's jurisdiction, BHA will require the family to attend a briefing prior to issuance of a voucher. BHA will follow the policies set forth in Chapter 5 on voucher term, extension, and expiration.

If a family does not locate a new unit within the term of the voucher and any extensions, the family may remain in its current unit with continued voucher assistance if the owner agrees and BHA approves.

For families moving into or families approved to move out of BHA's jurisdiction under portability, BHA will follow the policies set forth in Part II of this chapter.

Housing Assistance Payments [24 CFR 982.311(d)]

When a family moves out of an assisted unit, BHA may not make any housing assistance payment to the owner for any month **after** the month the family moves out. The owner may keep the housing assistance payment for the month when the family moves out of the unit.

If a participant family moves from an assisted unit with continued tenant-based assistance, the term of the assisted lease for the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of the last housing assistance payment (for the month when the family moves out of the old unit) and the first assistance payment for the new unit, is not considered to constitute a duplicative housing subsidy.

BHA Policy

If the family vacates the unit with notice, the owner is entitled to rental subsidy through the end of the notice but no later than the end of the month when the family vacated. If

the family moves without notice, BHA will pay the rental subsidy through the end of the month.

PART II: PORTABILITY

10-II.A. OVERVIEW

Within the limitations of the regulations and this plan, a participant family or an applicant family that has been issued a voucher has the right to use tenant-based voucher assistance to lease a unit anywhere in the United States providing that the unit is located within the jurisdiction of a PHA administering a tenant-based voucher program [24 CFR 982.353(b)]. The process by which a family obtains a voucher from one PHA and uses it to lease a unit in the jurisdiction of another PHA is known as portability. The first PHA is called the **initial PHA**. The second is called the **receiving PHA**.

The receiving PHA has the option of administering the family's voucher for the initial PHA or absorbing the family into its own program. Under the first option, the receiving PHA bills the initial PHA for the family's housing assistance payments and the fees for administering the family's voucher. Under the second option, the receiving PHA pays for the family's assistance out of its own program funds, and the initial PHA has no further relationship with the family.

The same PHA commonly acts as the initial PHA for some families and as the receiving PHA for others. Each role involves different responsibilities. The PHA will follow the rules and policies in section 10-II.B when it is acting as the initial PHA for a family. It will follow the rules and policies in section 10-II.C when it is acting as the receiving PHA for a family.

10-II.B. INITIAL PHA ROLE

Allowable Moves under Portability

A family may move with voucher assistance only to an area where there is at least one PHA administering a voucher program [24 CFR 982.353(b)]. If there is more than one PHA in the area, the initial PHA may choose the receiving PHA [24 CFR 982.355(b)].

Applicant families that have been issued vouchers as well as participant families may qualify to lease a unit outside the PHA's jurisdiction under portability. The initial PHA, in accordance with HUD regulations and PHA policy, determines whether a family qualifies.

Applicant Families

Under HUD regulations, most applicant families qualify to lease a unit outside PHA's jurisdiction under portability. However, HUD gives PHA discretion to deny a portability move by an applicant family for the same two reasons that it may deny any move by a participant family: insufficient funding and grounds for denial or termination of assistance.

BHA Policy

In determining whether or not to deny an applicant family permission to move under portability because BHA lacks sufficient funding or has grounds for denying assistance to the family, BHA will follow the policies established in section 10-I.B of this chapter.

In addition, BHA may establish a policy denying the right to portability to nonresident applicants during the first 12 months after they are admitted to the program [24 CFR 982.353(c)].

BHA Policy

If neither the head of household nor the spouse/cohead of an applicant family had a domicile (legal residence) in BHA's jurisdiction at the time the family's application for assistance was submitted, the family must live in BHA's jurisdiction with voucher assistance for at least 12 months before requesting portability.

BHA will consider exceptions to this policy for purposes of reasonable accommodation (see Chapter 2).

Participant Families

The initial PHA must not provide portable assistance for a participant if a family has moved out of its assisted unit in violation of the lease [24 CFR 982.353(b)]. VAWA creates an exception to this prohibition for families who are otherwise in compliance with program obligations but have moved to protect the health or safety of an individual who is or has been a victim of domestic violence, dating violence or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if they remained in the unit [24 CFR 982.353(b)].

BHA Policy

BHA will determine whether a participant family may move out of BHA's jurisdiction with continued assistance in accordance with the regulations and policies set forth here and in sections 10-I.A and 10-I.B of this chapter. BHA will notify the family of its determination in accordance with the approval policy set forth in section 10-I.C of this chapter.

Determining Income Eligibility

Applicant Families

An applicant family may lease a unit in a particular area under portability only if the family is income eligible for admission to the voucher program in that area [24 CFR 982.353(d)(3)]. The family must specify the area to which the family wishes to move [Notice 2008-43].

The initial PHA is responsible for determining whether the family is income eligible in the area to which the family wishes to move [24 CFR 982.355(c)(1)]. If the applicant family is not income eligible in that area, the PHA must inform the family that it may not move there and receive voucher assistance [Notice PIH 2008-43].

Participant Families

The income eligibility of a participant family is not redetermined if the family moves to a new jurisdiction under portability [24 CFR 982.353(d)(2), 24 CFR 982.355(c)(1)].

Reexamination of Family Income and Composition

No new reexamination of family income and composition is required for an applicant family.

BHA Policy

For a participant family approved to move out of its jurisdiction under portability, BHA generally will conduct a reexamination of family income and composition only if the family's annual reexamination must be completed on or before the initial billing deadline specified on form HUD-52665, Family Portability Information, or the family reports a change in income, household composition or allowable expenses.

BHA will make any exceptions to this policy necessary to remain in compliance with HUD regulations.

Briefing

The regulations and policies on briefings set forth in Chapter 5 of this plan require BHA to provide information on portability to all applicant families that qualify to lease a unit outside BHA's jurisdiction under the portability procedures. Therefore, no special briefing is required for these families.

BHA Policy

No formal briefing will be required for a participant family wishing to move outside BHA's jurisdiction under portability. However, BHA will provide the family with a general explanation of portability (see Chapter 5). BHA will provide the name, address, and phone of the contact for the PHA in the jurisdiction to which they wish to move. BHA will advise the family that they will remain subject to BHA's policies and procedures, through the end of the assisted tenancy in Berkeley, and subject to the rules, regulations and policies of the receiving PHA with regard to the new assisted tenancy.

Voucher Issuance and Term

An applicant family has no right to portability until after the family has been issued a voucher [24 CFR 982.353(b)]. In issuing vouchers to applicant families, BHA will follow the regulations and procedures set forth in Chapter 5. A new voucher is not required for portability purposes.

BHA Policy

For families approved to move under portability, BHA will issue a new voucher within 10 business days of BHA's written approval to move.

The term of the voucher will be 120 days.

Voucher Extensions and Expiration

BHA Policy

BHA will consider extensions to a voucher issued to an applicant or participant family porting out of BHA's jurisdiction under the following circumstances: (a) the initial term of the voucher will expire before the portable family will be issued a voucher by the receiving PHA, (b) the family decides to return to the initial PHA's jurisdiction and search for a unit there, or (c) the family decides to search for a unit in a third PHA's jurisdiction. In such cases, the policies on voucher extensions set forth in Chapter 5, section 5-II.E, of this plan will apply, including the requirement that the family apply for an extension in writing prior to the expiration of the initial voucher term.

To receive or continue receiving assistance under the initial PHA's voucher program, a family that moves to another PHA's jurisdiction under portability must be under HAP contract in the receiving PHA's jurisdiction within 60 days following the expiration date of the initial PHA's voucher term (including any extensions). (See below under "Initial Billing Deadline" for one exception to this policy.)

Initial Contact with the Receiving PHA

After approving a family's request to move under portability, the initial PHA must promptly notify the receiving PHA to expect the family [24 CFR 982.355(c)(2)]. This means that the initial PHA must contact the receiving PHA directly on the family's behalf [Notice PIH 2008-43]. The initial PHA must also advise the family how to contact and request assistance from the receiving PHA [24 CFR 982.355(c)(2)].

BHA Policy

Because the portability process is time-sensitive, BHA will notify the receiving PHA by phone, fax, or e-mail that a family is porting to their jurisdiction. BHA will give the family written notification to contact and request assistance from the receiving PHA. BHA will also ask the receiving PHA to provide any information the family may need upon arrival, including the name, fax, e-mail and telephone number of the staff person responsible for business with incoming portable families and procedures related to appointments for voucher issuance. BHA will pass this information along to the family. BHA will also ask for the name, address, telephone number, fax and e-mail of the person responsible for processing the billing information.

Sending Documentation to the Receiving PHA

The initial PHA is required to send the receiving PHA the following documents:

- Form HUD-52665, Family Portability Information, with Part I filled out [Notice PIH 2008-43]
- A copy of the family's voucher [Notice PIH 2008-43]
- A copy of the family's most recent form HUD-50058, Family Report, or, if necessary in the case of an applicant family, family and income information in a format similar to that of form HUD-50058 [24 CFR 982.355(c)(4), Notice PIH 2008-43]
- Copies of the income verifications backing up the form HUD-50058 [24 CFR 982.355(c)(4), Notice PIH 2008-43]

BHA Policy

In addition to these documents, BHA will, utilizing appropriate means of protecting the data from breach, provide the following information, if available, to the receiving PHA:

Social security numbers (SSNs)

Documentation of SSNs for all family members age 6 and over

Documentation of legal identity

Documentation of citizenship or eligible immigration status

Documentation of participation in the earned income disallowance (EID) benefit

Documentation of participation in a family self-sufficiency (FSS) program

A copy of the family's current EIV data in a sealed envelope, marked "confidential"

Any approved Reasonable Accommodation

BHA will notify the family in writing regarding any information provided to the receiving PHA [HCV GB, p. 13-3].

Initial Billing Deadline [Notice PIH 2008-43]

When the initial PHA sends form HUD-52665 to the receiving PHA, it specifies in Part I the deadline by which it must receive the initial billing notice from the receiving PHA. This deadline is 60 days following the expiration date of the voucher issued to the family by the initial PHA. If the initial PHA does not receive a billing notice by the deadline and does not intend to honor a late billing submission, it must contact the receiving PHA to determine the status of the family. If the receiving PHA reports that the family is not yet under HAP contract, the initial PHA may refuse to accept a late billing submission. If the receiving PHA reports that the family is under HAP contract and the receiving PHA cannot absorb the family, the initial PHA must accept a late billing submission; however, it may report to HUD the receiving PHA's failure to comply with the deadline.

BHA Policy

If BHA has not received an initial billing notice from the receiving PHA by the deadline specified on form HUD-52665, it will contact the receiving PHA by phone, fax, or e-mail on the next business day. If the PHA fails to respond within 10 business days of BHA's contact or attempted contact, or reports that the family is not yet under HAP contract, BHA will inform the receiving PHA that it may not honor a late billing submission and may return any subsequent billings that it receives on behalf of the family. BHA will send the receiving PHA a written confirmation of its decision by mail.

Monthly Billing Payments [24 CFR 982.355(e), Notice PIH 2008-43]

If the receiving PHA is administering the family's voucher, the initial PHA is responsible for making billing payments in a timely manner. The first billing amount is due within 30 calendar days after the initial PHA receives Part II of form HUD-52665 from the receiving PHA. Subsequent payments must be **received** by the receiving PHA no later than the fifth business day of each month. The payments must be provided in a form and manner that the receiving PHA is able and willing to accept.

The initial PHA may not terminate or delay making payments under existing portability billing arrangements as a result of over-leasing or funding shortfalls. The PHA must manage its tenant-based program in a manner that ensures that it has the financial ability to provide assistance for families that move out of its jurisdiction under portability and are not absorbed by receiving PHAs as well as for families that remain within its jurisdiction.

BHA Policy

BHA will process the initial payment to the receiving PHA within 30-calendar days of receipt of HUD-52665. Subsequent payments will be made monthly, on or before the 5th working day of the month.

Annual Updates of Form HUD-50058

If the initial PHA is being billed on behalf of a portable family, it should receive an updated form HUD-50058 each year from the receiving PHA. If the initial PHA fails to receive an updated 50058 by the family's annual reexamination date, the initial PHA should contact the receiving PHA to verify the status of the family.

Denial or Termination of Assistance [24 CFR 982.355(c)(9)]

If the initial PHA has grounds for denying or terminating assistance for a portable family that has not been absorbed by the receiving PHA, the initial PHA may act on those grounds at any time. (For PHA policies on denial and termination, see Chapters 3 and 12, respectively.)

10-II.C. RECEIVING PHA ROLE

If a family has a right to lease a unit in the receiving PHA's jurisdiction under portability, the receiving PHA must provide assistance for the family [24 CFR 982.355(10)].

The receiving PHA's procedures and preferences for selection among eligible applicants do not apply, and the receiving PHA's waiting list is not used [24 CFR 982.355(10)]. However, the family's unit, or voucher, size is determined in accordance with the subsidy standards of the receiving PHA [24 CFR 982.355(7)], and the amount of the family's housing assistance payment is determined in the same manner as for other families in the receiving PHA's voucher program [24 CFR 982.355(e)(2)].

Initial Contact with Family

When a family moves into the PHA's jurisdiction under portability, the family is responsible for promptly contacting the PHA and complying with the PHA's procedures for incoming portable families [24 CFR 982.355(c)(3)].

If the voucher issued to the family by the initial PHA has expired, the receiving PHA does not process the family's paperwork but instead refers the family back to the initial PHA [Notice PIH 2008-43].

When a portable family requests assistance from the receiving PHA, the receiving PHA must promptly inform the initial PHA whether the receiving PHA will bill the initial PHA for assistance on behalf of the portable family or will absorb the family into its own program [24 CFR 982.355(c)(5)]. If the PHA initially bills the initial PHA for the family's assistance, it may later decide to absorb the family into its own program [Notice PIH 2008-43]. (See later under "Absorbing a Portable Family" for more on this topic.)

BHA Policy

Within 10 business days after a portable family requests assistance, BHA will notify the initial PHA whether it intends to bill the receiving PHA on behalf of the portable family or absorb the family into its own program.

If for any reason the receiving PHA refuses to process or provide assistance to a family under the portability procedures, the family must be given the opportunity for an informal review or hearing [Notice PIH 2008-43]. (For more on this topic, see later under "Denial or Termination of Assistance.")

Briefing

HUD allows the receiving PHA to require a briefing for an incoming portable family as long as the requirement does not unduly delay the family's search [Notice PIH 2008-43].

BHA Policy

BHA will ~~not~~ require the family to attend an individual or group briefing. BHA will provide the family with a briefing packet (as described in Chapter 5) and will orally inform the family about BHA's payment and subsidy standards, procedures for requesting approval of a unit, the unit inspection process, and the leasing process.

Income Eligibility and Reexamination

HUD allows the receiving PHA to conduct its own income reexamination of a portable family [24 CFR 982.355(c)(4)]. However, the receiving PHA may not delay voucher issuance or unit approval until the reexamination process is complete unless the reexamination is necessary to determine that an applicant family is income eligible for admission to the program in the area where the family wishes to lease a unit [Notice PIH 2008-43, 24 CFR 982.201(b)(4)]. The receiving PHA does not re-determine income eligibility for a portable family that was already receiving assistance in the initial PHA's voucher program [24 CFR 982.355(c)(1)].

BHA Policy

BHA will require every family moving into the jurisdiction to complete a "Personal Declaration". BHA will compare the information reported on the Personal Declaration to the information on the 50058 from the initial PHA. If there are no discrepancies, BHA will base assistance on information provided by the initial PHA.

If there are discrepancies in the household composition or income, BHA will

- a) Return the packet to the initial PHA for revision;
- b) Update the information (i.e. apply new SS/SSI benefit amount); or
- c) Conduct a new reexamination (i.e. the family was employed out of State before moving to BHA's jurisdiction) BHA will allow the family to begin its housing search, while BHA conducts a reexamination.

In conducting its own reexamination, BHA will rely upon any verifications provided by the initial PHA to the extent that they (a) accurately reflect the family's current circumstances and (b) were obtained within the last 120 days. Any new information may be verified by documents provided by the family and adjusted, if necessary, when third party verification is received.

Depending on the stability of the income at the time the portability request is processed, BHA may ask the family to complete a new Personal Declaration, and report current income 90-days after the start of tenancy. This may trigger a revision in the family rent portion.

Voucher Issuance

When a family moves into its jurisdiction under portability, the receiving PHA is required to issue the family a voucher [24 CFR 982.355(b)(6)]. The family must submit a request for

tenancy approval to the receiving PHA during the term of the receiving PHA's voucher [24 CFR 982.355(c)(6)].

Timing of Voucher Issuance

HUD expects the receiving PHA to issue the voucher within two weeks after receiving the family's paperwork from the initial PHA if the information is in order, the family has contacted the receiving PHA, and the family complies with the receiving PHA's procedures [Notice PIH 2008-43].

BHA Policy

When a family ports into its jurisdiction, BHA will issue the family a voucher based on the paperwork provided by the initial PHA unless the family's paperwork from the initial PHA is incomplete, the family's voucher from the initial PHA has expired or the family does not comply with BHA's procedures. BHA will update the family's information when verification has been completed.

Voucher Term

The term of the receiving PHA's voucher may not expire before the term of the initial PHA's voucher [24 CFR 982.355(c)(6)].

BHA Policy

BHA's voucher will not expire earlier than 30 calendar days from the expiration date of the initial PHA's voucher term. (*Ref: Letter to PHA ED's dated 9/15/2015*)

Voucher Extensions [24 CFR 982.355(c)(6), Notice 2008-43]

The receiving PHA may provide additional search time to the family beyond the expiration date of the initial PHA's voucher; however, if it does so, it must inform the initial PHA of the extension. It must also bear in mind the billing deadline provided by the initial PHA. Unless willing and able to absorb the family, the receiving PHA should ensure that any voucher expiration date would leave sufficient time to process a request for tenancy approval, execute a HAP contract, and deliver the initial billing to the initial PHA.

BHA Policy

BHA generally will not extend the term of the voucher that it issues to an incoming portable family unless BHA plans to absorb the family into its own program, in which case it will follow the policies on voucher extension set forth in section 5-II.E.

BHA will consider an exception to this policy as a reasonable accommodation to a person with disabilities (see Chapter 2).

If BHA is issuing the family a voucher whose term extends beyond the date of the initial PHA's voucher, BHA will inform the family that the extension of search time provided by BHA's voucher is only valid for the family's search in BHA's.

Notifying the Initial PHA

The receiving PHA must promptly notify the initial PHA if the family has leased an eligible unit under the program or if the family fails to submit a request for tenancy approval for an eligible

unit within the term of the receiving PHA's voucher [24 CFR 982.355(c)(8)]. The receiving PHA is required to use Part II of form HUD-52665, Family Portability Information, for this purpose [24 CFR 982.355(e)(5), Notice PIH 2008-43]. (For more on this topic and the deadline for notification, see below under "Administering a Portable Family's Voucher.")

If an incoming portable family ultimately decides not to lease in the jurisdiction of the receiving PHA but instead wishes to return to the initial PHA's jurisdiction or to search in another jurisdiction, the receiving PHA must refer the family back to the initial PHA. In such a case the voucher of record for the family is once again the voucher originally issued by the initial PHA. Any extension of search time provided by the receiving PHA's voucher is only valid for the family's search in the receiving PHA's jurisdiction [Notice PIH 2008-43].

Administering a Portable Family's Voucher

Initial Billing Deadline

If a portable family's search for a unit is successful and the receiving PHA intends to administer the family's voucher, the receiving PHA must submit its initial billing notice (Part II of form HUD-52665) (a) no later than 10 business days following the date the receiving PHA **executes** a HAP contract on behalf of the family **and** (b) in time that the notice will be **received** no later than 90 days following the expiration date of the family's voucher issued by the initial PHA [Notice PIH 2008-43]. A copy of the family's form HUD-50058, Family Report, completed by the receiving PHA must be attached to the initial billing notice. The receiving PHA may send these documents by mail, fax, or e-mail.

BHA Policy

BHA will send its initial billing notice by fax or e-mail, if necessary, to meet the billing deadline but will also send the notice by regular mail.

If the receiving PHA fails to send the initial billing within 10 business days following the date the HAP contract is executed, it is required to absorb the family into its own program unless (a) the initial PHA is willing to accept the late submission or (b) HUD requires the initial PHA to honor the late submission (e.g., because the receiving PHA is overleased) [Notice PIH 2008-43].

Ongoing Notification Responsibilities [Notice PIH 2008-43, HUD-52665]

Annual Reexamination. The receiving PHA must send the initial PHA a copy of a portable family's updated form HUD-50058 after each annual reexamination for the duration of time the receiving PHA is billing the initial PHA on behalf of the family, regardless of whether there is a change in the billing amount.

BHA Policy

BHA will send a copy of the updated HUD-50058 by regular mail at the same time BHA and owner are notified of the reexamination results.

Change in Billing Amount. The receiving PHA is required to notify the initial PHA, using form HUD-52665, of any change in the billing amount for the family as a result of:

- A change in the HAP amount (because of a reexamination, a change in the applicable payment standard, a move to another unit, etc.)
- An abatement or subsequent resumption of the HAP payments
- Termination of the HAP contract

- Payment of a damage/vacancy loss claim for the family
- Termination of the family from the program

The timing of the notice of the change in the billing amount should correspond with the notification to the owner and the family in order to provide the initial PHA with advance notice of the change. Under no circumstances should the notification be later than 10 business days following the effective date of the change in the billing amount. If the receiving PHA fails to send Form HUD-52665 within 10 days of effective date of billing changes, the initial PHA is not responsible for any increase prior to notification.

Late Payments [Notice PIH 2008-43]

If the initial PHA fails to make a monthly payment for a portable family by the fifth business day of the month, the receiving PHA must promptly notify the initial PHA in writing of the deficiency. The notice must identify the family, the amount of the billing payment, the date the billing payment was due, and the date the billing payment was received (if it arrived late). The receiving PHA must send a copy of the notification to the Office of Public Housing (OPH) in the HUD area office with jurisdiction over the receiving PHA. If the initial PHA fails to correct the problem by the second month following the notification, the receiving PHA may request by memorandum to the director of the OPH with jurisdiction over the receiving PHA that HUD transfer the unit in question. A copy of the initial notification and any subsequent correspondence between the PHAs on the matter must be attached. The receiving PHA must send a copy of the memorandum to the initial PHA. If the OPH decides to grant the transfer, the billing arrangement on behalf of the family ceases with the transfer, but the initial PHA is still responsible for any outstanding payments due to the receiving PHA.

Overpayments [Notice PIH 2008-43]

In all cases where the receiving PHA has received billing payments for billing arrangements no longer in effect, the receiving PHA is responsible for returning the full amount of the overpayment (including the portion provided for administrative fees) to the initial PHA.

In the event that HUD determines billing payments have continued for at least three months because the receiving PHA failed to notify the initial PHA that the billing arrangement was terminated, the receiving PHA must take the following steps:

- Return the full amount of the overpayment, including the portion provided for administrative fees, to the initial PHA.
- Once full payment has been returned, notify the Office of Public Housing in the HUD area office with jurisdiction over the receiving PHA of the date and the amount of reimbursement to the initial PHA.

At HUD's discretion, the receiving PHA will be subject to the sanctions spelled out in Notice PIH 2008-43.

Denial or Termination of Assistance

At any time, the receiving PHA may make a determination to deny or terminate assistance to a portable family for family action or inaction [24 CFR 982.355(c)(9), 24 CFR 982.355(c)(10)].

In the case of a termination, the PHA should provide adequate notice of the effective date to the initial PHA to avoid having to return a payment. In no event should the receiving PHA fail to

notify the initial PHA later than 10 business days following the effective date of the termination of the billing arrangement [Notice PIH 2008-43].

BHA Policy

If BHA elects to deny or terminate assistance for a portable family, BHA will notify the initial PHA within 10 business days after the informal review or hearing if the denial or termination is upheld. BHA will base its denial or termination decision on the policies set forth in Chapter 3 or Chapter 12, respectively. The informal review or hearing will be held in accordance with the policies in Chapter 16. BHA will furnish the initial PHA with a copy of the review or hearing decision.

Absorbing a Portable Family

The receiving PHA may absorb an incoming portable family into its own program when the PHA executes a HAP contract on behalf of the family or at any time thereafter providing that (a) the PHA has funding available under its annual contributions contract (ACC) and (b) absorbing the family will not result in overleasing [24 CFR 982.355(d)(1), Notice PIH 2008-43].

If the receiving PHA absorbs a family from the point of admission, the admission will be counted against the income targeting obligation of the receiving PHA [24 CFR 982.201(b)(2)(vii)].

If the receiving PHA absorbs a family after providing assistance for the family under a billing arrangement with the initial PHA, HUD encourages the receiving PHA to provide adequate advance notice to the initial PHA to avoid having to return an overpayment. The receiving PHA must specify the effective date of the absorption of the family [Notice PIH 2008-43].

BHA Policy

If BHA decides to absorb a portable family upon the execution of a HAP contract on behalf of the family, BHA will notify the initial PHA by the initial billing deadline specified on form HUD-52665. The effective date of the HAP contract will be the effective date of the absorption.

If BHA decides to absorb a family after that, it will provide the initial PHA with 30 days' advance notice.

Following the absorption of an incoming portable family, the family is assisted with funds available under the consolidated ACC for the receiving PHA's voucher program [24 CFR 982.355(d)], and the receiving PHA becomes the initial PHA in any subsequent moves by the family under portability.

Chapter 11

REEXAMINATIONS

INTRODUCTION

BHA is required to reexamine each family's income and composition at least annually, and to adjust the family's level of assistance accordingly. Interim reexaminations are also needed in certain situations. This chapter discusses both annual and interim reexaminations, and the recalculation of family share and subsidy that occurs as a result. HUD regulations and BHA policies concerning reexaminations are presented in three parts:

Part I: Annual Reexaminations. This part discusses the process for conducting annual reexaminations.

Part II: Interim Reexaminations. This part details the requirements for families to report changes in family income and composition between annual reexaminations.

Part III: Recalculating Family Share and Subsidy Amount. This part discusses the recalculation of family share and subsidy amounts based on the results of annual and interim reexaminations.

Policies governing reasonable accommodation, family privacy, required family cooperation, and program abuse, as described elsewhere in this plan, apply to both annual and interim reexaminations.

PART I: ANNUAL REEXAMINATIONS

[24 CFR 982.516, Notices PIH 2013-03 (HA), PIH 2013-04 (HA)]

11-I.A. OVERVIEW

BHA must conduct a reexamination of family income and composition at least annually. This includes gathering and verifying current information about family composition, income, and expenses. Based on this updated information, the family's income and rent must be recalculated.

PHAs may opt to conduct a streamlined reexamination of income for elderly families and disabled families when 100 percent of the family's income consists of fixed income. In a streamlined reexamination, PHAs will recalculate family incomes by applying any published cost of living adjustments to the previously verified income amount.

This part discusses the schedule for annual reexaminations, the information to be collected and verified, and annual reexamination effective dates.

BHA Policy

BHA opts to conduct a full annual reexamination for all households participating in the Section 8 Program until further notice.

However, BHA reserves the right to conduct a streamlined reexamination of income for elderly families and disabled families when 100 percent of the family's income consists of fixed income.

At that point, BHA will recalculate family incomes by applying any published cost of living adjustments to the previously verified income amount.

The term ‘fixed income’ includes income from:

1. Social Security payments to include Supplemental Security Income (SSI) and Supplemental Security Disability Insurance (SSDI);
2. Federal, State, local, and private pension plans; and
3. Other periodic payments received from annuities, insurance policies, retirement funds, disability or death benefits, and other similar types of periodic receipts that are of substantially the same amounts from year to year.

Per HUD Notice 2016-05 “Streamlining Administrative Regulations for Programs Administered by Public Housing Agencies:

For the second income determination involving a family member whose income was adjusted previously using a streamlined income determination, the adjustment would be made to the previously determined income amount (i.e., in year two, the COLA is applied to the year one income amount, as previously adjusted by a COLA).

For any family member whose income is determined pursuant to a streamlined income determination, *third-party verification of all income amounts for all family members must be performed at least every three years*. This means that, for the third income determination involving a family member whose income had been adjusted twice using a streamlined income determination, the PHA would need to obtain third-party verification of *all* income amounts.

This also means that if a family member with a fixed-income source is added to the family during year two, for example, then the PHA must obtain third-party verification of all income amounts for that family member at the next reexamination if the PHA wishes to have all family members with fixed incomes on the same schedule with respect to streamlined annual reexaminations.

11-I.B. SCHEDULING ANNUAL REEXAMINATIONS

BHA must establish a policy to ensure that the annual reexamination for each family is completed *within* a 12-month period, and may require reexaminations more frequently [HCV GB p. 12-1].

BHA Policy

BHA will begin the annual reexamination process 90-120 days in advance of its scheduled effective date. Generally, BHA will schedule annual reexamination effective dates to coincide with the family’s anniversary date.

Anniversary date is defined as 12 months from the effective date of the family's last annual reexamination, including a new admission or unit transfer (e.g. February 1st is the anniversary date for an Initial contract that became effective on February 12th).

BHA also may schedule an annual reexamination for completion prior to the anniversary date for administrative purposes.

Notification of and Participation in the Annual Reexamination Process

BHA is required to obtain the information needed to conduct annual reexaminations. How that information will be collected is left to the discretion of the PHA. However, PHAs should give tenants who were not provided the opportunity the option to complete Form HUD-90026 at this time [Notice PIH 2009-36].

BHA Policy

Families generally are required to participate in an annual reexamination by mail or in-office interview. If participation in an in-person interview poses a hardship because of a family member's disability, the family should contact BHA to request a reasonable accommodation (see Chapter 2).

Notification of annual reexamination process will be sent by first-class mail and will contain the date, time, and location of the interview, or where the recertification packet must be returned. In addition, it will inform the family of the information and documentation that must be provided.

If the family is unable to attend a scheduled interview or submit the packet by the date specified, the family should contact BHA as soon as possible to make other arrangements. If a family does not attend the scheduled interview, return the packet, or contact BHA to make other arrangements, BHA will send a second notification with a new timeline.

If a family fails to complete the annual recertification process after two attempts without BHA approval, or if the notice is returned by the post office with no forwarding address, a notice of termination (see Chapter 12) will be sent to the family's address of record, the family's declared "emergency contact", and to any alternate address provided in the family's file.

An advocate, interpreter, or other assistant may assist the family in the interview process. The family and BHA must execute a certification attesting to the role and assistance of any such third party.

11-I.C. CONDUCTING ANNUAL REEXAMINATIONS

As part of the annual reexamination process, families are required to provide updated information to BHA regarding the family's income, expenses, and composition [24 CFR 982.551(b)].

BHA Policy

Families will be asked to bring all required information (as described in the reexamination notice) to the reexamination appointment. The required information will include a BHA-designated reexamination form, an Authorization for the Release of

Information/Privacy Act Notice, as well as supporting documentation related to the family's income, expenses, and family composition.

Any required documents or information that the family is unable to provide at the time of the interview must be provided within 10 business days of the interview. If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.

If the family does not provide the required documents or information within the required time frame (plus any extensions), the family will be sent a notice of termination (See Chapter 12).

The information provided by the family generally must be verified in accordance with the policies in Chapter 7. Unless the family reports a change, or the agency has reason to believe a change has occurred in information previously reported by the family, certain types of information that are verified at admission typically do not need to be re-verified on an annual basis. These include:

- Legal identity
- Age
- Social security numbers
- A person's disability status
- Citizenship or immigration status

If adding a new BHA approved family member to the unit causes overcrowding according to the Housing Quality Standards (HQS) (see Chapter 8), BHA must issue the family a new voucher, and the family and BHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, BHA must terminate the HAP contract in accordance with its terms [24 CFR 982.403].

11-I.D. DETERMINING ONGOING ELIGIBILITY OF CERTAIN STUDENTS [24 CFR 982.552(b)(5)]

Section 327 of Public Law 109-115 established new restrictions on the ongoing eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled in an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be reexamined along with the income eligibility of the student's parents on an annual basis. In these cases, both the student and the student's parents must be income eligible for the student to continue to receive HCV assistance. If, however, a student in these circumstances is determined independent from his or her parents in accordance with BHA policy, the income of the student's parents will not be considered in determining the student's ongoing eligibility.

Students who reside with parents in an HCV assisted unit are not subject to this provision. It is limited to students who are receiving assistance on their own, separately from their parents.

BHA Policy

During the annual reexamination process, BHA will determine the ongoing eligibility of each student who is subject to the eligibility restrictions in 24 CFR 5.612 by reviewing

the student's individual income as well as the income of the student's parents. If the student has been determined "independent" from his/her parents based on the policies in Sections 3-II.E and 7-II.E, the parents' income will not be reviewed.

If the student is no longer income eligible based on his/her own income or the income of his/her parents, the student's assistance will be terminated in accordance with the policies in Section 12-I.D.

If the student continues to be income eligible based on his/her own income and the income of his/her parents (if applicable), BHA will process a reexamination in accordance with the policies in this chapter.

11-I.E. EFFECTIVE DATES

BHA must establish policies concerning the effective date of changes that result from an annual reexamination [24 CFR 982.516].

BHA Policy

In general, an *increase* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date, and the family will be notified at least 30 days in advance.

If less than 30 days remain before the scheduled effective date, the increase will take effect on the first of the month following the end of the 30-day notice period.

If a family moves to a new unit, the increase will take effect on the effective date of the new lease and HAP contract, and no 30-day notice is required.

If the family causes a delay in processing the annual reexamination, *increases* in the family share of the rent will be applied retroactively, to the scheduled effective date of the annual reexamination. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

In general, a *decrease* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date.

If a family moves to a new unit, the decrease will take effect on the effective date of the new lease and HAP contract.

If the family causes a delay in processing the annual reexamination, *decreases* in the family share of the rent will be applied prospectively, from the first day of the month following completion of the reexamination processing.

If the change in income resulting in the lower family rent share is permanent (i.e. a change in SSI benefits), BHA will make the change effective the following month, and adjust the date for the next annual reexamination.

Delays in reexamination processing are considered to be caused by the family if the family fails to provide information requested by BHA that is, or should be readily available to the family at no cost, by the date specified, and this delay prevents BHA from completing the reexamination as scheduled.

PART II: INTERIM REEXAMINATIONS [24 CFR 982.516]

11-II.A. OVERVIEW

Family circumstances may change throughout the period between annual reexaminations. HUD and BHA policies dictate what kinds of information about changes in family circumstances must be reported, and under what circumstances BHA must process interim reexaminations to reflect those changes. HUD regulations also permit BHA to conduct interim reexaminations of income or family composition at any time. When an interim reexamination is conducted, only those factors that have changed are verified and adjusted [HCV GB, p. 12-10].

In addition to specifying what information the family must report, HUD regulations permit the family to request an interim determination if other aspects of the family's income or composition changes. BHA must complete the interim reexamination within a reasonable time after the family's request.

This part includes HUD and BHA policies describing what changes families are required to report, what changes families may choose to report, and how BHA will process interim reexaminations initiated by both BHA- and the family.

11-II.B. CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION

BHA must adopt policies prescribing when and under what conditions the family must report changes in family composition. However, due to family obligations under the program, BHA has limited discretion in this area.

BHA Policy

BHA will conduct interim reexaminations to account for any changes in household composition that occur between annual reexaminations.

New Family Members Not Requiring Approval

The addition of a family member as a result of birth, adoption, or court-awarded custody does not require BHA approval. However, the family is required to promptly notify the PHA of the addition [24 CFR 982.551(h)(2)].

BHA Policy

The family must inform BHA of the birth, adoption or court-awarded custody of a child within 10 business days.

When any new family member is added, BHA will conduct a reexamination to determine any new income or deductions associated with the additional family member, and to make appropriate adjustments in the family share of the rent and the HAP payment [24 CFR 982.516(e)].

If a change in family size causes a violation of Housing Quality Standards (HQS) space standards (see Chapter 8), BHA must issue the family a new voucher, and the family and BHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, BHA must terminate the HAP contract in accordance with its terms [24 CFR 982.403].

New Family and Household Members Requiring Approval

With the exception of children who join the family as a result of birth, adoption, or court-awarded custody, a family must request BHA approval to add a new family member [24 CFR 982.551(h)(2)] or other household member (live-in aide or foster child) [24 CFR 982.551(h)(4)].

When any new family member is added, BHA must conduct a reexamination to determine any new income or deductions associated with the additional family member, and to make appropriate adjustments in the family share of the rent and the HAP payment [24 CFR 982.516(e)].

If a change in family size causes a violation of Housing Quality Standards (HQS) space standards (see Chapter 8), BHA must issue the family a new voucher, and the family and BHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, BHA must terminate the HAP contract in accordance with its terms [24 CFR 982.403].

BHA Policy

BHA will process and approve a request to add:

- a. Children who join the family as the result of birth, adoption, or court awarded custody.
- b. A spouse/partner, subject to criminal background clearance
- c. A foster child or foster adult if it does not necessitate an increase in the bedroom size, or preservation of a bedroom no longer required to adequately house the assisted family; and
- d. A Live-in aide, subject to BHA's Reasonable Accommodation process and criminal background clearance.

Except as described above, BHA will not approve the addition of a new family or household member unless the person is

- a. A relative (blood or marriage) that is elderly (62 or older) and meets BHA's eligibility criteria (see Chapter 3); or
- b. A minor (under 18), whose sole or primary support is provided by the head of household; and
- c. The individual added (elderly or minor) is not claimed on the income tax of anyone outside the assisted household.

When adding a family member by birth, adoption, or court-awarded custody of a child, the family must provide BHA with documentation determined by BHA to be sufficient to verify the relationship.

BHA will make its determination within 10 business days of receiving all information required to verify the individual's eligibility.

This approval process serves to include the new member in the household composition for the Voucher; owner approval is required to add the individual to the household composition of the rental lease

Departure of a Family or Household Member

Families must promptly notify BHA if any family member no longer lives in the unit

[24 CFR 982.551(h)(3)]. Because household members are considered when determining the family unit (voucher) size [24 CFR 982.402], BHA also needs to know when any live-in aide, foster child, or foster adult ceases to reside in the unit.

BHA Policy

If an adult household member was requested to be removed from their household, BHA will not allow them to be added back into the household unless they are disabled or elderly. For those that are requesting to be added back into the household but are not elderly or disabled, the Executive Director will evaluate, on a case by case basis, and consider overall circumstances of each request before coming to a final decision.

If a household member dies or ceases to reside in the unit, the family must inform BHA within 10 business days. This requirement also applies to a family member who has been considered temporarily absent at the point that the absence exceeds 30 days

If a family member ceases to live in the unit through divorce, separation, hospitalization, incarceration, or any other circumstance(s), the family must notify BHA in writing within 10 business days. See Chapter 7 for more information on “Separation or Divorce.”

If a live-in aide, foster child, or foster adult ceases to reside in the unit as his/her sole residence, the family must inform BHA within 10 business days.

Qualifying full-time students living on campus, are not considered departed family or household members, and during the time that qualified students (full time enrollment status, living in a dorm), the voucher size will not be downsized.

Removal of Spouse from Household

There is a presumed, legal obligation for a legal spouse to provide financially for his/her spouse. When responding to a request to **permanently** remove a spouse from the household, BHA will require one or more of the following:

- Written statement from the family indicating that the removal is permanent
- Evidence that a divorce application has been submitted or is final
- Copy of a death certificate
- Certified copy of the most recent tax return.

Family Breakup

If a family break-up occurs whereby there are two or more families created from the original household, “successor families,” in which there is at least one adult member, and both families wish to retain Section 8 assistance, in the absence of a judicial decision, or an agreement among the original family members, BHA will determine which family retains their placement on the waiting list, or will continue to receive assistance taking into consideration the following factors:

- (1) interest of any minor children, including custody arrangements,
- (2) the interest of any ill, elderly, or disabled family members,
- (3) any possible risks to family members as a result of domestic violence, sexual assault, dating violence, stalking, or criminal activity, and

(4) the recommendations of social service professionals.

BHA will terminate the assistance of the voucher holder who has moved from the assisted unit, and issue the selected successor family a new Housing Choice Voucher. BHA will consider any mitigating factors that may have caused the individual to move from the unit (such as actual or threatened domestic violence, sexual assault, dating violence, or stalking). The recertified successor family may use the new Voucher for any appropriately-sized approvable Section 8 unit including the family's current unit, provided it is approvable.

If BHA, in its sole discretion, determines that the facts of the family breakup are such that the priorities listed above cannot be successfully applied to help determine how to equitably allocate the assistance, BHA will either require supporting documentation from outside agencies familiar with the family's situation (social worker, mental health professional, case manager, medical care provider, police department, women's shelter staff, etc.), or use its best judgment to allocate the assistance equitably.

NOTE: only one unit of housing assistance (i.e. one application on the waiting list, or one Section 8 Voucher, or one Project Based unit) will be granted.

11-II.C. CHANGES AFFECTING INCOME OR EXPENSES

Interim reexaminations can be scheduled either because BHA has reason to believe that changes in income or expenses may have occurred, or because the family reports a change. When a family reports a change, BHA may take different actions depending on whether the family reported the change voluntarily, or because it was required to do so.

BHA-Initiated Interim Reexaminations

BHA-initiated interim reexaminations are those that are scheduled based on circumstances or criteria defined by BHA. They are not scheduled because of changes reported by the family.

BHA Policy

BHA will conduct interim reexaminations in each of the following instances:

For families receiving the Earned Income Disallowance (EID), at the start and conclusion of the second 12 month exclusion period (50 percent phase-in period).

The family is a participant in the Family Self Sufficiency Program and experiences a change in income.

The family experiences an increase in monthly income greater than \$500 within 30-days of the annual recertification

If at the time of the last annual or interim reexamination, the family rent portion was \$0 and/or the family was receiving a utility reimbursement.

Family-Initiated Interim Reexaminations

BHA must adopt policies prescribing when and under what conditions the family must report changes in family income or expenses [24 CFR 982.516(c)]. In addition, HUD regulations require that the family be permitted to obtain an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(b)(2)].

Alternate “year” employees

Where BHA can reasonably project the start and end of employment (i.e. educators, school yard supervisors; sports concession operators), BHA will utilize the best available information to annualize, and will not process an interim reexamination during standard “non-work” periods unless the individual resigns from the position, or receives notice that he/she has been terminated.

Loss/Reduction in Wages

If a family is reporting loss or a decrease in wages (duration of 30 or more consecutive days), BHA will require information as to the eligibility and estimated weekly benefit of unemployment insurance benefits or other wage continuation. If the information is not available within 7 calendar days, BHA will process the interim, and adjust the family rent portion the first of the next month (without 30-day notice of any increase).

Required Reporting

HUD regulations give BHA the freedom to determine the circumstances under which families will be required to report changes affecting income.

BHA Policy

Families are required to report permanent changes in income within 14 days of the change.

Optional Reporting

The family may request an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(b)(2)]. BHA must process the request if the family reports a change that will result in a reduced family income [HCV GB, p. 12-9].

If a family reports a decrease in income from the loss of welfare benefits due to fraud or non-compliance with a welfare agency requirement to participate in an economic self-sufficiency program, the family’s share of the rent will not be reduced [24 CFR 5.615]. For more information regarding the requirement to impute welfare income see Chapter 6.

BHA Policy

If a family reports a change that it was not required to report and that would result in an increase in the family share of the rent, BHA will note the information in the tenant file, but will not conduct an interim reexamination.

If a family reports a change that it was not required to report and that would result in a decrease in the family share of rent, BHA will conduct an interim reexamination. See Section 11-II.D. for effective dates.

Families may report changes in income or expenses at any time.

11-II.D. PROCESSING THE INTERIM REEXAMINATION

Method of Reporting

BHA Policy

The family must notify BHA of changes in writing except as a reasonable accommodation for a person with disabilities.

Generally, the family will not be required to attend an interview for an interim reexamination. However, if BHA determines that an interview is warranted, the family may be required to attend.

Based on the type of change reported, BHA will determine the documentation the family will be required to submit. The family must submit any required information or documents within 10 business days of receiving a request from BHA. This time frame may be extended for good cause with BHA approval. BHA will accept required documentation by mail, by fax, or in person.

Effective Dates

BHA must establish the time frames in which any changes that result from an interim reexamination will take effect [24 CFR 982.516(d)]. The changes may be applied either retroactively or prospectively, depending on whether there is to be an increase or a decrease in the family share of the rent, and whether the family reported any required information within the required time frames [HCV GB, p. 12-10].

BHA Policy

If the family share of the rent is to *increase*:

The increase generally will be effective on the first of the month following 30 days' notice to the family.

If a family fails to report a change within the required time frames, or fails to provide all required information within the required time frames, the increase will be applied retroactively, to the date it would have been effective had the information been provided on a timely basis. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

If the family share of the rent is to *decrease*:

The decrease will be effective on the first day of the month following the month in which the change was reported and all required documentation was submitted. If the household does not provide required documentation such as the Family Notice of Change or interim reexamination packet within 30 day of notifying BHA of the change, BHA will not process the interim. If the household provides the required documentation such as the Family Notice of Change or interim reexamination packet after 30 days of notifying BHA of the change, the change may not be retroactive, depending on BHA's HAP budget status at the time of submission of required forms and documentation, and will be processed effective the following month of submittal of required documentation.

PART III: RECALCULATING FAMILY SHARE AND SUBSIDY AMOUNT

11-III.A. OVERVIEW

After gathering and verifying required information for an annual or interim reexamination, BHA must recalculate the family share of the rent and the subsidy amount, and notify the family and owner of the changes [24 CFR 982.516(d)(2), HCV 12-6 and 12-10]. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

11-III.B. CHANGES IN PAYMENT STANDARDS AND UTILITY ALLOWANCES

In order to calculate the family share of the rent and HAP amount correctly, changes in payment standards, subsidy standards, or utility allowances may need to be updated and included in BHA's calculations.

Specific policies governing how subsidy standards, payment standards, and utility allowances are applied are discussed below.

Payment Standards [24 CFR 982.505]

The family share of the rent and HAP calculations must use the correct payment standard for the family, taking into consideration the family unit size, the size of unit, and the area in which the unit is located [HCV GB, p. 12-5]. See Chapter 6 for information on how to select the appropriate payment standard.

When BHA changes its payment standards or the family's situation changes, new payment standards are applied at the following times:

- If BHA's payment standard amount changes during the term of the HAP contract, the date on which the new standard is applied depends on whether the standard has increased or decreased:
 - If the payment standard amount has *increased*, the increased payment standard will be applied at the *first annual* reexamination following the effective date of the increase in the payment standard.
 - If the payment standard amount has *decreased*, the decreased payment standard will be applied only when the family moves from the unit occupied, as HUD permits PHA's to maintain the higher Payment Standard, for as long as the family occupies the unit with the higher Payment Standard, per PIH Notice 2018-01 "*Guidance on Recent Changes in Fair Market Rent (FMR), Payment Standard, and Rent Reasonableness Requirements in the Housing Choice Voucher Program*" as allowable under the Housing Opportunity Through Modernization Act, or HOTMA.
- If the family moves to a new unit, or a new HAP contract is executed due to changes in the lease (even if the family remains in place) the current payment standard applicable to the family will be used when the new HAP contract is processed.

Subsidy Standards [24 CFR 982.505(c)(4)]

If there is a change in the family unit size that would apply to a family during the HAP contract term, either due to a change in family composition, or a change in BHA's subsidy standards (see Chapter 5), the new family unit size must be used to determine the payment standard amount for the family at the family's *first annual* reexamination following the change in family unit size.

Utility Allowances [24 CFR 982.517(d)]

The family share of the rent and HAP calculations must reflect any changes in the family's utility arrangement with the owner, or in BHA's utility allowance schedule [HCV GB, p. 12-5]. Chapter 16 discusses how utility allowance schedules are established.

When there are changes in the utility arrangement with the owner, BHA must use the utility allowances in effect at the time the new lease and HAP contract are executed.

At reexamination, BHA must use the BHA current utility allowance schedule [24 CFR 982.517(d)(2)].

BHA Policy

Revised utility allowances will be applied to a family's rent and subsidy calculations at the first annual reexamination after the allowance is adopted.

11-III.C. NOTIFICATION OF NEW FAMILY SHARE AND HAP AMOUNT

BHA must notify the owner and family of any changes in the amount of the HAP payment [HUD-52641, HAP Contract]. The notice must include the following information [HCV GB, p. 12-6]:

- The amount and effective date of the new HAP payment
- The amount and effective date of the new family share of the rent
- The amount and effective date of the new tenant rent to owner

The family must be given an opportunity for an informal hearing regarding BHA's determination of their annual or adjusted income, and the use of such income to compute the housing assistance payment [24 CFR 982.555(a)(1)(i)] (see Chapter 16).

BHA Policy

The notice to the family will include the former and new contract rent, HAP payment and family rent share. The notice also will state the procedures for requesting an informal hearing. A copy of the worksheet showing how the family rent portion was determined will be attached to the family copy only.

11-III.D. DISCREPANCIES

During an annual or interim reexamination, BHA may discover that information previously reported by the family was in error, or that the family intentionally misrepresented information. In addition, BHA may discover errors made by BHA. When errors resulting in the overpayment or underpayment of subsidy are discovered, corrections will be made in accordance with the policies in Chapter 12.

Chapter 12

TERMINATION OF ASSISTANCE AND TENANCY

INTRODUCTION

HUD regulations specify the reasons for which BHA can terminate a family's assistance, and the ways in which such terminations must take place. They also dictate the circumstances under which an owner may terminate the tenancy of an assisted family. This chapter presents the policies that govern voluntary and involuntary terminations of assistance, and termination of tenancy by the owner. It is presented in three parts:

Part I: Grounds for Termination of Assistance. This part discusses various reasons that a family's assistance may be terminated, including voluntary termination by the family, termination because the family no longer qualifies to receive subsidy, and termination by BHA based on the family's behavior.

Part II: Approach to Termination of Assistance. This part describes the policies that govern how an involuntary termination takes place. It specifies the alternatives that BHA may consider in lieu of termination, the criteria BHA must use when deciding what action to take, and the steps BHA must take when terminating a family's assistance.

Part III: Termination of Tenancy by the Owner. This part presents the policies that govern the owner's right to terminate an assisted tenancy.

PART I: GROUNDS FOR TERMINATION OF ASSISTANCE

12-I.A. OVERVIEW

HUD requires BHA to terminate assistance for certain offenses and when the family no longer requires assistance. HUD permits BHA to terminate assistance for certain other actions family members take or fail to take. In addition, a family may decide to stop receiving HCV assistance at any time by notifying BHA.

12-I.B. FAMILY NO LONGER REQUIRES ASSISTANCE [24 CFR 982.455]

As a family's income increases, the amount of BHA subsidy goes down. If the amount of HCV assistance provided by BHA drops to zero and remains at zero for 6 months (or 180 consecutive calendar days) the family's assistance terminates automatically.

BHA Policy

If a participating family receiving zero assistance experiences a change in circumstances that would cause the HAP payment to rise above zero, the family must notify BHA of the changed circumstances and request an interim reexamination before the expiration of the 180-day period.

12-I.C. FAMILY CHOOSES TO TERMINATE ASSISTANCE

The family may request that BHA terminate the family's assistance at any time.

BHA Policy

The request to terminate assistance should be made in writing and signed by the head of household, spouse, or cohead. Before terminating the family's assistance, BHA will follow the notice requirements in Section 12-II.F.

12-I.D. MANDATORY TERMINATION OF ASSISTANCE

HUD requires BHA to terminate assistance in the following circumstances.

Eviction [24 CFR 982.552(b)(2), Pub.L. 109-162]

BHA must terminate assistance whenever a family is evicted from a unit assisted under the HCV program for a serious or repeated violation of the lease. However, BHA may not construe incidents of actual or threatened violence, dating violence, sexual assault, or stalking to be serious or repeated violations of the lease on the part of the VAWA victim, or a threatened VAWA victim.

BHA Policy

A family will be considered *evicted* if the family moves after a legal eviction order has been issued, whether or not physical enforcement of the order was necessary.

If a family moves after the owner has given the family an eviction notice for serious or repeated lease violations but before a legal eviction order has been issued, termination of assistance is not mandatory. However, BHA will determine whether the family has committed serious or repeated violations of the lease based on available evidence and may terminate assistance or take any of the alternative measures described in Section 12-II.C and other factors as described in Sections 12-II.E. Upon consideration of such alternatives and factors, BHA may, on a case-by-case basis, choose not to terminate assistance.

Serious and repeated lease violations will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criteria to be used is whether the reason for the eviction was through no fault of the tenant or guests.

Failure to Provide Consent [24 CFR 982.552(b)(3)]

BHA must terminate assistance if any family member fails to sign and submit any consent form they are required to sign for a reexamination. See Chapter 7 for a complete discussion of consent requirements.

Failure to Document Citizenship [24 CFR 982.552(b)(4) and [24 CFR 5.514(c)]

BHA must terminate assistance if (1) a family fails to submit required documentation within the required timeframe concerning any family member's citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family; or (3) a family member, as determined by the PHA, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit.

For (3) above, such termination must be for a period of at least 24 months. This does not apply to ineligible noncitizens already in the household where the family's assistance has been prorated. See Chapter 7 for a complete discussion of documentation requirements.

Failure to Provide Social Security Documentation [24 CFR 5.218(c)]

BHA must terminate assistance if a participant family fails to provide the documentation or certification required for any family member who obtains a social security number, joins the family, or reaches 6 years of age.

BHA will accept the following documents as evidence if the SSN is provided on the document:

- Identification card issued by a federal, state, or local agency, a medical insurance company or provider, or employer or trade union
- Payroll stubs
- Benefit award letters from government agencies; retirement benefit letters; life insurance policies
- Court records (real estate, tax notices, marriage and divorce, judgment or bankruptcy records).

Methamphetamine Manufacture or Production [24 CFR 982.553(b)(1)(ii)]

BHA must terminate assistance if any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally-assisted housing.

Erroneously admitted Sex Offender [HUD Notice 2012-28]

If an individual who is subject to lifetime registration as a sex offender is erroneously admitted, BHA must act to terminate assistance of the individual or the household.

Failure of Students to Meet Ongoing Eligibility Requirements [24 CFR 982.552(b)(5) and FR 4/10/06]

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have dependent children, is not residing with his/her parents in an HCV assisted household, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, BHA must terminate the student's assistance if, at the time of reexamination, either the student's income or the income of the student's parents (if applicable) exceeds the applicable income limit.

If a participant household consists of both eligible and ineligible students, the eligible students shall not be terminated, but must be issued a voucher to move with continued assistance in accordance with program regulations and BHA policies, or must be given the opportunity to lease in place if the terminated ineligible student members elect to move out of the assisted unit.

12-I.E. MANDATORY POLICIES AND OTHER AUTHORIZED TERMINATIONS

Mandatory Policies [24 CFR 982.553(b) and 982.551(l)]

HUD requires BHA to establish policies that permit BHA to terminate assistance if BHA determines that:

- Any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents

- Any household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents
- Any household member has violated the family's obligation not to engage in any drug-related criminal activity
- Any household member has violated the family's obligation not to engage in violent criminal activity

Use of Illegal Drugs and Alcohol Abuse

BHA Policy

BHA will terminate a family's assistance if any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

BHA will terminate assistance if any household member's abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

Currently engaged in is defined as any use of illegal drugs during the previous six months.

BHA will consider all credible evidence, including but not limited to, any record of convictions, or eviction of household members related to the use of illegal drugs or abuse of alcohol that threatens the health, safety, or peaceful enjoyment of the other residents.

In making its decision to terminate assistance, BHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, BHA may, on a case-by-case basis, choose not to terminate assistance.

Drug-Related and Violent Criminal Activity [24 CFR 5.100]

Drug means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

Drug-related criminal activity is defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug.

Violent criminal activity means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

BHA Policy

BHA will terminate a family's assistance if any household member has violated the family's obligation not to engage in any drug-related or violent criminal activity that threatens the health, safety, or peaceful enjoyment of the other residents during participation in the HCV program.

BHA will consider all credible evidence, including but not limited to, any record of convictions of household members related to drug-related or violent criminal activity, and

any eviction or notice to evict based on drug-related or violent criminal activity that threatens the health, safety, or peaceful enjoyment of the other residents.

In making its decision to terminate assistance, BHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Other Authorized Reasons for Termination of Assistance **[24 CFR 982.552(c), Pub.L. 109-162]**

HUD permits BHA to terminate assistance under a number of other circumstances. It is left to the discretion of BHA whether such circumstances in general warrant consideration for the termination of assistance. The Violence Against Women Reauthorization Act of 2013 explicitly prohibits PHAs from considering incidents or actual threatened domestic violence, dating violence, sexual assault, or stalking as reasons for terminating the assistance of a victim of such violence.

BHA Policy

BHA **will not** terminate a family's assistance because of the family's failure to meet its obligations under the Family Self-Sufficiency program.

BHA **will** terminate a family's assistance if:

The family has failed to comply with any family obligations under the program. See Exhibit 12-1 for a listing of family obligations and related BHA policies.

Any family member has been evicted from federally-assisted housing in the last five years.

Any PHA has ever terminated assistance under the program for any member of the family.

Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family currently owes rent or other amounts to any PHA in connection with the HCV, Certificate, Moderate Rehabilitation or public housing programs.

The family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.

The family has breached the terms of a repayment agreement entered into with the BHA.

A family member has engaged in or threatened violent or abusive behavior toward PHA personnel.

Abusive or violent behavior towards PHA personnel includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

Threatening refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to terminate assistance, BHA will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate assistance.

Family Absence from the Unit [24 CFR 982.312]

The family may be absent from the unit for brief periods. BHA must establish a policy on how long the family may be absent from the assisted unit. However, the family may not be absent from the unit for a period of more than 180 consecutive calendar days for any reason. Absence in this context means that no member of the family is residing in the unit.

See Chapter 3 “Eligibility” for further details on absence from a unit.

BHA Policy

A family is considered absent when no member of the family is residing in the assisted unit. BHA may use utility bills, statements from neighbors and landlords, visits to the unit, postal records, letters passports and other travel documents, and any other appropriate methods to determine whether the family or one or more family members is absent.

A family member absent from the assisted unit as a result of being enrolled as a student at an institution of higher education, as defined under section 102 of the Higher Education Act of 1965 (20 U.S.D. 1002), continues to be a family member unless and until the student establishes a separate household.

A family must notify BHA in writing, as soon as is reasonably practical, of the absence from the unit (for example, because of travel, hospitalization, imprisonment, etc.) of the entire family, or one or more family members, including a child or children placed in a foster home or otherwise removed from the home by governmental action as follows:

- a. Before the absence begins if a family knows or believes that the absence will be for more than a total of 30 days (irrespective of whether the days are consecutive or not) per consecutive 12 month period; or
- b. Upon the occurrence if, as a result of a change in circumstances, an anticipated absence from the unit of a total of 30 or fewer days per consecutive 12 month period becomes an absence of more than 30 days.

BHA will determine, on a case by case basis, whether adequate notice was given.

Insufficient Funding [24 CFR 982.454]

BHA may terminate HAP contracts if BHA determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

BHA Policy

BHA will determine whether there is sufficient funding to pay for currently assisted families according to the policies in Part VIII of Chapter 16. If BHA determines there is a

shortage of funding, prior to terminating any HAP contracts, BHA will determine if any other actions can be taken to reduce program costs. If after implementing all reasonable cost cutting measures there is not enough funding available to provide continued assistance for current participants, BHA will terminate HAP contracts as a last resort.

Prior to terminating any HAP contracts, BHA will inform the local HUD field office. BHA will terminate the minimum number needed in order to reduce HAP costs to a level within BHA's annual budget authority.

If BHA must terminate HAP contracts due to insufficient funding, BHA will do so as described in steps 1 through 7 below. The Project-Based Voucher Program and Moderate Rehabilitation Programs are excluded from participation in these voucher reductions.

Order of Voucher Terminations due to Insufficient Funds:

1. BHA will recall vouchers issued to applicants from the Section 8 Housing Choice Voucher waiting list who received a voucher but have not yet utilized the voucher.
2. In the event that BHA determines that funding remains insufficient after BHA has recalled the vouchers described immediately above, BHA will contact receiving PHAs to determine if they can absorb any of the outgoing contracts.
3. In the event that BHA determines the funding remains insufficient after BHA has acted as described immediately above, BHA will recall the vouchers of the "other singles" who are not currently occupying an assisted unit.
4. In the event that BHA determines that funding remains insufficient after BHA has recalled the vouchers described immediately above, BHA will identify the contracts where the HAP is less than \$200, and recall the vouchers.
5. In the event that BHA determines that funding remains insufficient after BHA has recalled the vouchers described immediately above, BHA will conduct a lottery and recall the vouchers of the "other singles" who are currently housed.
6. In the event that BHA determines that funding remains insufficient after BHA has recalled the vouchers described immediately above, BHA will conduct a lottery, and recall the vouchers of families (not elderly or disabled households).
7. In the event that BHA determines the funding remains insufficient after BHA has recalled the vouchers described immediately above, BHA will conduct a lottery and recall the vouchers of elderly and disabled households.

Families who have had their HAP contract terminated, or voucher recalled, will be placed at the top of the waiting list, in the order that their voucher has been recalled or terminated, to await the next available voucher. Families whose

voucher has been terminated will be placed on the wait list ahead of families whose voucher has been recalled.

PART II: APPROACH TO TERMINATION OF ASSISTANCE

12-II.A. OVERVIEW

BHA is required by regulation to terminate a family's assistance if certain program rules are violated. For other types of offenses, the regulations give the BHA the discretion to either terminate the family's assistance or to take another action. This part discusses the various actions BHA may choose to take when it has discretion, and outlines the criteria BHA will use to make its decision about whether or not to terminate assistance. It also specifies the requirements for the notice that must be provided before terminating assistance.

BHA will report all terminations for cause, and all assisted household debts to BHA, in HUD's "Debts Owed to PHAs and Terminations" module. Every assisted household member will receive general notice of BHA's intent to comply with HUD reporting requirements for nonperforming prior-program participants. In addition to the general notice, BHA will provide written notice to the household (at last known address) of any adverse report submitted to BHA.

12-II.B. METHOD OF TERMINATION [24 CFR 982.552(a)(3)]

The way in which BHA terminates assistance depends upon individual circumstances. HUD permits BHA to terminate assistance by:

- Terminating housing assistance payments under a current HAP contract,
- Refusing to approve a request for tenancy or to enter into a new HAP contract, or
- Refusing to process a request for or to provide assistance under portability procedures.

12-II.C. ALTERNATIVES TO TERMINATION OF ASSISTANCE

Change in Household Composition

As a condition of continued assistance, BHA may require that any household member who participated in or was responsible for an offense no longer resides in the unit [24 CFR 982.552(c)(2)(ii)].

BHA Policy

As a condition of continued assistance, the head of household must certify that the culpable family member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former family member's current address upon BHA request.

Repayment of Family Debts

BHA Policy

If a family owes amounts to BHA, as a condition of continued assistance, BHA will provide 30 days for the establishment of a “Repayment Agreement,” with the understanding that 25%-50% of the outstanding debt must be paid prior to the execution of the Agreement. The downpayment amount deemed affordable for the family will be determined through discussion between client and BHA. Monthly payment amount deemed affordable for the family will be determined through discussion between client and BHA. The term of Repayment Agreement can be as short as 12 months, through 60 months, and will be determined through discussion between client and BHA. No Repayment Agreement will extend beyond 60 months. See Chapter 16 for policies on repayment agreements.

BHA will not allow the family to transfer assistance outside the jurisdiction until the debt is paid in full.

In cases where a participant is disabled and owes funds to BHA, a Reasonable Accommodation will be considered to enter into a repayment agreement with different terms than described above.

Voluntary Participation in Intervention Strategies

BHA Policy

As a reasonable accommodation of a disabled person and other families in crisis, BHA will encourage participants to sign a release allowing BHA to make referrals to, and discuss strategies to preserve the rental housing subsidy, with agencies that serve low-income households, including but not limited to Berkeley Mental Health, Alameda County Adult and Senior Services (e.g. Adult Protective Services, Elder Abuse), Alameda County Department of Children and Youth Services (i.e. Child Protective Services).

12-II.D. CRITERIA FOR DECIDING TO TERMINATE ASSISTANCE

Evidence

For criminal activity, HUD permits BHA to terminate assistance if a *preponderance of the evidence* indicates that a household member has engaged in the activity, regardless of whether the household member has been arrested or convicted [24 CFR 982.553(c)].

BHA Policy

BHA will use the concept of the preponderance of the evidence as the standard for making all termination decisions.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not.

Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

Consideration of Circumstances [24 CFR 982.552(c)(2)(i)]

BHA is permitted, but not required, to consider all relevant circumstances when determining whether a family's assistance should be terminated.

BHA Policy

BHA will consider the following factors when making its decision to terminate assistance:

The seriousness of the case, especially with respect to how it affected, and would affect other residents

The evidence that there is a responsible family member, friend or case manager to help the family manage/avoid a repeat of the problem behavior

The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities or (as discussed further in section 12-II.E) a victim of domestic violence, dating violence, sexual assault, or stalking

The length of time since the violation occurred, the family's recent history and the likelihood of favorable conduct in the future

As evidence of the likelihood of favorable conduct in the future, BHA will consider all of the following: evidence of employment, education, participation in a work training program, participating in a counseling program, involvement in a community group, a certificate of rehabilitation from the state, and letters of support from parole or probation, case workers, clergy or community leaders.

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

BHA will require the participant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

In the case of program abuse, the dollar amount of the overpaid assistance and whether or not a false certification was signed by the family.

Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]

If the family includes a person with disabilities, BHA's decision to terminate the family's assistance is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

BHA Policy

If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of assistance, BHA will determine whether the behavior is related to the disability. If so, upon the family's request, BHA will determine whether alternative measures are appropriate as a reasonable accommodation. BHA will only consider accommodations that can reasonably be expected to address the behavior that is

the basis of the proposed termination of assistance. See Chapter 2 for a discussion of reasonable accommodation.

12-II.E. TERMINATING THE ASSISTANCE OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING VICTIMS AND PERPETRATORS [24 CFR 5.2005]

The Violence Against Women Reauthorization Act of 2013 (VAWA) provides that “criminal activity directly relating to domestic violence, dating violence, stalking, or sexual assault, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control shall not be a cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant’s family is the victim or threatened victim of that domestic violence, dating violence, stalking, or sexual assault.”

VAWA also gives PHAs the authority to “terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant.”

VAWA does not limit the authority of BHA to terminate the assistance of any participant if the PHA “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant is not evicted or terminated from assistance.”

BHA Policy

In determining whether a participant who is a victim of domestic violence, dating violence, sexual assault, or stalking is an actual and imminent threat to other tenants or those employed at or providing service to a property, BHA will consider the following, and any other relevant, factors:

- Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, stalking, or sexual assault

- Whether the threat is a physical danger beyond a speculative threat

- Whether the threat is likely to happen within a short period of time

- Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location

- Whether the family is willing to remove the alleged offender from the Voucher (the authorized household composition).

If the tenant wishes to contest BHA’s determination that he or she is an actual and imminent threat to other tenants or employees, the family may do so as part of the informal hearing process. Prior to terminating assistance based on any other of the "Other Authorized Reasons for Termination of Assistance," the PHA shall consider, as mitigating circumstances, whether domestic violence, dating violence, stalking, or sexual assault, played a role in causing the basis for termination of the victim's assistance.

If a participant is unwilling to exclude an alleged offender from the home, they will not be penalized for doing so, in light of the trauma that some domestic violence victims experience.

Depending on the situation, a tenant who violates program regulations by housing a person not authorized to reside in the unit could be covered by VAWA's anti-discrimination provisions, and eligible for remedies provided under VAWA.

Any eviction or termination of assistance, as provided in paragraph 24 CFR 5.2005 (d)(3) of this section, should be utilized by BHA, owner, or management agent only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence or develop other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents.

All termination notices will notify participants of VAWA's protections, and that they may seek an Informal Hearing if they believe that the termination is based on acts of domestic violence, dating violence, stalking, or sexual assault, committed against them.

BHA and the landlord cannot deny an applicant or evict/terminate assistance on the basis or as a direct result of having been a VAWA survivor.

In accordance with the PHA's Limited English Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

Any reported change in household income will be effective in the family rent portion the following month.

Victim Documentation

BHA Policy

When a participant family is facing assistance termination because of the actions of a participant, household member, guest, or other person under the participant's control and a participant or immediate family member of the participant's family claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, stalking, or sexual assault, BHA will request in writing that the individual submit documentation affirming that claim. The written request will include explicit instructions on where, when, and to whom the documentation must be submitted. It will also state the consequences for failure to submit the documentation by the deadline.

The documentation will consist of a completed and signed form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking. In lieu of the certification form, BHA will accept either of the following forms of documentation:

- A police or court record documenting the actual or threatened abuse

- Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical or other knowledgeable professional.

- The person signing the documentation must attest under penalty of perjury to the

person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

Administrative record

Statement of other evidence, at the discretion of the housing authority (e.g. emails, texts, social media posts)

The survivor may choose the documentation option except when there is conflicting evidence.

BHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice.

The individual claiming victim status must submit the requested documentation within 14 business days after receipt of BHA's written request or must request an extension within that time frame. BHA may, at its discretion, extend the deadline for 10 business days.

If the individual provides the requested documentation within 14 business days, or any BHA-approved extension, BHA will reconsider its termination decision in light of the documentation.

If the individual does not provide the requested documentation within 14 business days, or any BHA-approved extension, BHA will proceed with termination of the family's assistance in accordance with applicable law, program regulations, and the policies in this plan.

An individual's failure to timely provide documentation of domestic violence, dating violence, sexual assault, or stalking does not result in a waiver of the individual's right to challenge the denial of assistance or termination, or does it preclude the individual's ability to raise an incident of domestic violence, dating violence, sexual assault, or stalking at eviction or termination proceedings.

Terminating the Assistance of a Domestic Violence Perpetrator [24 CFR 5.2005(c)]

Although VAWA provides assistance termination protection for victims of domestic violence, it does not provide protection for perpetrators. VAWA gives BHA the explicit authority to "terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others...without terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant." This authority is not dependent on a bifurcated lease or other eviction action by an owner against an individual family member. Further, this authority supersedes any local, state, or other federal law to the contrary. However, if BHA chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law regarding termination of assistance [Pub.L. 109-271]. This means that BHA must follow the same rules when terminating assistance to an individual as it would when terminating the assistance of an entire family [3/16/07 *Federal Register* notice on the applicability of VAWA to HUD programs].

BHA Policy

BHA will terminate assistance to a family member if BHA determines that the family member has committed criminal acts of physical violence against other family members

or others. This action will not affect the assistance of the remaining, non-culpable family members.

In making its decision, BHA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-5382) or other documentation of abuse submitted to BHA by the victim in accordance with this section. BHA will also consider the factors in section 12-II.D. Upon such consideration, BHA may, on a case-by-case basis, choose not to terminate the assistance of the culpable family member.

If BHA does terminate the assistance of the culpable family member, it will do so in accordance with applicable law, HUD regulations, and the policies in this plan.

The PHA must remove or otherwise withhold information that may place the victim at risk of further violence. For example, if the victim has secured a temporary living situation and the location is included in the documentation, the PHA must remove or otherwise hide this information (blackout or redact).

BHA Confidentiality Requirements [24 CFR 5.2007(a)(1)(v)]

All information provided to BHA regarding domestic violence, dating violence, sexual assault, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in strict confidence and may neither be entered into any shared data base nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing in a time-limited release, (b) is required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program, or (c) is otherwise required by applicable law. BHA shall not allow employees to have access to information regarding documentation of domestic violence, dating violence, sexual assault, or stalking unless explicitly authorized by the PHA for reasons that specifically call for the employees to have access to this information [24 CFR 5.2007 (a) (4) (iii)].

BHA Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, BHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

12-II.F. TERMINATION NOTICE [HCV GB, p. 15-7]

If a family's assistance is to be terminated, whether voluntarily or involuntarily, BHA must give the family and the owner written notice that specifies:

- The reasons for which assistance has been terminated
- The effective date of the termination
- The family's right to an informal hearing as described in Chapter 16

If a criminal record is the basis of the termination, a copy of the record must accompany the notice. A copy of the criminal record also must be provided to the subject of the record [24 CFR 982.553(d)].

BHA Policy

When termination is initiated by BHA, the notice to terminate will be sent to the family and the owner at least 30 calendar days prior to the effective date of the termination. However, if a family vacates the unit without informing BHA, 30 days notice will not be given. In these cases, the notice to terminate will be sent at the time BHA learns the family has vacated the unit.

When a family requests to be terminated from the program they must do so in writing to BHA (see section 12-I.C.). BHA will then send a confirmation notice to the family and the owner within 10 business days of the family's request.

Notice of Termination Based on Citizenship Status [24 CFR 5.514 (c) and (d)]

BHA must terminate assistance if (1) a family fails to submit required documentation within the required timeframe concerning any family member's citizenship or eligible immigration status; (2) evidence of citizenship and eligible immigration status is submitted timely, but USCIS primary and secondary verification does not verify eligible immigration status of a family; or (3) BHA determines that a family member has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit. For (3) above, such termination must be for a period of at least 24 months.

The notice of termination must advise the family of the reasons their assistance is being terminated, that they may be eligible for proration of assistance, the criteria and procedures for obtaining relief under the provisions for preservation of families, that they have the right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or a written explanation in support of the appeal, and that they have the right to request an informal hearing with BHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal. Informal hearing procedures are contained in Chapter 16.

BHA Policy

The notice to terminate will be sent to the family and the owner at least 30 calendar days prior to the effective date of the termination.

12-II.G. HOW TERMINATION OF ASSISTANCE AFFECTS THE HAP CONTRACT AND LEASE

When the family's assistance is terminated, the lease and HAP contract terminate automatically [Form HUD-52641].

The owner may offer the family a separate unassisted lease [HCV GB, p. 15-8].

PART III: TERMINATION OF TENANCY BY THE OWNER

12-III.A. OVERVIEW

Termination of an assisted tenancy is a matter between the owner and the family; BHA is not a party to the lease termination. However, the owner is under some constraints when terminating

an assisted tenancy, and the reasons for which a tenancy is terminated dictate whether assistance also will be terminated.

12-III.B. GROUNDS FOR OWNER TERMINATION OF TENANCY [24 CFR 982.310 and Form HUD-52641-A, Tenancy Addendum, Pub.L. 109-162]

During the term of the lease, the owner is not permitted to terminate the tenancy except for serious or repeated violations of the lease, certain violations of state or local law, or other good cause.

Serious or Repeated Lease Violations

The owner is permitted to terminate the family's tenancy for serious or repeated violations of the terms and conditions of the lease, including failure to pay rent or other amounts due under the lease, except when the violations are related to incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking against that participant. This includes failure to pay rent or other amounts due under the lease. However, the PHA's failure to make a HAP payment to the owner is not a violation of the lease between the family and the owner.

Violation of Federal, State, or Local Law

The owner is permitted to terminate the tenancy if a family member violates federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.

Criminal Activity or Alcohol Abuse

The owner may terminate tenancy during the term of the lease if any *covered person*, meaning any member of the household, a guest or another person under the tenant's control commits any of the following types of criminal activity (for applicable definitions see 24 CFR 5.100):

- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises);
- Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises;
- Any violent criminal activity on or near the premises; or
- Any drug-related criminal activity on or near the premises.

The owner may terminate tenancy during the term of the lease if any member of the household is:

- Fleeing to avoid prosecution, custody, or confinement after conviction for a crime or an attempt to commit a crime that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or
- Violating a condition of probation or parole imposed under federal or state law.

The owner may terminate tenancy for criminal activity by a household member in accordance with this section if the owner determines that the household member has committed the criminal activity, regardless of whether the household member has been arrested or convicted for such activity.

The owner may terminate tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

Evidence of Criminal Activity

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person if the owner determines they have engaged in the criminal activity, regardless of arrest or conviction and without satisfying the standard of proof used for a criminal conviction, except in certain incidents where the criminal activity directly relates to domestic violence, dating violence, sexual assault, or stalking and the tenant or an immediate member of the tenant's family is the victim or threatened victim of the domestic violence, dating violence, sexual assault, or stalking. (See Section 12-II.E.).

Other Good Cause

During the initial lease term, the owner may not terminate the tenancy for "other good cause" unless the owner is terminating the tenancy because of something the family did or failed to do. During the initial lease term or during any extension term, other good cause includes the disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises.

After the initial lease term, "other good cause" for termination of tenancy by the owner includes:

- Failure by the family to accept the offer of a new lease or revision;
- The owner's desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit; or

After the initial lease term, the owner may give the family notice at any time, in accordance with the terms of the lease.

12-III.C. EVICTION [24 CFR 982.310(e) and (f) and Form HUD-52641-A, Tenancy Addendum]

The owner must give the tenant a written notice that specifies the grounds for termination of tenancy during the term of the lease. The tenancy does not terminate before the owner has given this notice, and the notice must be given at or before commencement of the eviction action.

The notice of grounds may be included in, or may be combined with, any owner eviction notice to the tenant.

Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. The owner may only evict the tenant from the unit by instituting a court action. The owner must give BHA a copy of any eviction notice at the same time the owner notifies the family. The family is also required to give BHA a copy of any eviction notice (see Chapter 5).

BHA Policy

If the eviction action is finalized in court, the owner must provide BHA with documentation related to the eviction, including notice of the eviction date, as soon as possible, but no later than 5 business days following the court-ordered eviction.

12-III.D. DECIDING WHETHER TO TERMINATE TENANCY [24 CFR 982.310(h), 24 CFR 982.310(h)(4)]

An owner who has grounds to terminate a tenancy is not required to do so, and may consider all of the circumstances relevant to a particular case before making a decision. These might include:

- The nature of the offending action including convictions;
- The seriousness of the offending action;
- The effect on the community of the termination, or of the owner's failure to terminate the tenancy;
- The extent of participation by the leaseholder in the offending action;
- The effect of termination of tenancy on household members not involved in the offending activity;
- The demand for assisted housing by families who will adhere to lease responsibilities;
- The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- The effect of the owner's action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the owner may require the tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of tenancy actions must be consistent with the fair housing and equal opportunity provisions in 24 CFR 5.105.

An owner's decision to terminate tenancy for incidents related to domestic violence, dating violence, sexual assault, or stalking is limited by the Violence Against Women Reauthorization Act of 2013 (VAWA). (See Section 12-II.E.)

A landlord may bifurcate a lease to evict the abuser while allowing the survivor to stay in the unit. If the abuser who is evicted was the family member who qualified the rest of family to live in unit or receive assistance, the housing provider must provide the remaining tenant(s) at least 90 calendar days or until lease expiration (with possible 60-day extension) to establish eligibility for the existing program, establish eligibility for another covered housing program, or find alternative housing.

12-III.E. EFFECT OF TENANCY TERMINATION ON THE FAMILY'S ASSISTANCE

If a termination is not due to a serious or repeated violation of the lease, and if BHA has no other grounds for termination of assistance, BHA may issue a new voucher so that the family can move with continued assistance (see Chapter 10).

PART IV: TERMINATION OF HOUSING ASSISTANCE PAYMENT (HAP) **CONTRACT BY THE OWNER**

The Section 8 Housing Choice Voucher program relies upon voluntary participation by participating landlords and assisted, eligible households.

Under the rules governing the Federal Housing Choice Voucher Program:

1. Participation is voluntary for landlords and households.
2. The owner is *exempt* from the following provisions of the Berkeley Rent Stabilization Program for any Housing Choice Voucher assisted tenancy:
 - a. Registration of the unit;
 - b. Payment of annual registration fees; and
 - c. Rent ceiling and rent increase regulations.
3. An owner may rent one unit to a household with Housing Choice Voucher assistance, and lease other units to unassisted households.
4. An owner cannot discriminate in the selection of households for tenancy.
5. The owner has a right to a reasonable rent for the unit.
6. The owner may request a rent adjustment (increase) once every 12 months, preferably at the anniversary of the HAP contract but can be anytime after the first year of the contract is complete and as long as there has not been a rent increase approval in less fewer than the prior 12 months
7. The owner has the exclusive right to terminate any tenancy for lease violations and "other good cause."
8. At turnover (vacancy), the owner has the option of selecting a household with Housing Choice Voucher assistance, or renting the unit to an unassisted household.
9. The Housing Assistance Payment (HAP) contract between BHA and the landlord only terminates as follows:
 - a. The lease between the owner and the household is terminated in accordance with the "Good Cause for Eviction" provisions in the local Rent Control Ordinance (you must submit a copy of the Court order);
 - b. The voucher is terminated for cause;
 - c. The household forfeits the voucher;
 - d. At the end of the month, when no eligible person is in the unit (i.e. head of household passes away, and there are no other assisted household members);
 - e. The unit has been in failed status (uncorrected conditions that don't meet minimum Housing Quality Standards) for more than 180 days; or
 - f. 180 days after \$0 rental subsidy payments to the landlord (where the household is paying 100% of the rent).

EXHIBIT 12-1: STATEMENT OF FAMILY OBLIGATIONS

Following is a partial listing of a participant family's obligations under the HCV program:

- The family must supply any information that BHA or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by BHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.
- The family must allow the owner access to the unit after reasonable advance notice or without notice if the reason to delay can result in greater harm/damage.
- The family must notify BHA in writing, as soon as possible, when someone moves, or will be out of the unit for 30-days or more. This includes someone in a medical facility, foster care, jail, or on an extended vacation.
- The family must provide BHA with a copy of any notice from the landlord regarding (a) non-payment of rent or (b) nuisance behavior within five (5) days of receipt.
- The family must monitor and manage the behavior of all household members (and guests) to make sure no one is involved in criminal behavior, especially no acts of violence or involvement with illegal drugs.
- An adult of the family must be present, or have an adult (18 years or older) present who is authorized by the family to allow BHA access to the unit, when BHA has scheduled an inspection. This may include the landlord if the family so chooses.

The family must not commit any serious or repeated violation of the lease.

BHA Policy

BHA will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction, or an owner's notice to evict.

Serious and repeated lease violations will include, but not be limited to, a pattern of late or nonpayment of rent, a history involving disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criteria to be used is whether the reason for the eviction was through no fault of the tenant or guests.

The family must notify BHA and the owner before moving out of the unit or terminating the lease.

BHA Policy

The family must comply with lease requirements regarding written notice to the owner.

The family must provide written notice to BHA at the same time the owner is notified.

The family must promptly give BHA a copy of any owner eviction notice.

The family must use the assisted unit for residence by the family. The unit must be the family's only residence.

The composition of the assisted family residing in the unit must be approved by BHA. The family must promptly notify BHA in writing of the birth, adoption, or court-awarded custody of a child. The family must request BHA approval to add any other family member as an occupant of the unit.

BHA Policy

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. BHA will determine eligibility of the new member in accordance with the policies in Chapter 3.

The family must promptly notify BHA in writing if any family member no longer lives in the unit.

If BHA has given approval, a foster child or a live-in aide may reside in the unit. BHA has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when BHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).

The family must not sublease the unit, assign the lease, or transfer the unit.

BHA Policy

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

The family must supply any information requested by BHA to verify that the family is living in the unit or information related to family absence from the unit.

The family must promptly notify BHA when the family is absent from the unit.

BHA Policy

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to BHA at the start of the extended absence.

The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].

The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).

Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).

Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and BHA policies related to drug-related and violent criminal activity.

Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and BHA policies related to alcohol abuse.

An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.

A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless BHA has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]

Chapter 13

OWNERS

INTRODUCTION

Owners play a central role in the HCV program by supplying decent, safe, and sanitary housing for participating families.

The term “owner” refers to any person or entity with the legal right to lease or sublease a unit to a participant in the HCV program [24 CFR 982.4(b)]. The term “owner” includes a principal or other interested party [24 CFR 982.453; 24 CFR 982.306(f)], such as a designated agent of the owner.

Owners have numerous responsibilities under the program, including screening and leasing to families, maintaining the dwelling unit, enforcing the lease, and complying with various contractual obligations. However, this chapter is not meant to be an overview of all aspects of owner participation in the HCV program.

The chapter is organized in two parts:

Part I: Owners in the HCV Program. This part discusses the role of an owner in the PHA’s HCV program and highlights key owner rights and responsibilities.

Part II: HAP Contracts. This part explains provisions of the HAP contract and the relationship between BHA and the owner as expressed in the HAP contract.

For detailed information about HCV program responsibilities and processes, including BHA policies in key areas, owners will need to refer to several other chapters in this plan. Where appropriate, Chapter 13 will reference the other chapters.

PART I. OWNERS IN THE HCV PROGRAM

13-I.A. OWNER RECRUITMENT AND RETENTION [HCV GB, pp. 2-4 to 2-6]

Recruitment

PHAs are responsible for ensuring that very low income families have access to all types and ranges of affordable housing in the PHA’s jurisdiction, particularly housing outside areas of poverty or minority concentration. A critical element in fulfilling this responsibility is for the PHA to ensure that a sufficient number of owners, representing all types and ranges of affordable housing in the PHA’s jurisdiction, are willing to participate in the HCV program.

BHA Policy

BHA will conduct owner outreach to ensure that owners are familiar with the program and its advantages through its website, www.cityofberkeley.info/bha and by other means including written promotional materials, mass mailings to owner listings maintained by the Berkeley Rent Stabilization Program, and working with owner associations, to ensure owners are familiar with the program and its advantages.

BHA will reach out to owners of properties in the City with Below Market Rent units, density bonus units, or inclusionary zoning units.

Outreach strategies will be monitored for effectiveness, and adapted accordingly.

Retention

In addition to recruiting owners to participate in the HCV program, BHA must also provide the kind of customer service that will encourage participating owners to remain active in the program.

BHA Policy

All BHA activities that may affect an owner's ability to lease a unit will be processed as rapidly as possible, in order to minimize vacancy losses for owners.

BHA will use its website to provide owners with information that explains the HCV program, including HUD and BHA policies and procedures, in easy-to-understand language.

Working with owners to address improper behavior by a member of the household, or unsafe conditions present in the assisted unit.

BHA will give special attention to helping new owners succeed through activities such as:

- Providing the owner with a designated BHA contact person.

- Coordinating inspection and leasing activities between BHA, the owner, and the family.

- Initiating telephone contact with the owner to explain the inspection process, and providing an inspection booklet and other resource materials about HUD housing quality standards.

- Providing other written information about how the program operates, including answers to frequently asked questions.

Additional services may be undertaken on an as-needed basis, and as resources permit.

13-I.B. BASIC HCV PROGRAM REQUIREMENTS

HUD requires the PHA to aid families in their housing search by providing the family with a list of landlords or other parties known to the PHA who may be willing to lease a unit to the family, or to help the family find a unit. Although the PHA cannot maintain a list of owners that are pre-qualified to participate in the program, owners may indicate to the PHA their willingness to lease a unit to an eligible HCV family, or to help the HCV family find a unit [24 CFR 982.301(b)(11)].

BHA Policy

BHA will maintain a rental listing service of available units whose owners are willing to lease a unit to an eligible HCV family. This listing will be posted on the BHA website, in the BHA office, and posted in a manner that it can be viewed from the courtyard adjacent to the BHA office.

BHA will maintain a listing of such owners and provide this listing to the HCV family as part of the informational briefing packet

When a family approaches an owner to apply for tenancy, the owner is responsible for screening the family and deciding whether to lease to the family, just as the owner would with any potential tenant. BHA has no liability or responsibility to the owner or other persons for the

family's behavior or suitability for tenancy. See chapters 3 and 9 for more detail on tenant family screening policies and process.

If the owner is willing, the family and the owner must jointly complete a Request for Tenancy Approval (RTA, Form HUD 52517), which constitutes the family's request for assistance in the specified unit, and which documents the owner's willingness to lease to the family and to follow the program's requirements. When submitted to BHA, this document is the first step in the process of obtaining approval for the family to receive the financial assistance it will need in order to occupy the unit. Also submitted with the RTA is a copy of the owner's proposed dwelling lease, including the HUD-required Tenancy Addendum (Form HUD-52641-A). See Chapter 9 for more detail on request for tenancy approval policies and process.

HUD regulations stipulate that an assisted tenancy can be approved only under certain conditions.

The owner must be qualified to participate in the program [24 CFR 982.306]. Some owners are precluded from participating in the program, or from renting to a particular family, either because of their past history with this or another federal housing program, or because of certain conflicts of interest. Owner qualifications are discussed later in this chapter.

The selected unit must be of a type that is eligible for the program [24 CFR 982.305(a)]. Certain types of dwelling units cannot be assisted under the HCV program. Other types may be assisted under certain conditions. In addition, the owner must document legal ownership of the specified unit. See chapter 9 for more detail on unit eligibility policies and process.

The selected unit must meet HUD's Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD [24 CFR 982.305(a)]. BHA will inspect the owner's dwelling unit at various stages of HCV program participation, to ensure that the unit continues to meet HQS requirements. See chapter 8 for a discussion of the HQS standards, as well as the process for HQS inspections at initial lease-up and throughout the family's tenancy.

BHA must determine that the cost of the unit is reasonable [24 CFR 982.305(a)]. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See chapter 8 for a discussion of requirements and policies on rent reasonableness, rent comparability and the rent reasonableness determination process.

At initial lease-up of a unit, BHA must determine that the share of rent to be paid by the family does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]. See chapter 6 for a discussion of the calculation of family income, family share of rent and HAP.

The dwelling lease must comply with all program requirements [24 CFR 982.308]. Owners are encouraged to use their standard leases when renting to an assisted family. However, the HCV program requires that the Tenancy Addendum, which helps standardize the tenancy requirements for all assisted families, be added word-for-word to that lease. See chapter 9 for a discussion of the dwelling lease and tenancy addendum, including lease terms and provisions.

BHA and the owner enter into a formal contractual relationship by executing the Housing Assistance Payment (HAP) Contract (Form HUD-52641). The HAP contract format is prescribed by HUD. See chapter 9 for a discussion of the HAP contract execution process. Specific HAP contract provisions and responsibilities are discussed later in this chapter 13.

13-I.C. OWNER RESPONSIBILITIES [24 CFR 982.452]

The basic owner responsibilities in the HCV program are outlined in the regulations as follows:

- Performing all of the owner's obligations under the Housing Assistance Payments (HAP) contract and the lease
- Performing all management and rental functions for the assisted unit, including selecting a voucher-holder to lease the unit, and deciding if the family is suitable for tenancy of the unit
- Maintaining the unit in accordance with the Housing Quality Standards (HQS), including performance of ordinary and extraordinary maintenance
- Complying with equal opportunity requirements
- Preparing and furnishing to the PHA information required under the HAP contract
- Collecting from the family any security deposit, the tenant's contribution to rent (that part of rent to owner not covered by the housing assistance payment from the PHA), and any charges for unit damage by the family.
- Enforcing tenant obligations under the dwelling lease
- Providing separate meters for utilities for each unit; if one or more units share a single meter, owner will be required to pay for utilities
- Paying for utilities and services (unless paid by the family under the lease)
- Making modifications to a dwelling unit occupied or to be occupied by a disabled person [24 CFR 100.203]
- Complying with the Violence Against Women Reauthorization Act of 2005 (VAWA) when screening and terminating tenants
- Complying with the City of Berkeley's Fair Chance Housing Ordinance in regard to screening for criminal history (see Ch. 3).

13-I.D. OWNER QUALIFICATIONS

BHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where BHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)].

Owners Barred from Participation [24 CFR 982.306(a) and (b)]

BHA must not approve the assisted tenancy if BHA has been informed that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24. HUD may direct BHA not to approve a tenancy request if a court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements, or if such an action is pending.

Leasing to Relatives [24 CFR 982.306(d), HCV GB p. 11-2]

BHA must not approve an RTA if the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family. BHA may make an exception as a reasonable accommodation for a family member with a disability. The owner is required to certify that no such relationship exists. This restriction applies at the time that the family receives assistance

under the HCV program for occupancy of a particular unit. Current contracts on behalf of owners and families that are related may continue, but any new leases or contracts for these families may not be approved.

Conflict of Interest [24 CFR 982.161; HCV GB p. 8-19]

BHA must not approve a tenancy in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one year thereafter:

- Any present or former member or officer of BHA (except a participant commissioner)
- Any employee of BHA, or any contractor, subcontractor or agent of BHA, who formulates policy or who influences decisions with respect to the programs
- Any public official, member of a governing body, or State or local legislator, who exercises functions or responsibilities with respect to the programs
- Any member of the Congress of the United States.

HUD may waive the conflict of interest requirements, except for members of Congress, for good cause. BHA must submit a waiver request to the appropriate HUD Field Office for determination.

Any waiver request submitted by BHA must include [HCV Guidebook pp.11-2 and 11-3]:

- Complete statement of the facts of the case;
- Analysis of the specific conflict of interest provision of the HAP contract and justification as to why the provision should be waived;
- Analysis of and statement of consistency with state and local laws. The local HUD office, BHA, or both parties may conduct this analysis. Where appropriate, an opinion by the state's attorney general should be obtained;
- Opinion by the local HUD office as to whether there would be an appearance of impropriety if the waiver were granted;
- Statement regarding alternative existing housing available for lease under the HCV program or other assisted housing if the waiver is denied;
- If the case involves a hardship for a particular family, statement of the circumstances and discussion of possible alternatives;
- If the case involves a public official or member of the governing body, explanation of his/her duties under state or local law, including reference to any responsibilities involving the HCV program;
- If the case involves employment of a family member by BHA or assistance under the HCV program for an eligible BHA employee, explanation of the responsibilities and duties of the position, including any related to the HCV program;
- If the case involves an investment on the part of a member, officer, or employee of BHA, description of the nature of the investment, including disclosure/divestiture plans.

Where BHA has requested a conflict of interest waiver, BHA may not execute the HAP contract until HUD has made a decision on the waiver request.

BHA Policy

In considering whether to request a conflict of interest waiver from HUD, BHA will consider factors the reasons for waiving the requirement; consistency with state and local

laws; the existence of alternative housing available to families; the individual circumstances of a particular family; the specific duties of individuals whose positions present a possible conflict of interest; the nature of any financial investment in the property and plans for disclosure/divestiture; and the possible appearance of impropriety.

Owner Actions That May Result in Disapproval of a Tenancy Request [24 CFR 982.306(c)]

HUD regulations permit BHA, at BHA's discretion, to refuse to approve a request for tenancy if the owner has committed any of a number of different actions.

If BHA disapproves a request for tenancy because an owner is not qualified, it may not terminate the HAP contract for any assisted families that are already living in the owner's properties unless the owner has violated the HAP contract for those units [HCV GB p. 11-4].

BHA Policy

BHA will refuse to approve a request for tenancy if BHA becomes aware that any of the following are true:

- The owner has violated obligations under a HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f);

- The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;

- The owner has engaged in any drug-related criminal activity or any violent criminal activity;

- The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs, or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program;

- The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity engaged in by the tenant, any member of the household, a guest or another person under the control of any member of the household that: (i) threatens the right to peaceful enjoyment of the premises by other residents; (ii) threatens the health or safety of other residents, of employees of the PHA, or of owner employees or other persons engaged in management of the housing; (iii) threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or (iv) is convicted of drug-related criminal activity or violent criminal activity;

- The owner has a history or practice of renting units that fail to meet state or local housing codes; or

- The owner has not paid state or local real estate taxes, fines, or assessment.

- The owner is subject to a sanction from the City of Berkeley that prohibits renting the unit for residential purposes

In considering whether to disapprove owners for any of the discretionary reasons listed above, BHA will consider any mitigating factors. Such factors may include, but are not

limited to, the seriousness of the violation in relation to program requirements, the impact on the ability of families to lease units under the program, health and safety of participating families, among others. Upon consideration of such circumstances, BHA may, on a case-by-case basis, choose to approve an owner.

Conditional Approval of an Owner

Where there is a history of an owner not properly managing a property as documented in BHA records of prior assisted tenancies; code enforcement citations and other adverse actions undertaken by the City of Berkeley; or documentation from the Berkeley Police Department about unabated nuisance activity or criminal behavior associated with the property, BHA may require the owner to (a) provide a management plan, (b) hire a resident manager, or (c) contract for professional property management services.

Legal Ownership of Unit

The following represents BHA policy on legal ownership of a dwelling unit to be assisted under the HCV program.

BHA Policy

BHA will only enter into a contractual relationship with the legal owner of a qualified unit. No tenancy will be approved without acceptable documentation of legal ownership (e.g., deed of trust, proof of taxes for most recent year).

Where a unit is owned by a cooperative, or subject to governance by a Home Owners Association, BHA will require written notice from the governing body (a) declaring the unit can be rented, and (b) identifying the individual (by name or position) that is authorized to execute the rental lease.

13-I.E. NON-DISCRIMINATION [HAP Contract – Form HUD-52641]

The owner must not discriminate against any person because of race, color, religion, gender, ~~sex~~, national origin, age, familial status, marital status, sexual orientation or disability, in connection with any actions or responsibilities under the HCV program and the HAP contract with BHA.

The owner must cooperate with BHA and with HUD in conducting any equal opportunity compliance reviews and complaint investigations in connection with the HCV program and the HAP contract with BHA.

See Chapter 2 for a more thorough discussion of Fair Housing and Equal Opportunity requirements in the HCV program.

13-I-F. Berkeley Rent Stabilization Board

Units rented under the Section 8 program are exempt from registration requirements of the Rent Stabilization Board. However, such units **are** subject to the requirements on (a) paying interest on the tenant's security deposit; (b) paying on the tenant's interest on their deposit upon move out; and (c) "good cause for eviction" as outlined by the *Rent Stabilization and Eviction for Good Cause Ordinance* (i.e., the owner must cite one of the good causes enumerated in the Ordinance to evict a Section 8 tenant). For information on the City's Eviction for Good Cause ordinance, see: <http://www.cityofberkeley.info/ContentDisplay.aspx?id=9296>.

Owners must pay interest each December at a rate published on the Rent Board's website (www.cityofberkeley.info/rent). Depending on the deposit amount and that year's interest rate,

the interest payment can be quite low. Owners may also pay the interest by giving the tenant permission to deduct it from a rent payment.

Owners must also pay tenants interest on their deposit upon move-out. The rate they must pay would be the “monthly move-out rate” published on the Rent Board’s website. It would be calculated on a pro-rated basis starting from the previous November 1 through the date of move-out.

PART II. HAP CONTRACTS

13-II.A. OVERVIEW

The HAP contract represents a written agreement between BHA and the owner of the dwelling unit occupied by a HCV assisted family. The contract spells out the owner’s responsibilities under the program, as well as BHA’s obligations. Under the HAP contract, BHA agrees to make housing assistance payments to the owner on behalf of a specific family occupying a specific unit.

The HAP contract is used for all HCV program tenancies except for assistance under the Section 8 homeownership program, and assistance to families that own a manufactured home and lease the space. See chapter 15 for a discussion of any special housing types included in BHA’s HCV program.

If BHA has given approval for the family of the assisted tenancy, the owner and BHA execute the HAP contract. See chapter 9 for a discussion of the leasing process, including provisions for execution of the HAP contract.

13-II.B. HAP CONTRACT CONTENTS

The HAP contract format is required by HUD, specifically Housing Assistance Payment (HAP) Contract, Form HUD-52641.

The HAP contract contains three parts.

Part A of the contract includes basic **contract information** about the name of the tenant family, address of the contract unit, names of all household members, first and last dates of initial lease term, amount of initial monthly rent to owner, amount of initial housing assistance payment, utilities and appliances to be supplied by owner and tenant, signatures of PHA and owner [HCV Guidebook, pp 11-10 and 11-11].

In general, the HAP contract cannot be modified. However, PHAs do have the discretion to add language to Part A of the HAP contract which prohibits the owner from collecting a security deposit in excess of private market practices or in excess of amounts charged to unassisted tenants. BHA policy on the amount of security deposit an owner may collect is found in chapter 9.

In addition, PHAs have the discretion to add language to Part A of the HAP contract that defines when the housing assistance payment by the PHA is deemed received by the owner (e.g., upon mailing by the PHA or actual receipt by the owner).

BHA Policy

BHA deems payment received by the owner (a) when the electronic payment is processed to the bank account on file, or (b) a physical check is printed and made available for pick up.

Part B is the body of the contract. It describes in detail program requirements affecting the owner and owner roles and responsibilities under the HCV program. Most of the requirements contained in Part B of the HAP contract are outlined elsewhere in this plan. Topics addressed in Part B include:

- Lease of Contract Unit
- Maintenance, Utilities, and Other Services
- Term of HAP Contract
- Provision and Payment of Utilities and Appliances
- Rent to Owner: Reasonable Rent
- PHA Payment to Owner
- Prohibition of Discrimination
- Owner's Breach of HAP Contract
- PHA and HUD Access to Premises and Owner's Records
- Exclusion of Third Party Rights
- Conflict of Interest
- Assignment of the HAP Contract
- Written Notices
- Entire Agreement Interpretation

Part C of the contract includes the Tenancy Addendum (Form HUD-52641-A). The addendum sets forth the tenancy requirements for the program and the composition of the household, as approved by the PHA. The owner must sign the HUD Tenancy Addendum with the prospective tenant, and the tenant has the right to enforce the Tenancy Addendum against the owner. The terms of the Tenancy Addendum prevail over any other provisions of the lease.

13-II.C. HAP CONTRACT PAYMENTS

General

During the term of the HAP contract, and subject to the provisions of the HAP contract, BHA must make monthly HAP payments to the owner on behalf of the family, at the beginning of each month. If a lease term begins after the first of the month, the HAP payment for the first month is prorated for a partial month.

The amount of the HAP payment is determined according to the policies described in Chapter 6, and is subject to change during the term of the HAP contract. BHA must notify the owner and the family in writing of any changes in the HAP payment.

HAP payments can be made only during the lease term, and only while the family is residing in the unit.

The monthly HAP payment by BHA is credited toward the monthly rent to owner under the family's lease. The total of the rent paid by the tenant, plus the BHA HAP payment, should be equal to the rent specified in the lease (the rent to owner).

The family is not responsible for payment of the HAP payment, and BHA is not responsible for payment of the family share of rent.

The family's share of the rent cannot be more than the difference between the total rent to the owner and the HAP payment. The owner may not demand or accept any rent payment from the tenant in excess of this maximum [24 CFR 982.451(b)(4)]. The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)]. See chapter 9 for a discussion of separate, non-lease agreements for services, appliances and other items that are not included in the lease.

If the owner receives any excess HAP from BHA, the excess amount must be returned immediately. If BHA determines that the owner is not entitled to all or a portion of the HAP, BHA may deduct the amount of overpayment from any amounts due to the owner, including amounts due under any other Section 8 HCV contract. See Chapter 16 for additional detail on owner reimbursement of HAP overpayments.

Owner Certification of Compliance

Unless the owner complies with all provisions of the HAP contract, the owner is not entitled to receive housing assistance payments under the HAP contract [HAP Contract – Form HUD-52641].

By endorsing the monthly check from BHA, the owner certifies to compliance with the terms of the HAP contract. This includes certification that the owner is maintaining the unit and premises in accordance with HQS; that the contract unit is leased to the tenant family and, to the best of the owner's knowledge, the family resides in the unit as the family's only residence; the rent to owner does not exceed rents charged by the owner for comparable unassisted units on the premises; and that the owner does not receive (other than rent to owner) any additional payments or other consideration for rent of the contract unit during the HAP term.

Late HAP Payments [24 CFR 982.451(a)(5)]

BHA is responsible for making HAP payments promptly when due to the owner, in accordance with the terms of the HAP contract. After the first two calendar months of the HAP contract term, the HAP contract provides for penalties if BHA fails to make the HAP payment on time.

Penalties for late HAP payments can only be imposed if 1) the penalties are in accordance with generally accepted local rental market practices and law governing penalties for late payment by tenants; 2) it is the owner's normal business practice to charge late payment penalties for both assisted and unassisted families; and 3) the owner charges the assisted family for late payment of the family's share of the rent.

BHA is not required to pay a late payment penalty if HUD determines that the payment is late for reasons beyond BHA's control. In addition, late payment penalties are not required if BHA intentionally delays or denies payment as a remedy to an owner breach of the HAP contract [HCV Guidebook p. 11-7].

Termination of HAP Payments [24 CFR 982.311(b)]

BHA must continue making housing assistance payments to the owner in accordance with the HAP contract as long as the tenant continues to occupy the unit and the HAP contract is not violated.

HAP payments terminate when the HAP contract terminates or when the tenancy is terminated in accordance with the terms of the lease.

If the owner has initiated eviction proceedings against the family and the family continues to reside in the unit, BHA must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

BHA Policy

The owner must inform BHA when the owner has initiated eviction proceedings against the family and the family continues to reside in the unit.

The owner must inform BHA when the owner has obtained a court judgment or other process allowing the owner to evict the tenant, and provide BHA with a copy of such judgment or determination.

After the owner has obtained a court judgment or other process allowing the owner to evict the tenant, BHA will continue to make HAP payments to the owner until the family actually moves from the unit or until the family is physically evicted from the unit, whichever is earlier provided the unit is safe to occupy, even if there are items that fail HQS. The owner must inform BHA of the date when the family actually moves from the unit or the family is physically evicted from the unit.

The owner must notify BHA as soon as he/she knows, or should know, that a member of the assisted household is: (a) absent from the unit for more than 30-days; (b) passes away; or (c) ceases to reside in the unit.

Service of a 30-day notice or execution of a Mutual Release does not release BHA of its obligation to continue rental subsidy payments to the landlord provided the assisted family continues to occupy the unit, and the unit meets HQS.

13-II.D. BREACH OF HAP CONTRACT [24 CFR 982.453]

Any of the following actions by the owner constitutes a breach of the HAP contract:

- If the owner violates any obligations under the HAP contract including failure to maintain the unit in accordance with HQS
- If the owner has violated any obligation under any other HAP contract under Section 8, including accepting the monthly rent subsidy while having actual or constructive knowledge that the unit is not occupied by the authorized household member(s)
- If the owner has represented the unit as available for rental, while being aware that it cannot be legally rented
- If the owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program

- For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulations for the applicable program; or if the owner has committed fraud, bribery or any other corrupt or criminal act in connection with the mortgage or loan
- If the owner has engaged in drug-related criminal activity
- If the owner has committed any violent criminal activity.

If BHA determines that a breach of the HAP contract has occurred, it may exercise any of its rights and remedies under the HAP contract.

BHA rights and remedies against the owner under the HAP contract include recovery of any HAP overpayment, suspension of housing assistance payments, abatement or reduction of the housing assistance payment, termination of the payment or termination the HAP contract. BHA may also obtain additional relief by judicial order or action.

BHA must notify the owner of its determination and provide in writing the reasons for the determination. The notice may require the owner to take corrective action by an established deadline. BHA must provide the owner with written notice of any reduction in housing assistance payments or the termination of the HAP contract.

BHA Policy

Before BHA invokes a remedy against an owner, BHA will evaluate all information and documents available to determine if the contract has been breached.

If relevant, BHA will conduct an audit of the owner's records pertaining to the tenancy or unit.

If it is determined that the owner has breached the contract, BHA will consider all of the relevant factors including the seriousness of the breach, the effect on the family, the owner's record of compliance and the number and seriousness of any prior HAP contract violations.

13-II.E. HAP CONTRACT TERM AND TERMINATIONS

The term of the HAP contract runs concurrently with the term of the dwelling lease [24 CFR 982.451(a)(2)], beginning on the first day of the initial term of the lease and terminating on the last day of the term of the lease, including any lease term extensions.

The HAP contract and the housing assistance payments made under the HAP contract terminate if [HCV Guidebook pp.11-4 and 11-5, pg. 15-3]:

- The owner or the family terminates the lease;
- The lease expires;
- BHA terminates the HAP contract;
- BHA terminates assistance for the family;
- The family moves from the assisted unit. In this situation, the owner is entitled to keep the housing assistance payment for the month when the family moves out of the unit.
- 180 calendar days have elapsed since BHA made the last housing assistance payment to the owner;
- The family is absent from the unit for longer than the maximum period permitted by BHA;

- The Annual Contributions Contract (ACC) between BHA and HUD expires
- BHA elects to terminate the HAP contract.

BHA Policy

BHA must terminate the HAP contract effective no later than the last day of the month, in which the last assisted household member passes away.

BHA may elect to terminate the HAP contract in each of the following situations:

Available program funding is not sufficient to support continued assistance for families in the program [24 CFR 982.454];

The unit does not meet HQS size requirements due to change in family composition [24 CFR 982.403] – see chapter 8;

The unit does not meet HQS [24 CFR 982.404] – see chapter 8;

The family breaks up [HUD Form 52641] – see chapter 3;

The owner breaches the HAP contract [24 CFR 982.453(b)] – see Section 13-II.D.

If BHA terminates the HAP contract, BHA must give the owner and the family written notice. The notice must specify the reasons for the termination and the effective date of the termination. Once a HAP contract is terminated, no further HAP payments may be made under that contract [HCV Guidebook pg.15-4].

BHA Policy

In all cases, the HAP contract terminates at the end of the calendar month when the assisted family's eligibility for assistance terminates, or the family vacated the unit, whichever occurs first. The owner is not entitled to any housing assistance payment after this period, and must return to BHA any housing assistance payment received after this period.

If the family moves from the assisted unit into a new unit, even if the new unit is in the same building or complex as the assisted unit, the HAP contract for the assisted unit terminates. A new HAP contract would be required [HCV GB, p. 11-17].

When the family moves from an assisted unit into a new unit, the term of the HAP contract for the new unit may begin in the same month in which the family moves out of its old unit. This is not considered a duplicative subsidy [HCV GB, p. 8-22].

13-II.F. CHANGE IN OWNERSHIP / ASSIGNMENT OF THE HAP CONTRACT [HUD-52641]

The HAP contract cannot be assigned to a new owner without the prior written consent of BHA.

An owner under a HAP contract must notify BHA in writing prior to a change in the legal ownership of the unit. The owner must supply all information as requested by BHA.

Prior to approval of assignment to a new owner, the new owner must agree to be bound by and comply with the HAP contract. The agreement between the new owner and the former owner must be in writing and in a form that BHA finds acceptable. The new owner must provide BHA with a copy of the executed agreement.

BHA Policy

Assignment of the HAP contract will be approved only if the new owner is qualified to become an owner under the HCV program according to the policies in Section 13-I.D. of this chapter.

BHA must receive a signed, written request from the existing owner stating the name and address of the new HAP payee and the effective date of the assignment in order to change the HAP payee under an outstanding HAP contract.

Within 10 business days of receiving the owner's request, BHA will inform the current owner in writing whether the assignment may take place.

The new owner must provide a written certification to BHA that includes:

- A copy of the escrow statement or other document showing the transfer of title and recorded deed;

- A copy of the owner's IRS Form W-9, Request for Taxpayer Identification Number and Certification, or the social security number of the new owner;

- The effective date of the HAP contract assignment;

- A written agreement to comply with the terms of the HAP contract; and

- Confirmation that the new owner is not a prohibited relative.

If the new owner does not agree to an assignment of the HAP contract, or fails to provide the necessary documents, BHA will suspend payments and place a hold on the contract pending the owner's decision to assume the contract, or successful termination of the lease. If the new owner wants to offer the family a new lease, and the family agrees to the changes, BHA will process the leasing in accordance with the policies in chapter 9.

Chapter 14

PROGRAM INTEGRITY

INTRODUCTION

The PHA is committed to ensuring that subsidy funds made available to BHA are spent in accordance with HUD requirements.

This chapter covers HUD and BHA policies designed to prevent, detect, investigate and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents PHA policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures the PHA must and may take when errors or program abuses are found.

PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE

14-I.A. PREVENTING ERRORS AND PROGRAM ABUSE

BHA Policy

BHA anticipates that the vast majority of families, owners, and BHA employees intend to and will comply with program requirements and make reasonable efforts to avoid errors.

To ensure that BHA's HCV program is administered effectively and according to the highest ethical and legal standards, BHA will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

BHA will discuss program compliance and integrity issues during the voucher briefing sessions described in Chapter 5.

BHA will provide each applicant and participant with the publication *Things You Should Know (HUD-1140-OIG)* that explains the types of actions a family must avoid and the penalties for program abuse.

BHA will place a warning statement about the penalties for fraud (as described in the False Statement Act, U.S.C. 1001 and 1010) on key BHA forms and form letters that request information from a family or owner.

BHA staff will be required to review and explain the contents of all HUD- and BHA-required forms prior to requesting family member signatures.

BHA will require first-time owners (or their agents) to participate in a briefing session on HAP contract requirements.

BHA will provide each BHA employee with the necessary training on program rules and the organization's standards of conduct and ethics.

For purposes of this chapter the term *error* refers to an unintentional error or omission. *Program abuse or fraud* refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive or mislead.

14-I.B. DETECTING ERRORS AND PROGRAM ABUSE

In addition to taking steps to prevent errors and program abuse, BHA will use a variety of activities to detect errors and program abuse.

Quality Control and Analysis of Data

Under the Section 8 Management Assessment Program (SEMAP), HUD requires BHA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure HQS compliance [24 CFR, Part 985]. (See Chapter 16 for additional information about SEMAP requirements).

BHA Policy

In addition to the SEMAP quality control requirements, BHA will employ a variety of methods to detect errors and program abuse.

BHA routinely will use available sources of up-front income verification to compare with family-provided information.

At each annual reexamination, current information provided by the family will be compared to information provided at the last annual reexamination to identify inconsistencies and incomplete information.

BHA will compare family-reported income and expenditures to detect possible unreported income.

Independent Audits and HUD Monitoring

OMB Circular A-133 requires all PHAs that expend \$500,000 or more in federal awards annually to have an independent audit (IPA). In addition, HUD conducts periodic on-site and automated monitoring of BHA activities and notifies BHA of errors and potential cases of program abuse.

BHA Policy

BHA will use the results reported in any IPA or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of BHA's error detection and abuse prevention efforts.

Individual Reporting of Possible Errors and Program Abuse

BHA Policy

BHA will encourage staff, program participants, and the public to report possible program abuse.

BHA will work with the Berkeley Police Department, HUD Office of the Inspector General and/or the District Attorney to prosecute fraud and pursue financial recoveries.

14-I.C. INVESTIGATING ERRORS AND PROGRAM ABUSE

When the PHA Will Investigate

BHA Policy

BHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for BHA to investigate, the allegation must contain at least one independently-verifiable item of information, such as the name of an employer or the name of an unauthorized household member.

BHA will investigate inconsistent information related to the family that is identified through file reviews and the verification process.

BHA may employ investigators (licensed or other in the employ of other government agencies, i.e. Housing Authorities, Berkeley Police Department, and/or Berkeley Rent Board) to assist with research and data gathering.

Consent to Release of Information [24 CFR 982.516]

BHA may investigate possible instances of error or abuse using all available BHA and public records. If necessary, BHA will require HCV families to give consent to the release of additional information.

Analysis and Findings

BHA Policy

BHA will base its evaluation on a preponderance of the evidence collected during its investigation.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

For each investigation BHA will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed BHA, and (3) what corrective measures or penalties will be assessed.

Consideration of Remedies

All errors and instances of program abuse must be corrected prospectively. Whether BHA will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

BHA Policy

In the case of family-caused errors or program abuse, BHA will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.

In the case of owner-caused errors or program abuse, BHA will take into consideration (1) the seriousness of the offense, (2) the length of time since the violation has occurred, and (3) the effects of a particular remedy on family members who were not involved in the offense.

Notice and Appeals

BHA Policy

BHA will inform the relevant party in writing of its findings and remedies within 10 business days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which BHA determined the error or program abuses, (3) the remedies to be employed, and (4) the family's right to appeal the results through the informal review or hearing process, if applicable (see Chapter 16).

PART II: CORRECTIVE MEASURES AND PENALTIES

14-II.A. SUBSIDY UNDER- OR OVERPAYMENTS

A subsidy under- or overpayment includes (1) an incorrect housing assistance payment to the owner, (2) an incorrect family share established for the family, and (3) an incorrect utility reimbursement to a family.

Corrections

Whether the incorrect subsidy determination is an overpayment or underpayment of subsidy, BHA must promptly correct the HAP, family share, and any utility reimbursement prospectively.

BHA Policy

Increases in the family share will generally be implemented only after the family has received 30 days notice; notice period may be reduced, or the change imposed retroactively if the family failed to accurately report.

Any decreases in family share will generally become effective the first of the month following the discovery of the error; the change may be retroactive if the error was the result of an incorrect calculation by BHA.

Reimbursement

Whether the family or owner is required to reimburse BHA or BHA is required to make retroactive subsidy payments to the owner or family depends upon which party is responsible for the incorrect subsidy payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.

14-II.B. FAMILY-CAUSED ERRORS AND PROGRAM ABUSE

Family obligations and general administrative requirements for participating in the program are discussed throughout this plan. This section deals specifically with errors and program abuse by family members.

An incorrect subsidy determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in

which the family knowingly allows the PHA to use incorrect information provided by a third party.

Family Reimbursement to BHA [HCV GB pp. 22-12 to 22-13]

BHA Policy

In the case of family-caused errors or program abuse, the family will be required to repay any excess subsidy received. BHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, BHA will terminate the family's assistance in accordance with the policies in Chapter 12.

BHA Reimbursement to Family [HCV GB p. 22-12]

BHA Policy

BHA will not reimburse the family for any underpayment of assistance when the underpayment clearly is caused by the family.

Prohibited Actions

An applicant or participant in the HCV program must not knowingly:

- Make a false statement to BHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.552(c)(iv)].

BHA Policy

Any of the following will be considered evidence of family program abuse:

- Payment to the owner in excess of amounts authorized by BHA for rent, security deposit, and additional services
- Offering bribes or illegal gratuities to BHA Board of Commissioners, employees, contractors, or other PHA representatives
- Offering payments or other incentives to the owner or a third party as an inducement for the third party to make false or misleading statements to BHA on the family's behalf
- Use of a false name or the use of falsified, forged, or altered documents
- Intentional misreporting of family information or circumstances (e.g. income, family composition)
- Omitted facts that were obviously known by a family member (e.g., not reporting employment income)
- Admission of program abuse by an adult family member

BHA may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

Penalties for Program Abuse

In the case of program abuse caused by a family BHA may, at its discretion, impose any of the following remedies.

- BHA may require the family to repay excess subsidy amounts paid by BHA, as described earlier in this section.

- BHA may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 12 (for participants).
- BHA may deny or terminate the family's assistance following the policies set forth in Chapter 3 and Chapter 12 respectively.
- BHA may refer the family for state or federal criminal prosecution as described in section 14-II.E.

14-II.C. OWNER-CAUSED ERROR OR PROGRAM ABUSE

Owner requirements that are part of the regular process of offering, leasing, and maintaining a unit (e.g., HQS compliance, fair housing) are addressed in the appropriate chapters of this plan. This section focuses on errors and program abuse by owners.

An incorrect subsidy determination caused by an owner generally would be the result of an incorrect owner statement about the characteristics of the assisted unit (e.g., the number of bedrooms, which utilities are paid by the family). It also includes accepting duplicate housing assistance payments for the same unit in the same month, or after a family no longer resides in the unit.

Owner Reimbursement to BHA

In all cases of overpayment of subsidy caused by the owner, the owner must repay to BHA any excess subsidy received. BHA may recover overpaid amounts by withholding housing assistance payments due for subsequent months, or if the debt is large, BHA may allow the owner to pay in installments over a period of time [HCV GB p. 22-13].

BHA Policy

In cases where the owner has received excess subsidy, BHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B. BHA will coordinate the reimbursement to the family of any excess rent paid to the landlord.

The owner must provide reimbursement of 100% of the rental subsidy paid under a contract, if (a) the owner was not legally entitled to rent the unit, (b) there was an order prohibiting occupancy of the unit, or (c) the owner lacked authority to enter into the Housing Assistance Payment contract.

Prohibited Owner Actions

An owner participating in the HCV program must not:

- Make any false statement to BHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.453(a)(3)] including:

BHA Policy

Any of the following will be considered evidence of owner program abuse:

- Charging the family rent above or below the amount specified by BHA
- Charging a security deposit other than that specified in the family's lease
- Charging the family for services that are provided to unassisted tenants at no extra charge

- Knowingly accepting housing assistance payments for any month(s) after the family has vacated the unit
- Knowingly accepting housing assistance payments for any month(s) after the last “assisted” person ceases to live in the unit (e.g. accepting payment for a live-in aide)
- Knowingly accepting incorrect or excess housing assistance payments
- Offering bribes or illegal gratuities to BHA Board of Commissioners, employees, contractors, or other BHA representatives
- Offering payments or other incentives to an HCV family as an inducement for the family to make false or misleading statements to BHA
- Residing in the unit with an assisted family
- Allowing unauthorized persons to live in the assisted unit

Remedies and Penalties

When BHA determines that the owner has committed program abuse, BHA may take any of the following actions:

- Require the owner to repay excess housing assistance payments, as discussed earlier in this section and in accordance with the policies in Chapter 16.
- Terminate the HAP contract (See Chapter 13).
- Bar the owner from future participation in any BHA programs.
- Refer the case to state or federal officials for criminal prosecution as described in section 14-II.E.

14-II.D. BHA-CAUSED ERRORS OR PROGRAM ABUSE

The responsibilities and expectations of BHA staff with respect to normal program administration are discussed throughout this plan. This section specifically addresses actions of a BHA staff member that are considered errors or program abuse related to the HCV program. Additional standards of conduct may be provided in the BHA personnel policy.

BHA-caused incorrect subsidy determinations include (1) failing to correctly apply HCV rules regarding family composition, income, assets, and expenses, (2) assigning the incorrect voucher size to a family, and (3) errors in calculation.

Repayment to the BHA

In the event of an error by BHA, the family and/or owner shall not be required to reimburse BHA for any excess subsidy unless the family and/or owner knew, or should have known that the subsidy/benefit paid was not correct (i.e. receipt of a duplicate payment) Neither a family nor an owner is required to repay an overpayment of subsidy if the error or program abuse is caused by BHA staff [HCV GB. 22-12].

BHA Reimbursement to Family or Owner

BHA must reimburse a family for any underpayment of subsidy, regardless of whether the underpayment was the result of staff-caused error or staff or owner program abuse. Funds for this reimbursement must come from BHA’s administrative fee reserves [HCV GB p. 22-12].

Prohibited Activities

BHA Policy

Any of the following will be considered evidence of program abuse by BHA staff:

- Failing to comply with any HCV program requirements for personal gain
- Failing to comply with any HCV program requirements as a result of a conflict of interest relationship with any applicant, participant, or owner
- Seeking or accepting anything of material value from applicants, participating families, vendors, owners, contractors, or other persons who provide services or materials to BHA
- Disclosing confidential or proprietary information to outside parties
- Gaining profit as a result of insider knowledge of BHA activities, policies, or practices
- Misappropriating or misusing HCV funds
- Destroying, concealing, removing, or inappropriately using any records related to the HCV program
- Committing any other corrupt or criminal act in connection with any federal housing program

14-II.E. CRIMINAL PROSECUTION

BHA Policy

When BHA determines that program abuse by an owner, family, or BHA staff member has occurred and the amount of overpaid subsidy meets or exceeds the threshold for prosecution under local or state law, the PHA will refer the matter to the appropriate entity for prosecution. When the amount of overpaid assistance meets or exceeds the federal threshold, the case will also be referred to the HUD Office of Inspector General (OIG).

Other criminal violations related to the HCV program will be referred to the appropriate local, state, or federal entity.

14-II.F. FRAUD AND PROGRAM ABUSE RECOVERIES

BHA may retain a portion of program fraud losses that BHA recovers from a family or owner through litigation, court order, or a repayment agreement [24 CFR 982.163].

BHA must be the principal party initiating or sustaining the action to recover amounts due from tenants that are due as a result of fraud and abuse. 24 CFR 792.202 permits BHA to retain the greater of:

- 50 percent of the amount it actually collects from a judgment, litigation (including settlement of a lawsuit) or an administrative repayment agreement, or
- Reasonable and necessary costs that BHA incurs related to the collection including costs of investigation, legal fees, and agency collection fees.

The family must be afforded the opportunity for an informal hearing in accordance with requirements in 24 CFR 982.555.

If HUD incurs costs on behalf of BHA related to the collection, these costs must be deducted from the amount retained by BHA.

Chapter 15

SPECIAL HOUSING TYPES

[24 CFR 982 Subpart M]

INTRODUCTION

The BHA may permit a family to use any of the special housing types discussed in this chapter. However, the BHA is not required to permit families receiving assistance in its jurisdiction to use these housing types, except that BHAs must permit use of any special housing type if needed as a reasonable accommodation for a person with a disability. The BHA also may limit the number of families who receive HCV assistance in these housing types and cannot require families to use a particular housing type. No special funding is provided for special housing types.

BHA Policy

Families will not be permitted to use any special housing types, except SRO, shared housing, and cooperative housing will be permitted. The remaining housing types may possibly be permitted if there exists a verified need as a reasonable accommodation as well as a direct nexus between the housing type and the need, so that the program is readily accessible to a person with disabilities.

Special housing types include single room occupancy (SRO), congregate housing, group homes, shared housing, cooperative housing, manufactured homes where the family owns the home and leases the space, and homeownership [24 CFR 982.601].

This chapter consists of the following seven parts. Each part contains a description of the housing type and any special requirements associated with it. Except as modified by this chapter, the general requirements of the HCV program apply to special housing types.

Part I: Single Room Occupancy

Part II: Congregate Housing

Part III: Group Homes

Part IV: Shared Housing

Part V: Cooperative Housing

Part VI: Manufactured Homes (including manufactured home space rental)

Part VII: Homeownership

PART I: SINGLE ROOM OCCUPANCY

[24 CFR 982.602 through 982.605]

15-I.A. OVERVIEW

BHA Policy

A single room occupancy (SRO) unit provides living and sleeping space for the exclusive use of the occupant but requires the occupant to share sanitary and/or food preparation facilities with others. More than one person may not occupy an SRO unit. HCV regulations do not limit the number of units in an SRO facility, but the size of a facility may be limited by local ordinances.

When providing HCV assistance in an SRO unit, a separate lease and HAP contract are executed for each assisted person, and the standard form of the HAP contract is used.

15-I.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

BHA Policy

The payment standard for SRO housing is 75 percent of the 0-bedroom payment standard amount on the PHA's payment standard schedule.

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero bedroom utility allowance.

The HAP for an assisted occupant in an SRO facility is the lower of the SRO payment standard amount minus the TTP or the gross rent for the unit minus the TTP.

15-I.C. HOUSING QUALITY STANDARDS (HQS)

BHA Policy

HQS requirements described in Chapter 8 apply to SRO housing except as modified below.

- *Access:* Access doors to the SRO unit must have working locks for privacy. The occupant must be able to access the unit without going through any other unit. Each unit must have immediate access to two or more approved means of exit from the building, appropriately marked and leading to safe and open space at ground level. The SRO unit must also have any other means of exit required by State or local law.
- *Fire Safety:* All SRO facilities must have a sprinkler system that protects major spaces. "Major spaces" are defined as hallways, common areas, and any other areas specified in local fire, building, or safety codes. SROs must also have hard-wired smoke detectors, and any other fire and safety equipment required by state or local law.

Sanitary facilities and space and security standards must meet local code requirements for SRO housing. In the absence of local code standards the requirements discussed below apply [24 CFR 982.605].

- *Sanitary Facilities:* At least one flush toilet that can be used in privacy, a lavatory basin, and a bathtub or shower in proper operating condition must be provided for each six persons (or fewer) residing in the SRO facility. If the SRO units are leased only to men, flush urinals may be substituted for up to one half of the required number of toilets. Sanitary facilities

must be reasonably accessible from a common hall or passageway, and may not be located more than one floor above or below the SRO unit. They may not be located below grade unless the SRO units are located on that level.

- *Space and Security:* An SRO unit must contain at least 110 square feet of floor space, and at least four square feet of closet space with an unobstructed height of at least five feet, for use by the occupant. If the closet space is less than four square feet, the habitable floor space in the SRO unit must be increased by the amount of the deficiency. Exterior doors and windows accessible from outside the SRO unit must be lockable.

Because no children live in SRO housing, the housing quality standards applicable to lead-based paint do not apply.

PART II: CONGREGATE HOUSING

[24 CFR 982.606 through 982.609]

15-II.A. OVERVIEW

BHA Policy

Congregate housing is intended for use by elderly persons or persons with disabilities. A congregate housing facility contains a shared central kitchen and dining area and a private living area for the individual household that includes at least a living room, bedroom and bathroom. Food service for residents must be provided.

If approved by the PHA, a family member or live-in aide may reside with the elderly person or person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in congregate housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

15-II.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

BHA Policy

The payment standard for an individual unit in a congregate housing facility is based on the number of rooms in the private living area. If there is only one room in the unit (not including the bathroom or the kitchen, if a kitchen is provided), the PHA must use the payment standard for a 0-bedroom unit. If the unit has two or more rooms (other than the bathroom and the kitchen), the PHA must use the 1-bedroom payment standard.

The HAP for an assisted occupant in a congregate housing facility is the lower of the applicable payment standard minus the TTP or the gross rent for the unit minus the TTP.

The gross rent for the unit for the purpose of calculating HCV assistance is the shelter portion (including utilities) of the resident's monthly housing expense only. The residents' costs for food service should not be included in the rent for a congregate housing unit.

15-II.C. HOUSING QUALITY STANDARDS

BHA Policy

HQS requirements as described in Chapter 8 apply to congregate housing except for the requirements stated below.

Congregate housing must have (1) a refrigerator of appropriate size in the private living area of each resident; (2) a central kitchen and dining facilities located within the premises and accessible to the residents, and (3) food service for the residents, that is not provided by the residents themselves.

The housing quality standards applicable to lead-based paint do not apply.

PART III: GROUP HOME

[24 CFR 982.610 through 982.614 and HCV GB p. 7-4]

15-III.A. OVERVIEW

BHA Policy

A group home is a state-licensed facility intended for occupancy by elderly persons and/or persons with disabilities. Except for live-in aides, all persons living in a group home, whether assisted or not, must be elderly persons or persons with disabilities. Persons living in a group home must not require continuous medical or nursing care.

A group home consists of bedrooms for residents, which can be shared by no more than two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.

No more than 12 persons may reside in a group home including assisted and unassisted residents and any live-in aides.

If approved by the PHA, a live-in aide may live in the group home with a person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in a group home, a separate lease and HAP contract is executed for each assisted family, and the standard form of the HAP contract is used.

15-III.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION

BHA Policy

Unless there is a live-in aide, the family unit size for an assisted occupant of a group home must be 0- or 1-bedroom, depending on the PHA's subsidy standard. If there is a live-in aide, the aide must be counted in determining the household's unit size.

The payment standard used to calculate the HAP is the lower of the payment standard for the family unit size or the prorata share of the payment standard for the group home size. The prorata share is calculated by dividing the number of persons in the assisted household by the number of persons (assisted and unassisted) living in the group home.

The HAP for an assisted occupant in a group home is the lower of the payment standard minus the TTP or the gross rent minus the TTP.

The utility allowance for an assisted occupant in a group home is the prorata share of the utility allowance for the group home.

The rents paid for participants residing in group homes are subject to generally applicable standards for rent reasonableness. The rent for an assisted person must not exceed the prorata portion of the reasonable rent for the group home. In determining reasonable rent, the PHA should consider whether sanitary facilities and facilities for food preparation and service are common facilities or private facilities.

15-III.C. HOUSING QUALITY STANDARDS

BHA Policy

HQS requirements described in Chapter 8 apply to group homes except for the requirements stated below.

- *Sanitary Facilities:* A group home must have at least one bathroom in the facility, with a flush toilet that can be used in privacy, a fixed basin with hot and cold running water, and a shower or bathtub with hot and cold running water. A group home may contain private or common bathrooms. However, no more than four residents can be required to share a bathroom.
- *Food Preparation and Service:* Group home units must contain a kitchen and dining area with adequate space to store, prepare, and serve food. The facilities for food preparation and service may be private or may be shared by the residents. The kitchen must contain a range, an oven, a refrigerator, and a sink with hot and cold running water. The sink must drain into an approvable public or private disposal system.
- *Space and Security:* Group homes must contain at least one bedroom of appropriate size for every two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.
- *Structure and Material:* To avoid any threat to the health and safety of the residents, group homes must be structurally sound. Elevators must be in good condition. Group homes must be accessible to and usable by residents with disabilities.
- *Site and Neighborhood:* Group homes must be located in a residential setting. The site and neighborhood should be reasonably free from hazards to the health, safety, and general welfare of the residents, and should not be subject to serious adverse conditions, such as:
 - Dangerous walks or steps
 - Instability
 - Flooding, poor drainage
 - Septic tank back-ups
 - Sewage hazards
 - Mud slides
 - Abnormal air pollution
 - Smoke or dust
 - Excessive noise
 - Vibrations or vehicular traffic
 - Excessive accumulations of trash
 - Vermin or rodent infestation, and
 - Fire hazards.

The housing quality standards applicable to lead-based paint do not apply.

PART IV: SHARED HOUSING

[24 CFR 982.615 through 982.618]

15-IV.A. OVERVIEW

BHA Policy

Shared housing is a single housing unit occupied by an assisted family and another resident or residents. The shared unit consists of both common space for use by the occupants of the unit and separate private space for each assisted family.

An assisted family may share a unit with other persons assisted under the HCV program or with other unassisted persons. The owner of a shared housing unit may reside in the unit, but housing assistance may not be paid on behalf of the owner. The resident owner may not be related by blood or marriage to the assisted family.

If approved by the PHA, a live-in aide may reside with the family to care for a person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in shared housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

15-IV.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION

BHA Policy

The payment standard for a family in shared housing is the lower of the payment standard for the family unit size or the prorata share of the payment standard for the shared housing unit size.

The prorata share is calculated by dividing the number of bedrooms available for occupancy by the assisted family in the private space by the total number of bedrooms in the unit.

The HAP for a family in shared housing is the lower of the payment standard minus the TTP or the gross rent minus the TTP. The utility allowance for an assisted family living in shared housing is the prorata share of the utility allowance for the shared housing unit.

The rents paid for families living in shared housing are subject to generally applicable standards for rent reasonableness. The rent paid to the owner for the assisted family must not exceed the pro-rata portion of the reasonable rent for the shared unit. In determining reasonable rent, the PHA should consider whether sanitary and food preparation areas are private or shared.

15-IV.C. HOUSING QUALITY STANDARDS

BHA Policy

The PHA may not give approval to reside in shared housing unless the entire unit, including the portion of the unit available for use by the assisted family under its lease, meets the housing quality standards.

HQS requirements described in Chapter 8 apply to shared housing except for the requirements stated below.

- *Facilities Available for the Family:* Facilities available to the assisted family, whether shared or private, must include a living room, a bathroom, and food preparation and refuse disposal facilities.
- *Space and Security:* The entire unit must provide adequate space and security for all assisted and unassisted residents. The private space for each assisted family must contain at least one bedroom for each two persons in the family. The number of bedrooms in the private space of an assisted family must not be less than the family unit size. A 0-bedroom or 1-bedroom unit may not be used for shared housing.

PART V: COOPERATIVE HOUSING

[24 CFR 982.619]

15-V.A. OVERVIEW

This part applies to rental assistance for a cooperative member residing in cooperative housing. It does not apply to assistance for a cooperative member who has purchased membership under the HCV homeownership option, or to rental assistance for a family that leases a cooperative housing unit from a cooperative member.

A cooperative is a form of ownership (nonprofit corporation or association) in which the residents purchase memberships in the ownership entity. Rather than being charged “rent” a cooperative member is charged a “carrying charge.”

When providing HCV assistance in cooperative housing, the standard form of the HAP contract is used.

15-V.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION

The payment standard and utility allowance are determined according to regular HCV program requirements.

The HAP for a cooperative housing unit is the lower of the payment standard minus the TTP or the monthly carrying charge for the unit, plus any utility allowance, minus the TTP. The monthly carrying charge includes the member’s share of the cooperative debt service, operating expenses, and necessary payments to cooperative reserve funds. The carrying charge does not include down payments or other payments to purchase the cooperative unit or to amortize a loan made to the family for this purpose.

15-V.C. HOUSING QUALITY STANDARDS

All standard HQS requirements apply to cooperative housing units. There are no additional HQS requirements.

PART VI: MANUFACTURED HOMES

[24 CFR 982.620 through 982.624]

15-VI.A. OVERVIEW

BHA Policy

A manufactured home is a manufactured structure, transportable in one or more parts, that is built on a permanent chassis, and designed for use as a principal place of residence. HCV-assisted families may occupy manufactured homes in two different ways.

(1) A family can choose to rent a manufactured home already installed on a space and the PHA must permit it. In this instance program rules are the same as when a family rents any other residential housing, except that there are special HQS requirements as provided in 15-VI.D below.

(2) HUD also permits an otherwise eligible family that owns a manufactured home to rent a space for the manufactured home and receive HCV assistance with the rent for the space. PHAs may, but are not required to, provide assistance for such families.

15-VI.B. SPECIAL POLICIES FOR MANUFACTURED HOME OWNERS WHO LEASE A SPACE

BHA Policy

Family Income

In determining the annual income of families leasing manufactured home spaces, the value of the family's equity in the manufactured home in which the family resides is not counted as a family asset.

Lease and HAP Contract

There is a separate Tenancy Addendum (Form 52642-a) and separate HAP Contract (Form 52642) for this special housing type.

15-VI.C. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION

BHA Policy

Payment Standards

The FMR for a manufactured home space is generally 40 percent of the published FMR for a 2-bedroom unit or, where approved by HUD, the 40th percentile of the rental distribution of manufactured home spaces for the FMR area. The PHA may establish a payment standard for manufactured home spaces that is between 90-110 percent of the FMR for manufactured home spaces.

Utility Allowance

The PHA must establish utility allowances for manufactured home space rental. For the first 12 months of the initial lease term only, the allowance must include an amount for a utility hook-up charge if the family actually incurred a hook-up charge because of a move. This allowance will

not be given to a family that leases in place. Utility allowances for manufactured home space must not include the costs of digging a well or installing a septic system.

Space Rent

The space rent is the sum of the rent to the owner for the manufactured home space, any charges for maintenance and management provided by the owner, and the utility allowance for tenant-paid utilities.

Housing Assistance Payment

The HAP for a manufactured home space under the housing choice voucher program is the lower of the payment standard minus the TTP or the (gross) manufactured home space rent minus the TTP.

Rent Reasonableness

Initially, and annually thereafter the PHA must determine that the rent for the manufactured home space is reasonable based on rents for comparable manufactured home spaces. The PHA must consider the location and size of the space, and any services and maintenance to be provided by the owner. By accepting the monthly HAP check, the owner certifies that the rent does not exceed rents charged by the owner for comparable unassisted spaces in the manufactured home park or elsewhere.

15-VI.D. HOUSING QUALITY STANDARDS

BHA Policy

Under either type of occupancy described in 15-VI.A above, the manufactured home must meet all HQS performance requirements and acceptability criteria discussed in Chapter 8 of this plan. In addition, the following requirement applies:

Manufactured Home Tie-Down

A manufactured home must be placed on the site in a stable manner, and must be free from hazards such as sliding or wind damage. The home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist overturning and sliding.

PART VII: HOMEOWNERSHIP

[24 CFR 982.625 through 982.643]

15-VII.A. OVERVIEW [24 CFR 982.625]

BHA Policy

The homeownership option is used to assist a family residing in a home purchased and owned by one or more members of the family. A family assisted under this option may be newly admitted or an existing participant in the HCV program. The PHA must have the capacity to operate a successful HCV homeownership program as defined by the regulations.

There are two forms of homeownership assistance a PHA may offer under this option: monthly homeownership assistance payments, or a single down payment assistance grant. PHAs may choose to offer either or both forms of homeownership assistance, or choose not to offer either. If a PHA offers both forms of assistance, a family must choose which form of assistance to receive.

The PHA must offer either form of homeownership assistance if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities. It is the sole responsibility of the PHA to determine whether it is reasonable to implement a homeownership program as a reasonable accommodation. The PHA must determine what is reasonable based on the specific circumstances and individual needs of the person with a disability. The PHA may determine that it is not reasonable to offer homeownership assistance as a reasonable accommodation in cases where the PHA has otherwise opted not to implement a homeownership program.

The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

15-VII.B. FAMILY ELIGIBILITY [24 CFR 982.627]

BHA Policy

The family must meet all of the requirements listed below before the commencement of homeownership assistance. The PHA may also establish additional initial requirements as long as they are described in the PHA administrative plan.

- The family must have been admitted to the Housing Choice Voucher program.
- The family must qualify as a first-time homeowner, or may be a cooperative member.
- The family must meet the Federal minimum income requirement. The family must have a gross annual income equal to the Federal minimum wage multiplied by 2000, based on the income of adult family members who will own the home. The PHA may establish a higher income standard for families. However, a family that meets the federal minimum income requirement (but not the PHA's requirement) will be considered to meet the minimum income requirement if it can demonstrate that it has been pre-qualified or pre-approved for financing that is sufficient to purchase an eligible unit.
- For disabled families, the minimum income requirement is equal to the current SSI monthly payment for an individual living alone, multiplied by 12.

- For elderly or disabled families, welfare assistance payments for adult family members who will own the home will be included in determining whether the family meets the minimum income requirement. It will not be included for other families.
- The family must satisfy the employment requirements by demonstrating that one or more adult members of the family who will own the home at commencement of homeownership assistance is currently employed on a full-time basis (the term 'full-time employment' means not less than an average of 30 hours per week); and has been continuously so employed during the year before commencement of homeownership assistance for the family.
- The employment requirement does not apply to elderly and disabled families. In addition, if a family, other than an elderly or disabled family includes a person with disabilities, the PHA must grant an exemption from the employment requirement if the PHA determines that it is needed as a reasonable accommodation.
- The family has not defaulted on a mortgage securing debt to purchase a home under the homeownership option
- Except for cooperative members who have acquired cooperative membership shares prior to commencement of homeownership assistance, no family member has a present ownership interest in a residence at the commencement of homeownership assistance for the purchase of any home.
- Except for cooperative members who have acquired cooperative membership shares prior to the commencement of homeownership assistance, the family has entered a contract of sale in accordance with 24 CFR 982.631(c).

15-VII.C. SELECTION OF FAMILIES [24 CFR 982.626]

BHA Policy

Unless otherwise provided (under the homeownership option), the PHA may limit homeownership assistance to families or purposes defined by the PHA, and may prescribe additional requirements for commencement of homeownership assistance for a family. Any such limits or additional requirements must be described in the PHA administrative plan.

If the PHA limits the number of families that may participate in the homeownership option, the PHA must establish a system by which to select families to participate.

15-VII.D. ELIGIBLE UNITS [24 CFR 982.628]

BHA Policy

In order for a unit to be eligible, the PHA must determine that the unit satisfies all of the following requirements:

- The unit must meet HUD's "eligible housing" requirements. The unit may not be any of the following:
 - A public housing or Indian housing unit;
 - A unit receiving Section 8 project-based assistance;

- A nursing home, board and care home, or facility providing continual psychiatric, medical or nursing services;
- A college or other school dormitory;
- On the grounds of penal, reformatory, medical, mental, or similar public or private institutions.
- The unit must be under construction or already exist at the time the family enters into the contract of sale.
- The unit must be a one-unit property or a single dwelling unit in a cooperative or condominium.
- The unit must have been inspected by the PHA and by an independent inspector designated by the family.
- The unit must meet Housing Quality Standards (see Chapter 8).
- For a unit where the family will not own fee title to the real property (such as a manufactured home), the home must have a permanent foundation and the family must have the right to occupy the site for at least 40 years.
- For PHA-owned units all of the following conditions must be satisfied:
 - The PHA informs the family, both orally and in writing, that the family has the right to purchase any eligible unit and a PHA-owned unit is freely selected by the family without PHA pressure or steering;
 - The unit is not ineligible housing;
 - The PHA obtains the services of an independent agency to inspect the unit for compliance with HQS, review the independent inspection report, review the contract of sale, determine the reasonableness of the sales price and any PHA provided financing. All of these actions must be completed in accordance with program requirements.

The PHA must not approve the unit if the PHA has been informed that the seller is debarred, suspended, or subject to a limited denial of participation.

Note: due to exceedingly high housing purchase costs in Berkeley, CA, BHA does not have a viable Homeownership Program currently.

15-VII.E. ADDITIONAL PHA REQUIREMENTS FOR SEARCH AND PURCHASE [24 CFR 982.629]

BHA Policy

It is the family's responsibility to find a home that meets the criteria for voucher homeownership assistance. The PHA may establish the maximum time that will be allowed for a family to locate and purchase a home, and may require the family to report on their progress in finding and purchasing a home. If the family is unable to purchase a home within the maximum time established by the PHA, the PHA may issue the family a voucher to lease a unit or place the family's name on the waiting list for a voucher.

15-VII.F. HOMEOWNERSHIP COUNSELING [24 CFR 982.630]

BHA Policy

Before commencement of homeownership assistance for a family, the family must attend and satisfactorily complete the pre-assistance homeownership and housing counseling program required by the PHA. HUD suggests the following topics for the PHA-required pre-assistance counseling:

- Home maintenance (including care of the grounds);
- Budgeting and money management;
- Credit counseling;
- How to negotiate the purchase price of a home;
- How to obtain homeownership financing and loan pre-approvals, including a description of types of financing that may be available, and the pros and cons of different types of financing;
- How to find a home, including information about homeownership opportunities, schools, and transportation in the PHA jurisdiction;
- Advantages of purchasing a home in an area that does not have a high concentration of low-income families and how to locate homes in such areas;
- Information on fair housing, including fair housing lending and local fair housing enforcement agencies; and
- Information about the Real Estate Settlement Procedures Act (12 U.S.C. 2601 et seq.) (RESPA), state and Federal truth-in-lending laws, and how to identify and avoid loans with oppressive terms and conditions.

The PHA may adapt the subjects covered in pre-assistance counseling (as listed) to local circumstances and the needs of individual families.

The PHA may also offer additional counseling after commencement of homeownership assistance (ongoing counseling). If the PHA offers a program of ongoing counseling for participants in the homeownership option, the PHA shall have discretion to determine whether the family is required to participate in the ongoing counseling.

If the PHA does not use a HUD-approved housing counseling agency to provide the counseling, the PHA should ensure that its counseling program is consistent with the counseling provided under HUD's Housing Counseling program.

15-VII.G. HOME INSPECTIONS, CONTRACT OF SALE, AND PHA DISAPPROVAL OF SELLER [24 CFR 982.631]

BHA Policy

Home Inspections

The PHA may not commence monthly homeownership assistance payments or provide down payment assistance grants for a family until the PHA has inspected the unit and has determined that the unit passes HQS.

An independent professional inspector selected by and paid for by the family must also inspect the unit. The independent inspection must cover major building systems and components, including foundation and structure, housing interior and exterior, and the roofing, plumbing, electrical, and heating systems. The independent inspector must be qualified to report on property conditions, including major building systems and components.

The PHA may not require the family to use an independent inspector selected by the PHA. The independent inspector may not be a PHA employee or contractor, or other person under control of the PHA. However, the PHA may establish standards for qualification of inspectors selected by families under the homeownership option.

The PHA may disapprove a unit for assistance based on information in the independent inspector's report, even if the unit was found to comply with HQS.

Contract of Sale

Before commencement of monthly homeownership assistance payments or receipt of a down payment assistance grant, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give the PHA a copy of the contract of sale. The contract of sale must:

- Specify the price and other terms of sale by the seller to the purchaser;
- Provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent inspector selected by the purchaser;
- Provide that the purchaser is not obligated to purchase the unit unless the inspection is satisfactory to the purchaser;
- Provide that the purchaser is not obligated to pay for any necessary repairs; and
- Contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial of participation under CFR part 24.

Disapproval of a Seller

In its administrative discretion, the PHA may deny approval of a seller for the same reasons a PHA may disapprove an owner under the regular HCV program [see 24 CFR 982.306(c)].

15-VII.H. FINANCING [24 CFR 982.632]

BHA Policy

The PHA may establish requirements for financing purchase of a home under the homeownership option. This may include requirements concerning qualification of lenders, terms of financing, restrictions concerning debt secured by the home, lender qualifications, loan terms, and affordability of the debt. The PHA must establish policies describing these requirements in the administrative plan.

A PHA may not require that families acquire financing from one or more specified lenders, thereby restricting the family's ability to secure favorable financing terms.

15-VII.I. CONTINUED ASSISTANCE REQUIREMENTS; FAMILY OBLIGATIONS [24 CFR 982.633]

BHA Policy

Homeownership assistance may only be paid while the family is residing in the home. If the family moves out of the home, the PHA may not continue homeownership assistance after the month when the family moves out. The family or lender is not required to refund to the PHA the homeownership assistance for the month when the family moves out.

Before commencement of homeownership assistance, the family must execute a statement in which the family agrees to comply with all family obligations under the homeownership option.

The family must comply with the following obligations:

- The family must comply with the terms of the mortgage securing debt incurred to purchase the home, or any refinancing of such debt.
- The family may not convey or transfer ownership of the home, except for purposes of financing, refinancing, or pending settlement of the estate of a deceased family member. Use and occupancy of the home are subject to 24 CFR 982.551 (h) and (i).
- The family must supply information to the PHA or HUD as specified in 24 CFR 982.551(b). The family must further supply any information required by the PHA or HUD concerning mortgage financing or refinancing, sale or transfer of any interest in the home, or homeownership expenses.
- The family must notify the PHA before moving out of the home.
- The family must notify the PHA if the family defaults on the mortgage used to purchase the home.
- No family member may have any ownership interest in any other residential property.
- The family must comply with the obligations of a participant family described in 24 CFR 982.551, except for the following provisions which do not apply to assistance under the homeownership option: 24 CFR 982.551(c), (d), (e), (f), (g) and (j).

15-VII.J. MAXIMUM TERM OF HOMEOWNER ASSISTANCE [24 CFR 982.634]

BHA Policy

Except in the case of a family that qualifies as an elderly or disabled family, other family members (described below) shall not receive homeownership assistance for more than:

- Fifteen years, if the initial mortgage incurred to finance purchase of the home has a term of 20 years or longer; or
- Ten years, in all other cases.

The maximum term described above applies to any member of the family who:

- Has an ownership interest in the unit during the time that homeownership payments are made; or
- Is the spouse of any member of the household who has an ownership interest in the unit during the time homeownership payments are made.

In the case of an elderly family, the exception only applies if the family qualifies as an elderly family at the start of homeownership assistance. In the case of a disabled family, the exception applies if at any time during receipt of homeownership assistance the family qualifies as a disabled family.

If, during the course of homeownership assistance, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date homeownership assistance commenced. However, such a family must be provided at least 6 months of homeownership assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive homeownership assistance).

If the family has received such assistance for different homes, or from different PHAs, the total of such assistance terms is subject to the maximum term described in this part.

15-VII.K. HOMEOWNERSHIP ASSISTANCE PAYMENTS AND HOMEOWNERSHIP EXPENSES [24 CFR 982.635]

BHA Policy

The monthly homeownership assistance payment is the lower of: the voucher payment standard minus the total tenant payment, or the monthly homeownership expenses minus the total tenant payment.

In determining the amount of the homeownership assistance payment, the PHA will use the same payment standard schedule, payment standard amounts, and subsidy standards as those described in elsewhere in this plan for the Housing Choice Voucher program.

The PHA may pay the homeownership assistance payments directly to the family, or at the PHA's discretion, to a lender on behalf of the family. If the assistance payment exceeds the amount due to the lender, the PHA must pay the excess directly to the family.

Homeownership assistance for a family terminates automatically 180 calendar days after the last homeownership assistance payment on behalf of the family. However, a PHA may grant relief from this requirement in those cases where automatic termination would result in extreme hardship for the family.

The PHA must adopt policies for determining the amount of homeownership expenses to be allowed by the PHA in accordance with HUD requirements.

Homeownership expenses (not including cooperatives) only include amounts allowed by the PHA to cover:

- Principal and interest on initial mortgage debt, any refinancing of such debt, and any mortgage insurance premium incurred to finance purchase of the home;
- Real estate taxes and public assessments on the home;
- Home insurance;
- The PHA allowance for maintenance expenses;
- The PHA allowance for costs of major repairs and replacements;
- The PHA utility allowance for the home;
- Principal and interest on mortgage debt incurred to finance costs for major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the PHA determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person;
- Land lease payments where a family does not own fee title to the real property on which the home is located; [see 24 CFR 982.628(b)].
- For a condominium unit, condominium operating charges or maintenance fees assessed by the condominium homeowner association.

Homeownership expenses for a cooperative member may only include amounts allowed by the PHA to cover:

- The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home;
- Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt;
- Home insurance;
- The PHA allowance for maintenance expenses;
- The PHA allowance for costs of major repairs and replacements;
- The PHA utility allowance for the home; and
- Principal and interest on debt incurred to finance major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the PHA determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.

- Cooperative operating charges or maintenance fees assessed by the cooperative homeowner association.

15-VII.L. PORTABILITY [24 CFR 982.636, 982.637, 982.353(b) and (c), 982.552, 982.553]

BHA Policy

Subject to the restrictions on portability included in HUD regulations and PHA policies, a family may exercise portability if the receiving PHA is administering a voucher homeownership program and accepting new homeownership families. The receiving PHA may absorb the family into its voucher program, or bill the initial PHA.

The family must attend the briefing and counseling sessions required by the receiving PHA. The receiving PHA will determine whether the financing for, and the physical condition of the unit, are acceptable. The receiving PHA must promptly notify the initial PHA if the family has purchased an eligible unit under the program, or if the family is unable to purchase a home within the maximum time established by the PHA.

15-VII.M. MOVING WITH CONTINUED ASSISTANCE [24 CFR 982.637]

BHA Policy

A family receiving homeownership assistance may move with continued tenant-based assistance. The family may move with voucher rental assistance or with voucher homeownership assistance. Continued tenant-based assistance for a new unit cannot begin so long as any family member holds title to the prior home.

The PHA may deny permission to move to a new unit with continued voucher assistance as follows:

- Lack of funding to provide continued assistance.
- At any time, the PHA may deny permission to move with continued rental or homeownership assistance in accordance with 24 CFR 982.638, regarding denial or termination of assistance.
- In accordance with the PHA's policy regarding number of moves within a 12-month period.

The PHA must deny the family permission to move to a new unit with continued voucher rental assistance if:

- The family defaulted on an FHA-insured mortgage; and
- The family fails to demonstrate that the family has conveyed, or will convey, title to the home, as required by HUD, to HUD or HUD's designee; and the family has moved, or will move, from the home within the period established or approved by HUD.

15-VII.N. DENIAL OR TERMINATION OF ASSISTANCE [24 CFR 982.638]

BHA Policy

At any time, the PHA may deny or terminate homeownership assistance in accordance with HCV program requirements in 24 CFR 982.552 (Grounds for denial or termination of assistance) or 24 CFR 982.553 (Crime by family members).

The PHA may also deny or terminate assistance for violation of participant obligations described in 24 CFR Parts 982.551 or 982.633 and in accordance with its own policy.

The PHA must terminate voucher homeownership assistance for any member of family receiving homeownership assistance that is dispossessed from the home pursuant to a judgment or order of foreclosure on any mortgage (whether FHA insured or non-FHA) securing debt incurred to purchase the home, or any refinancing of such debt.

Chapter 16

PROGRAM ADMINISTRATION

INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this plan. The policies are discussed in seven parts as described below:

Part I: Administrative Fee Reserve. This part describes BHA's policies with regard to oversight of expenditures from its administrative fee reserve.

Part II: Setting Program Standards and Schedules. This part describes what payment standards are, and how they are updated, as well as how utility allowances are established and revised.

Part III: Informal Reviews and Hearings. This part outlines the requirements and procedures for informal reviews and hearings, and for informal hearings regarding citizenship status.

Part IV: Owner or Family Debts to BHA. This part describes policies for recovery of monies that BHA has loaned for Security Deposits, and monies BHA has overpaid on behalf of families, or to owners, and describes the circumstances under which BHA will offer repayment agreements to owners and families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part V: Section 8 Management Assessment Program (SEMAP). This part describes what the SEMAP scores represent, how they are established, and how those scores affect BHA.

Part VI: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies BHA will follow.

Part VII: Reporting and Record Keeping for Children with Environmental Intervention Blood Lead Level. This part describes BHA's responsibilities for reporting, data collection, and record keeping relative to children with environmental intervention blood lead levels that are less than six years of age, and are receiving HCV assistance.

Part VIII: Determination of Insufficient Funding. This part describes BHA's policies for determining if there is sufficient funding to issue vouchers, to approve moves to higher cost units or areas, and to continue assistance for all participant families.

PART I: ADMINISTRATIVE FEE RESERVE [24 CFR 982.155]

BHA must maintain an administrative fee reserve for the program to pay program administrative expenses in excess of administrative fees paid by HUD for BHA's fiscal year. If funds in the administrative fee reserve are not needed to cover BHA administrative expenses, BHA may use these funds for other housing purposes permitted by Federal, State and local law.

If BHA has not adequately administered any Section 8 program, HUD may prohibit use of funds in the administrative fee reserve, and may direct BHA to use funds in the reserve to improve administration of the program or to reimburse ineligible expenses. HUD also may prohibit use of the funds for certain purposes.

HUD requires the BHA Board of Commissioners or other authorized officials to establish the maximum amount that may be charged against the administrative fee reserve without specific approval.

BHA Policy

Expenditures from the administrative fee reserve will be made in accordance with all applicable Federal requirements. Expenditures will not exceed \$50,000 per occurrence without the prior approval of BHA's Board of Commissioners.

PART II: SETTING PROGRAM STANDARDS AND SCHEDULES

16-II.A. OVERVIEW

Although many of the program's requirements are established centrally by HUD, the HCV program's regulations recognize that some flexibility is required to allow BHA to adapt the program to local conditions. This part discusses how BHA establishes and updates certain schedules and standards that are used to administer the program locally. Details about how these schedules are applied to individual families are provided in other chapters. The schedules and standards discussed here include:

- *Payment Standards*, which dictate the maximum subsidy a family can receive (application of the payment standards is discussed in Chapter 6); and
- *Utility Allowances*, which specify how a family's payment should be adjusted to account for tenant-paid utilities (application of utility allowances is discussed in Chapter 6).

BHA Policy

Copies of the payment standard and utility allowance schedules are available for review in BHA's offices during normal business hours and on BHA's website.

BHA will maintain documentation to support its annual review of payment standards and utility allowance schedules. This documentation will be retained for at least 3 years.

16-II.B. PAYMENT STANDARDS [24 CFR 982.503; HCV GB, Chapter 7]

The payment standard sets the maximum subsidy payment a family can receive from BHA each month [24 CFR 982.505(a)]. Payment standards are based on fair market rents (FMRs) published annually by HUD. FMRs are set at a percentile within the rent distribution of standard quality

rental housing units in each FMR area. For most jurisdictions FMRs are set at the 40th percentile of rents in the market area.

BHA must establish a payment standard schedule that establishes payment standard amounts for BHA's jurisdiction, and for each unit size. For each unit size, BHA may establish a single payment standard amount for the whole FMR area, or may set different payment standards for different parts of the FMR area. Unless HUD grants an exception, BHA is required to establish a payment standard within a "basic range" established by HUD – between 90 and 110 percent of the published FMR for each unit size.

Updating Payment Standards

When HUD updates its FMRs, BHA must update its payment standards if the standards are no longer within the basic range [24 CFR 982.503(b)]. HUD may require BHA to make further adjustments if it determines that rent burdens for assisted families in BHA's jurisdiction are unacceptably high [24 CFR 982.503(g)].

BHA Policy

BHA will review the appropriateness of the payment standards on an annual basis when the new FMR is published. In addition to ensuring the payment standards are always within the "basic range" BHA will consider one or more of the following factors when determining whether an adjustment should be made to the payment standard schedule:

Funding Availability: BHA will review the budget to determine the impact projected subsidy adjustments will have on funding available for the program and the number of families served. BHA will compare the number of families who could be served under revised payment standard amounts with the number assisted under current payment standard amounts.

Rent Burden of Participating Families: Rent burden will be determined by identifying the percentage of families, for each unit size, that are paying more than 30 percent of their monthly adjusted income as the family share, or where, if approved, the contract rent would result in the family paying more than 30 percent of their monthly adjusted income. When 40 percent or more of families, for any given unit size, are paying more than 30 percent of adjusted monthly income as the family share, BHA will consider increasing the payment standard. In evaluating rent burdens, BHA will not include families renting a larger unit than their family unit size.

Quality of Units Selected: BHA will review the quality of units selected by participant families when making the determination of the percent of income families are paying for housing, to ensure that payment standard increases are only made when needed to reach the mid-range of the market.

Changes in Rent to Owner: BHA may review a sample of the units to determine how often owners are increasing or decreasing rents and the average percent of increases/decreases by bedroom size.

Unit Availability: BHA will review the availability of units for each unit size, particularly in areas with low concentrations of poor and minority families.

Lease-up Time and Success Rate: BHA will consider the percentage of families that are unable to locate suitable housing before the voucher expires and whether families are leaving the jurisdiction to find affordable housing.

Rent data from Rent Stabilization Program: BHA will review rent data from the Rent Stabilization Program addressing new rental rates during the preceding six month period.

Changes to payment standard amounts will be implemented in two phases: effective immediately for new contracts, and effective December 1st for existing assisted tenancies.

Exception Payment Standards [982.503(c)]

BHA must request HUD approval to establish payment standards that are higher than the basic range. At HUD's sole discretion, HUD may approve a payment standard amount that is higher than the basic range for a designated part of the FMR area. HUD may approve an exception payment standard amount (in accordance with program requirements) for all units, or for all units of a given size, leased by program families in the exception area. Any PHA with jurisdiction in the exception area may use the HUD-approved exception payment standard amount. The total population of all HUD-approved exception areas in an FMR area may not include more than 50 percent of the population of the FMR area.

Unit-by-Unit Exceptions [24 CFR 982.503(c)(2)(ii)]

Unit-by-unit exceptions to BHA's payment standards generally are not permitted. However, an exception may be made as a reasonable accommodation for a family that includes a person with disabilities. (See Chapter 2 for a discussion of reasonable accommodations.) This type of exception does not affect BHA's payment standard schedule.

When needed as a reasonable accommodation, BHA may make an exception to the payment standard without HUD approval if the exception amount does not exceed 120 percent of the applicable FMR for the unit size (HUD PIH Notice 2013-03, *Temporary Compliance Assistance (January 22, 2013)*). BHA may request HUD approval for an exception to the payment standard for a particular family if the required amount is above 120 percent of the FMR.

BHA Policy

A family that requires a reasonable accommodation may request a higher payment standard at the time the Request for Tenancy Approval (RFTA) is submitted. The family must document the need for the exception. In order to approve an exception, or request an exception from HUD, BHA must determine that:

There is a shortage of modest affordable units that would be appropriate for the family;

The unit's design and/or amenities address the needs of the disabled household member (i.e. wheelchair accessibility);

The family's TTP would otherwise exceed 40 percent of adjusted monthly income; and

The rent for the unit is reasonable.

In accordance with HUD PIH Notice 2013-03, *Temporary Compliance Assistance (January 22, 2013)*, BHA may adopt an Exception Payment Standard equal to 120% of the published Fair Market Rents, as a Reasonable Accommodation, without HUD approval.

"Success Rate" Payment Standard Amounts [24 CFR 982.503(e)]

If a substantial percentage of families have difficulty finding a suitable unit, BHA may request a "success rate payment standard" that applies to the entire jurisdiction. If approved by HUD, a success rate payment standard allows BHA to set its payment standards at 90-110 percent of a higher FMR (the 50th, rather than the 40th percentile FMR). To support the request, BHA must demonstrate that during the most recent 6-month period for which information is available:

- Fewer than 75 percent of families who were issued vouchers became participants;
- BHA had established payment standards for all unit sizes, and for the entire jurisdiction, at 110 percent of the published FMR; and
- BHA had a policy of allowing voucher holders who made sustained efforts to locate units at least 90 days to search for a unit.

Although HUD approves the success rate payment standard for all unit sizes in the FMR area, BHA may choose to adjust the payment standard for only some unit sizes in all, or a designated part, of BHA's jurisdiction within the FMR area.

Decreases in the Payment Standard Below the Basic Range [24 CFR 982.503(d)]

BHA must request HUD approval to establish a payment standard amount that is lower than the basic range. At HUD's sole discretion, HUD may approve establishment of a payment standard lower than the basic range. HUD will not approve a lower payment standard if the family share for more than 40 percent of program participants exceeds 30 percent of adjusted monthly income.

16-II.C. UTILITY ALLOWANCES [24 CFR 982.517]

A BHA-established utility allowance schedule is used in determining family share and BHA subsidy. BHA must maintain a utility allowance schedule for (1) all tenant-paid utilities, (2) the cost of tenant-supplied refrigerators and ranges, and (3) other tenant-paid housing services such as trash collection.

The utility allowance schedule must be determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, BHA must use normal patterns of consumption for the community as a whole, and current utility rates.

The utility allowance must include the utilities and services that are necessary in the locality to provide housing that complies with housing quality standards. Costs for telephone, cable/satellite television, and internet services are not included in the utility allowance schedule.

In the utility allowance schedule, BHA must classify utilities and other housing services according to the following general categories: space heating; air conditioning; cooking; water heating; water; sewer; trash collection; other electric; cost of tenant-supplied refrigerator; cost of tenant-supplied range; and other specified housing services.

The cost of each utility and housing service must be stated separately by unit size and type. Chapter 18 of the *HCV Guidebook* provides detailed guidance to BHA about establishing utility allowance schedules.

Reasonable Accommodation

HCV program regulations require BHA to approve a utility allowance amount higher than shown on BHA's schedule if a higher allowance is needed as a reasonable accommodation for a family member with a disability. For example, if a family member with a disability requires such an accommodation, BHA will approve an allowance for air-conditioning, even if BHA has determined that an allowance for air-conditioning generally is not needed (See Chapter 2 for policies regarding the request and approval of reasonable accommodations).

Utility Allowance Revisions

BHA must review its schedule of utility allowances each year, and must revise the schedule if there has been a change of 10 percent or more in any utility rate since the last time the allowance for that utility was revised.

BHA must maintain information supporting its annual review of utility allowance and any revisions made in its utility allowance schedule.

PART III: INFORMAL REVIEWS AND HEARINGS

16-III.A. OVERVIEW

When BHA makes a decision that has a negative impact on a family, the family is often entitled to appeal the decision. For applicants, the appeal takes the form of an informal review; for participants, or for applicants denied admission because of citizenship issues, the appeal takes the form of an informal hearing.

PHAs are required to include in their administrative plans, informal review procedures for applicants, and informal hearing procedures for participants [24 CFR 982.54(d)(12) and (13)].

16-III.B. INFORMAL REVIEWS

Informal reviews are provided for program applicants. An applicant is someone who has applied for admission to the program, but is not yet a participant in the program. Informal reviews are intended to provide a “minimum hearing requirement” [24 CFR 982.554], and need not be as elaborate as the informal hearing requirements. (Federal Register Volume 60, No. 127, p 36490).

Decisions Subject to Informal Review

BHA must give an applicant the opportunity for an informal review of a decision denying assistance [24 CFR 982.554(a)]. Denial of assistance may include any or all of the following [24 CFR 982.552(a)(2)]:

- Denying listing on BHA waiting list
- Denying or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a lease
- Refusing to process or provide assistance under portability procedures
- Denial of assistance based on an unfavorable history that may be the result of domestic violence, dating violence or stalking. (See Section 3-III.G.)

Informal reviews are *not* required for the following reasons [24 CFR 982.554(c)]:

- Discretionary administrative determinations by BHA
- General policy issues or class grievances
- A determination of the family unit size under BHA subsidy standards
- A BHA determination not to grant approval of the tenancy
- A BHA determination that the unit is not in compliance with the HQS
- A BHA determination that the unit is not in accordance with the HQS due to family size or composition

BHA Policy

BHA will only offer an informal review to applicants for whom assistance is being denied. Denial of assistance includes: denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; refusing to process or provide assistance under portability procedures. BHA will not offer an informal review to a family that was not selected from a lottery pool for placement on BHA waiting list.

Notice to the Applicant [24 CFR 982.554(a)]

BHA must give an applicant prompt notice of a decision denying assistance. The notice must contain a brief statement of the reasons for the BHA decision, and must also state that the applicant may request an informal review of the decision. The notice must describe how to obtain the informal review.

Scheduling an Informal Review

BHA Policy

A request for an informal review must be made in writing and delivered to BHA either in person or by first class mail, or by email to bha@cityofberkeley.info by the close of the business day, no later than 10 business days from the date of BHA's denial of assistance.

Except as provided in Section 3-III.G, BHA must schedule and send written notice of the informal review within 10 business days of the family's request.

Any correspondence mailed via US Postal Service to the assisted address is presumed received unless it is returned.

Informal Review Procedures [24 CFR 982.554(b)]

BHA Policy

The informal review must be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant must be provided an opportunity to review BHAs documentation prior to the review meeting, and to present written or oral objections to the decision of BHA under review.

The person conducting the review will make a recommendation to BHA, but BHA is responsible for making the final decision as to whether assistance should be granted or denied.

For reviews of "factual matters" (i.e. denial of placement on a senior housing list by a person under 62 years of age, or admission of a lifetime registrant sex offender) BHA may conduct the review by review of documents, and not provide a "meeting" to discuss the appeal.

Informal Review Decision [24 CFR 982.554(b)]

BHA must notify the applicant of BHA's final decision, including a brief statement of the reasons for the final decision. A VAWA Notice of Occupancy Rights will be provided in conjunction with notices of proposed denials of assistance.

BHA Policy

In rendering a decision, BHA will evaluate the following matters:

Whether or not the grounds for denial were stated factually in the Notice.

The validity of grounds for denial of assistance.

The validity of the evidence.

BHA will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. Two copies of the notice will be mailed within 10 business days of the informal review, to the applicant and his or her representative, if any, via regular and certified mail.

If the decision to deny is overturned as a result of the informal review, processing for admission will resume.

If the family fails to appear for their informal review, the denial of admission will stand and the family will be so notified.

Any correspondence mailed via US Postal Service to the assisted address is presumed received unless it is returned.

16-III.C. INFORMAL HEARINGS FOR PARTICIPANTS [24 CFR 982.555, Pub.L. 109-162]

PHAs must offer an informal hearing for certain BHA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to the BHA's HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether BHA's decisions related to the family's circumstances are in accordance with the law, HUD regulations and BHA policies.

BHA is not permitted to terminate a family's assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed. Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

Decisions Subject to Informal Hearing

Circumstances for which BHA must give a participant family an opportunity for an informal hearing are as follows:

- A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment
- A determination of the appropriate utility allowance (if any) for tenant-paid utilities from BHA utility allowance schedule
- A determination of the family unit size under BHA's subsidy standards
- A determination that a certificate program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under BHA's subsidy standards, or BHA determination to deny the family's request for exception from the standards
- A determination to terminate assistance for a participant family because of the family's actions or failure to act

- A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under BHA policy and HUD rules
- A determination to terminate a family's Family Self Sufficiency contract, withhold supportive services, or propose forfeiture of the family's escrow account [24 CFR 984.303(i)]
- A determination to deny admission based on an unfavorable history that may be the result of domestic violence, dating violence, or stalking.

Circumstances for which an informal hearing is not required are as follows:

- Discretionary administrative determinations by BHA
- General policy issues or class grievances
- Establishment of BHA schedule of utility allowances for families in the program
- A BHA determination not to approve an extension or suspension of a voucher term
- A BHA determination not to approve a unit or tenancy
- A BHA determination that a unit selected by the applicant is not in compliance with the HQS
- A BHA determination that the unit is not in accordance with HQS because of family size
- A determination by BHA to exercise or not to exercise any right or remedy against an owner under a HAP contract

BHA Policy

BHA will only offer participants the opportunity for an informal hearing when required to by the regulations.

Informal Hearing Procedures

Notice to the Family [24 CFR 982.555(c)]

When BHA makes a decision that is subject to informal hearing procedures, BHA must inform the family of its right to an informal hearing at the same time that it informs the family of the decision.

For decisions related to the family's annual or adjusted income, the determination of the appropriate utility allowance, and the determination of the family unit size, BHA must notify the family that they may ask for an explanation of the basis of the determination, and that if they do not agree with the decision, they may request an informal hearing on the decision.

For decisions related to the termination of the family's assistance, or the denial of a family's request for an exception to BHA's subsidy standards, the notice must contain a brief statement of the reasons for the decision, a statement that if the family does not agree with the decision, the family may request an informal hearing on the decision, and a statement of the deadline for the family to request an informal hearing.

BHA Policy

In cases where BHA makes a decision for which an informal hearing must be offered, the notice to the family will include all of the following:

The proposed action or decision of BHA.

A brief statement of the reasons for the decision including the regulatory reference.

A copy of all documents BHA will rely upon during the hearing

The date the proposed action will take place.

A statement of the family's right to an explanation of the basis for BHA's decision.

A statement that if the family does not agree with the decision the family may request an informal hearing of the decision.

A deadline for the family to request the informal hearing.

To whom the hearing request should be addressed.

VAWA Notice of Occupancy Rights

Scheduling an Informal Hearing [24 CFR 982.555(d)]

When an informal hearing is required, BHA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

BHA Policy

A request for an informal hearing must be made in writing and delivered to BHA either in person or by first class mail, or email to bha@ci.berkeley.ca.us by the close of the business day, no later than 10 business days from the date of BHA's decision or notice to terminate assistance.

BHA must schedule and send written notice of the informal hearing to the family within 10 business days of the family's request.

Any correspondence mailed via US Postal Service to the assisted address is presumed received unless it is returned.

The family will be asked to advise the preferred day of the week, and morning or afternoon. BHA will attempt to accommodate the family in scheduling the hearing. Additionally, the family may reschedule once for convenience, provided at least 24 hour notice is provided. Thereafter, a hearing will only be rescheduled for "good cause". Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, BHA may request documentation of the "good cause" prior to rescheduling the hearing. Failure to secure legal representation in a timely manner is not good cause.

If the family does not appear at the scheduled time, and was unable to reschedule the hearing in advance due to the nature of the conflict, the family must contact BHA within 24 hours of the scheduled hearing date, excluding weekends and holidays. BHA will reschedule the hearing only if the family can show good cause for the failure to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

If the family delays BHA's ability to conduct the hearing beyond 30-days, and the delay impacts the amount of subsidy paid by BHA, BHA will (a) conduct the hearing by review of documents or (b) suspend all benefits for a maximum of 60-days to allow for a hearing.

Other Reviews

BHA will not suspend or delay the informal hearing process more than 30-days to await adjudication by another entity (i.e. civil or criminal case).

Pre-Hearing Right to Discovery [24 CFR 982.555(e)]

Participants and BHA are permitted pre-hearing discovery rights. The family must be given the opportunity to examine before the hearing any BHA documents that are directly relevant to the hearing. The family must be allowed to copy any such documents at their own expense. If BHA does not make the document available for examination on request of the family, BHA may not rely on the document at the hearing.

BHA hearing procedures may provide that BHA must be given the opportunity to examine at BHA offices before the hearing, any family documents that are directly relevant to the hearing. BHA must be allowed to copy any such document at BHA's expense. If the family does not make the document available for examination on request of BHA, the family may not rely on the document at the hearing.

For the purpose of informal hearings, *documents* include records and regulations.

BHA Policy

BHA will include with the proposed termination notice, a copy of all documents BHA will rely upon in the hearing. Additional copies may be obtained for \$.10 per page. If additional documents are received prior to the hearing, BHA will provide client a copy as soon as possible, whenever possible, at least 48 hours prior to the hearing.

BHA must be given an opportunity to examine at BHA offices before the hearing any family documents that are directly relevant to the hearing. Whenever a participant requests an informal hearing, BHA include in the letter scheduling the hearing, a request to copy of all documents that the participant intends to present or utilize at the hearing. The participant must make the documents available no later than 12:00 pm on the business day prior to the scheduled hearing date.

Participant's Right to Bring Counsel [24 CFR 982.555(e)(3)]

At its own expense, the family may be represented by a lawyer or other representative at the informal hearing.

Informal Hearing Officer [24 CFR 982.555(e)(4)]

Informal hearings will be conducted by a person or persons approved by BHA, other than the person who made or approved the decision or a subordinate of the person who made or approved the decision.

BHA Policy

BHA has designated the following to serve as hearing officers:

- Hearing Examiner, Rent Stabilization Program
- Housing Operations Manager/Deputy Director or equivalent from another Public Housing Authority
- Current or prior employee of a Public Housing Authority with Informal Hearing experience
- BHA Housing Occupancy Manager
- BHA Management Analyst
- BHA Executive Director

Attendance at the Informal Hearing

BHA Policy

Hearings may be attended by a hearing officer and the following applicable persons:

A BHA representative(s) and any witnesses for BHA

The participant and any witnesses for the participant

The participant's counsel or other representative

Any other person approved by BHA as a reasonable accommodation for a person with a disability

Head of household, if incarcerated, has 30 days (versus 14 days) to request an Informal Hearing; such hearing may occur via telephone, via a designated advocate, or submission of a written statement/response to evidence.

Recording of the Hearing

BHA Policy

All hearings will be recorded at BHA's expense and maintained on record for 90-days. The family may request a copy by providing a blank CD or flash drive; there will not be any charge for the duplication; BHA will not provide a transcript of the audio taped hearing unless requested for legal proceeding. A transcript required for legal proceeding will be provided at BHA expense.

Conduct at Hearings

The person who conducts the hearing may regulate the conduct of the hearing in accordance with BHA's hearing procedures [24 CFR 982.555(4)(ii)].

BHA Policy

The hearing officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the hearing officer and guidelines for conduct. Any person demonstrating disruptive, abusive or otherwise inappropriate behavior will be excused from the hearing at the discretion of the hearing officer.

Evidence [24 CFR 982.555(e)(5)]

BHA and the family must be given the opportunity to present evidence and question any witnesses. In general, all evidence is admissible at an informal hearing. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

BHA Policy

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

Oral evidence: the testimony of witnesses

Documentary evidence: a writing which is relevant to the case, for example, a letter written to BHA. Writings include all forms of recorded communication or representation, including letters, words, pictures, sounds, videotapes or symbols or combinations thereof.

Demonstrative evidence: Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

Real evidence: A tangible item relating directly to the case.

Hearsay Evidence is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter. Even though evidence, including hearsay, is generally admissible, hearsay evidence alone cannot be used as the sole basis for the hearing officer's decision.

If either BHA or the family fail to comply with the discovery requirements described above, the hearing officer will refuse to admit such evidence.

Other than the failure of a party to comply with discovery, the hearing officer has the authority to overrule any objections to evidence.

Hearing Officer's Decision [24 CFR 982.555(e)(6)]

The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing. A copy of the hearing decision must be furnished promptly to the family.

BHA Policy

In rendering a decision, the hearing officer will consider the following matters:

BHA Notice to the Family: The hearing officer will determine if the reasons for BHA's decision are factually stated in the Notice.

Discovery: The hearing officer will determine if BHA and the family were given the opportunity to examine any relevant documents in accordance with BHA policy.

BHA Evidence to Support BHA Decision: The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support BHA's conclusion.

Validity of Grounds for Termination of Assistance (when applicable): The hearing officer will determine if the termination of assistance is for one of the grounds specified in the HUD regulations and BHA policies. If the grounds for termination are not specified in the regulations or in compliance with BHA policies, then the decision of BHA will be overturned.

To overturn the decision of BHA, the Hearing Officer must find that BHA failed to meet one or more of the standards identified above.

The hearing officer will issue a written decision directly to the family and BHA no later than 10 business days after the hearing. BHA will mail a second copy to the family, certified mail. The report will contain the following information:

Hearing information:

- Name of the participant;
- Date, time and place of the hearing;
- Name of the hearing officer;
- Name of BHA representative(s); and
- Name of family representative(s), if any.

Background: A brief, impartial statement of the reason for the hearing.

Summary of the Evidence: The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of his/her testimony and that are admitted into evidence.

Findings of Fact: The hearing officer will include all findings of fact, based on a preponderance of the evidence. *Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Conclusions: The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold BHA's decision.

Order: The hearing report will include a statement of whether BHA's decision is upheld or overturned. If it is overturned, the hearing officer will instruct BHA to change the decision in accordance with the hearing officer's determination. In the case of termination of assistance, the hearing officer will instruct BHA to restore the participant's program status.

Procedures for Rehearing or Further Hearing

BHA Policy

The hearing officer may ask the family for additional information and/or might adjourn the hearing (for a maximum of 30-days) in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of BHA will take effect and another hearing will not be granted.

A rehearing or a further hearing may be requested for the purpose of rectifying any obvious mistake of law made during the hearing or any obvious injustice not known at the time of the hearing.

It shall be within the sole discretion of BHA to grant or deny the request for further hearing or rehearing. A further hearing may be limited to written submissions by the parties, in the manner specified by the hearing officer.

BHA Notice of Final Decision [24 CFR 982.555(f)]

BHA is not bound by the decision of the hearing officer for matters in which BHA is not required to provide an opportunity for a hearing, decisions that exceed the authority of the hearing officer, decisions that conflict with or contradict HUD regulations, requirements, or are otherwise contrary to Federal, State or local laws.

If BHA determines it is not bound by the hearing officer's decision in accordance with HUD regulations, BHA must promptly notify the family of the determination and the reason for the determination.

BHA Policy

If BHA determines that it will not be bound by the decision of the Hearing Officer, BHA will mail a "Notice of Final Decision" including a copy of the hearing officer's report and VAWA Notice of Occupancy Rights, to the participant and their representative.

Final informal review and informal hearing decision notices will advise the applicant that the timeline for requesting judicial review of the final decision is governed by Cal. Code of Civ. Proc. § 1094.6.

Two copies of this Notice will be sent by first-class mail, postage pre-paid including one via certified mail. The participant will be mailed the original "Notice of Final Decision". A copy of the "Notice of Final Decision" along with the certified mail receipt notice will be maintained in BHA's file.

Any correspondence mailed via US Postal Service to the assisted address is presumed received unless it is returned.

16-III.D. HEARING AND APPEAL PROVISIONS FOR NON-CITIZENS [24 CFR 5.514]

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. Applicants who are denied assistance due to immigration status are entitled to an informal hearing, not an informal review.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while

the PHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or BHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures

Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]

As discussed in Chapters 3 and 11, the notice of denial or termination of assistance for noncitizens must advise the family:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for proration of assistance.
- In the case of a participant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with the PHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

USCIS Appeal Process [24 CFR 5.514(e)]

When BHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, BHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide BHA with a copy of the written request for appeal and the proof of mailing.

BHA Policy

BHA will notify the family in writing of the results of the USCIS secondary verification within 10 business days of receiving the results.

The family must provide BHA with a copy of the written request for appeal and proof of mailing within 10 business days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to BHA, of its decision. When the USCIS notifies BHA of the decision, BHA must notify the family of its right to request an informal hearing.

BHA Policy

BHA will send written notice to the family of its right to request an informal hearing within 10 business days of receiving notice of the USCIS decision regarding the family's immigration status.

Any correspondence mailed via US Postal Service to the assisted address is presumed received unless it is returned.

Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that BHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of BHA notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

Informal Hearing Officer

BHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision. See Section 16-III.C. for a listing of positions that serve as informal hearing officers.

Evidence

The family must be provided the opportunity to examine and copy at the family's expense, at a reasonable time in advance of the hearing, any documents in the possession of BHA pertaining to the family's eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

BHA Policy

The family will be allowed to copy any documents related to the hearing at a cost of \$.10 per page. The family must request discovery of BHA documents no later than 12:00 p.m. on the business day prior to the hearing.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by BHA, and to confront and cross-examine all witnesses on whose testimony or information BHA relies.

Representation and Interpretive Services

The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled to arrange for an interpreter to attend the hearing, at the expense of the family, or BHA, as may be agreed upon by the two parties.

Recording of the Hearing

The family is entitled to have the hearing recorded by audiotape. BHA is not required to provide a transcript of the hearing.

BHA Policy

All hearings will be recorded at BHA's expense and maintained on record for 90-days. The family may request a copy by providing a blank CD or flash drive; there will not be any charge for the duplication; BHA will not provide a transcript of the audio taped hearing unless requested for legal proceeding. A transcript required for legal proceeding will be provided at BHA expense.

Hearing Decision

BHA must provide the family with a written final decision, based solely on the facts presented at the hearing, within 14 calendar days of the date of the informal hearing. The decision must state the basis for the decision.

Informal Hearing Procedures for Residents [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that BHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of BHA notice of termination, or within 30 days of receipt of the USCIS appeal decision.

For the informal hearing procedures that apply to participant families whose assistance is being terminated based on immigration status, see Section 16-III.C.

Retention of Documents [24 CFR 5.514(h)]

BHA must retain for a minimum of 5 years the following documents that may have been submitted to BHA by the family, or provided to BHA as part of the USCIS appeal or BHA informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

PART IV: OWNER OR FAMILY DEBTS TO THE PHA

16-IV.A. OVERVIEW

BHA is required to include in the Administrative Plan, policies concerning repayment by a family of amounts owed to BHA [24 CFR 982.54]. This part describes BHA's policies for recovery of monies that have been overpaid on behalf of families, or to owners or loans extended to families.

BHA Policy

When an action or inaction of an owner or participant results in failure to honor a contractual obligation (e.g. loan) or the overpayment of housing assistance, BHA holds the owner or participant liable to return any overpayments to BHA.

BHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments.

When an owner or participant refuses to repay monies owed to BHA, BHA will utilize other available collection alternatives including, but not limited to, the following:

- Collection agencies
- Small claims court
- Civil law suit
- State income tax set-off program

16-IV.B. REPAYMENT POLICY

Owner Debts to BHA

BHA Policy

BHA will provide 30 days for the establishment of a "repayment agreement," with the understanding that 50% of the outstanding debt must be paid prior to execution of the agreement. No repayment agreement will extend beyond 36 months; in cases where the family can afford to pay off a debt in less than 36 months, a repayment agreement will reflect a shorter repayment term.

If the owner fails to repay the debt within the required time frame and is entitled to future HAP payments, BHA will reduce the future HAP payments by the amount owed until the debt is paid in full.

If the owner refuses to repay the debt, BHA will ban the owner from future participation in the program and pursue other modes of collection.

Family Debts to the BHA

BHA Policy

Any amount due to BHA by an HCV participant must be repaid by the family.

BHA will provide 30 days for the establishment of a Repayment Agreement.

BHA will follow these goals, in establishing Repayment Agreements, providing some flexibilities for participants that cite undue hardships and extenuating circumstances:

1. 25%-50% of the outstanding debt be paid prior to execution of the agreement, and will be affordable, as determined through discussion between client and BHA.

2. Repayment agreement will ~~last no more than 36~~ be between 12 – 60 months and will be affordable, as determined through discussion between client and BHA.
3. Monthly amount will be affordable, as determined through discussion between client and BHA.

Prior to entering a repayment agreement, the family must show current bank statements for all accounts and assets.

If the family refuses to repay the debt, BHA will propose termination of the Section 8 assistance, and upon notification to the family, will report the debt in HUD's "Debts Owed to PHAs & Terminations" database tracking system, and pursue other modes of collection.

In cases where a participant is disabled and owes funds to BHA, a Reasonable Accommodation will be considered to enter into a repayment agreement with different terms than described above.

BHA will not allow the family to transfer assistance outside the jurisdiction (port) until the debt is paid in full.

PART V: MANAGEMENT ASSESSMENT (SEMAP)

16-V.A. OVERVIEW

The Section 8 Management Assessment Program (SEMAP) is a tool that allows HUD to measure PHA performance in key areas to ensure program integrity and accountability. SEMAP scores translate into a rating for each PHA as high performing, standard, or troubled. Scores on individual SEMAP indicators, as well as overall SEMAP ratings, can affect PHA in several ways.

- High-performing PHAs can be given a competitive advantage under notices of funding availability [24 CFR 985.103].
- PHAs with deficiencies on one or more indicators are required to correct the deficiencies and report to HUD [24 CFR 985.106].
- PHAs with an overall rating of "troubled" are subject to additional HUD oversight, including on-site reviews by HUD staff, a requirement to develop a corrective action plan, and monitoring to ensure the successful implementation of the corrective action plan. In addition, PHAs that are designated "troubled" may not use any part of the administrative fee reserve for other housing purposes [24 CFR 985.107].
- HUD may determine that a PHA's failure to correct identified SEMAP deficiencies or to prepare and implement a corrective action plan required by HUD constitutes a default under the ACC [24 CFR 985.109].

16-V.B. SEMAP CERTIFICATION [24 CFR 985.101]

PHAs must submit the HUD-required SEMAP certification form within 60 calendar days after the end of its fiscal year. The certification must be approved by PHA board resolution and signed by the PHA Executive Director.

PHAs with less than 250 voucher units are only required to be assessed every other PHA fiscal year. HUD will assess such PHAs annually if the PHA elects to have its performance assessed on an annual basis; or is designated as “troubled” [24 CFR 985.105].

Failure of BHA to submit its SEMAP certification within the required time frame will result in an overall performance rating of “troubled.”

BHA’s SEMAP certification is subject to HUD verification by an on-site confirmatory review at any time.

Upon receipt of BHA’s SEMAP certification, HUD will rate BHA’s performance under each SEMAP indicator in accordance with program requirements.

HUD Verification Method

Several of the SEMAP indicators are scored based on a review of a quality control sample selected for this purpose. BHA or the Independent Auditor must select an unbiased sample that provides an adequate representation of the types of information to be assessed, in accordance with SEMAP requirements [24 CFR 985.2].

If the HUD verification method for the indicator relies on data in the Form-50058 module (formerly known as MTCS) in the PIH Information Center (PIC), and HUD determines that those data are insufficient to verify BHA's certification on the indicator due to BHA's failure to adequately report family data, HUD will assign a zero rating for the indicator [24 CFR 985.3].

16-V.C. SEMAP INDICATORS [24 CFR 985.3 and form HUD-52648]

The table below lists each of the SEMAP indicators, contains a description of each indicator, and explains the basis for points awarded under each indicator.

A PHA that expends less than \$300,000 in Federal awards and whose Section 8 programs are not audited by an independent auditor, is not be rated under SEMAP indicators 1-7.

SEMAP Indicators
Indicator 1: Selection from the waiting list Maximum Score: 15 <ul style="list-style-type: none">• This indicator shows whether the PHA has written policies in its administrative plan for selecting applicants from the waiting list and whether the PHA follows these policies when selecting applicants for admission from the waiting list.• Points are based on the percent of families that are selected from the waiting list in accordance with the PHA’s written policies, according to the PHA’s quality control sample.
Indicator 2: Rent reasonableness Maximum Score: 20 <ul style="list-style-type: none">• This indicator shows whether the PHA has and implements a reasonable written method to determine and document for each unit leased that the rent to owner is reasonable based on current rents for comparable unassisted units

<ul style="list-style-type: none"> Points are based on the percent of units for which the PHA follows its written method to determine reasonable rent and has documented its determination that the rent to owner is reasonable, according to the PHA's quality control sample.
<p>Indicator 3: Determination of adjusted income Maximum Score: 20</p> <ul style="list-style-type: none"> This indicator measures whether the PHA verifies and correctly determines adjusted income for each assisted family, and where applicable, uses the appropriate utility allowances for the unit leased in determining the gross rent. Points are based on the percent of files that are calculated and verified correctly, according to the PHA's quality control sample.

- Points are based on whether the data that is submitted meets the requirements for bonus points.

PART VI: RECORD KEEPING

16-VI.A. OVERVIEW

BHA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, BHA must ensure that all applicant and participant files are maintained in a way that protects an individual's privacy rights.

16-VI.B. RECORD RETENTION [24 CFR 982.158]

During the term of each assisted lease, and for at least three years thereafter, BHA must keep:

- A copy of the executed lease;
- The HAP contract; and
- The application from the family.

In addition, BHA must keep the following records for at least three years:

- Records that provide income, racial, ethnic, gender, and disability status data on program applicants and participants;
- An application from each ineligible family and notice that the applicant is not eligible;
- HUD-required reports;
- Unit inspection reports;
- Lead-based paint records as required by 24 CFR 35, Subpart B.
- Accounts and other records supporting PHA budget and financial statements for the program;
- Records to document the basis for BHA determination that rent to owner is a reasonable rent (initially and during the term of a HAP contract); and
- Other records specified by HUD.

If an informal hearing to establish a family's citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 16-III.D., Retention of Documents.

16-VI.C. RECORDS MANAGEMENT

BHA must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

BHA Policy

All applicant and participant information will be kept in a secure location and access will be limited to authorized BHA staff.

BHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

Privacy Act Requirements [24 CFR 5.212 and Form-9886]

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or the PHA may release the information collected.

Upfront Income Verification (UIV) Records

PHAs that access UIV data through HUD's Enterprise Income Verification (EIV) System are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with Federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in the HUD issued document, *Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification data*.

BHA Policy

BHA has adopted and implemented an EIV Security Policy.

Criminal Records

BHA may only disclose the criminal conviction records which BHA receives from a law enforcement agency to officers or employees of BHA, or to authorized representatives of BHA who have a job-related need to have access to the information [24 CFR 5.903(e)].

BHA must establish and implement a system of records management that ensures that any criminal record received by BHA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to BHA action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

BHA must establish and implement a system of records management that ensures that any sex offender registration information received by BHA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to BHA action without institution of a challenge or final disposition of any such litigation. This requirement does not apply to information that is public information, or is obtained by BHA other than under 24 CFR 5.905.

BHA Policy

BHA will maintain copies of Police Reports, logs for service, and other documents in a confidential file in the Executive Office. The participant file will include a note referencing the existence of the document in the Executive Office.

Medical/Disability Records

PHAs are not permitted to inquire about the nature or extent of a person's disability. BHA may not inquire about a person's diagnosis or details of treatment for a disability or medical

condition. If BHA receives a verification document that provides such information, BHA should redact diagnostic/medical information in the document.

BHA Policy

BHA will review documents submitted for medical expense, determine any appropriate allowance, enter a brief description in the “medical expense” line to document the deduction, and place the documentation in a sealed envelope in the file.

PART VII: REPORTING AND RECORD KEEPING FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL

16-VII.A. OVERVIEW

BHA has certain responsibilities relative to children with environmental intervention blood lead levels that are receiving HCV assistance. The notification, verification, and hazard reduction requirements are discussed in Chapter 8. This part deals with the reporting requirements, and data collection and record keeping responsibilities that BPHA is subject to.

16-VII.B. REPORTING REQUIREMENT [24 CFR 35.1225(e)]

BHA must report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within 5 business days of being so notified by any other medical health care professional.

BHA Policy

BHA will provide the public health department written notice of the name and address of any child identified as having an environmental intervention blood lead level.

16-VII.C. DATA COLLECTION AND RECORD KEEPING [24 CFR 35.1225(f)]

At least quarterly, BHA must attempt to obtain from the public health department(s) with a similar area of jurisdiction, the names and/or addresses of children less than 6 years old with an identified environmental intervention blood lead level.

If BHA obtains names and addresses of environmental intervention blood lead level children from the public health department(s), BHA must match this information with the names and addresses of families receiving HCV assistance, unless the public health department performs such a procedure. If a match occurs, BHA must carry out the notification, verification, and hazard reduction requirements discussed in Chapter 8, and the reporting requirement discussed above.

At least quarterly, BHA must also report an updated list of the addresses of units receiving assistance under the HCV program to the same public health department(s), unless the public health department(s) states that it does not wish to receive such a report.

BHA Policy

BHA will coordinate reporting of any suspected situations involving positive tests of children with elevated blood lead levels with the City of Berkeley Public Health Department.

PART VIII: DETERMINATION OF INSUFFICIENT FUNDING

16-VIII.A. OVERVIEW

The HCV regulations allow PHAs to deny families permission to move and to terminate Housing Assistance Payments (HAP) contracts if funding under the consolidated ACC is insufficient to support continued assistance [24 CFR 982.314(e)(1) and 982.454]. Insufficient funding may also impact BHA's ability to issue vouchers to families on the waiting list. This part discusses the methodology BHA will use to determine whether or not BHA has sufficient funding to issue vouchers, approve moves, and to continue subsidizing all families currently under a HAP contract.

16-VIII.B. METHODOLOGY

BHA Policy

BHA will determine whether there is adequate funding to issue vouchers, approve moves to higher cost units and areas, and continue subsidizing all current participants by comparing BHA's annual budget authority to the annual total HAP needs on a monthly basis. The total HAP needs for the calendar year will be projected by establishing the actual HAP costs year to date and factoring in any known economic changes that may impact average HAP (e.g. scheduled reductions in SSI benefits). To that figure, BHA will add anticipated HAP expenditures for the remainder of the calendar year. BHA may include the projected costs for vouchers:

- a. that have been issues to families from the waiting list but not yet leased; and
- b. Voucher commitments to project based developments to lease-up during the fiscal year.

PART IX: NOTIFICATION REGARDING APPLICABLE PROVISIONS OF THE VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013 (VAWA)

The Violence against Women Reauthorization Act of 2005 (VAWA) and the Violence Against Women Reauthorization Act of 2013 (VAWA) require PHAs to inform assisted tenants of their rights under this law, including their right to confidentiality and the limits thereof. Since VAWA provides protections for applicants as well as tenants, PHAs may elect to provide the same information to applicants. VAWA also requires PHAs to inform owners and managers of their obligations under this law [24 CFR 5.2007(3)].

This part describes the steps that the PHA will take to ensure that all actual and potential beneficiaries of its housing choice voucher program are notified about their rights and that owners and managers are notified of their obligations under VAWA.

BHA Policy

BHA will post the following information regarding VAWA in its offices and on its Web site. It will also make the information readily available to anyone who requests it.

A summary of the rights and protections provided by VAWA to BHA program applicants and participants who are or have been victims of domestic violence, dating violence, sexual assault, or stalking (see sample notices in Exhibits 16-1 and 16-2)

The definitions of *domestic violence*, *dating violence*, *sexual assault* and *stalking* provided in VAWA (included in Exhibits 16-1 and 16-2)

An explanation of the documentation that the PHA may require from an individual who claims the protections provided by VAWA (included in Exhibits 16-1 and 16-2)

A copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

A statement of BHA's obligation to keep confidential any information that it receives from a victim unless (a) BHA has the victim's written permission to release the information, (b) it needs to use the information in an eviction proceeding, or (c) it is compelled by law to release the information (included in Exhibits 16-1 and 16-2)

Contact information for local victim advocacy groups or service providers

16-IX.A. NOTIFICATION TO PARTICIPANTS [24 CFR 5.2007(3)(i)]

VAWA requires PHAs to notify HCV program participants of their rights under this law, including their right to confidentiality and the limits thereof.

BHA Policy

BHA will provide all participants with notification of their protections and rights under VAWA at the time of admission and at annual reexamination every year.

The notice will explain the protections afforded under the law, inform the participant of BHA confidentiality requirements, and provide contact information for local victim advocacy groups or service providers.

BHA will also include in all assistance termination notices a statement explaining assistance termination protection provided by VAWA (see Section 12-II.E).

16-IX.B. NOTIFICATION TO APPLICANTS

BHA Policy

BHA will provide all applicants with notification of their protections and rights under VAWA at the time they request an application for housing assistance.

The notice will explain the protections afforded under the law, inform each applicant of BHA confidentiality requirements, and provide contact information for local victim advocacy groups or service providers.

BHA will also include in all notices of denial a statement explaining the protection against denial provided by VAWA (see section 3-III.G).

16-IX.C. NOTIFICATION TO OWNERS AND MANAGERS [24 CFR 5.2007(3)(ii)]

VAWA requires PHAs to notify owners and managers of their rights and responsibilities under this law.

BHA Policy

Inform property owners and managers of their screening and termination responsibilities related to VAWA. BHA may utilize any or all of the following means to notify owners of their VAWA responsibilities:

As appropriate in day to day interactions with owners and managers.

Inserts in HAP payments, 1099s, owner workshops, classes, orientations, and/or newsletters.

Signs in BHA lobby and/or mass mailings which include model VAWA certification forms

EXHIBIT 16-1: SAMPLE NOTICE TO HOUSING CHOICE VOUCHER APPLICANTS AND TENANTS REGARDING THE VIOLENCE AGAINST WOMEN ACT (VAWA)

This sample notice was adapted from a notice prepared by the National Housing Law Project.

A federal law that went into effect in 2013 protects individuals who are victims of domestic violence, dating violence, sexual assault, or stalking. The name of the law is the Violence against Women Act, or “VAWA.” This notice explains your rights under VAWA.

Protections for Victims

If you are eligible for a Section 8 voucher, the housing authority cannot deny you rental assistance solely because you are a victim of domestic violence, dating violence, sexual assault, or stalking.

If you are the victim of domestic violence, dating violence, sexual assault, or stalking, you cannot be terminated from the Section 8 program or evicted based on acts or threats of violence committed against you. Also, criminal acts directly related to the domestic violence, dating violence, sexual assault, or stalking that are caused by a member of your household or a guest can’t be the reason for evicting you or terminating your rental assistance if you were the victim of the abuse.

Reasons You Can Be Evicted

You can be evicted and your rental assistance can be terminated if the housing authority or your landlord can show there is an *actual* and *imminent* (immediate) threat to other tenants or employees at the property if you remain in your housing. Also, you can be evicted and your rental assistance can be terminated for serious or repeated lease violations that are not related to the domestic violence, dating violence, sexual assault, or stalking committed against you. The housing authority and your landlord cannot hold you to a more demanding set of rules than it applies to tenants who are not victims.

Removing the Abuser from the Household

Your landlord may split the lease to evict a tenant who has committed criminal acts of violence against family members or others, while allowing the victim and other household members to stay in the assisted unit. Also, the housing authority can terminate the abuser’s Section 8 rental assistance while allowing you to continue to receive assistance. If the landlord or housing authority chooses to remove the abuser, it may not take away the remaining tenants’ rights to the unit or otherwise punish the remaining tenants. In removing the abuser from the household, your landlord must follow federal, state, and local eviction procedures.

Moving to Protect Your Safety

The housing authority may permit you to move and still keep your rental assistance, even if your current lease has not yet expired. The housing authority may require that you be current on your rent or other obligations in the housing choice voucher program. The housing authority may ask you to provide proof that you are moving because of incidences of abuse.

Proving That You Are a Victim of Domestic Violence, Dating Violence, or Stalking

The housing authority and your landlord can ask you to prove or “certify” that you are a victim of domestic violence, dating violence, sexual assault, or stalking. The housing authority or your landlord must give you at least 14 business days (i.e., Saturdays, Sundays, and holidays do not

count) to provide this proof. The housing authority and your landlord are free to extend the deadline. There are three ways you can prove that you are a victim:

- Complete the certification form given to you by the housing authority or your landlord. The form will ask for your name, the name of your abuser, the abuser's relationship to you, the date, time, and location of the incident of violence, and a description of the violence. You are only required to provide the name of the abuser if it is safe to provide and you know their name.
- Provide a statement from a victim service provider, attorney, or medical professional who has helped you address incidents of domestic violence, dating violence, sexual assault, or stalking. The professional must state that he or she believes that the incidents of abuse are real. Both you and the professional must sign the statement, and both of you must state that you are signing "under penalty of perjury."
- Provide a police or court record, such as a protective order.

If you fail to provide one of these documents within the required time, the landlord may evict you, and the housing authority may terminate your rental assistance.

Confidentiality

The housing authority and your landlord must keep confidential any information you provide about the violence against you, unless:

- You give written permission to the housing authority or your landlord to release the information.
- Your landlord needs to use the information in an eviction proceeding, such as to evict your abuser.
- A law requires the housing authority or your landlord to release the information.

If release of the information would put your safety at risk, you should inform the housing authority and your landlord.

VAWA and Other Laws

VAWA does not limit the housing authority's or your landlord's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking.

Definitions

For purposes of determining whether a tenant may be covered by VAWA, the following list of definitions applies:

VAWA defines *domestic violence* to include felony or misdemeanor crimes of violence committed by any of the following:

- A current or former spouse of the victim
- A person with whom the victim shares a child in common
- A person who is cohabitating with or has cohabitated with the victim as a spouse
- A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies
- Any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction

VAWA defines *dating violence* as violence committed by a person (1) who is or has been in a social relationship of a romantic or intimate nature with the victim AND (2) where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship

VAWA defines *sexual assault* as “any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent” (42 U.S.C. 13925(a)).

VAWA defines *stalking* as (A)(i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person OR (ii) to place under surveillance with the intent to kill, injure, harass, or intimidate another person AND (B) in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (i) that person, (ii) a member of the immediate family of that person, or (iii) the spouse or intimate partner of that person.

EXHIBIT 16-2: SAMPLE NOTICE TO HOUSING CHOICE VOUCHER OWNERS AND MANAGERS REGARDING THE VIOLENCE AGAINST WOMEN ACT (VAWA)

This sample notice was adapted from a notice prepared by the National Housing Law Project.

A federal law that went into effect in 2006 protects individuals who are victims of domestic violence, dating violence, and stalking. The name of the law is the Violence against Women Act, or “VAWA.” This notice explains your obligations under VAWA.

Protections for Victims

You cannot refuse to rent to an applicant solely because he or she is a victim of domestic violence, dating violence, or stalking.

You cannot evict a tenant who is the victim of domestic violence, dating violence, or stalking based on acts or threats of violence committed against the victim. Also, criminal acts directly related to the domestic violence, dating violence, or stalking that are caused by a household member or guest cannot be cause for evicting the victim of the abuse.

Permissible Evictions

You can evict a victim of domestic violence, dating violence, or stalking if you can demonstrate that there is an *actual* or *imminent* (immediate) threat to other tenants or employees at the property if the victim is not evicted. Also, you may evict a victim for serious or repeated lease violations that are not related to the domestic violence, dating violence, or stalking. You cannot hold a victim of domestic violence, dating violence, or stalking to a more demanding standard than tenants who are not victims.

Removing the Abuser from the Household

You may split the lease to evict a tenant who has committed criminal acts of violence against family members or others, while allowing the victim and other household members to stay in the unit. If you choose to remove the abuser, you may not take away the remaining tenants’ rights to the unit or otherwise punish the remaining tenants. In removing the abuser from the household, you must follow federal, state, and local eviction procedures.

Certification of Domestic Violence, Dating Violence, or Stalking

If a tenant asserts VAWA’s protections, you can ask the tenant to certify that he or she is a victim of domestic violence, dating violence, or stalking. You are not required to demand official documentation and may rely upon the victim’s statement alone. If you choose to request certification, you must do so in writing and give the tenant at least 14 business days to provide documentation. You are free to extend this deadline. A tenant can certify that he or she is a victim by providing any one of the following three documents:

- By completing a HUD-approved certification form. The most recent form is HUD-50066. This form is available at the housing authority, or online at <http://www.hud.gov/offices/adm/hudclips/>.
- By providing a statement from a victim service provider, attorney, or medical professional who has helped the victim address incidents of domestic violence, dating violence, or stalking. The professional must state that he or she believes that the incidents of abuse are real. Both the victim and the professional must sign the statement under penalty of perjury.
- By providing a police or court record, such as a protective order.

If the tenant fails to provide one of these documents within 14 business days, you may evict the tenant if authorized by otherwise applicable law and lease provisions.

Confidentiality

You must keep confidential any information a tenant provides to certify that he or she is a victim of domestic violence, dating violence, or stalking. You cannot enter the information into a shared database or reveal it to outside entities unless:

- The tenant provides written permission releasing the information.
- The information is required for use in an eviction proceeding, such as to evict the abuser.
- Release of the information is otherwise required by law.

The victim should inform you if the release of the information would put his or her safety at risk.

VAWA and Other Laws

VAWA does not limit your obligation to honor court orders regarding access to or control of the property. This includes orders issued to protect the victim and orders dividing property among household members in cases where a family breaks up.

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, or stalking.

Part VI: Selection of PBV Program Participants. This part describes the requirements and policies governing how the PHA and the owner will select a family to receive PBV assistance.

Part VII: Occupancy. This part discusses occupancy requirements related to the lease, and describes under what conditions families are allowed or required to move. In addition, exceptions to the occupancy cap (which limits PBV assistance to 25 percent of the units in any building) are also discussed.

Part VIII: Determining Rent to Owner. This part describes how the initial rent to owner is determined, and how rent will be re-determined throughout the life of the HAP contract. Rent reasonableness requirements are also discussed.

Part IX: Payments to Owner. This part describes the types of payments owners may receive under this program.

Part X: Payments by Owner to BHA. This part describes the fees assessed by BHA.

PART I: GENERAL REQUIREMENTS

17-I.A. OVERVIEW [24 CFR 983.5, FR Notice 1/18/17, PIH 2017-21]

The project-based voucher (PBV) program allows PHAs that already administer the Housing Choice voucher program, also known as “tenant-based voucher program,” under an annual contributions contract (ACC) with HUD to take up to 20 percent of its authorized units and attach the funding to specific Project-based units rather than using it for tenant-based assistance [24 CFR 983.6]. The Housing Opportunity Through Modernization Act of 2016 (HOTMA) allows PHA’s to Project-base an additional 10% of its authorized units (total of 30%) if those units fall into an “excepted” category (homeless; veterans; elderly or disabled households receiving supportive services; units in a census tract with a poverty rate of 20% or less). PHAs may only operate a PBV program if doing so is consistent with the PHA’s Annual Plan, and the goal of deconcentrating poverty and expanding housing and economic opportunities [42 U.S.C. 1437f(o)(13)].

BHA Policy

BHA will operate a project-based voucher program using up to the maximum percent of its authorized units and budget authority for project-based assistance as determined by HUD. This assistance will be allocated over a multi-year period of up to 20 years, plus an option to extend (owners may request an extension) up to an additional 20 years if there is need for substantial, unanticipated rehabilitation, or other fiscal justification, and subject to Board review/approval.

PBV assistance may be attached to existing housing or newly constructed or rehabilitated housing [24 CFR 983.52]. If PBV units are already selected for project-based assistance either under an agreement to enter into HAP Contract (Agreement) or a HAP contract, BHA is not required to reduce the number of these units if the amount of budget authority is subsequently reduced. However, BHA is responsible for determining the amount of budget authority that is available for project-based vouchers and ensuring that the amount of assistance that is attached to units is within the amounts available under the ACC [24 CFR 983.6 and FR Notice 1/18/17].

Additional Project-Based Units [FR Notice 1/18/17; Notice PIH 2017-21]

The PHA may project-base an additional 10 percent of its units above the 20 percent program limit. The units may be distributed among one, all, or a combination of the categories as long as the total number of units does not exceed the 10 percent cap. Units qualify under this exception if the units:

- Are specifically made available to house individuals and families that meet the definition of homeless under section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302) and contained in the Continuum of Care Interim Rule at 24 CFR 578.3.
- Are specifically made available to house families that are comprised of or include a veteran. *Veteran* means an individual who has served in the United States Armed Forces.
- Provide supportive housing to persons with disabilities or elderly persons as defined in 24CFR 5.403.
- Are located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year Estimates.

BHA Policy

BHA may project base one or more of the above unit types at its discretion after submitting information to the HUD field office on the number of units and the exception categories BHA will set aside.

Units Not Subject to the PBV Program Limitation [FR Notice 1/18/17; Notice PIH 2017-21 Attachment F]

PBV units under the RAD program and HUD-VASH PBV set-aside vouchers do not count toward the 20 percent limitation when PBV assistance is attached to them.

In addition, units that were previously subject to certain federal rent restrictions or were receiving another type of long-term housing subsidy provided by HUD are not subject to the cap. The unit must be covered under a PBV HAP contract that first became effective on or after 4/18/17 to qualify for this exemption.

BHA Policy

BHA may project-base one or more of the above unit types at its discretion.

17-I.B. HOUSING CHOICE VOUCHER (HCV)/TENANT-BASED VS. PROJECT-BASED VOUCHER ASSISTANCE [24 CFR 983.2]

Much of the HCV/tenant-based voucher program regulations also apply to the PBV program. Consequently, many of BHA policies related to HCV/tenant-based assistance also apply to PBV assistance. The provisions of the HCV/tenant-based voucher regulations that do not apply to the PBV program are listed at 24 CFR 983.2.

BHA Policy

Except as otherwise noted in this chapter, or unless specifically prohibited by PBV program regulations, BHA policies for the HCV/tenant-based voucher program contained in this administrative plan also apply to the PBV program and its participants.

17-I.C. RELOCATION REQUIREMENTS [24 CFR 983.7]

Any persons displaced as a result of implementation of the PBV program must be provided relocation assistance in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA)[42 U.S.C. 4201-4655] and implementing regulations at 49 CFR part 24.

The cost of required relocation assistance may be paid with funds provided by the owner, local public funds, or funds available from other sources. BHA may not use voucher program funds to cover relocation costs, except that BHA may use their administrative fee reserve to pay for relocation expenses after all other program administrative expenses are satisfied, and provided that payment of the relocation benefits is consistent with state and local law. Use of the administrative fee for these purposes must also be consistent with other legal and regulatory requirements, including the requirement in 24 CFR 982.155 and other official HUD issuances.

The acquisition of real property for a PBV project is subject to the URA and 49 CFR part 24, subpart B. It is the responsibility of BHA to ensure the owner complies with these requirements.

17-I.D. EQUAL OPPORTUNITY REQUIREMENTS [24 CFR 983.8]

BHA must comply with all equal opportunity requirements under federal law and regulations in its implementation of the PBV program. This includes the requirements and authorities cited at 24 CFR 5.105(a). In addition, BHA must comply with the BHA Plan certification on civil rights and affirmatively furthering fair housing, submitted in accordance with 24 CFR 903.7(o).

PART II: PBV OWNER PROPOSALS

17-II.A. OVERVIEW

BHA must describe the procedures for owner submission of PBV proposals and for BHA selection of PBV proposals [24 CFR 983.51; HUD Notice 2015-05]. Before selecting a PBV proposal, BHA must determine that the PBV proposal complies with HUD program regulations and requirements, including a determination that the property is eligible housing [24 CFR 983.53 and 983.54], complies with the cap on the number of PBV units per project [24 CFR 983.56, FR Notice 11/24/08], and meets the site selection standards [24 CFR 983.57]. BHA may not commit PBVs until or unless it has followed the proposal selection requirements defined in 24 CFR 983.51 [Notice PIH 2011-54].

HUD Notification

As per PIH 2017–21 (HA), under HOTMA, BHA must provide advance notice to the HUD field office of its intent to project-base vouchers. While a PHA is no longer required to submit evidence of sufficient budget authority as part of this advance notice, it must still ensure that it will have budget authority sufficient to cover the PBV HAP contract at the point of contract execution.

The following information, must be submitted to the local HUD Office of Public Housing:

- (i) The number of units authorized under the ACC for the PHA;
- (ii) The number of PBV units entirely excluded from the percentage limitation (as described in Attachment F of this notice);
- (iii) The number of units qualifying under the 10 percent program cap exception category (as described in Attachment D of this notice);
- (iv) The number of units currently committed to PBV (excluding those PBV units meeting an exception under Attachment D or F of this notice).

To arrive at the “number of units committed to PBV,” total the number of units that are:

- (I) Currently under PBV HAP contract;
- (II) Under an Agreement to Enter into HAP contract (AHAP); and/or
- (III) Covered by a notice of proposal selection (24 CFR §983.51(d)); and

(v) The number of units to which the PHA is proposing to attach project-based assistance through the new RFP or selection.

The information must be submitted to HUD no later than 14 calendar days prior to the date the Request for Proposals is issued, or prior to making a selection based on a previous competition in accordance with 24 CFR §983.51(b).

BHA must submit the required information electronically to the HUD field office by sending an email to: **pbvsubmission@hud.gov**, with a copy to the relevant local HUD Office of Public Housing (PH) Director on its email submission.

17-II.B. OWNER PROPOSAL SELECTION PROCEDURES [24 CFR 983.51]

BHA must select PBV proposals in accordance with the selection procedures in the BHA Administrative Plan. BHA must select PBV proposals by either of the following two methods.

- BHA request for PBV Proposals. BHA may solicit proposals by using a request for proposals to select proposals on a competitive basis in response to BHA request. BHA may not limit proposals to a single site or impose restrictions that explicitly or practically preclude owner submission of proposals for PBV housing on different sites; or
- BHA may select proposal that were previously selected based on a competition. This may include selection of a proposal for housing assisted under a federal, state, or local government housing assistance program that was subject to a competition in accordance with the requirements of the applicable program, community development program, or supportive services program that requires competitive selection of proposals (e.g., HOME, and units for which competitively awarded LIHTCs have been provided), where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance.

Solicitation and Selection of PBV Proposals [24 CFR 983.51(c)]

BHA procedures for selecting PBV proposals must be designed and actually operated to provide broad public notice of the opportunity to offer PBV proposals for consideration by BHA. The public notice procedures may include publication of the public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice. The public notice of BHA request for PBV proposals must specify the submission deadline. Detailed application and selection information must be provided at the request of interested parties.

BHA Policy

At least annually, staff will determine if there is voucher/funding capacity available to issue an allocation of Project-based vouchers, and make a recommendation to the Board for consideration. If the decision is to do so:

As one option for accepting proposals for PBV assistance, BHA will accept proposals from owners that were competitively selected by the City of Berkeley under its annual or periodic Notice of Funding of Availability for the Housing Trust Fund or under another

federal, state or local housing assistance program, including projects that were competitively awarded Low-Income Housing Tax Credits on an ongoing basis. A project will not be deemed ineligible if a financing scenario *considered* award of PBV.

Or, BHA may periodically advertise that it is accepting proposals on the BHA website www.cityofberkeley.info/bha and in the following publications:

- East Bay Times and/or
- Berkeleyside

In addition to, or in place of advertising, BHA may directly contact specific developers/property owners that have already been selected for federal, state, or local housing funding assistance based on a previously held competition, to inform them of available PBV assistance.

Selection of Proposals

BHA will evaluate each proposal on its merits using the following factors:

- Extent to which the project furthers the PHA goal of deconcentrating poverty and expanding housing and economic opportunities to areas of lower poverty concentration within Berkeley;
- Number of new affordable housing rental units created:
 - Via new construction;
 - Rehabilitation and return to market of previously off-line units; or
 - Acquisition and rehabilitation.
- Extent to which the living units themselves receive rehabilitation or modernization, in addition to any required system improvements;
- Extent to which projects serving families, elderly or disabled households include 1, 2 and 3 bedroom units;
- Extent to which the project serves a special needs population (senior, disabled, Families, emancipated youth, veterans, chronically homeless) in the City of Berkeley and, the specific populations as allowable under the additional 10% of PB allocations under HOTMA (see list of excepted units on Pg. 17-2) ;
- Extent to which the project includes fully accessible or adaptable units for wheelchair access;
- History of tenant screening policies/practices that are inclusive, and give regard to hardships typical to families with limited financial means;
- Extent to which an allotment of PBV's to a special needs population would more equitably distribute the available PBVs throughout all of the categories and throughout the City;
- Demonstrated need for PB subsidy as a financing mechanism to enhance the long-term viability of an existing or proposed development at rents affordable to households up to 50% Area Median Income;
- Owner experience and capability to build or rehabilitate the housing;

- Extent to which the proposal complements other local activities such as the redevelopment of a public housing site under the HOPE VI program, the HOME program, CDBG activities, other development activities in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community;
- Other criteria as stated in the resolution of the Board of Commissioners.

Award of PB Vouchers

The resolution approved by the Board will include appropriate milestones to ensure that projects move forward in accordance with the project schedule, and that Project-based vouchers are placed into service, providing rental assistance to qualified households.

BHA-owned Units [24 CFR 983.51 (b) and (e) and 983.59]

BHA-owned or controlled units, and/or housing owned or developed or co-developed by Affordable Housing Berkeley, Inc. (AHB), may be assisted under the PBV program only if the HUD field office or HUD-approved independent entity reviews the selection process and determines that the BHA-owned units were appropriately selected based on the selection procedures specified in the BHA Administrative Plan. The independent entity may be a unit of local government, a high performing local housing authority, HUD field office, or a contracting entity.

If BHA or AHB submits a proposal for project-based housing that is owned or controlled or developed or co-developed, by BHA or AHB, as defined by PIH Notice 2017-21, BHA or AHB will:

- Seek HUD approval to have an independent entity review the proposal and determine if BHA's or AHB proposal should be selected. If HUD does not approve of the independent entity, BHA will seek HUD's review of BHA's or AHB's proposal.
- Use an independent entity which meets HUD approval to perform HQS Inspections.
- Use an independent entity which meets HUD approval to determine contract rents and rent reasonableness. The initial contract rent must be approved by an independent entity based on an appraisal by a licensed, state-certified appraiser.
- Obtain HUD approval for the services of these entities prior to selecting the proposal for BHA-or AHB owned or controlled, developed, or co-developed housing.

The independent entity that performs these program services may be the unit of general local government for BHA's jurisdiction (unless BHA is itself the unit of general local government or an agency of such government) or another HUD-approved public or private independent entity.

BHA Policy

BHA may submit a proposal for project-based housing that is owned or controlled or developed or co-developed by BHA or by Affordable Housing Berkeley, Inc. (AHB). If the proposal for BHA-owned housing or those owned or controlled, developed, or co-developed by Affordable Housing Berkeley, Inc. (AHB) is selected, BHA will use the HUD field office to review the BHA selection.

The independent entities selected may be a unit of local government, a high performing local housing authority, HUD field office, or a contracting entity, for the following:

establishing the initial contract rent, based on an appraisal by a licensed, state certified appraiser, and performance of HQS inspections of the BHA selection, prior to entering into the Housing Assistance Payment Contract.

BHA may only compensate the independent entity and appraiser from BHA ongoing administrative fee income (including amounts credited to the administrative fee reserve) or another non-HUD source. BHA may not use other program receipts to compensate the independent entity and appraiser for their services. BHA, independent entity, and appraiser may not charge the family any fee for the appraisal or the services provided by the independent entity.

BHA Notice of Owner Selection [24 CFR 983.51(d)]

BHA must give prompt written notice to the party that submitted a selected proposal and must also give prompt public notice of such selection. Public notice procedures may include publication of public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice.

BHA Policy

BHA will give prompt written notification to the selected owner(s) of a PBV program award. The award notice will include the number of vouchers awarded by bedroom size, any conditions or expiration date of the award, and specify other requirements such as need for environmental and subsidy layering reviews prior to signing the AHAP contract; and hiring a Davis-Bacon wage monitor. BHA will also notify in writing all owners that submitted proposals that were not selected and advise such owners of the name of the selected owner(s) and post the selection on the BHA website.

Documents regarding BHA's basis of selection for PBV proposals will be made available for public inspection. This excludes sensitive owner information, e.g., financial statements and similar information about the owner. BHA will make these documents available for review at BHA during normal business hours. The cost for reproduction of allowable documents will be in accordance with established schedule of fees and charges for public documents in effect at the time of request.

17-II.C. HOUSING TYPE [24 CFR 983.52]

BHA may attach PBV assistance for units in existing housing or for newly constructed or rehabilitated housing developed or co-developed under and in accordance with an agreement to enter into a housing assistance payments contract that was executed prior to the start of construction. A housing unit is considered an existing unit for purposes of the PBV program, if, at the time of notice of BHA selection, the units substantially comply with HQS. Units for which new construction or rehabilitation was started in accordance with PBV program requirements do not qualify as existing housing.

BHA must decide what housing type, new construction, rehabilitation, or existing housing, will be used to develop project-based housing. BHA choice of housing type must be reflected in its solicitation for proposals, if solicitation occurs.

17-II.D. PROHIBITION OF ASSISTANCE FOR CERTAIN UNITS

Ineligible Housing Types [24 CFR 983.53]

BHA may not attach or pay PBV assistance to shared housing units; units on the grounds of a penal reformatory, medical, mental, or similar public or private institution; nursing homes or facilities providing continuous psychiatric, medical, nursing services, board and care, or intermediate care (except that assistance may be provided in assisted living facilities); units that are owned or controlled by an educational institution or its affiliate and are designated for occupancy by students; manufactured homes (however, if approved by HUD modular construction will be allowed); and transitional housing. In addition, BHA may not attach or pay PBV assistance for a unit occupied by an owner and BHA may not select or enter into an agreement to enter into a HAP contract or HAP contract for a unit occupied by a family ineligible for participation in the PBV program.

Subsidized Housing [24 CFR 983.54]

BHA may not attach or pay PBV assistance to units in any of the following types of subsidized housing:

- A public housing unit (unless approved by HUD for disposition);
- A unit subsidized with any other form of Section 8 assistance;
- A unit subsidized with any governmental rent subsidy;
- A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- A unit subsidized with Section 236 rental assistance payments (except that a PHA may attach assistance to a unit subsidized with Section 236 interest reduction payments);
- A Section 202 project for non-elderly with disabilities;
- Section 811 project-based supportive housing for persons with disabilities;
- Section 202 supportive housing for the elderly;
- A Section 101 rent supplement project;
- A unit subsidized with any form of HCV/tenant-based rental assistance;
- A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or the PHA in accordance with HUD requirements.

17-II.E. SUBSIDY LAYERING REQUIREMENTS [24 CFR 983.55, FR Notice 11/24/08, FR Notice 7/9/10, and FR Notice 6/25/14]

BHA may provide PBV assistance only in accordance with HUD subsidy layering regulations [24 CFR 4.13] and other requirements.

The subsidy layering review is intended to prevent excessive public assistance by combining (layering) housing assistance payment subsidy under the PBV program with other governmental housing assistance from federal, state, or local agencies, including assistance such as tax concessions or tax credits.

Subsidy layering requirements do not apply to existing housing. A further subsidy layering review is not required for new construction or rehabilitation if HUD's designee has conducted a review that included a review of PBV assistance in accordance with the PBV subsidy layering guidelines.

BHA must submit the necessary documentation to HUD for a subsidy layering review. Except in cases of HAP contracts for existing structures, or if such reviews have been conducted by the applicable state and local agencies, the PHA may not enter into an Agreement to enter into a HAP contract or a HAP contract until HUD (or an independent entity approved by HUD) has conducted any required subsidy layering review and determined that the PBV assistance is in accordance with HUD subsidy layering requirements.

The HAP contract must contain the owner's certification that the project has not received and will not receive (before or during the term of the HAP contract) any public assistance for acquisition, development, or operation of the housing other than assistance disclosed in the subsidy layering review in accordance with HUD requirements.

17-II.F. CAP ON NUMBER OF PBV UNITS IN EACH PROJECT

25 Percent per Project or 25 Units Cap [24 CFR 983.56(a), FR Notice 11/24/08, HUD Notice 2017-21 Implementation Guidance: Housing Opportunity Through Modernization Act of 2016 (HOTMA)]

In general, BHA may not select a proposal to provide PBV assistance for units in a project or enter into an agreement to enter into a HAP or a HAP contract to provide PBV assistance for units in a project, if the total number of dwelling units in the project that will receive PBV assistance during the term of the PBV HAP contract is more than 25 percent of the number of dwelling units (assisted or unassisted) or a total of 25 units in the project (whichever is greater).

Exceptions to 25 Percent per Project Cap [24 CFR 983.56, FR Notice 1/18/17, PIH 2017-21]

Exceptions are allowed and PBV units are not counted against the 25 percent or 25 units per project cap if:

- Units exclusively serving elderly families
- Units housing households eligible for supportive services available to all families receiving PBV assistance in the project.
- Units in projects that are in a census tract with a poverty rate of 20% or less are subject to a higher 40% cap.

BHA must include in BHA Administrative Plan the type of services offered to families for a project to qualify for the exception and the extent to which such services will be provided.

Under HOTMA, dwelling units that are exclusively made available to “households eligible for supportive services that are made available to the assisted residents of the project, according to the

standards for such services the Secretary may establish” are excepted from the project cap. Previously, the supportive services exception applied only if the family was receiving supportive services.

Supportive Services

In order for the supportive services exception to apply to a unit, the project must make supportive services available to all assisted families in the project, and the family must be eligible for one or more of the services. The family may, but is not required to, participate in the services. A PHA may not require participation in supportive services as a condition of living in an excepted unit, which means that a PHA may not rely solely on a supportive services program that would require the family to engage in the services once enrolled, such as the Family Self-Sufficiency (FSS) program, for the unit to qualify for the supportive services exception.

The exception applies to any household eligible for the supportive services and is not limited to households with a family member with a disability. The supportive services do not need to be provided by the owner or on-site, but the services must be reasonably available to the families receiving PBV assistance in the project and designed to help the families in the project achieve self-sufficiency or live in the community as independently as possible.

It is not necessary that the services be provided at or by the project, if they are approved services.

If a family at the time of initial tenancy is receiving, and while the resident of an excepted unit has received, FSS supportive services or any other supportive services as defined in BHA Administrative Plan, and successfully completes the FSS contract of participation or the supportive services requirement, the unit continues to count as an excepted unit for as long as the family resides in the unit.

BHA must monitor the excepted family's continued receipt of supportive services and take appropriate action regarding those families that fail without good cause to complete their supportive services requirement. BHA's Administrative Plan must state the form and frequency of such monitoring.

BHA Policy

BHA will provide PBV assistance for excepted units.

- To enhance the accessibility and effectiveness of programs serving a special needs population, BHA may attach PBV assistance to units developed or co-developed with Housing Opportunities of Persons with AIDS (HOPWA) or Mental Health Services Act (MHSA) Housing Program funding as long as the HOPWA or MHSA program funding does not duplicate any form of rental assistance for the family.
- BHA may also attach PBV assistance to units developed or co-developed for and occupied by elderly and disabled families and/or families in need of services. Families in need of services may include elderly families, disabled families, families in need of particular supportive services, or families participating in the Family Self Sufficiency Program.

BHA will receive at least annually, reports from the Project-based developer/owner describing the supportive services offered, number and frequency, and number of contacts/service provisions/referrals made.

Projects not Subject to a Project Cap [FR Notice 1/18/17; Notice PIH 2017-21]

PBV units under the RAD program and HUD-VASH PBV set-aside vouchers are exempt from the project cap. In addition, units that were previously subject to certain federal rent restrictions or receiving another type of long-term housing subsidy provided by HUD are exempt from the project cap. In other words, 100 percent of the units in these projects may receive PBV assistance.

Promoting Partially-Assisted Buildings [24 CFR 983.56(c)]

BHA may establish local requirements designed to promote PBV assistance in partially assisted buildings. A *partially assisted building* is a building in which there are fewer units covered by a HAP contract than residential units [24 CFR 983.3].

BHA may establish a per-building cap on the number of units that will receive PBV assistance or other project-based assistance in a multifamily building containing excepted units or in a single-family building. BHA may also determine not to provide PBV assistance for excepted units, or the PHA may establish a per-building cap of less than 25 percent.

BHA Policy:

BHA will not impose any further cap on the number of PBV units assisted per building.

17-II.G. SITE SELECTION STANDARDS

Compliance with PBV Goals, Civil Rights Requirements, and HQS Site Standards [24 CFR 983.57(b)]

BHA may not select a proposal for existing, newly constructed, or rehabilitated PBV housing on a site or enter into an agreement to enter into a HAP contract or HAP contract for units on the site, unless BHA has determined that PBV assistance for housing at the selected site is consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities. The standard for deconcentrating poverty and expanding housing and economic opportunities must be consistent with the BHA Plan under 24 CFR 903 and BHA Administrative Plan.

In addition, prior to selecting a proposal, BHA must determine that the site is suitable from the standpoint of facilitating and furthering full compliance with the applicable Civil Rights Laws, regulations, and Executive Orders, and that the site meets the HQS site and neighborhood standards at 24 CFR 982.401(l).

BHA Policy

It is BHA's goal to select sites for PBV housing that provide for deconcentrating poverty and expanding housing and economic opportunities. In complying with this goal BHA will limit approval of sites for PBV housing in census tracts that have poverty concentrations of 20 percent or more.

However, BHA will grant exceptions to the 20 percent standard where BHA determines that the PBV assistance will complement other local redevelopment activities designed to deconcentrate poverty and expand housing and economic opportunities in census tracts with poverty concentrations greater than 20 percent, such as sites in:

A census tract in which the proposed PBV development will be located in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community;

A census tract where the concentration of assisted units will be or has decreased as a result of public housing demolition, disposition, or HOPE VI redevelopment;

A census tract in which the proposed PBV development will be located is undergoing significant revitalization as a result of state, local, or federal dollars invested in the area;

A census tract where new market rate units are being developed or co-developed where such market rate units will positively impact the poverty rate in the area;

A census tract where there has been an overall decline in the poverty rate within the past five years; or

A census tract where there are meaningful opportunities for educational and economic advancement.

Existing and Rehabilitated Housing Site and Neighborhood Standards [24 CFR 983.57(d)]

BHA may not enter into an Agreement to enter into a HAP contract nor enter into a HAP contract for existing or rehabilitated housing until it has determined that the site complies with the HUD required site and neighborhood standards. The site must:

- Be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- Have adequate utilities and streets available to service the site;
- Promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- Be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

New Construction Site and Neighborhood Standards [24 CFR 983.57(e)]

In order to be selected for PBV assistance, a site for newly constructed housing must meet the following HUD required site and neighborhood standards:

- The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- The site must have adequate utilities and streets available to service the site;

- The site must not be located in an area of minority concentration unless the PHA determines that sufficient, comparable opportunities exist for housing for minority families in the income range to be served by the proposed project outside areas of minority concentration or that the project is necessary to meet overriding housing needs that cannot be met in that housing market area;
- The site must promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- The neighborhood must not be one that is seriously detrimental to family life or in which substandard dwellings or other undesirable conditions predominate;
- The housing must be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Except for housing designed for elderly persons, the housing must be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

17-II.H. ENVIRONMENTAL REVIEW [24 CFR 983.58]

BHA activities under the PBV program are subject to HUD environmental regulations in 24 CFR parts 50 and 58. The *responsible entity* is responsible for performing the federal environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). BHA may not enter into an Agreement to enter into a HAP contract nor enter into a HAP contract until it has complied with the environmental review requirements.

In the case of existing housing, the responsible entity that is responsible for the environmental review under 24 CFR part 58 must determine whether or not PBV assistance is categorically excluded from review under the National Environmental Policy Act and whether or not the assistance is subject to review under the laws and authorities listed in 24 CFR 58.5.

BHA may not enter into an Agreement to enter into a HAP contract or a HAP contract with an owner, and BHA, the owner, and its contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct real property or commit or expend program or local funds for PBV activities under this part, until the environmental review is completed.

BHA must supply all available, relevant information necessary for the responsible entity to perform any required environmental review for any site. BHA must require the owner to carry out mitigating measures required by the responsible entity (or HUD, if applicable) as a result of the environmental review.

PART III: DWELLING UNITS

17-III.A. OVERVIEW

This part identifies the special housing quality standards that apply to the PBV program, housing accessibility for persons with disabilities, and special procedures for conducting housing quality standards inspections.

17-III.B. HOUSING QUALITY STANDARDS [24 CFR 983.101]

The housing quality standards (HQS) for the HCV/tenant-based program, including those for special housing types, generally apply to the PBV program. HQS requirements for shared housing, manufactured home space rental (however, if approved by HUD modular construction will be allowed), and the homeownership option do not apply because these housing types are not assisted under the PBV program.

The physical condition standards at 24 CFR 5.703 do not apply to the PBV program.

Lead-based Paint [24 CFR 983.101(c)]

The lead-based paint requirements for the HCV/tenant-based voucher program do not apply to the PBV program. Instead, The Lead-based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at 24 CFR part 35, subparts A, B, H, and R, apply to the PBV program.

17-III.C. HOUSING ACCESSIBILITY FOR PERSONS WITH DISABILITIES

The housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8. The PHA must ensure that the percentage of accessible dwelling units complies with the requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as implemented by HUD's regulations at 24 CFR 8, subpart C.

Housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205, as applicable. (24 CFR 983.102)

17-III.D. INSPECTING UNITS

Pre-selection Inspection [24 CFR 983.103(a)]

BHA must examine the proposed site before the proposal selection date. If the units to be assisted already exist, BHA must inspect all the units before the proposal selection date, and must determine whether the units substantially comply with HQS. To qualify as existing housing, units must substantially comply with HQS on the proposal selection date. However, BHA may not execute the HAP contract until the units fully comply with HQS.

Pre-HAP Contract Inspections [24 CFR 983.103(b)]

BHA must inspect each contract unit before execution of the HAP contract. BHA may not enter into a HAP contract covering a unit until the unit fully complies with HQS.

Turnover Inspections [24 CFR 983.103(c)]

Before providing assistance to a new family in a contract unit, BHA must inspect the unit. The PHA may not provide assistance on behalf of the family until the unit fully complies with HQS.

Annual/Biennial Inspections [24 CFR 983.103(d), FR Notice 6/24/14, PIH 2015-05]

At least annually during the term of the HAP contract, PHAs must inspect a random sample, consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with HQS. Turnover inspections are not counted toward meeting this annual inspection requirement.

If more than 20 percent of the annual sample of inspected contract units in a building fails the initial inspection, the PHA must reinspect 100 percent of the contract units in the building.

BHA Policy

BHA will conduct *qualified* biennial inspections on Project-based units, meaning annual inspections that pass on their first attempt will skip a year before the next annual HQS inspection; and annual inspections that fail on their first attempt will have an annual HQS inspection the following year.

Landlords and program participants will continue to be able to request a Special Inspection at any time, whether the unit passed or failed the first attempt of the most recent HQS inspection.

Other Inspections [24 CFR 983.103(e)]

BHA must inspect contract units whenever needed to determine that the contract units comply with HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. BHA must take into account complaints and any other information coming to its attention in scheduling inspections.

BHA must conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected an HQS violation, and must conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of HQS.

In conducting BHA supervisory quality control HQS inspections, BHA includes a representative sample of both HCV/tenant-based and project-based units in the universe of units from which to draw the random sample on a quarterly basis.

Inspecting BHA- or AHB-owned Units [24 CFR 983.103(f)]

In the case of BHA-owned units, or those owned or co-owned, developed, or co-developed by AHB, Inc., the inspections must be performed by an independent agency designated by BHA and approved by HUD. The independent entity must furnish a copy of each inspection report to BHA and to the HUD San Francisco field office. BHA must take all necessary actions in response to inspection reports from the independent agency, including exercise of contractual remedies for violation of the HAP contract by BHA- or AHB-ownership.

PART IV: REHABILITATED AND NEWLY CONSTRUCTED UNITS

17-IV.A. OVERVIEW [24 CFR 983.151]

There are specific requirements that apply to PBV assistance for newly constructed or rehabilitated housing that do not apply to PBV assistance in existing housing. This part describes the requirements unique to this type of assistance.

Housing selected for this type of assistance may not at a later date be selected for PBV assistance as existing housing.

17-IV.B. AGREEMENT TO ENTER INTO HAP CONTRACT (AHAP)

In order to offer PBV assistance in newly constructed units, BHA must enter into an Agreement to enter into HAP contract (AHAP) with the owner of the property. The Agreement must be in the form required by HUD [24 CFR 983.152(a)].

In the Agreement the owner agrees to develop the PBV contract units to comply with HQS, among other HUD compliance requirements that may or may not apply to each project (such as Davis-Bacon wage monitoring and Section 3 hiring) and BHA agrees that upon timely completion of such development in accordance with the terms of the Agreement, BHA will enter into a HAP contract with the owner for the contract units [24 CFR 983.152(b)].

Content of the Agreement [24 CFR 983.152]

At a minimum, the Agreement must describe the following features of the housing to be developed and assisted under the PBV program:

- Site and the location of the contract units;
- Number of contract units by area (square footage) and number of bedrooms and bathrooms;
- Services, maintenance, or equipment to be supplied by the owner without charges in addition to the rent;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner and utility services to be paid by the tenant;
- An indication of whether or not the design and construction requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973 apply to units under the Agreement. If applicable, any required work item resulting from these requirements must be included in the description of work to be performed under the Agreement;
- Estimated initial rents to owner for the contract units;
- Description of the work to be performed under the Agreement, including the working drawings and specifications.
- Any additional requirements for quality, architecture, or design over and above HQS.

Execution of the Agreement [24 CFR 983.153, FR Notice 11/24/08]

The Agreement must be executed promptly after BHA notice of proposal selection to the selected owner. Generally, BHA may not enter into the Agreement with the owner until the subsidy layering review is completed. Likewise, BHA may not enter into the Agreement until the environmental review is completed and BHA has received environmental approval. However, BHA does not need to conduct a subsidy layering review in the case of a HAP contract for an existing structure or if the applicable state or local agency has conducted such a review. Similarly, environmental reviews are not required for existing structures unless otherwise required by law or regulation.

BHA Policy

BHA will enter into the AHAP with the selected owner promptly, after receiving both environmental approval and notice that subsidy layering requirements have been met, and before construction work is started.

17-IV.C. CONDUCT OF DEVELOPMENT WORK

Labor Standards [24 CFR 983.154(b)]

If an Agreement covers the development of nine or more contract units (whether or not completed in stages), the owner and the owner's contractors and subcontractors must pay Davis-Bacon wages to laborers and mechanics employed in the development of housing. The HUD-prescribed form of the Agreement will include the labor standards clauses required by HUD, such as those involving Davis-Bacon wage rates.

The owner, contractors, and subcontractors must also comply with the Contract Work Hours and Safety Standards Act, Department of Labor regulations in 29 CFR part 5, and other applicable federal labor relations laws and regulations. The developer is responsible for hiring a Davis-Bacon wage monitoring firm and furnishing BHA staff, in a timely manner, with all copies of weekly payroll records for all contractors/subcontractors involved in the project, as well as analysis of payroll records and any discrepancies and follow up/resolution to such discrepancies.

The owner will be responsible for covering the costs for proper Davis-Bacon wage monitoring, including the hiring of a qualified contractor to whom BHA will have access to ensure proper monitoring and receive required monitoring documentation.

Equal Opportunity [24 CFR 983.154(c)]

The owner must comply with Section 3 of the Housing and Urban Development Act of 1968 and the implementing regulations at 24 CFR part 135. The owner must also comply with federal equal employment opportunity requirements.

Owner Disclosure [24 CFR 983.154(d) and (e)]

The Agreement and HAP contract must include a certification by the owner that the owner and other project principals are not on the U.S. General Services Administration list of parties excluded from federal procurement and non-procurement programs.

The owner must also disclose any possible conflict of interest that would be a violation of the Agreement, the HAP contract, or HUD regulations.

17-IV.D. COMPLETION OF HOUSING

The Agreement must specify the deadlines for completion of the housing, and the owner must develop and complete the housing in accordance with these deadlines. The Agreement must also specify the deadline for submission by the owner of the required evidence of completion.

Evidence of Completion [24 CFR 983.155(b)]

At a minimum, the owner must submit the following evidence of completion to BHA in the form and manner required by BHA:

- Owner certification that the work has been completed in accordance with HQS and all requirements of the Agreement; and
- Owner certification that the owner has complied with labor standards and equal opportunity requirements in development of the housing; and
- Copy of Certificate of Occupancy as signed off by City of Berkeley Planning Dept.

At BHA's discretion, the AHAP may specify additional documentation that must be submitted by the owner as evidence of housing completion.

BHA Policy

BHA will determine the need for the owner to submit additional documentation as evidence of housing completion on a case-by-case basis depending on the nature of the PBV project. BHA will specify any additional documentation requirements in writing.

BHA Acceptance of Completed Units [24 CFR 983.156]

Upon notice from the owner that the housing is completed, BHA must inspect to determine if the housing has been completed in accordance with the Agreement, including compliance with HQS and any additional requirements imposed under the Agreement. BHA must also determine if the owner has submitted all required evidence of completion.

If the work has not been completed in accordance with the AHAP, BHA must not enter into the HAP contract.

If BHA determines the work has been completed in accordance with the AHAP and that the owner has submitted all required evidence of completion, BHA must submit the HAP contract for execution by the owner and must then execute the HAP contract.

PART V: HOUSING ASSISTANCE PAYMENTS CONTRACT (HAP)

17-V.A. OVERVIEW

BHA must enter into a HAP contract with an owner for units that are receiving PBV assistance. The purpose of the HAP contract is to provide housing assistance payments for eligible families. Housing assistance is paid for contract units leased and occupied by eligible families during the HAP contract term. The HAP contract must be in the form required by HUD [24 CFR 983.202].

17-V.B. HAP CONTRACT REQUIREMENTS

Contract Information [24 CFR 983.203, FR Notice 11/24/08]

The HAP contract must specify the following information:

- The total number of contract units by number of bedrooms;
- The project's name, street address, city or county, state and zip code, block and lot number (if known), and any other information necessary to clearly identify the site and the building;
- The number of contract units in each building, the location of each contract unit, the area of each contract unit, and the number of bedrooms and bathrooms in each contract unit;
- Services, maintenance, and equipment to be supplied by the owner and included in the rent to owner;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner (included in rent) and utility services to be paid by the tenant;
- Features provided to comply with program accessibility requirements of Section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8;
- The HAP contract term;
- The number of units in any project that will exceed the 25 percent per project or 25 unit cap, which will be set-aside for occupancy by qualifying families; and
- The initial rent to owner for the first 12 months of the HAP contract term.

Execution of the HAP Contract [24 CFR 983.204]

BHA may not enter into a HAP contract until each contract unit has been inspected and BHA has determined that the unit complies with the Housing Quality Standards (HQS). For existing housing, the HAP contract must be executed promptly after BHA selects the owner proposal and inspects the housing units. For newly constructed or rehabilitated housing the HAP contract must be executed after BHA has inspected the completed units and has determined that the units have been completed in accordance with the Agreement to enter into HAP, and the owner furnishes all required evidence of completion.

BHA Policy

For existing housing, the HAP contract will be promptly executed, pursuant to BHA's determination that all units pass HQS, and any qualified pre-existing household is eligible to continue residency in the unit with Project-based assistance.

For rehabilitated or newly constructed housing, the HAP contract will be executed promptly, pursuant to BHA determining that the units have been completed in accordance with the agreement to enter into HAP, all units meet HQS, and the owner has submitted all required evidence of completion and any pre-existing tenancy is eligible to receive assistance in the unit with Project-based assistance.

Term of HAP Contract [24 CFR 983.205, FR Notice 11/24/08, PIH 2017-21]

BHA may enter into a HAP contract with an owner for an initial term of no less than one year and no more than 20 years.

BHA Policy

The initial term of all PBV HAP contracts will be 20 years unless a shorter term is negotiated.

At least annually, BHA will consider requests for an extension of the HAP term from projects with Project Based vouchers that expire within the next 12 months. BHA may extend the term of the contract administratively, without an open competition, for an additional term of up to 20 years if BHA determines an extension is required to secure funding to perform substantial, unanticipated rehabilitation. Subsequent extensions are subject to the same limitations. All extensions must be on the form and subject to the conditions prescribed by HUD at the time of the extension. HUD does not allow for more than a cumulative total of 40 years of Project-based subsidy per master HAP contract.

BHA will provide the owner 18 to 12-month's notice of the expiration of the PBV HAP contract, and invite the owner to submit a letter requesting an extension. The BHA Board will act upon the staff recommendation at least six months prior to the HAP contract expiration.

BHA Policy

Extensions of master HAP contracts will be considered on a case by case basis, including whether (a) to extend for a full 20 years or a shorter timeframe, and (b) the need for substantial, unanticipated rehabilitation to preserve and/or extend the viability of the housing stock.

When determining whether or not to extend an expiring PBV contract, for how long, and the number of units, BHA will consider several factors including, but not limited to:

- The cost of extending the contract and the amount of available budget authority;
- The condition of the contract units;
- The owner's record of compliance with obligations under the HAP contract and lease(s);
- Whether the location of the units continues to support the goals of deconcentrating poverty and expanding housing opportunities;
- The extent to which projects that are serving families, elderly or disabled household include 1, 2, and 3 bedroom units
- Demonstrated need of the minimum number of project based vouchers required to (i) finance debt for substantial, unanticipated rehabilitation activity and (i) meet contractual obligation to rent to households at or below 50% of AMI.
- Preservation of fully accessible/adaptable units for wheelchair users; and,
- Whether the funding could be used more appropriately for project-based assistance at additional new construction projects, whether partially or completely owned by BHA, or another property requesting/needing PBV assistance, or in the tenant based voucher program.

Termination by BHA [24 CFR 983.205(c) and FR Notice 1/18/17]

The HAP contract must provide that the term of BHA's contractual commitment is subject to the availability of sufficient appropriated funding as determined by HUD or by BHA in accordance with HUD instructions. For these purposes, sufficient funding means the availability of appropriations, and of funding under the ACC from such appropriations, to make full payment of housing assistance payments payable to the owner for any contract year in accordance with the terms of the HAP contract.

In times of insufficient funding, HUD requires that PHAs first take all cost-saving measures prior to failing to make payments under existing PBV HAP contracts.

If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, BHA may terminate the HAP contract by notice to the owner. The termination must be implemented in accordance with HUD instructions.

Termination by Owner [24 CFR 983.205(d)]

If in accordance with program requirements the amount of rent to an owner for any contract unit is reduced below the amount of the rent to owner at the beginning of the HAP contract term, the owner may terminate the HAP contract by giving notice to BHA. In this case, families living in the contract units must be offered HCV/tenant-based assistance.

At its discretion BHAs may specify in the HAP contract that the maximum rent on a unit will not be less than the initial rent.

Statutory Notice Requirements: Contract Termination or Expiration [24 CFR 983.206; FR Notice 1/18/17. And Notice PIH 2017-21]

Not less than one year before the HAP contract terminates, or if the owner refuses to renew the HAP contract, the owner must notify the PHA and assisted tenants of the termination. The notice must be provided in the form prescribed by HUD. If the owner does not give timely notice, the owner must permit the tenants in assisted units to remain in their units for the required notice period with no increase in the tenant portion of their rent, and with no eviction as a result of the owner's inability to collect an increased tenant portion of rent. An owner may renew the terminating contract for a period of time sufficient to give tenants one-year advance notice under such terms as HUD may require.

Upon termination or expiration of the contract, a family living at the property is entitled to receive an HCV/tenant-based voucher. HCV/tenant-based assistance would not begin until the owner's required notice period ends. The PHA must provide the family with a voucher and the family must also be given the option by the PHA and owner to remain in their unit with HCV/tenant-based assistance as long as the unit complies with inspection and rent reasonableness requirements. The family must pay their total tenant payment (TTP) and any additional amount if the gross rent exceeds the applicable payment standard. The family has the right to remain in the project as long as the units are used for rental housing and are otherwise eligible for HCV assistance. The owner may not terminate the tenancy of a family that exercises its right to remain

except for serious or repeated lease violations or other good cause. Families that receive a tenant-based voucher at the expiration or termination of the PBV HAP contract are not new admissions to the PHA HCV tenant-based program, and are not subject to income eligibility requirements or any other admission requirements. If the family chooses to remain in their unit with tenant-based assistance, the family may do so regardless of whether the family share would initially exceed 40 percent of the family's adjusted monthly income.

Remedies for HQS Violations [24 CFR 983.208(b)]

BHA may not make any HAP payment to the owner for a contract unit during any period in which the unit does not comply with HQS. If BHA determines that a contract does not comply with HQS, BHA may exercise any of its remedies under the HAP contract, for any or all of the contract units. Available remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.

BHA Policy

BHA will abate and terminate PBV HAP contracts for non-compliance with HQS in accordance with the policies used in the HCV/tenant-based voucher program. These policies are contained in Section 8-II.G., Enforcing Owner Compliance.

17-V.C. AMENDMENTS TO THE HAP CONTRACT

Substitution of Contract Units [24 CFR 983.207]

At BHA's discretion and subject to all PBV requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same building for a previously covered contract unit. Before any such substitution can take place, BHA must inspect the proposed unit and determine the reasonable rent for the unit.

Addition of Contract Units [24 CFR 983.207, FR Notice 1/18/17, and PIH 2017-21]

At BHA's discretion and subject to the restrictions on the number of dwelling units that can receive PBV assistance per building and on the overall size of BHA's PBV program, a HAP contract may be amended during the three-year period following the execution date of the HAP contract to add additional PBV units in the same building. This type of amendment is subject to all PBV program requirements except that a new PBV proposal is not required.

Prior to attaching additional units without competition, the PHA must submit to the local field office information outlined in FR Notice 1/18/17. The PHA must also detail in the administrative plan their intent to add PBV units and the rationale for adding units to the specific PBV project.

BHA Policy

BHA will consider adding contract units to the HAP contract, if funding/units are available, and if the PHA determines that additional housing is needed to serve eligible low-income families. Circumstances may include, but are not limited to:

- The local housing inventory is reduced due to a disaster (either due to loss of housing units, or an influx of displaced families);
- Market-force scarcity of available units; and

- Voucher holders are having difficulty finding units that meet program requirements.

17-V.D. HAP CONTRACT YEAR, ANNIVERSARY AND EXPIRATION DATES [24 CFR 983.207(b) and 983.302(e)]

The HAP contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.

The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year.

There is a single annual anniversary and expiration date for all units under a particular HAP contract, even in cases where contract units are placed under the HAP contract in stages (on different dates) or units are added by amendment. The anniversary and expiration dates for all units coincide with the dates for the contract units that were originally placed under contract.

Assistance granted to an eligible household will be subject to annual recertification on the anniversary of occupancy, as well as any changes to the household in between annual recertifications that may affect the occupancy requirements of the family (i.e. number of bedrooms).

17-V.E. OWNER RESPONSIBILITIES UNDER THE HAP [24 CFR 983.210]

When the owner executes the HAP contract s/he certifies that at such execution and at all times during the term of the HAP contract:

- All contract units are in good condition and the owner is maintaining the premises and contract units in accordance with HQS;
- The owner is providing all services, maintenance, equipment and utilities as agreed to under the HAP contract and the leases;
- Each contract unit for which the owner is receiving HAP, is leased to an eligible family referred by BHA, and the lease is in accordance with the HAP contract and HUD requirements;
- To the best of the owner's knowledge the family is actively residing in the contract unit for which the owner is receiving HAP, has not been absent for 30-or more consecutive days, and the unit is the family's only residence;
- The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit;
- The amount of the HAP the owner is receiving is correct under the HAP contract;
- The rent for contract units does not exceed rents charged by the owner for comparable unassisted units;

- Except for HAP and tenant rent, the owner has not received and will not receive any other payment or consideration for rental of the contract unit; and
- The family does not own or have any interest in the contract unit.

17-V.F. ADDITIONAL HAP REQUIREMENTS

Housing Quality and Design Requirements [24 CFR 983.101(e) and 983.208(a)]

The owner is required to maintain and operate the contract units and premises in accordance with HQS, including performance of ordinary and extraordinary maintenance. The owner must provide all the services, maintenance, equipment, and utilities specified in the HAP contract with the PHA and in the lease with each assisted family. In addition, maintenance, replacement and redecoration must be in accordance with the standard practice for the building as established by the owner.

The PHA may elect to establish additional requirements for quality, architecture, or design of PBV housing. Any such additional requirements must be specified in the Agreement to enter into a HAP contract and the HAP contract. These requirements must be in addition to, not in place of, compliance with HQS.

BHA Policy

BHA will identify the need for any special features on a case-by-case basis depending on the intended occupancy of the PBV project. BHA will specify any special design standards or additional requirements in the invitation for PBV proposals, the AHAP, and the HAP contract.

Vacancy Payments [24 CFR 983.352(b)]

At the discretion of BHA, the HAP contract may provide for vacancy payments to the owner for a BHA-determined period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month. The amount of the vacancy payment will be determined by BHA and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant's security deposit).

BHA Policy

During the initial term of the HAP contract, BHA will provide vacancy payments to the owner equal to the contract rent in effect at the time of the vacancy for a period not to exceed 60 days. The HAP contract with the owner will contain the terms under which vacancy payments are made.

PART VI: SELECTION OF PBV PROGRAM PARTICIPANTS

17-VI.A. OVERVIEW

Many of the provisions of the HCV/tenant-based voucher regulations [24 CFR 982] also apply to the PBV program. This includes requirements related to determining eligibility and selecting applicants from the waiting list. Even with these similarities, there are requirements that are unique to the PBV program. This part describes the requirements and policies related to eligibility and admission to the PBV program.

17-VI.B. ELIGIBILITY FOR PBV ASSISTANCE [24 CFR 983.251(a) and (b)]

BHA may select families for the PBV program from those who are participants in BHA's HCV/tenant-based voucher program, from those who have applied for admission to the Project-based voucher program via the PB waitlist, or from referrals obtained by Project-based property managers if the PB waitlist is exhausted. For voucher participants, eligibility was determined at original admission to the voucher program and does not need to be redetermined at the commencement of PBV assistance. For all others, eligibility for admission must be determined at the commencement of PBV assistance.

Applicants for PBV assistance must meet the same eligibility requirements as applicants for the HCV/tenant-based voucher program. Applicants must qualify as a family as defined by HUD and the PHA, have income at or below HUD-specified income limits, and qualify on the basis of citizenship or the eligible immigration status of family members [24 CFR 982.201(a) and 24 CFR 983.2(a)]. In addition, an applicant family must provide social security information for family members [24 CFR 5.216 and 5.218] and consent to the PHA's collection and use of family information regarding income, expenses, and family composition [24 CFR 5.230]. An applicant family must also meet HUD requirements related to current or past criminal activity.

BHA Policy

BHA will determine an applicant family's eligibility for the PBV program in accordance with the policies in Chapter 3.

In-Place Families [24 CFR 983.251(b)]

An eligible family residing in a proposed PBV contract unit on the date the proposal is selected by BHA is considered an "in-place family." These families are afforded protection from displacement under the PBV rule. If a unit to be placed under contract (either an existing unit or a unit requiring rehabilitation) is occupied by an eligible family on the date the proposal is selected, the in-place family must be placed on the BHA's waiting list. Once the family's continued eligibility is determined (BHA may deny assistance to an in-place family for the grounds specified in 24 CFR 982.552 and 982.553), the family must be given an absolute selection preference and BHA must refer these families to the project owner for an appropriately sized or classified PBV unit in the project, should their family composition change, necessitating a differently sized or classified unit.

Admission of eligible in-place families is not subject to income targeting requirements, but is subject to all income and asset requirements to the Section 8 Program. This regulatory protection from displacement does not apply to families that are not eligible to participate in the program on the proposal selection date.

If an in-place family is not eligible to participate in the program, at the time of HAP signing, their unit will not be added as an assisted contract unit in the master HAP. If the owner cannot find an in-place family in an appropriately sized (by bedroom size) unit to replace the one occupied by a non-qualified family, the approved allocation will be reduced to reflect the number of units where in-place families do qualify for Section 8 assistance.

17-VI.C. ORGANIZATION OF THE WAITING LIST [24 CFR 983.251(c)]

BHA may establish a separate waiting list for PBV units or it may use the same waiting list for both HCV/tenant-based and PBV assistance. BHA may also merge the PBV waiting list with a waiting list for other assisted housing programs offered by BHA. If BHA chooses to offer a separate waiting list for PBV assistance, BHA must offer to place applicants who are listed on the HCV/tenant-based waiting list on the waiting list for PBV assistance.

If BHA decides to establish a separate PBV waiting list, BHA may use a single waiting list for BHA's whole PBV program, or it may establish separate waiting lists for PBV units in particular projects or buildings or for sets of such units.

BHA Policy

BHA will use (a) one waiting list for the HCV/tenant-based voucher program and, (b) one waiting list for the project-based voucher programs subdivided by (i) senior, over 62-years of age (ii) emancipated youth, (iii) HOPWA and (iv) one waiting list created from applications received from a restricted waiting list opening for families qualifying for 3 or 4 bedroom units; as well as a general Project-based waitlist for all household types. BHA will give applicants from the tenant based waiting list and existing tenant based voucher holders who are not appropriately housed an opportunity to be considered for PB units after exhausting the PBV waiting lists. If all of these options are exhausted, BHA either will open up the Project-based waitlist; or allow, after written request, properties to self-refer qualified applicants for vacant project based units.

In cases where PBV units are set aside for homeless individuals referred by the North County Coordinated Entry System (CES) in Berkeley, BHA accepts referrals for those PBS8 qualified households; additionally the BHA PB Emancipated Youth waitlist is exhausted, so PBV units housing this population are self-referred by properties to BHA for filling those vacancies.

VAWA victims in the HCV/Tenant-based Section 8 program, and families needing accessibility features who are not able to obtain specialized units, on a case-by case basis, may bypass the PBV waiting list, and be offered a vacant PBV unit.

17-VI.D. SELECTION FROM THE WAITING LIST [24 CFR 983.251(c)]

Applicants who will occupy units with PBV assistance must be selected from BHA's waiting list. BHA may establish selection criteria or preferences for occupancy of particular PBV units. BHA may place families referred by the PBV owner on its PBV waiting list.

Income Targeting [24 CFR 983.251(c)(6)]

At least 75 percent of the families admitted to BHA's HCV/tenant-based and project-based voucher programs during the BHA fiscal year from the waiting list must be extremely-low income families. The income targeting requirement applies to the total of admissions to both programs.

Units with Accessibility Features [24 CFR 983.251(c)(7)]

When selecting families to occupy PBV units that have special accessibility features for persons with disabilities, BHA must first refer families who require such features to the owner.

Preferences [24 CFR 983.251(d), FR Notice 11/24/08]

BHA may use the same selection preferences that are used for the HCV/tenant-based voucher program, establish selection criteria or preferences for the PBV program as a whole, or for occupancy of particular PBV developments or units. BHA must provide an absolute selection preference for eligible in-place families as described in Section 17-VI.B. above.

Although BHA is prohibited from granting preferences to persons with a specific disability, BHA may give preference to disabled families who need services offered at a particular project or site if the preference is limited to families (including individuals):

- Qualifying for units with HOPWA funding;
- With disabilities that significantly interfere with their ability to obtain and maintain themselves in housing;
- Who, without appropriate supportive services, will not be able to obtain or maintain themselves in housing; and
- For whom such services cannot be provided in a non-segregated setting.
- With one or more families members that require wheelchair accessibility.

In advertising such a project, the owner may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible disabled persons who may benefit from services provided in the project. In these projects, disabled residents may not be required to accept the particular services offered as a condition of occupancy.

If BHA has projects with more than 25 percent of the units or 25 units in total, receiving project-based assistance because those projects include "excepted units" (units specifically made available for elderly or disabled families, or families receiving supportive services), BHA must give preference to such families when referring families to these units [24 CFR 983.261(b)].

BHA Policy

BHA will provide a selection preference when required by the regulation (e.g., eligible in-place families, qualifying families for "excepted units," mobility impaired persons for accessible units).

17-VI.E. OFFER OF PBV ASSISTANCE

Refusal of Offer [24 CFR 983.251(e)(3)]

BHA is prohibited from taking any of the following actions against a family who has applied for, received, or refused an offer of PBV assistance:

- Refuse to list the applicant on the waiting list for HCV/tenant-based voucher assistance;
- Deny any admission preference for which the applicant qualifies;
- Change the applicant's place on the waiting list based on preference, date, and time of application, or other factors affecting selection under the PHA's selection policy;
- Remove the applicant from the HCV/tenant-based voucher waiting list.

Each family will have a total of two opportunities to be offered assistance. These offers will be at two different properties. If the family denies or refuses offers, or if the family is denied twice by both properties, the project based applicant will be removed from the waitlist.

Disapproval by Landlord [24 CFR 983.251(e)(2)]

If a PBV owner rejects a family for admission to the owner's units, such rejection may not affect the family's position on the HCV/tenant-based voucher waiting list.

Acceptance of Offer [24 CFR 983.252]

Family Briefing

When a family accepts an offer for PBV assistance, BHA must give the family an oral briefing. The briefing must include information on how the program works and the responsibilities of the family and owner. In addition to the oral briefing, BHA must provide a briefing packet that explains how BHA determines the total tenant payment for a family, the family obligations under the program, and applicable fair housing information.

Persons with Disabilities

If an applicant family's head or spouse is disabled, BHA must assure effective communication, in accordance with 24 CFR 8.6, in conducting the oral briefing and in providing the written information packet. This may include making alternative formats available (see Chapter 2). In addition, BHA must have a mechanism for referring a family that includes a member with a mobility impairment to an appropriate accessible PBV unit.

Persons with Limited English Proficiency

BHA will take reasonable steps to assure meaningful access by persons with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964 and Executive Order 13166 (see Chapter 2).

17-VI.F. OWNER SELECTION OF TENANTS

The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant's ability to fulfill their obligations under the lease. An owner must promptly notify in writing any rejected applicant of the grounds for any rejection [24 CFR 983.253(b)].

Leasing [24 CFR 983.253(a)]

During the term of the HAP contract, the owner must lease contract units to eligible families that are selected and referred by BHA from BHA's waiting list. The contract unit leased to the family must be the appropriate size unit for the size of the family, based on BHA's subsidy standards.

Filling Vacancies [24 CFR 983.254(a)]

The owner must promptly notify BHA of any vacancy or expected vacancy in a contract unit. After receiving such notice, BHA must make every reasonable effort to promptly refer a sufficient number of families for the owner to fill such vacancies. If the PBV waitlist is exhausted, the Property Manager may refer applicants to the PBV waitlist. BHA and the owner must make reasonable efforts to minimize the likelihood and length of any vacancy.

BHA Policy

The owner must notify BHA in writing (phone or e-mail) within 5 business days of learning about any vacancy or expected vacancy.

BHA will make every reasonable effort to refer families to the owner within 2-10 business days of receiving such notice from the owner. However, if the PBV waitlist is exhausted, the Property Manager may refer applicants to the PBV waitlist.

BHA will invite owners of properties with PBV assistance to attend any PB group briefing for households receiving Project Based assistance.

Reduction in HAP Contract Units Due to Vacancies [24 CFR 983.254(b)]

If any contract units have been vacant for 120 or more days since owner notice of the vacancy, BHA may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (according to the bedroom size) that have been vacant for this period.

BHA Policy

If any contract units have been vacant for 120 days, BHA may give notice to the owner that the HAP contract may be amended to reduce the number of contract units that have been vacant for this period. The amendment to the HAP contract will be effective the 1st day of the month following the date of BHA's notice.

17-VLG. TENANT SCREENING [24 CFR 983.255]

BHA Responsibility

BHA is not responsible or liable to the owner or any other person for the family's behavior or suitability for tenancy. However, BHA may opt to screen applicants for family behavior or suitability for tenancy and may deny applicants based on such screening.

BHA Policy

BHA will not conduct screening to determine a PBV applicant family's suitability for tenancy, unless the applicant is to move into a BHA or AHB-owned or managed unit. BHA may deny applicants based on such screening.

BHA must provide the owner with an applicant family's current and prior address (as shown in PHA records) and the name and address (if known by BHA) of the family's current landlord and any prior landlords.

BHA Policy

BHA will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the turnover HQS inspection or before. BHA will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

Owner Responsibility

The owner is responsible for screening and selection of the family to occupy the owner's unit. When screening families the owner may consider a family's background with respect to the following factors:

- Payment of rent and utility bills;
- Caring for a unit and premises;
- Respecting the rights of other residents to the peaceful enjoyment of their housing;
- Compliance with other essential conditions of tenancy.

BHA will carefully monitor rejection of applicants based on credit and rental history to ensure that the project owner is, in the spirit of affordable housing opportunities, (a) only considering factors that address the rental obligations; (b) granting applicants an opportunity to appeal the determination, and (c) giving proper consideration to factors that may have resulted in an adverse termination, i.e. major illness, loss of income, employment.

PART VII: OCCUPANCY

17-VII.A. OVERVIEW

After an applicant has been selected from the waiting list, determined eligible by BHA, referred to an owner and determined suitable by the owner, the family will sign the lease and occupancy of the unit will begin.

17-VII.B. LEASE [24 CFR 983.256]

The tenant must have legal capacity to enter a lease under state and local law. *Legal capacity* means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

Form of Lease [24 CFR 983.256(b)]

The tenant and the owner must enter into a written lease agreement that is signed by both parties. If an owner uses a standard lease form for rental units to unassisted tenants in the locality or premises, the same lease must be used for assisted tenants, except that the lease must include a HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

BHA Policy

BHA's review of the owner's lease is limited to (a) conditions that are discriminatory, or (b) violate a HUD rule, or (c) are onerous (i.e. excessive late fees). If BHA determines that the lease does not comply with state or local law, BHA may decline to approve the tenancy. BHA will inform owners of their responsibility to screen prospective tenants, and will upon request, provide owners with the required known name and address information, at the time of the initial HQS inspection or before. BHA will also allow an owner to review prior inspection reports, upon submission of a Request for Tenancy Approval.

BHA permits owners and families to execute separate, non-lease agreements for parking, storage, services, appliances (other than range and refrigerator) and other items that are not included in the lease. The owner must provide BHA a copy of any such agreement.

The family is not liable and cannot be held responsible under the terms of the assisted dwelling lease for any charges pursuant to a separate non-lease agreement between the owner and the family. Non-payment of any charges pursuant to a separate non-lease agreement between the owner and the family cannot be a cause for eviction or termination of tenancy under the terms of the assisted dwelling lease.

Lease Requirements [24 CFR 983.256(c)]

The lease for a PBV unit must specify all of the following information:

- The names of the owner and the tenant;
- The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
- The term of the lease (initial term and any provision for renewal);
- The amount of the tenant rent to owner, which is subject to change during the term of the lease in accordance with HUD requirements;
- A specification of the services, maintenance, equipment, and utilities that will be provided by the owner; and
- The amount of any charges for food, furniture, or supportive services.

Tenancy Addendum [24 CFR 983.256(d)]

The tenancy addendum in the lease must state:

- The program tenancy requirements;

- The composition of the household as approved by BHA (the names of family members and any BHA-approved live-in aide);
- All provisions in the HUD-required tenancy addendum must be included in the lease. The terms of the tenancy addendum prevail over other provisions of the lease.

Initial Term and Lease Renewal [24 CFR 983.256(f) and 983.257(b)]

The initial lease term must be for at least one year. Upon expiration of the lease, an owner may renew the lease, or refuse to renew the lease for “good cause.” If the owner refuses to renew the lease without good cause, BHA must provide the family with an HCV/tenant-based voucher and remove the unit from the PBV HAP contract.

Changes in the Lease [24 CFR 983.256(e)]

If the tenant and owner agree to any change in the lease, the change must be in writing, and the owner must immediately give BHA a copy of all changes.

The owner must notify BHA in advance of any proposed change in the lease regarding the allocation of tenant and owner responsibilities for utilities. Such changes may only be made if approved by BHA and in accordance with the terms of the lease relating to its amendment. BHA must redetermine reasonable rent, in accordance with program requirements, based on any change in the allocation of the responsibility for utilities between the owner and the tenant. The redetermined reasonable rent will be used in calculation of the rent to owner from the effective date of the change.

Owner Termination of Tenancy [24 CFR 983.257]

With two exceptions, the owner of a PBV unit may terminate tenancy for the same reasons an owner may in the HCV/tenant-based voucher program (see Section 12-III.B. and 24 CFR 982.310). In the PBV program, terminating tenancy for “good cause” does not include doing so for a business or economic reason, or a desire to use the unit for personal or family use or other non-residential purpose.

Tenant Absence from the Unit [24 CFR 983.256(g) and 982.312(a)]

The owner may specify in the lease a maximum period of tenant absence from the unit that is shorter than the maximum period permitted by BHA policy. According to program requirements, the family’s assistance must be terminated if they are absent from the unit for more than 180 consecutive days.

Security Deposits [24 CFR 983.258]

The owner may collect a security deposit from the tenant. BHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

BHA Policy

BHA will encourage the owner to collect a security deposit amount the owner determines is appropriate and consistent with their established leasing policies.

When the tenant moves out of a contract unit, the owner, subject to state and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts owed by the tenant under the lease.

Per the Rent Stabilization Ordinance, the owner must, annually in December, refund the interest on the security deposit to the family in the form of a payment or rent rebate.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit does not cover the amount owed by the tenant under the lease, the owner may seek to collect the balance from the tenant. BHA has no liability or responsibility for payment of any amount owed by the family to the owner.

17-VII.C. MOVES

Overcrowded, Under-Occupied, and Accessible Units [24 CFR 983.260]

If BHA determines that a family is occupying a wrong size unit, based on BHA's subsidy standards, or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, BHA must promptly notify the family and the owner of this determination, and BHA must offer the family the opportunity to receive continued housing assistance in another unit.

BHA Policy

BHA will notify the family and the owner of the family's need to move based on the occupancy of a wrong-size or accessible unit within 10 business days of BHA's determination. BHA will offer the family the following types of continued assistance in the following order, based on the availability of assistance:

- PBV assistance in the same building or project;
- PBV assistance in another project owned by the same developer;
- PBV assistance in another property owned by a different developer; then
- HCV/Tenant-based voucher assistance.

If BHA offers the family an HCV/tenant-based voucher, BHA must terminate the housing assistance payments for a wrong-sized or accessible unit at expiration of the term of the family's voucher (including any extension granted by the BHA).

If BHA offers the family another form of assistance that is not an HCV/tenant-based voucher, and the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by BHA, or both, BHA must terminate the housing assistance payments for the unit at the expiration of a reasonable period as determined by BHA.

BHA Policy

When BHA offers a family another form of assistance that is not an HCV/tenant-based voucher, the family will be given 60 days from the date of the offer to accept the offer

and move out of the PBV unit. If there is no appropriate vacancy in another unit with project based assistance, BHA will continue the subsidy at the existing level for six months to allow the family to move to an appropriate unit with S8 tenant based assistance, if eligible. If the family does not move out within this 60-day or 6-month time frame, BHA will terminate the housing assistance payments at the expiration of this 60-day or 6-month period.

BHA may make exceptions to this 60-day or 6 month time period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member.

Family Right to Move [24 CFR 983.261]

The family may terminate the lease at any time after the first year of occupancy. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to BHA. If the family wishes to move with continued HCV/tenant-based assistance, the family must contact BHA to request the rental assistance prior to providing notice to terminate the lease.

If the family terminates the lease in accordance with these requirements, BHA is required to offer the family the opportunity for continued HCV/tenant-based assistance, in the form of a voucher. If voucher assistance is not immediately available upon termination of the family's lease in the PBV unit, BHA must give the family priority to receive the next available opportunity for continued HCV/tenant-based assistance.

If the family terminates the assisted lease before the end of the first year in the PB unit, the family relinquishes the opportunity for continued HCV/tenant-based assistance.

PART VIII: DETERMINING RENT TO OWNER

17-VIII.A. OVERVIEW

The amount of the initial rent to an owner of units receiving PBV assistance is established at the beginning of the HAP contract term. Although for rehabilitated or newly constructed housing, the AHAP states the estimated amount of the initial rent to owner, the actual amount of the initial rent to owner is established at the beginning of the HAP contract term.

During the term of the HAP contract, the rent to owner is redetermined at the owner's request in accordance with program requirements, and at such time that there is a ten percent or greater decrease in the published FMR.

17-VIII.B. RENT LIMITS [24 CFR 983.301]

Except for certain tax credit units (discussed below), the rent to owner *must not exceed the lowest* of the following amounts:

- 110 percent of the applicable fair market rent (or any HUD-approved exception payment standard) for the unit bedroom size minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

Certain Tax Credit Units [24 CFR 983.301(c), FR Notice 11/24/08]

For certain tax credit units, the rent limits are determined differently than for other PBV units. These different limits apply to contract units that meet all of the following criteria:

- The contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986;
- The contract unit is not located in a qualified census tract;
- There are comparable tax credit units of the same bedroom size as the contract unit in the same building, and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and
- The tax credit rent exceeds a BHA-determined amount (not to exceed 110 percent of the fair market rent or any approved exception payment standard);

For contract units that meet all of these criteria, the rent to owner must not exceed the lowest of:

- The tax credit rent minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

However, BHA may use the higher Section 8 rent for a tax credit unit if the tax credit rent is less than the amount that would be permitted under Section 8. In these cases, Section 8 rent reasonableness requirements must continue to be met.

Definitions

A *qualified census tract* is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI), or where the poverty rate is at least 25 percent and where the census tract is designated as a qualified census tract by HUD.

Tax credit rent is the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., tenant-based voucher assistance).

Use of FMRs, Exception Payment Standards, and Utility Allowances [24 CFR 983.301(f)]

When determining the initial rent to owner, BHA must use the most recently published FMR in effect and the utility allowance schedule in effect at execution of the HAP contract. When redetermining the rent to owner, BHA must use the most recently published FMR and the utility allowance schedule in effect at the time of redetermination. At its discretion, BHA may for initial rent, use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract, or for redeterminations of rent, the 30-day period immediately before the redetermination date.

Any HUD-approved exception payment standard amount under the HCV/tenant-based voucher program also applies to the project-based voucher program. HUD will not approve a different exception payment stand amount for use in the PBV program.

Likewise, BHA may not establish or apply different utility allowance amounts for the PBV program. The same utility allowance schedule applies to both the HCV/tenant-based and project-based voucher programs.

BHA Policy

Upon written request by the owner, BHA will consider using the FMR or utility allowances in effect during the 30-day period before the start date of the HAP, or redetermination of rent. The owner must explain the need to use the previous FMRs or utility allowances and include documentation in support of the request. BHA will review and make a decision based on the circumstances and merit of each request.

In addition to considering a written request from an owner, BHA may decide to use the FMR or utility allowances in effect during the 30-day period before the start date of the HAP, or redetermination of rent, if BHA determines it is necessary due to BHA budgetary constraints.

Redetermination of Rent [24 CFR 983.302, FR Notice 11/24/08]

BHA must redetermine the rent to owner upon the owner's request or when there is a ten percent or greater decrease in the published FMR.

Rent Increase

If an owner wishes to request an increase in the rent to owner from BHA, it must be requested at the annual anniversary of the HAP contract for the assisted family (see Section 17-V.D.). The request must be in writing and in the form and manner required by BHA. BHA may only make rent increases in accordance with the rent limits described previously. There are no provisions in the PBV program for special adjustments (e.g., adjustments that reflect increases in the actual and necessary expenses of owning and maintaining the units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs).

BHA Policy

An owner is limited to one contract rent increase per 12 month period; the increase will coincide with the anniversary of the tenancy. To preserve affordability at 30% of adjusted monthly income, BHA will reduce an owner's request for a contract rent increase to a maximum of Payment Standard less the applicable utility allowance.

BHA may not approve and the owner may not receive any increase of rent to owner until and unless the owner has complied with requirements of the HAP contract, including compliance with HQS. The owner may not receive any retroactive increase of rent for any period of noncompliance. The HUD provisions outlined in section 17-VIII.B. RENT LIMITS [24 CFR 983.301] (see above) still apply.

Rent Decrease

If there is a decrease in the rent to owner, as established in accordance with program requirements such as a change in the FMR or exception payment standard, or reasonable rent amount, the rent to owner must be decreased regardless of whether the owner requested a rent adjustment. However, the PHA may stipulate in the HAP contract that the maximum rent on a unit will not be less than the initial rent.

Notice of Rent Change

The rent to owner is redetermined by written notice by BHA to the owner specifying the amount of the redetermined rent. BHA notice of rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract. The adjusted amount of rent to owner applies for the period of 12 calendar months from the annual anniversary of the HAP contract.

BHA Policy

BHA will provide the owner with at least 30 days written notice of any change in the amount of rent to owner.

BHA-owned Units [24 CFR 983.301(g)]

For BHA-owned or AHB-owned PBV units, the initial rent to owner and the annual redetermination of rent at the anniversary of the HAP contract are determined by the independent entity approved by HUD. BHA must use the rent to owner established by the independent entity.

17-VIII.C. REASONABLE RENT [24 CFR 983.303]

At the time the initial rent is established and all times during the term of the HAP contract, the rent to owner for a contract unit may not exceed the reasonable rent for the unit as determined by BHA.

When Rent Reasonable Determinations are Required

BHA must redetermine the reasonable rent for a unit receiving PBV assistance whenever any of the following occur:

- There is a ten percent or greater decrease in the published FMR in effect 60 days before the contract anniversary (for the unit sizes specified in the HAP contract) as compared with the FMR that was in effect one year before the contract anniversary date;
- BHA approves a change in the allocation of responsibility for utilities between the owner and the tenant;
- The HAP contract is amended to substitute a different contract unit in the same building; or
- There is any other change that may substantially affect the reasonable rent.

How to Determine Reasonable Rent

The reasonable rent of a unit receiving PBV assistance must be determined by comparison to rent for other comparable unassisted units. When making this determination, BHA must consider factors that affect market rent. Such factors include the location, quality, size, type and age of the unit, as well as the amenities, housing services maintenance, and utilities to be provided by the owner.

Comparability Analysis

For each unit, the comparability analysis must use at least three comparable units in the private unassisted market. This may include units in the premises or project that is receiving project-

based assistance. The analysis must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units, and must be retained by BHA. The comparability analysis may be performed by BHA staff or by another qualified person or entity. Those who conduct these analyses or are involved in determining the housing assistance payment based on the analyses may not have any direct or indirect interest in the property.

BHA-owned Units

For BHA-owned units, the amount of the reasonable rent must be determined by an independent agency approved by HUD in accordance with PBV program requirements. The independent entity must provide a copy of the determination of reasonable rent for BHA-owned units to the BHA and to the HUD field office where the project is located.

Owner Certification of Reasonable Rent

By accepting each monthly housing assistance payment, the owner certifies that the rent to owner is not more than rent charged by the owner for other comparable unassisted units in the premises. At any time, BHA may require the owner to submit information on rents charged by the owner for other units in the premises or elsewhere.

17-VIII.D. EFFECT OF OTHER SUBSIDY AND RENT CONTROL

In addition to the rent limits discussed in Section 17-VIII.B above, other restrictions may limit the amount of rent to owner in a PBV unit. In addition, certain types of subsidized housing are not even eligible to receive PBV assistance (see Section 17-II.D).

Other Subsidy [24 CFR 983.304]

At its discretion, BHA may reduce the initial rent to owner because of other governmental subsidies, including grants and other subsidized financing.

For units receiving assistance under the HOME program, rents may not exceed rent limits as required by that program.

For units in any of the following types of federally subsidized projects, the rent to owner may not exceed the subsidized rent (basic rent) or tax credit rent as determined in accordance with requirements for the applicable federal program:

- An insured or non-insured Section 236 project;
- A formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
- A Section 221(d)(3) below market interest rate (BMIR) project;
- A Section 515 project of the Rural Housing Service;
- Any other type of federally subsidized project specified by HUD.

Combining Subsidy

Rent to owner may not exceed any limitation required to comply with HUD subsidy layering requirements.

Rent Control [24 CFR 983.305]

In addition to the rent limits set by PBV program regulations, the amount of rent to owner may also be subject to rent control or other limits under local, state, or federal law.

PART IX: PAYMENTS TO OWNER

17-IX.A. HOUSING ASSISTANCE PAYMENTS [24 CFR 983.351]

During the term of the HAP contract, BHA must make housing assistance payments to the owner in accordance with the terms of the HAP contract. During the term of the HAP contract, payments must be made for each month that a contract unit complies with HQS and is leased to and occupied by an eligible family. The housing assistance payment must be paid to the owner on or about the first day of the month for which payment is due, unless the owner and BHA agree on a later date.

Except for discretionary vacancy payments, BHA may not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

The amount of the housing assistance payment by BHA is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).

In order to receive housing assistance payments, the owner must comply with all provisions of the HAP contract. Unless the owner complies with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.

17-IX.B. VACANCY PAYMENTS [24 CFR 983.352]

If an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if BHA determines that the vacancy is the owner's fault.

BHA Policy

If BHA determines that the owner is responsible for a vacancy and, as a result, is not entitled to keep the housing assistance payment, BHA will notify the landlord of the amount of housing assistance payment that the owner must repay. BHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

At the discretion of BHA, the HAP contract may provide for vacancy payments to the owner. BHA may only make vacancy payments if:

- The owner gives BHA prompt, written notice certifying that the family has vacated the unit and identifies the date when the family moved out (to the best of the owner's knowledge);
- The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;

- The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
- The owner provides any additional information required and requested by BHA to verify that the owner is entitled to the vacancy payment.

The owner must submit a request for vacancy payments in the form and manner required by BHA and must provide any information or substantiation required by BHA to determine the amount of any vacancy payment.

BHA Policy

If an owner's HAP contract calls for vacancy payments to be made, and the owner wishes to receive vacancy payments, the owner must have properly notified BHA of the vacancy in accordance with the policy in Section 17-VI.F. regarding filling vacancies.

In order for a vacancy payment request to be considered, it must be made within 10 business days of the end of the period for which the owner is requesting the vacancy payment. The request must include the required owner certifications and BHA may require the owner to provide documentation to support the request. If the owner does not provide the information requested by the PHA within 10 business days of BHA's request, no vacancy payments will be made.

17-IX.C. TENANT RENT TO OWNER [24 CFR 983.353]

The tenant rent is the portion of the rent to owner paid by the family. The amount of tenant rent is determined by BHA in accordance with HUD requirements. Any changes in the amount of tenant rent will be effective on the date stated in the BHA notice to the family and owner.

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The amount of the tenant rent determined by BHA is the maximum amount the owner may charge the family for rental of a contract unit. The tenant rent covers all housing services, maintenance, equipment, and utilities to be provided by the owner. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by BHA. The owner must immediately return any excess payment to the tenant.

Tenant and BHA Responsibilities

The family is not responsible for the portion of rent to owner that is covered by the housing assistance payment and the owner may not terminate the tenancy of an assisted family for nonpayment by BHA.

Likewise, BHA is responsible only for making the housing assistance payment to the owner in accordance with the HAP contract. BHA is not responsible for paying tenant rent, or any other claim by the owner, including damage to the unit. BHA may not use housing assistance payments or other program funds (including administrative fee reserves) to pay any part of the tenant rent or other claim by the owner.

Utility Reimbursements

If the amount of the utility allowance exceeds the total tenant payment, BHA must pay the amount of such excess to the tenant as a reimbursement for tenant-paid utilities, and the tenant rent to the owner must be zero.

BHA may pay the utility reimbursement directly to the family or to the utility supplier on behalf of the family. If BHA chooses to pay the utility supplier directly, BHA must notify the family of the amount paid to the utility supplier.

BHA Policy

Families deemed eligible for a utility reimbursement must establish and maintain utilities in the name of the head of household or spouse/partner. BHA, at its sole discretion, will make payment to the family or direct utility reimbursements to Pacific Gas and Electricity (PG&E) on behalf of the family.

17-IX.D. OTHER FEES AND CHARGES [24 CFR 983.354]

Meals and Supportive Services

With the exception of PBV assistance in assisted living developments, the owner may not require the tenant to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

In assisted living developments receiving PBV assistance, the owner may charge for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. However, non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.

Other Charges by Owner

The owner may not charge extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.

If off-street parking is not a standard offering included in the rent, the owner may assess a reasonable fee to households opting for the service.

Chapter 18

MODERATE REHABILITATION PROGRAM FOR SINGLE ROOM OCCUPANCY (SRO) DWELLINGS FOR HOMELESS INDIVIDUALS

18-1 Introduction

The Section 8 Moderate Rehabilitation Single Room Occupancy (SRO) Program (Moderate Rehabilitation Program) was funded under the McKinney Act. The BHA Moderate Rehabilitation Program is a joint effort between BHA and local, not-for-profit agencies that own property that is in need of rehabilitation in order to restore the dwelling to meet local building codes.

The purpose of the Moderate Rehabilitation Program is to provide Section 8 rental assistance for homeless individuals in rehabilitated single room occupancy housing. The Moderate Rehabilitation Program rental subsidy **is not** transferable, and the participant will only receive the rental assistance if residing in the Mod Rehab unit.

The Alameda County Homeless Continuum of Care, in accordance with guidance from HUD's Office of Community Planning and Development (see Notices CPD-14-012 and CPD-16-11) has established prioritization criteria for access to permanent supportive housing opportunities within Alameda County. The BHA Moderate Rehabilitation Program operates as permanent supportive housing and therefore will select applicants in accordance with these HUD guidelines, which prioritize the most intensive housing resources for people with long histories of homelessness, a high level of vulnerability, and multiple barriers to housing.

Currently, the Alameda County Health Care Services Agency operates a program called Home Stretch, which maintains a pool of applicants for all permanent supportive housing in Alameda County. Homeless individuals and families are assessed and qualified by the Alameda County homeless Coordinated Entry System, in Berkeley and operated by Bay Area Community Services (BACS), and referred to Home Stretch. It is from this registry of eligible homeless and disabled individuals that applicants for the BHA Moderate Rehabilitation Program are selected.

The BHA, on behalf of HUD, enters into a Moderate Rehabilitation Program Housing Assistance Payment (HAP) Contract with a housing provider for a specific building.

The contract for any unit rehabilitated in accordance with the program guarantees the rental subsidy for a minimum of 10 years initially, and is renewed annually thereafter.

- The minimum tenant portion of rent for the program is \$50 (see Section **Total Tenant Payment** for the minimum rent hardship provisions)
- At present the BHA is providing rental subsidies for two projects:
 - University Avenue Homes (1040 University Avenue); and
 - Erna P. Harris (1330 University Avenue)

18-2 Applicant Qualifications

Staff at The Hub conduct outreach and identify potential applicants for intensive housing search support and permanent supportive housing. The Hub screens clients for literal homelessness and disability, according to the HUD definitions below. After assessment and verification of eligibility for Home Stretch, Hub staff send information on homeless individuals to Home Stretch staff, who verify that they have appropriate documentation and place eligible clients into the registry. Home Stretch staff prioritize and match eligible individuals to specific units when they become available. Home Stretch staff will provide the property management agent referrals of three to five qualified persons per vacant unit.

Literally homeless. An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:

1. Has a primary nighttime residence that is a public or private place not meant for human habitation.
2. Is living in a publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state and local government programs); or
3. Is exiting an institution where (s)he has resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution.

Disability.

1. A disability as defined in Section 223 of the Social Security Act;
2. A physical, mental, or emotional impairment which is expected to be of long-continued and indefinite duration, substantially impedes an individual's ability to live independently, and of such a nature that the disability could be improved by more suitable conditions;
3. A developmental disability as defined in Section 102 of the Developmental Disabilities Assistance and Bill of Rights Act;
4. The disease of acquired immune deficiency syndrome or any condition arising from the etiological agent for acquired immune deficiency syndrome; or
5. A diagnosable substance abuse disorder.

Individuals may not have income above 50% of area median income as defined by HUD.

18-3 Family Participation

BHA is responsible for receipt and review of applications, and determination of eligibility for participation in accordance with HUD regulations. The Owner must lease all assisted units under HAP contract with the Moderate Rehabilitation Program to eligible individuals.

The Owner is responsible for managing the property, and advising BHA when a unit is no longer occupied by the assisted individual. This includes providing notice to BHA as soon as the Owner knows, or should know, that the individual is not actively occupying the unit.

18-4 Outreach to Homeless Individuals

To ensure that homeless individuals are aware of this housing opportunity, the North County Housing Resource Center (The Hub, serving Berkeley, Albany, and Emeryville) and Home Stretch staff shall provide notice to interested individuals and groups advising:

- The availability of the housing resources at U.A. Homes and Erna P. Harris;
- The method for applying; and
- Eligibility criteria.

Interested individuals will be instructed to contact The Hub to receive screening and assessment for consideration for current and/or future vacancies.

18-5 Interest List Management

Home Stretch/Coordinated Entry System (CES) shall maintain an active registry of eligible individuals for these units. Home Stretch shall update the registry at least every twelve months to ensure the list is kept up-to-date. The process for updating the list shall include contacting the interested individual and their designated representative as it appears on their Home Stretch coordinated entry assessment and supporting documents.

18-6 Selection of Applicants

Home Stretch is responsible for maintaining reasonable records to insure that all individuals expressing interest are afforded an opportunity to complete an application for a unit. Individuals submitting applications are referred to as Applicants. Home Stretch is responsible for identifying and referring potentially eligible Applicants to the Owner for a final determination of eligibility. Home Stretch or the Applicant's representative may assist the Applicant to ensure a complete "eligibility packet" that includes valid CA identification; birth certificate or verification of birth date, city and state from Social Security administration, current proof of income and current asset verification (bank statements).

Home Stretch may serve interested individuals from the Interest List out of order if it is unable to reach the individual after utilizing reasonable efforts (i.e. mail or telephone).

The Owner notifies Home Stretch of an opening and provides all required paperwork to Home Stretch. Home Stretch has three working days to find the top three candidates and provide them with the required paperwork for applying for the unit. After receiving notification of unit availability, Applicants or their representatives have seven calendar days to respond to Home Stretch staff regarding the available apartment. If there is no response, the offer will be deemed to have been declined by the Applicant, and the ten day window to find eligible applicants and have them submit required paperwork begins again. If there are verifiable mitigating reasons beyond the Applicant's control that prevent an Applicant from moving at the time of offer, the Applicant will receive another unit offer. Home Stretch staff work with the Owner and Applicant's Representative to ensure all appropriate documentation is collected and submitted, including any BHA paperwork and building-specific application.

18-7 Leasing Vacancies

- The Owner will:
 - Notify the Berkeley Housing Authority of a vacancy and that they are requesting referrals from Home Stretch;
 - Accept all documentation that supports eligibility (including homeless and disability verification) and work with the Applicant or his/her Representative to obtain other documentation needed to complete the application.
 - Keep on site, and provide to all Applicants, tenants and outreach agencies, a copy of the grounds for non-acceptance of the rental application; and
 - Advise the BHA in writing of the Applicant selected for tenancy in order to initiate rental subsidy payments. Said notice shall be accompanied by all the documentation required to establish eligibility including but not limited to:
 - A completed BHA Personal Declaration;
 - Current (within 30-days) income verification; and
 - Proof that the individual is currently homeless, or was homeless during the 12 month period prior to the determination of eligibility (dated within 60-calendar days)
- BHA will promptly:
 - Contact the Applicant and the Applicant's representative to obtain any additional documents required to determine program eligible
 - Inspect the unit designated for the Applicant within 10 business days of a request for inspection from the Owner
 - Review the program rules, including the Owner's, BHA's and the family obligations with the family
 - Provide the client (and the Owner) written notice of the tenant rent portion, and
 - Review and obtain the individuals signature on the "Section 8 Moderate Rehabilitation Program Statement of Family Responsibility" (HUD Form 52578A).

18-8 Transfer List

The Owner shall maintain a transfer list for existing clients wishing to move for one unit to another within the property. The list shall include, at minimum:

- The name of the resident;
- The date of the request;
- The type or location of the desired unit desired; and
- Any special medical or other documented need warranting transfer.

Transfers from one unit to another type of unit within the property may take precedence over new move-ins. The Owner may not transfer a tenant from one unit to another without obtaining prior written approval from BHA. Approval shall be in the form of a "passed" Housing Quality Inspection. The BHA shall inspect the vacant unit within 10 business days.

The Owner must consider, outside of waiting list order, a transfer for the following reasons:

- To provide a reasonable accommodation or verifiable medical necessity (i.e. wheelchair accessible unit or additional space for medical equipment);

- For emergency temporary relocation. If a unit becomes uninhabitable due to a catastrophe the resident will be given any open unit for temporary quarters until their own unit is repaired. An “open unit” is a unit for which the keys are in the possession of the management company.

18-9 Notice Of Non-Discrimination

With respect to the treatment of Applicants, Home Stretch and the Owner will not discriminate against any individual because of race, color, creed, national or ethnic origin or ancestry, religion, sexual orientation, gender identify, age, disability, handicap, military status, source of income, marital status, Human Immunodeficiency Virus (HIV) or Acquired Immune Deficiency Syndrome (AIDS), or any other arbitrary basis.

No criteria will be applied or information considered pertaining to attributes of behavior that may be imputed by some particular group or category.

All criteria shall be applied equitably and all information considered on an Applicant shall be related solely to the attributes and behavior of the individual as may affect residency.

All criteria shall be applied equitably and all information considered from an applicant shall be related solely to the attributes and behavior of the individual as may affect tenancy.

BHA will assist any individual who alleges discrimination by staff and/or Owners including:

- Assisting the individual in completing HUD Form 903;
- Referring the individual to the local legal aid society;
- Referring the individual to the California Civil Rights Housing Authority; and
- Providing the individual with the toll free number for HUD’s Office of Fair Housing in Washington, D.C.

18-10 Grounds for Non Acceptance

The Owner may refuse any Applicant provided that the Owner does not unlawfully discriminate. The Owner may choose not to accept applicants who meet the federal eligibility guidelines but do not meet the established Grounds for Non-Acceptance. Written Grounds for Non-Acceptance will be provided to BHA, Home Stretch, and the City of Berkeley in writing.

If an applicant is rejected, management will promptly notify the Applicant or his/her representative in writing, explaining in the notice the reasons for rejection and that the Applicant has 14 days to respond in writing or to request a meeting to discuss the rejection. If the Applicant believes that the Owner’s rejection was the result of unlawful discrimination, the individual may request the assistance of BHA in resolving the issue and may also file a complaint with HUD’s Office of Fair Housing and Equal Opportunity in accordance with 24 CFR 103.25. If the Applicant requests the assistance of BHA, and if BHA cannot resolve the complaint promptly, BHA will advise the Applicant that he or she may file a complaint with HUD, and provide the Applicant with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

18-11 Annual Reexamination

At least annually, BHA will require the tenant to participate in a reexamination that will consist of a review of household composition, income and expenses.

At least annually, BHA will inspect the unit to determine compliance with minimum Housing Quality Standards (HQS). The Owner and Tenant will receive minimum 14-day advance notice of the scheduled inspection.

- If, as a result of the annual reexamination, or other notification, BHA determines that there are unauthorized household members, BHA will advise the tenant and the Owner of the requirement to remove the unauthorized person(s).
- If, as a result of the annual or any interim reexamination the BHA determines that the household size has changed such that the unit is overcrowded in accordance with HQS, the tenant must
 - Remove the additional person(s); or
 - Forfeit the subsidy and vacate the unit.

An individual's eligibility for housing assistance payments will continue provided:

- The tenant's annual income does not exceed 50% of area median. If it does, the Owner must:
 - Give the resident six month notice to vacate the unit; or
 - If the Owner can meet the lower income percentage without the unit occupied by the tenant (by leasing another unit to a lower income individual at the appropriate rent), the Owner may continue leasing to the individual, but is free to renegotiate the rent at the expiration of the current lease term.
- The tenant remains in compliance with the lease terms.

18-12 Project Move-Up

Subject to HUD funding, Project Move-up is a program to facilitate the progression of individuals/families from homelessness – to housing via the Mod Rehab Program – to permanently affordable housing, via a Section 8 Tenant Based Voucher. The intent is to admit 5 individuals from BHA's Single Room Occupancy Program (UA Homes and Erna P. Harris) and 5 individuals from the City of Berkeley's Shelter + Care program each calendar year for up to 5 years. These households must:

- a. Demonstrate lease compliance over the prior 12 month period
- b. Everyone 18 or older must have stable monthly income from sources including but not limited to employment, self-employment, unemployment, retirement, CalWorks or Social Security/SSI, sufficient to pay BHA's minimum rent of \$50 per month plus any utility allowance;
- c. Utilize the assistance to rent a unit in Berkeley for 24 months before becoming eligible for portability

Candidates for this program must submit an application to the Section 8 Voucher waiting list, and have a written referral from the property manager and/or case manager. Selection criteria for Project Move-up referrals to BHA are determined by Shelter Plus Care staff and Moderate Rehab property management, identifying a fair and systematic determination process, with priority given to those ready to live independently.

18-13 Termination of Participation

BHA will terminate the occupant's participation in the program upon notification by the Owner that the occupant has been evicted from the property for good cause (i.e. non-payment of rent; lease violations).

18-14 Relocation

Should any relocation of tenants be required as a result of major rehabilitation of the premises, the Owner shall adhere to any applicable local, state and federal relocation requirements including the Uniform Relocation Act.

18-15 Monitoring of Social Services

Providers of social services to tenants as part of the Moderate Rehabilitation Program shall submit annual reports to the Owner, who will make these reports available to BHA upon request for monitoring purposes. In addition, the City of Berkeley's Health, Housing & Community Services Department provides on-site monitoring of City-funded social services at Moderate Rehabilitation Program sites on a regular basis. The Owner shall provide BHA a copy of all City of Berkeley monitoring reports within 30-days of receipt.

18-16 Vacancy Loss and Damage Claims

Vacancy loss is a reimbursable expense incurred by the project as a result of the abandonment and/or vacancy of the unit by the tenant. Vacancy loss is paid only for those days that the unit remains habitable but unoccupied by a tenant.

- The Owner should submit a vacancy loss spread sheet detailing the vacancy loss for each unit for which payment is sought.
- If vacancy payments are not submitted to BHA within 90 calendar days following the end of the quarter when the vacancy occurred, BHA may elect to not pay for the vacancy loss
- If the vacancy loss includes "unpaid rent", the BHA will not pay unless the Owner demonstrates reasonable actions to collect from the tenant.

18-17 Vacancies from Execution of Contract to Initial Occupancy

If a Contract unit that has been rehabilitated in accordance with this Program is not leased within 15 days of the effective date of the Contract, the Owner will be entitled to housing assistance payments in the amount of 80% of the Contract Rent. This vacancy loss payment is limited to a period not exceeding 60 days from the effective date of the Contract, provided that the Owner has:

- Taken and continues to take all feasible actions to fill the vacancy; and
- Not rejected any eligible Applicant except for good cause acceptable to BHA.

18-18 Vacancies after Initial Occupancy

- If a tenant vacates a unit, the Owner may receive the housing assistance payments due under the Contract for as much of the month in which the tenant vacates the unit and the unit remains vacant.
- Should the unit continue to remain vacant, the Owner may receive from BHA a housing assistance payment in the amount of 80% of the Contract Rent for a vacancy period not exceeding an additional month
- The Owner must reimburse any excess rent to BHA.
- The Owner will not be entitled to any payment under this section unless the Owner:
 - Has provided BHA notice of the vacancy as required in Section 31.4(B); and
 - Has taken and continues to take all feasible actions to release the unit to a qualified Applicant.

- If the Owner evicts an eligible subsidized household, the Owner will not be entitled to any vacancy loss payment unless BHA determines that the Owner complied with all requirements of the Contract, the Lease and all applicable laws.

18-19 Prohibition of Double Compensation for Vacancies

The Owner will not be entitled to housing assistance payments with respect to vacant units under this section if the Owner is entitled to payments from other sources (for example, payments for losses of rental income incurred for holding units vacant for relocatees pursuant to Title I of the Housing and Community Development Act of 1974 or payments for unpaid rent under 24 CFR 882.414)

18-20 Security Deposits and Damage Claims

If, at the time of the initial execution of the Lease, the Owner wishes to collect a security deposit, the maximum amount shall be the greater of one month's Total Tenant Payment (TTP) or \$50. However, this amount shall not exceed the maximum amount allowable under State or local law.

- For units leased in place, security deposits collected prior to the execution of a Contract which are in excess of this maximum amount do not have to be refunded until the subsidized household vacates the unit subject to lease terms.
- The tenant is expected to pay security deposits and utility deposits from its resources and/or other public or private sources.
- If a tenant vacates the unit, the Owner, subject to State and local law, may use the security deposit as reimbursement for any unpaid Tenant Rent or other amounts that the tenant owes under the Lease.
- If a tenant vacates the unit owing no rent or other amounts under the Lease consistent with State or local law or if such amount is less than the amount of the security deposit, the Owner shall refund the full amount of the unused balance to the tenant. Security deposits will accrue simple interest at the average rate paid on six-month certificates.
 - The applicable interest rate will be published by the City of Berkeley Rent Stabilization Program by November 15th of each year.
 - The Owner shall refund the amount of earned or imputed interest (through November) to the tenant each December as a cash payment or credit towards rent or other debts.
- If the security deposit is insufficient to reimburse the Owner for the unpaid Tenant Rent or other amounts that the tenant owes under the Lease, or if the Owner did not collect a security deposit, provided the owner has taken reasonable actions to collect from the tenant, the Owner may claim reimbursement from BHA for an amount not to exceed:
 - The amount owed the Owner; or
 - Two month's Contract Rent minus, in either case the greater of the security deposit actually collected or the amount of security deposit the Owner could have collected under the Program . Any reimbursement under this section must be applied first toward any unpaid Tenant Rent due under the Lease and then to any other amounts owed, No reimbursement may be claimed for unpaid rent for the period after the subsidized household vacates.

Designated BHA employees will review the documentation for expenses incurred and verify their legitimacy. An inspection of the premises may be arranged to validate the accuracy of the damage claim.

Damage claims must be submitted to BHA before the end of the next calendar quarter after move-out.

18-21 Reconciliation and Communication

BHA, the Owner, and Home Stretch will meet periodically, but no less than annually, to discuss issues pertaining to the Moderate Rehabilitation Program. The meeting will be scheduled at a time convenient to all parties, after BHA receives the Owners quarterly report of activities.

18-22 Termination of Owner's HAP Contract By BHA

Owners participating in the Moderate Rehabilitation Program can have their current contracts terminated and may be banned from future participation for violating Program rules and regulations. BHA has the option to deny participation by a property Owner if the Owner has:

- Collected side payments. Money paid by the tenant cannot exceed the approved amounts as stated in the Lease Agreement for rent, security deposits or utilities. Owners may charge the tenant for excessive use of utilities (water, sewer and garbage) if the allowable amount is exceeded and falls within the guidelines of the Water Department's definition of average usage for the number of occupants.
- Collected Housing Assistance Payments for units not occupied by approved participants;
- Bribed or attempted to bribe BHA employees to certify substandard units as standard, or to violate any other program rules or regulations;
- A record of chronic poor maintenance including failing to complete needed repairs required for HQS compliance and other provisions of the Housing Contract
- Received water/sewer/garbage shut offs for assisted properties and failed to act comprehensively and in a timely manner to restore service to the building including all units and common areas;
- Failed to report Program abuse to the BHA of which they are aware;
- Falsified documentation required by BHA, including efforts to fraudulently represent the date document(s) and/or information was provided;
- Submitted fraudulent vacancy loss and/or damage claims;
- If the owner has engaged or threatened abusive or violent behavior toward a tenant or BHA personnel or its agents;
- Not paid State or local real estate taxes, fines, assessments, or repaid BHA or overpayments on assisted units;
- Failed to provide effective property management and maintenance, which leads to unsafe conditions;
- Overcharged Program participants by renting unassisted, comparable units at lower amounts;
- Violated obligations under the HAP Contract:
- Violated any obligation under the HAP contract for the dwelling unit, including the Owner's obligation to maintain the building, including the common areas and each living unit in accordance with HQS
- Violated any obligation under any other housing assistance payments contract under Section 8 of the 1937 Act;

- Committed fraud, bribery or any other corrupt or criminal act in connection with any other federal housing program; or
- Engaged in drug trafficking.

If it is determined that the Owner has breached the Contract, BHA may implement one or more of the following sanctions:

- Recovery of overpayments;
- Abatement or other reduction of housing assistance payments;
- Termination of housing assistance payments; or
- Termination of the HAP Contract

The HAP Contract may also be terminated if:

- The tenant has been required to move from the unit because of overcrowding and fails to reduce the household size or move; or
- BHA determines, in accordance with HUD requirement, that funding under its Consolidated Annual Contributions Contract (CAAC) is insufficient to support continued assistance for tenants in the Program

The Owner must report all changes in unit occupancies, including move-ins and move-outs within 14 calendar days.

The tenant is not a party to, or third party beneficiary, of the HAP Contract. The subsidized household may not exercise any right or remedy against the Owner under the HAP Contract. Even if the tenant continues to occupy the unit, the BHA may exercise any right or remedy against the Owner under the HAP Contract.

CHAPTER 19

Temporary Policy Supplement

EMERGENCY HOUSING VOUCHERS (EHVs)

INTRODUCTION

On March 11, 2021, President Biden signed the American Rescue Plan Act of 2021 (ARP) (P.L. 117-2). Section 3202 of the ARP appropriated \$5 billion for the creation, administration, and renewal of new incremental emergency housing vouchers (EHVs) and other eligible expenses related to COVID-19.

On May 5, 2021, HUD issued Notice PIH 2021-15, which described HUD's process for allocating approximately 70,000 EHVs to eligible PHAs and set forth the operating requirements for PHAs who administer them. Based on criteria outlined in the notice, HUD notified eligible PHAs of the number of EHVs allocated to their agency, and PHAs were able to accept or decline the invitation to participate in the program.

PHAs may not project-base EHVs; EHVs are exclusively tenant-based assistance.

All applicable nondiscrimination and equal opportunity requirements apply to the EHV program, including requirements that the PHA grant reasonable accommodations to persons with disabilities, effectively communicate with persons with disabilities, and ensure meaningful access for persons with limited English proficiency (LEP).

This chapter describes HUD regulations and PHA policies for administering EHVs. The policies outlined in this chapter are organized into seven sections, as follows:

Part I: Funding

Part II: Partnering Agencies

Part III: Waiting List Management

Part IV: Family Eligibility

Part V: Housing Search and Leasing

Part VI: Use of Funds, Reporting, and Financial Records

Except as addressed by this chapter and as required under federal statute and HUD requirements, the general requirements of the HCV program apply to EHVs.

PART I: FUNDING

TPS-I.A. FUNDING OVERVIEW

The American Rescue Plan Act of 2021 (ARP) provides administrative fees and funding for the costs of administering emergency housing vouchers (EHVs) and other eligible expenses defined in Notice PIH 2021-15. These fees may only be used for EHV administration and other eligible expenses and must not be used for or applied to other PHA programs or vouchers. The PHA must maintain separate financial records from its regular HCV funding for all EHV funding.

Housing Assistance Payments (HAP) Funding

ARP funding obligated to the PHA as housing assistance payments (HAP) funding may only be used for eligible EHV HAP expenses (i.e., rental assistance payments). EHV HAP funding may not be used for EHV administrative expenses or for the eligible uses under the EHV services fee.

The initial funding term will expire December 31, 2022. HUD will provide renewal funding to the PHA for the EHVs on a calendar year (CY) basis commencing with CY 2023. The renewal funding allocation will be based on the PHA's actual EHV HAP costs in leasing, similar to the renewal process for the regular HCV program. EHV renewal funding is not part of the annual HCV renewal funding formula; EHVs are renewed separately from the regular HCV program. All renewal funding for the duration of the EHV program has been appropriated as part of the ARP funding.

Administrative Fee and Funding

The following four types of fees and funding are allocated as part of the EHV program:

- **Preliminary fees** support immediate start-up costs that the PHA will incur in implementing alternative requirements under EHV, such as outreach and coordination with partnering agencies:
 - \$400 per EHV allocated to the PHA, once the consolidated annual contributions contract (CACC) is amended.
 - This fee may be used for any eligible administrative expenses related to EHVs.
 - The fee may also be used to pay for any eligible activities under EHV service fees (TPS-I.B).
- **Placement fees/expedited issuance reporting fees** will support initial lease-up costs and the added cost and effort required to expedite leasing of EHVs:
 - \$100 for each EHV initially leased, if the PHA reports the voucher issuance date in Public Housing Information Center–Next Generation (PIC–NG) system within 14 days of voucher issuance or the date the system becomes available for reporting.
 - Placement fees:
 - o \$500 for each EHV family placed under a HAP contract effective within four months of the effective date of the ACC funding increment; or
 - o \$250 for each EHV family placed under a HAP contract effective after four months but less than six months after the effective date of the ACC funding increment.
 - o HUD will determine placement fees in the event of multiple EHV allocations and funding increment effective dates.
 - Placement/expedited issuance fees only apply to the initial leasing of the voucher; they are not paid for family moves or to turnover vouchers.
- **Ongoing administrative fees**, which are calculated in the same way as the standard HCV program:
 - PHAs are allocated administrative fees using the full column A administrative fee amount for each EHV under contract as of the first day of each month.
 - Ongoing EHV administrative fees may be subject to proration in future years, based on available EHV funding.

- **Services fees**, which are a one-time fee to support PHAs' efforts to implement and operate an effective EHV services program in its jurisdiction (TPS-I.B):
 - The fee is allocated once the PHA's CACC is amended to reflect EHV funding.
 - The amount allocated is \$3,500 for each EHV allocated.

TPS-I.B. SERVICE FEES

Services fee funding must be initially used for defined eligible uses and not for other administrative expenses of operating the EHV program. Service fees fall into four categories:

- Housing search assistance
- Security deposit/utility deposit/rental application/holding fee uses
- Owner-related uses
- Other eligible uses such as moving expenses or tenant-readiness services

The PHA must establish the eligible uses and the parameters and requirements for service fees in the PHA's administrative plan.

BHA Policy

The eligible uses for service fees that BHA may utilize the service fees for include:

Application fees/non-refundable administrative or processing fees/refundable application deposit assistance. The PHA may choose to assist the family with some or all these expenses.

Holding fees are fees an owner requests that are rolled into the security deposit after an application is accepted but before a lease is signed. The PHA may cover part or all of the holding fee for units where the fee is required by the owner after a tenant's application has been accepted but before the lease signing. The PHA and owner must agree how the holding fee gets rolled into the deposit, and under what conditions the fee will be returned. In general, owners need to accept responsibility for making needed repairs to a unit required by the initial housing quality standards (HQS) inspections and can only keep the holding fee if the client is at fault for not entering into a lease.

Security deposit assistance. The amount of the security deposit assistance may not exceed the lesser of two months' rent to owner, the maximum security deposit allowed under applicable state and/or local law, or the actual security deposit required by the owner. The PHA may pay the security deposit assistance directly to the owner or may pay the assistance to the family. If paid to the family, the PHA will require documentation that the family paid the security deposit.

Owner recruitment and outreach for EHV's. The PHA may use the service fee funding to conduct owner recruitment and outreach specifically for EHV's. In addition to traditional owner recruitment and outreach, activities may include conducting pre-inspections or otherwise expediting the inspection process, providing enhanced customer service, and offering owner incentive and/or retention payments.

Owner incentive and/or retention payments. The PHA may make incentive or retention payments to owners that agree to initially lease their unit to an EHV family and/or renew the lease of an EHV family.

Payments will be made as a single payment at the beginning of the assisted lease term (or lease renewal if a retention payment). Owner incentive and retentions payments are not housing assistance payments, are not part of the rent to owner, and are not taken into consideration when determining whether the rent for the unit is reasonable.

Renter's insurance if required by the lease. The PHA may choose to assist the family with some or all this cost.

Any services fee assistance that is returned to the PHA after its initial or subsequent use may only be applied to the eligible services fee uses defined in Notice PIH 2021-15 (or subsequent notice) or other EHV administrative costs. Any amounts not expended for these eligible uses when the PHA's EHV program ends must be remitted to HUD.

PART II: PARTNERING AGENCIES

TPS-II.A. CONTINUUM OF CARE (CoC)

PHAs that accept an allocation of EHV's are required to enter into a Memorandum of Understanding (MOU) with the Continuum of Care (CoC) to establish a partnership for the administration of EHV's.

BHA Policy

The PHA has entered into an MOU with Alameda County Continuum of Care; and the Alameda County Health Care Services Agency. See Exhibit TPS-I for a copy of the MOU.

TPS-II.B. OTHER PARTNERING ORGANIZATIONS

The PHA may, but is not required to, partner with other organizations trusted by persons experiencing homelessness, such as victim services providers (VSPs) and other community partners. If the PHA chooses to partner with such agencies, the PHA must either enter into an MOU with the partnering agency or the partnering agency may be added to the MOU between the PHA and CoC.

BHA Policy

The PHA will be partnering with domestic violence service providers; as well as Transition aged Youth service providers, as identified by the COC and HCSA, including but not limited to Building Futures.

TPS-II.C. REFERRALS

CoC and Partnering Agency Referrals

The primary responsibility of the CoC under the MOU with the PHA is to make direct referrals of qualifying individuals and families to the PHA. The PHA must generally refer a family that is seeking EHV assistance directly from the PHA to the CoC or other referring agency for initial intake, assessment, and possible referral for EHV assistance. Partner CoCs are responsible for determining whether the family qualifies under one of the four eligibility categories for EHV's. The CoC or other direct referral partner must provide supporting documentation to the PHA of the referring agency's verification that the family meets one of the four eligible categories for EHV assistance.

BHA Policy

The CoC or partnering agency must establish and implement a system to identify EHV-eligible individuals and families within the agency's caseload and make referrals to the PHA. The CoC or other partnering agency must certify that the EHV applicants they refer to the PHA meet at least one of the four EHV eligibility criteria. The PHA will maintain a copy of the referral or certification from the CoC or other partnering agency in the participant's file along with other eligibility paperwork. Homeless service providers may, but are not required to, use the certification form found in Exhibit TPS-II of this chapter. Victim services providers may, but are not required to, use the certification form found in Exhibit TPS-III of this chapter when identifying eligible families who qualify as victims of human trafficking.

As part of the MOU, the PHA and CoC or other partnering agency will identify staff positions to serve as lead EHV liaisons. These positions will be responsible for transmission and acceptance of referrals. The CoC or partnering agency must commit sufficient staff and resources to ensure eligible individuals and families are identified and determined eligible in a timely manner.

The PHA liaison responsible for acceptance of referrals will contact the CoC or partnering agency liaison via email indicating the number of vouchers available and requesting an appropriate number of referrals. No more than five business days from the date the CoC or partnering agency receives this notification, the CoC or partnering agency liaison will provide the PHA with a list of eligible referrals including the name, address, and contact phone number for each adult individual who is being referred; a completed release form for each adult family member; and a written certification for each referral indicating they are EHV-eligible.

Offers of Assistance with CoC Referral

The PHA may make an EHV available without a referral from the CoC or other partnering organization in order to facilitate an emergency transfer under VAWA in accordance with the PHA's Emergency Transfer Plan (ETP) in Chapter 16.

The PHA must also take direct referrals from outside the CoC if:

- The CoC does not have a sufficient number of eligible families to refer to the PHA; or
- The CoC does not identify families that may be eligible for EHV assistance because they are fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking or human trafficking.

If at any time the PHA is not receiving enough referrals or is not receiving referrals in a timely manner from the CoC or other partner referral agencies (or the PHA and CoC cannot identify any such alternative referral partner agencies), HUD may permit the PHA on a temporary or permanent basis to take EHV applications directly from applicants and admit eligible families to the EHV program in lieu of or in addition to direct referrals in those circumstances.

PART III: WAITING LIST MANAGEMENT

TPS-III. A. HCV WAITING LIST

The regulation that requires the PHA to admit applicants as waiting list admissions or special admissions in accordance with admission policies in Chapter 4 does not apply to PHAs operating the EHV program. Direct referrals are not added to the PHA's HCV waiting list.

The PHA must inform families on the HCV waiting list of the availability of EHV by, at a minimum, either by posting the information to their website or providing public notice in their respective communities in accordance with the requirements listed in Notice PIH 2021-15.

BHA Policy

BHA has posted information about the EHV program for families on the PHA's HCV waiting list on their website. The notice:

Describes the eligible populations to which EHV are limited

Clearly states that the availability of these EHV is managed through a direct referral process

Advises the family to contact the CoC (or any other PHA referral partner, if applicable) if the family believes they may be eligible for EHV assistance.

BHA will ensure effective communication with persons with disabilities, including those with vision, hearing, and other communication-related disabilities in accordance with Chapter 2. BHA will also take reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP) in accordance with Chapter 2.

TPS-III.B. EHV WAITING LIST

The HCV regulations requiring the PHA to operate a single waiting list for admission to the HCV program do not apply to PHAs operating the EHV program. Instead, when the number of applicants referred by the CoC or partnering agency exceeds the EHV available, the PHA must maintain a separate waiting list for EHV referrals, both at initial leasing and for any turnover vouchers that may be issued prior to September 30, 2023.

Further, the EHV waiting list is not subject to PHA policies in Chapter 4 regarding opening and closing the HCV waiting list. BHA will work directly with its CoC and other referral agency partners to manage the number of referrals and the size of the EHV waiting list.

TPS-III.C. PREFERENCES

HCV Waiting List Preferences

If local preferences are established by the PHA for HCV, they do not apply to EHV. However, if the PHA has a homeless preference or a VAWA preference for the HCV waiting list, the PHA must adopt additional policies related to EHV in accordance with Notice PIH 2021-15.

BHA Policy

The PHA does not offer either a homeless or a VAWA preference for the HCV waiting list.

EHV Waiting List Preferences

With the exception of a residency preference, the PHA may choose, in coordination with the CoC and other referral partners, to establish separate local preferences for EHV. The PHA may, however, choose to not establish any local preferences for the EHV waiting list.

BHA Policy

No local preferences have been established for the EHV waiting list.

PART IV: FAMILY ELIGIBILITY

TPS-IV.A. OVERVIEW

The CoC or referring agency determines whether the individual or family meets any one of the four eligibility criteria described in Notice PIH 2021-15 and then refers the family to the PHA. The PHA determines that the family meets other eligibility criteria for the HCV program, as modified for the EHV program and outlined below.

TPS-IV.B. REFERRING AGENCY DETERMINATION OF ELIGIBILITY

In order to be eligible for an EHV, an individual or family must meet one of four eligibility criteria:

- Homeless as defined in 24 CFR 578.3;
- At risk of homelessness as defined in 24 CFR 578.3;
- Fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking (as defined in Notice PIH 2021-15), or human trafficking (as defined in the 22 U.S.C. Section 7102); or
- Recently homeless and for whom providing rental assistance will prevent the family's homelessness or having high risk of housing instability as determined by the CoC or its designee in accordance with the definition in Notice PIH 2021-15.

As applicable, the CoC or referring agency must provide documentation to the PHA of the referring agency's verification that the family meets one of the four eligible categories for EHV assistance. The PHA must retain this documentation as part of the family's file.

TPS-IV.C. PHA SCREENING

Overview

HUD waived 24 CFR 982.552 and 982.553 in part for the EHV applicants and established alternative requirement for mandatory and permissive prohibitions of admissions. Except where applicable, PHA policies regarding denials in Chapter 3 of this policy do not apply to screening individuals and families for eligibility for an EHV. Instead, the EHV alternative requirement listed in this section will apply to all EHV applicants.

The mandatory and permissive prohibitions listed in Notice PIH 2021-15 and in this chapter, however, apply only when screening the individual or family for eligibility for an EHV. When adding a family member after the family has been placed under a HAP contract with EHV assistance, the regulations at 24 CFR 982.551(h)(2) apply. Other than the birth, adoption, or court-awarded custody of a child, the PHA must approve additional family members and may apply its regular HCV screening criteria in Chapter 3 in doing so.

Mandatory Denials

Under alternative requirements for the EHV program, mandatory denials for EHV applicants include:

- 24 CFR 982.553(a)(1)(ii)(C), which prohibits admission if any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.
- 24 CFR 982.553(a)(2)(i), which prohibits admission to the program if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program.

The PHA must deny admission to the program if any member of the family fails to sign and submit consent forms for obtaining information as required by 24 CFR 982.552(b)(3) but should notify the family of the limited EHV grounds for denial of admission first.

BHA Policy

While BHA may deny admission to the program if any adult member (or head of household or spouse, regardless of age) fails to sign and submit consent forms, the PHA will first notify the family of the limited EHV grounds for denial of admission as part of the notice of denial that will be mailed to the family. BHA will also work with referral partnering agencies to seek to obtain signatures on required consent forms where they may be missing.

Permissive Denial

Notice PIH 2021-15 lists permissive prohibitions for which the PHA may, but is not required to, deny admission to EHV families. The notice also lists prohibitions that, while allowable under the HCV program, may not be used to deny assistance for EHV families.

If the PHA intends to establish permissive prohibition policies for EHV applicants, the PHA must first consult with its CoC partner to understand the impact that the proposed prohibitions may have on referrals and must take the CoC's recommendations into consideration.

BHA Policy

In consultation with the CoC, the PHA will apply permissive prohibition to the screening of EHV applicants. Determinations using permissive prohibitions will be made based on an individualized assessment of relevant mitigating information in accordance with policies in Section 3-III.E.

BHA will establish the following permissive prohibition:

If the family engaged in or threatened abusive or violent behavior toward PHA personnel within the previous 12 months.

The PHA will also deny assistance to household members already receiving assistance from another program in accordance with Section 9.h. of Notice PIH 2021-15.

In compliance with PIH 2021-15, the PHA **will not** deny an EHV applicant admission regardless of whether:

Any member of the family has been evicted from federally assisted housing in the last five years;

A PHA has ever terminated assistance under the program for any member of the family;

The family currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act;

The family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease;

The family breached an agreement with the PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA;

The family would otherwise be prohibited admission under alcohol abuse standards established by the PHA in accordance with 24 CFR 982.553(a)(3);

The PHA determines that any household member is currently engaged in or has engaged in during a reasonable time before the admission, drug-related criminal activity.

TPS-IV.D. INCOME VERIFICATION AT ADMISSION

Self-Certification at Admission

The requirement to obtain third-party verification of income in accordance with Notice PIH 2018-18 does not apply to the EHV program applicants at admission, and alternatively, PHAs may consider self-certification the highest form of income verification at admission. As such, PHA policies related to the verification of income in Section 7-I.B. do not apply to EHV families at admission. Instead, applicants must submit an affidavit attesting to their reported income, assets, expenses, and other factors that would affect an income eligibility determination.

Additionally, applicants may provide third-party documentation that represents the applicant's income within the 60-day period prior to admission or voucher issuance but is not dated within 60 days of the PHA's request.

BHA Policy

Any documents used for verification must be the original (not photocopies) and dated within the calendar year prior to admission. The documents must not be damaged, altered, or in any way illegible.

Printouts from webpages are considered original documents.

Any family self-certifications must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified.

The PHA will incorporate additional procedures to remind families of the obligation to provide true and complete information in accordance with Chapter 14. The PHA will address any material discrepancies (i.e., unreported income or a substantial difference in reported income) that may arise later. The PHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, the PHA will terminate the family's assistance in accordance with the policies in Chapter 12.

Recently Conducted Income Determinations

PHAs may accept income calculations and verifications from third-party providers or from an examination that the PHA conducted on behalf of the family for another subsidized housing program in lieu of conducting an initial examination of income as long as:

- The income was calculated in accordance with rules outlined at 24 CFR Part 5 and within the last six months; and
- The family certifies there has been no change in income or family composition in the interim.

BHA Policy

The PHA will accept income calculations and verifications from third-party providers provided they meet the criteria outlined above.

The family certification must be made in a format acceptable to the PHA and must be signed by all adult family members whose information or status is being verified.

At the time of the family's annual reexamination the PHA must conduct the annual reexamination of income as outlined at 24 CFR 982.516 and PHA policies in Chapter 11.

EIV Income Validation

Once HUD makes the EIV data available to PHAs under this waiver and alternative requirement, the PHA must:

- Review the EIV Income and Income Validation Tool (IVT) reports to confirm and validate family-reported income within 90 days of the PIC submission date;
- Print and maintain copies of the EIV Income and IVT Reports in the tenant file; and
- Resolve any income discrepancy with the family within 60 days of the EIV Income or IVT Report dates.

Prior to admission, PHAs must continue to use HUD's EIV system to search for all household members using the Existing Tenant Search in accordance with PHA policies in Chapter 3.

If a PHA later determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program in accordance with Chapter 12.

TPS-IV.E. SOCIAL SECURITY NUMBER AND CITIZENSHIP STATUS VERIFICATION

For the EHV program, the PHA is not required to obtain and verify SSN documentation and documentation evidencing eligible noncitizen status before admitting the family to the EHV program. Instead, PHAs may adopt policies to admit EHV applicants who are unable to provide the required SSN or citizenship documentation during the initial eligibility determination. As an alternative requirement, such individuals must provide the required documentation within 180 days of admission to be eligible for continued assistance, pending verification, unless the PHA provides an extension based on evidence from the family or confirmation from the CoC or other partnering agency that the family has made a good-faith effort to obtain the documentation.

If a PHA determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program.

BHA Policy

BHA will admit EHV applicants who are unable to provide the required SSN documentation during the initial eligibility determination. These individuals must provide the required documentation in accordance with policies in Chapter 7 within 180 days of admission.

If the PHA determines that an ineligible family received assistance, the PHA will take steps to terminate that family from the program in accordance with policies in Chapter 12.

TPS-IV.F. AGE AND DISABILITY VERIFICATION

PHAs may accept self-certification of date of birth and disability status if a higher level of verification is not immediately available. If self-certification is used, the PHA must obtain a higher level of verification within 90 days of admission or verify the information in EIV.

If a PHA determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program.

BHA Policy

BHA will accept self-certification of date of birth and disability status if a higher form of verification is not immediately available. The certification must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified. If self-certification is accepted, within 90 days of admission, the PHA will verify the information in EIV or through other third-party verification if the information is not available in EIV. The PHA will note the family's file that self-certification was used as initial verification and include an EIV printout or other third-party verification confirming the applicant's date of birth and/or disability status.

If the PHA determines that an ineligible family received assistance, the PHA will take steps to terminate that family from the program in accordance with policies in Chapter 12.

TPS-IV.G. INCOME TARGETING

The PHA must determine income eligibility for EHV families in accordance with 24 CFR 982.201 and BHA Policy in Chapter 3; however, income targeting requirements do not apply for EHV families. The PHA may still choose to include the admission of extremely low-income EHV families in its income targeting numbers for the fiscal year in which these families are admitted.

BHA Policy

BHA will include the admission of extremely low-income EHV families in its income targeting numbers for the fiscal year in which these families are admitted.

PART V: HOUSING SEARCH AND LEASING

TPS-V.A. INITIAL VOUCHER TERM

Unlike the standard HCV program, which requires an initial voucher term of at least 60 days, EHV vouchers must have an initial search term of at least 120 days. PHA policies on extensions as outlined in Section 5-II.E. will apply.

BHA Policy

All EHV's will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 120-day period unless the PHA grants an extension.

TPS-V.B. HOUSING SEARCH ASSISTANCE

The PHA must ensure housing search assistance is made available to EHV families during their initial housing search. The housing search assistance may be provided directly by the PHA or through the CoC or another partnering agency or entity.

At a minimum, housing search assistance must:

- Help individual families identify potentially available units during their housing search, including physically accessible units with features for family members with disabilities, as well as units in low-poverty neighborhoods;

- Provide transportation assistance and directions to potential units;
- Conduct owner outreach;
- Assist with the completion of rental applications and PHA forms; and
- Help expedite the EHV leasing process for the family

BHA Policy

As identified in the MOU between the PHA and CoC, the following housing search assistance will be provided to each EHV family:

The PHA will:

Conduct owner outreach in accordance with policies in Chapter 13

Provide a listing of potential units as part of the EHV briefing packet

Expedite the EHV leasing process for the family to the extent practicable and in accordance with policies in this chapter

The CoC will:

Help families identify potentially available units during their housing search, including physically accessible units with features for family members with disabilities, as well as units in low-poverty neighborhoods

Provide transportation assistance to potential units

Assist the family with the completion of rental applications and PHA forms

TPS-V.C. HQS PRE-INSPECTIONS

To expedite the leasing process, PHAs may pre-inspect available units that EHV families may be interested in leasing in order to maintain a pool of eligible units.

BHA Policy

To the extent possible, BHA will pre-inspect units in which EHV households are residing and will continue to rent using their EHV, in other words households leasing “in place.”

TPS-V.D. INITIAL LEASE TERM

Unlike in the standard the HCV program, EHV voucher holders may enter into an initial lease that is for less than 12 months, regardless of the BHA Policy in Section 9-I.E., Term of Assisted Tenancy.

TPS-V.E. PORTABILITY

The normal HCV portability procedures and requirements outlined in Chapter 10 generally apply to EHV. Exceptions are addressed below.

Nonresident Applicants

Under EHV, applicant families may move under portability even if the family did not have legal residency in the jurisdiction of the initial PHA when they applied, regardless of BHA Policy in Section 10-II.B.

Billing and Absorption

A receiving PHA cannot refuse to assist an incoming EHV family, regardless of whether the PHA administers EHV under its own ACC.

- If the EHV family moves under portability to another PHA that administers EHV under its own ACC:
 - The receiving PHA may only absorb the incoming EHV family with an EHV (assuming it has an EHV voucher available to do so).
 - If the PHA does not have an EHV available to absorb the family, it must bill the initial PHA. The receiving PHA must allow the family to lease the unit with EHV assistance and may not absorb the family with a regular HCV when the family leases the unit.
 - Regardless of whether the receiving PHA absorbs or bills the initial PHA for the family's EHV assistance, the EHV administration of the voucher is in accordance with the receiving PHA's EHV policies and procedures and EHV portability provisions set forth in the MOU.
 - Each housing authority as signor of the MOU agrees not to absorb for the first 3 months of the MOU and agree to meet quarterly to regularly review and agree on absorption policies for EHV families before absorbing any ported vouchers that are from another jurisdiction/County.
- If the EHV family moves under portability to another PHA that is not a party to the MOU and that does not administer EHV under its own ACC, the receiving PHA may absorb the family into its regular HCV program or may bill the initial PHA.

Family Briefing

In addition to the applicable family briefing requirements at 24 CFR 982.301(a)(2) as to how portability works and how portability may affect the family's assistance, the initial PHA must inform the family how portability may impact the special EHV services and assistance that may be available to the family.

The initial PHA is required to help facilitate the family's portability move to the receiving PHA and inform the family of this requirement in writing, taking reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP).

BHA Policy

In addition to following BHA Policy on briefings in Chapter 5, as part of the briefing packet for EHV families, the PHA will include a written notice that the PHA will assist the family with moves under portability.

For limited English proficient (LEP) applicants, the PHA will provide interpretation services in accordance with the PHA's LEP plan (See Chapter 2).

Coordination of Services

If the portability move is in connection with the EHV family's initial lease-up, the receiving PHA and the initial PHA must consult and coordinate on the EHV services and assistance that will be made available to the family.

BHA Policy

For EHV families who are exercising portability, when the PHA contacts the receiving PHA in accordance with Section 10-II.B. Preapproval Contact with Receiving PHA, the PHA will consult and coordinate with the receiving PHA to ensure there is no duplication of EHV

services and assistance, and ensure the receiving PHA is aware of the maximum amount of services fee funding that the initial PHA may provide to the receiving PHA on behalf of the family.

Services Fee

Standard portability billing arrangements apply for HAP and ongoing administrative fees for EHV families.

For service fees funding, the amount of the service fee provided by the initial PHA may not exceed the lesser of the actual cost of the services and assistance provided to the family by the receiving PHA or \$1,750, unless the initial PHA and receiving PHA mutually agree to change the \$1,750 cap. Service fees are paid as follows:

- If the receiving PHA, in consultation and coordination with the initial PHA, will provide eligible services or assistance to the incoming EHV family, the receiving PHA may be compensated for those costs by the initial PHA, regardless of whether the receiving PHA bills the initial PHA or absorbs the family into its own program at initial lease-up.
- If the receiving PHA administers EHV, the receiving PHA may use its own services fee and may be reimbursed by the initial PHA, or the initial PHA may provide the services funding upfront to the receiving PHA for those fees and assistance.
- If the receiving PHA administers EHV under its CACC and is part of the MOU, the initial PHA will provide the services funding up front to the receiving PHA for those fees and assistance. Any amounts provided to the receiving PHA that are not used for services or assistance on behalf of the EHV family must promptly be returned by the receiving PHA to the initial PHA. The amount of the service fee provided by the initial PHA will be \$1750, unless otherwise mutually agreed upon between the two PHAs on a case by case basis.
- If the receiving PHA does not administer EHV, the initial PHA must provide the services funding upfront to the receiving PHA. Any amounts provided to the receiving PHA that are not used for services or assistance on behalf of the EHV family must promptly be returned by the receiving PHA to the initial PHA.

Placement Fee/Issuance Reporting Fee

If the portability lease-up qualifies for the placement fee/issuance reporting fee, the receiving PHA receives the full amount of the placement component of the placement fee/issuance reporting fee. The receiving PHA is eligible for the placement fee regardless of whether the receiving PHA bills the initial PHA or absorbs the family into its own program at initial lease-up. The initial PHA qualifies for the issuance reporting component of the placement fee/issuance reporting fee, as applicable.

TPS-V.F. PAYMENT STANDARDS

Payment Standard Schedule

For the EHV program, HUD has waived the regulation requiring a single payment standard for each unit size. Instead, the PHA may, but is not required to, establish separate higher payment standards for EHV. Lower EHV payment standards are not permitted. If the PHA is increasing the regular HCV payment standard, the PHA must also increase the EHV payment standard if it would be otherwise lower than the new regular HCV payment standard. The separate EHV payment standard

must comply with all other HCV requirements with the exception of the alternative requirements discussed below.

Further, if the PHA chooses to establish higher payments standards for EHV, HUD has provided other regulatory waivers:

- Defining the “basic range” for payment standards as between 90 and 120 percent of the published Fair Market Rent (FMR) for the unit size (rather than 90 to 110 percent).

BHA Policy

The PHA will establish a higher payment standard amount for EHV at 120% of the FMR.

Rent Reasonableness

All rent reasonableness requirements apply to EHV units, regardless of whether the PHA has established an alternative or exception EHV payment standard.

Increases in Payment Standards

The requirement that the PHA apply increased payment standards at the family’s first regular recertification on or after the effective date of the increase does not apply to EHV. The PHA may, but is not required to, establish an alternative policy on when to apply the increased payment standard, provided the increased payment standard is used to calculate the HAP no later than the effective date of the family’s first regular reexamination following the change.

BHA Policy

The PHA will not establish an alternative policy for increases in the payment standard. BHA Policy in Section 11-III.B. governing increases in payment standards will apply to EHV.

TPS-V.G. TERMINATION OF VOUCHERS

After September 30, 2023, a PHA may not reissue EHV when assistance for an EHV-assisted family ends. This means that when an EHV participant (a family that is receiving rental assistance under a HAP contract) leaves the program for any reason, the PHA may not reissue that EHV to another family unless it does so no later than September 30, 2023.

If an applicant family that was issued the EHV is unsuccessful in finding a unit and the EHV expires after September 30, 2023, the EHV may not be reissued to another family.

All EHV under lease on or after October 1, 2023, may not under any circumstances be reissued to another family when the participant leaves the program for any reason.

An EHV that has never been issued to a family may be initially issued and leased after September 30, 2023, since this prohibition only applies to EHV that are being reissued upon turnover after assistance to a family has ended. However, HUD may direct PHAs administering EHV to cease leasing any unleased EHV if such action is determined necessary by HUD to ensure there will be sufficient funding available to continue to cover the HAP needs of currently assisted EHV families.

PART VI: USE OF FUNDS, REPORTING, AND FINANCIAL RECORDS

EHV funds allocated to the PHA for HAP (both funding for the initial allocation and HAP renewal funding) may only be used for eligible EHV HAP purposes. EHV HAP funding obligated to the PHA may not be used for EHV administrative expenses or the other EHV eligible expenses under this notice. Likewise, EHV administrative fees and funding obligated to the PHA are to be used for those purposes and must not be used for HAP.

The appropriated funds for EHV are separate from the regular HCV program and may not be used for the regular HCV program but may only be expended for EHV eligible purposes. EHV HAP funds may not roll into the regular HCV restricted net position (RNP) and must be tracked and accounted for separately as EHV RNP. EHV administrative fees and funding for other eligible expenses permitted by Notice PIH 2021-15 may only be used in support of the EHV and cannot be used for regular HCVs. EHV funding may not be used for the repayment of debts or any amounts owed to HUD by HUD program participants including, but not limited to, those resulting from Office of Inspector General (OIG), Quality Assurance Division (QAD), or other monitoring review findings.

The PHA must comply with EHV reporting requirements in the Voucher Management System (VMS) and Financial Data Schedule (FDS) as outlined in Notice PIH 2021-15.

The PHA must maintain complete and accurate accounts and other records for the program and provide HUD and the Comptroller General of the United States full and free access to all accounts and records that are pertinent the administration of the EHV in accordance with the HCV program requirements at 24 CFR 982.158.
