

If I choose to rent to a voucher holder, what is the process involved?

Answer: A summary of the steps, which are described in more detail in other questions is listed below:

- The prospective tenant submits the completed Request for Tenancy Approval (RTA)
- You will be contacted by a Housing Specialist or Inspector to schedule an inspection of the unit to be rented.
- Once the unit is approved, lease and HAPC are signed, and the tenant pays the security deposit and their portion of the rent the tenant moves in.
- Shortly thereafter, you will receive your first payment from the housing authority.
